Ancient Empires & the Victory of Christ

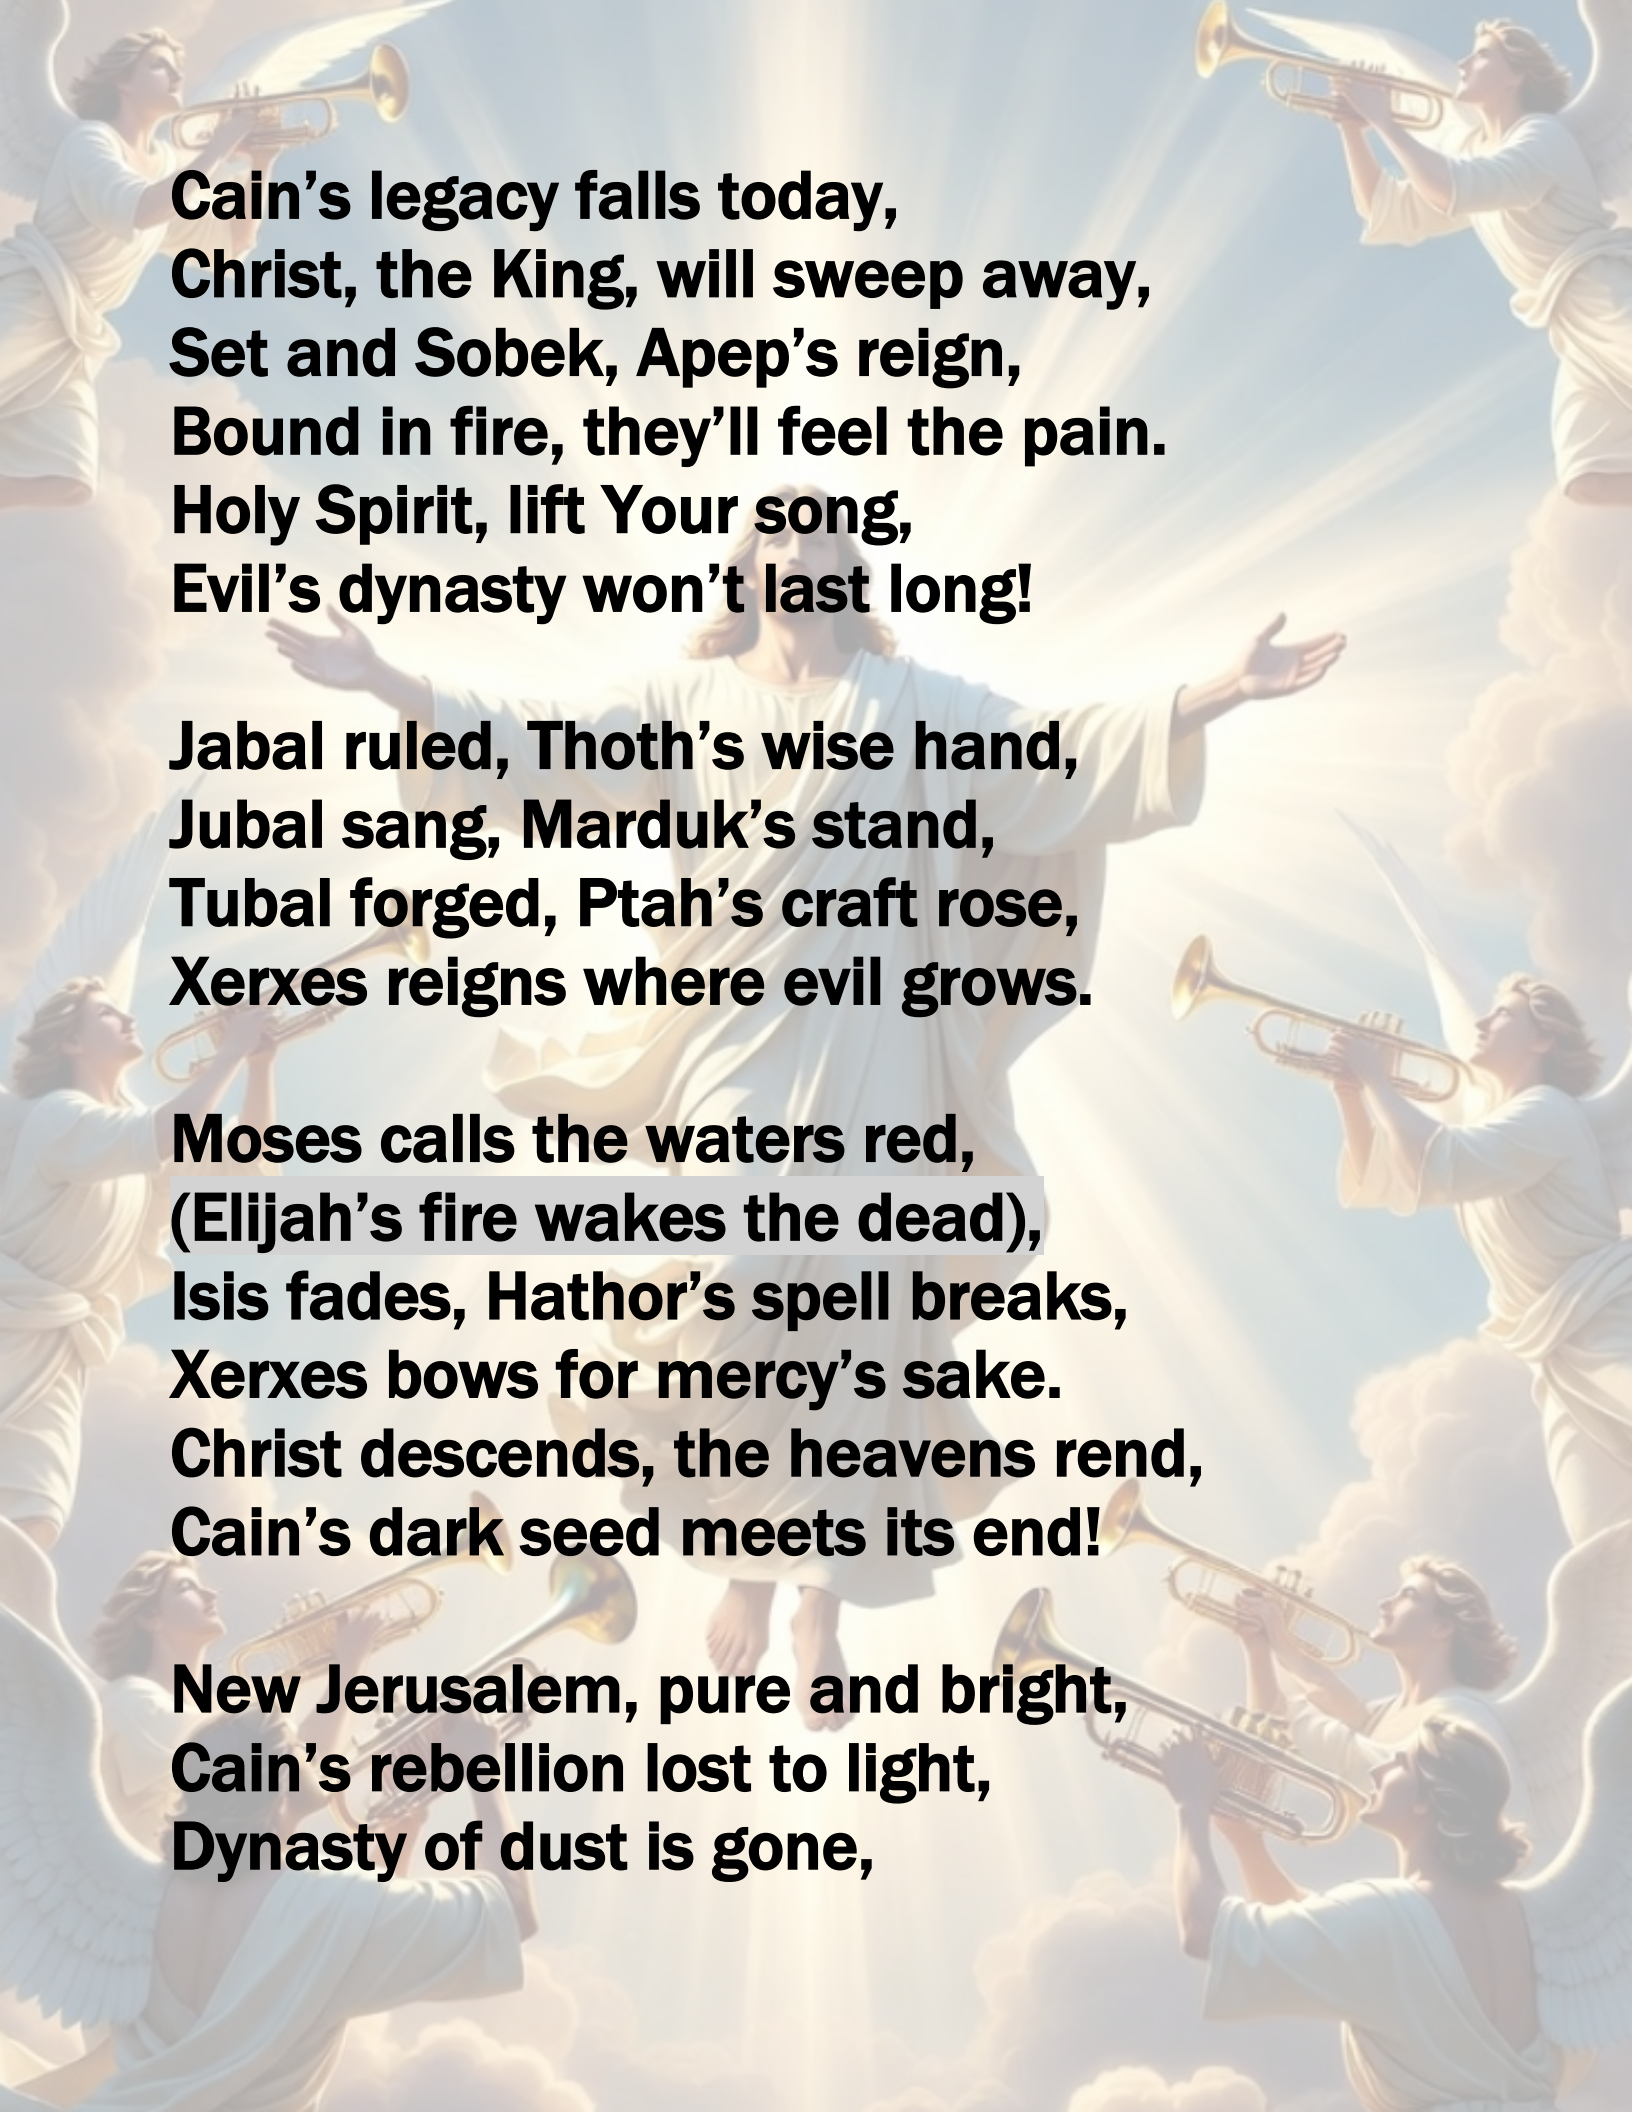

Album 38 - Ancient Empires & the Victory of Christ

Album 38 Song 1

**Cain's blood stained, Set's chaos grew,
Enoch built where Anubis brew,
Iradd roared, Sobek's might,
Mehujael, Apis, dark of night.**

**Cain's legacy falls today,
Christ, the King, will sweep away,
Set and Sobek, Apep's reign,
Bound in fire, they'll feel the pain.
Holy Spirit, lift Your song,
Evil's dynasty won't last long!**

**Methushael, Osiris' sway,
Lamech struck, Apep's dark day,
Adah bore, Isis' pride,
Zillah raised, Hathor's tide.**

**Cain's legacy falls today,
Christ, the King, will sweep away,
Set and Sobek, Apep's reign,
Bound in fire, they'll feel the pain.
Holy Spirit, lift Your song,
Evil's dynasty won't last long!**

**Jabal ruled, Thoth's wise hand,
Jubal sang, Marduk's stand,
Tubal forged, Ptah's craft rose,
Xerxes reigns where evil grows.**

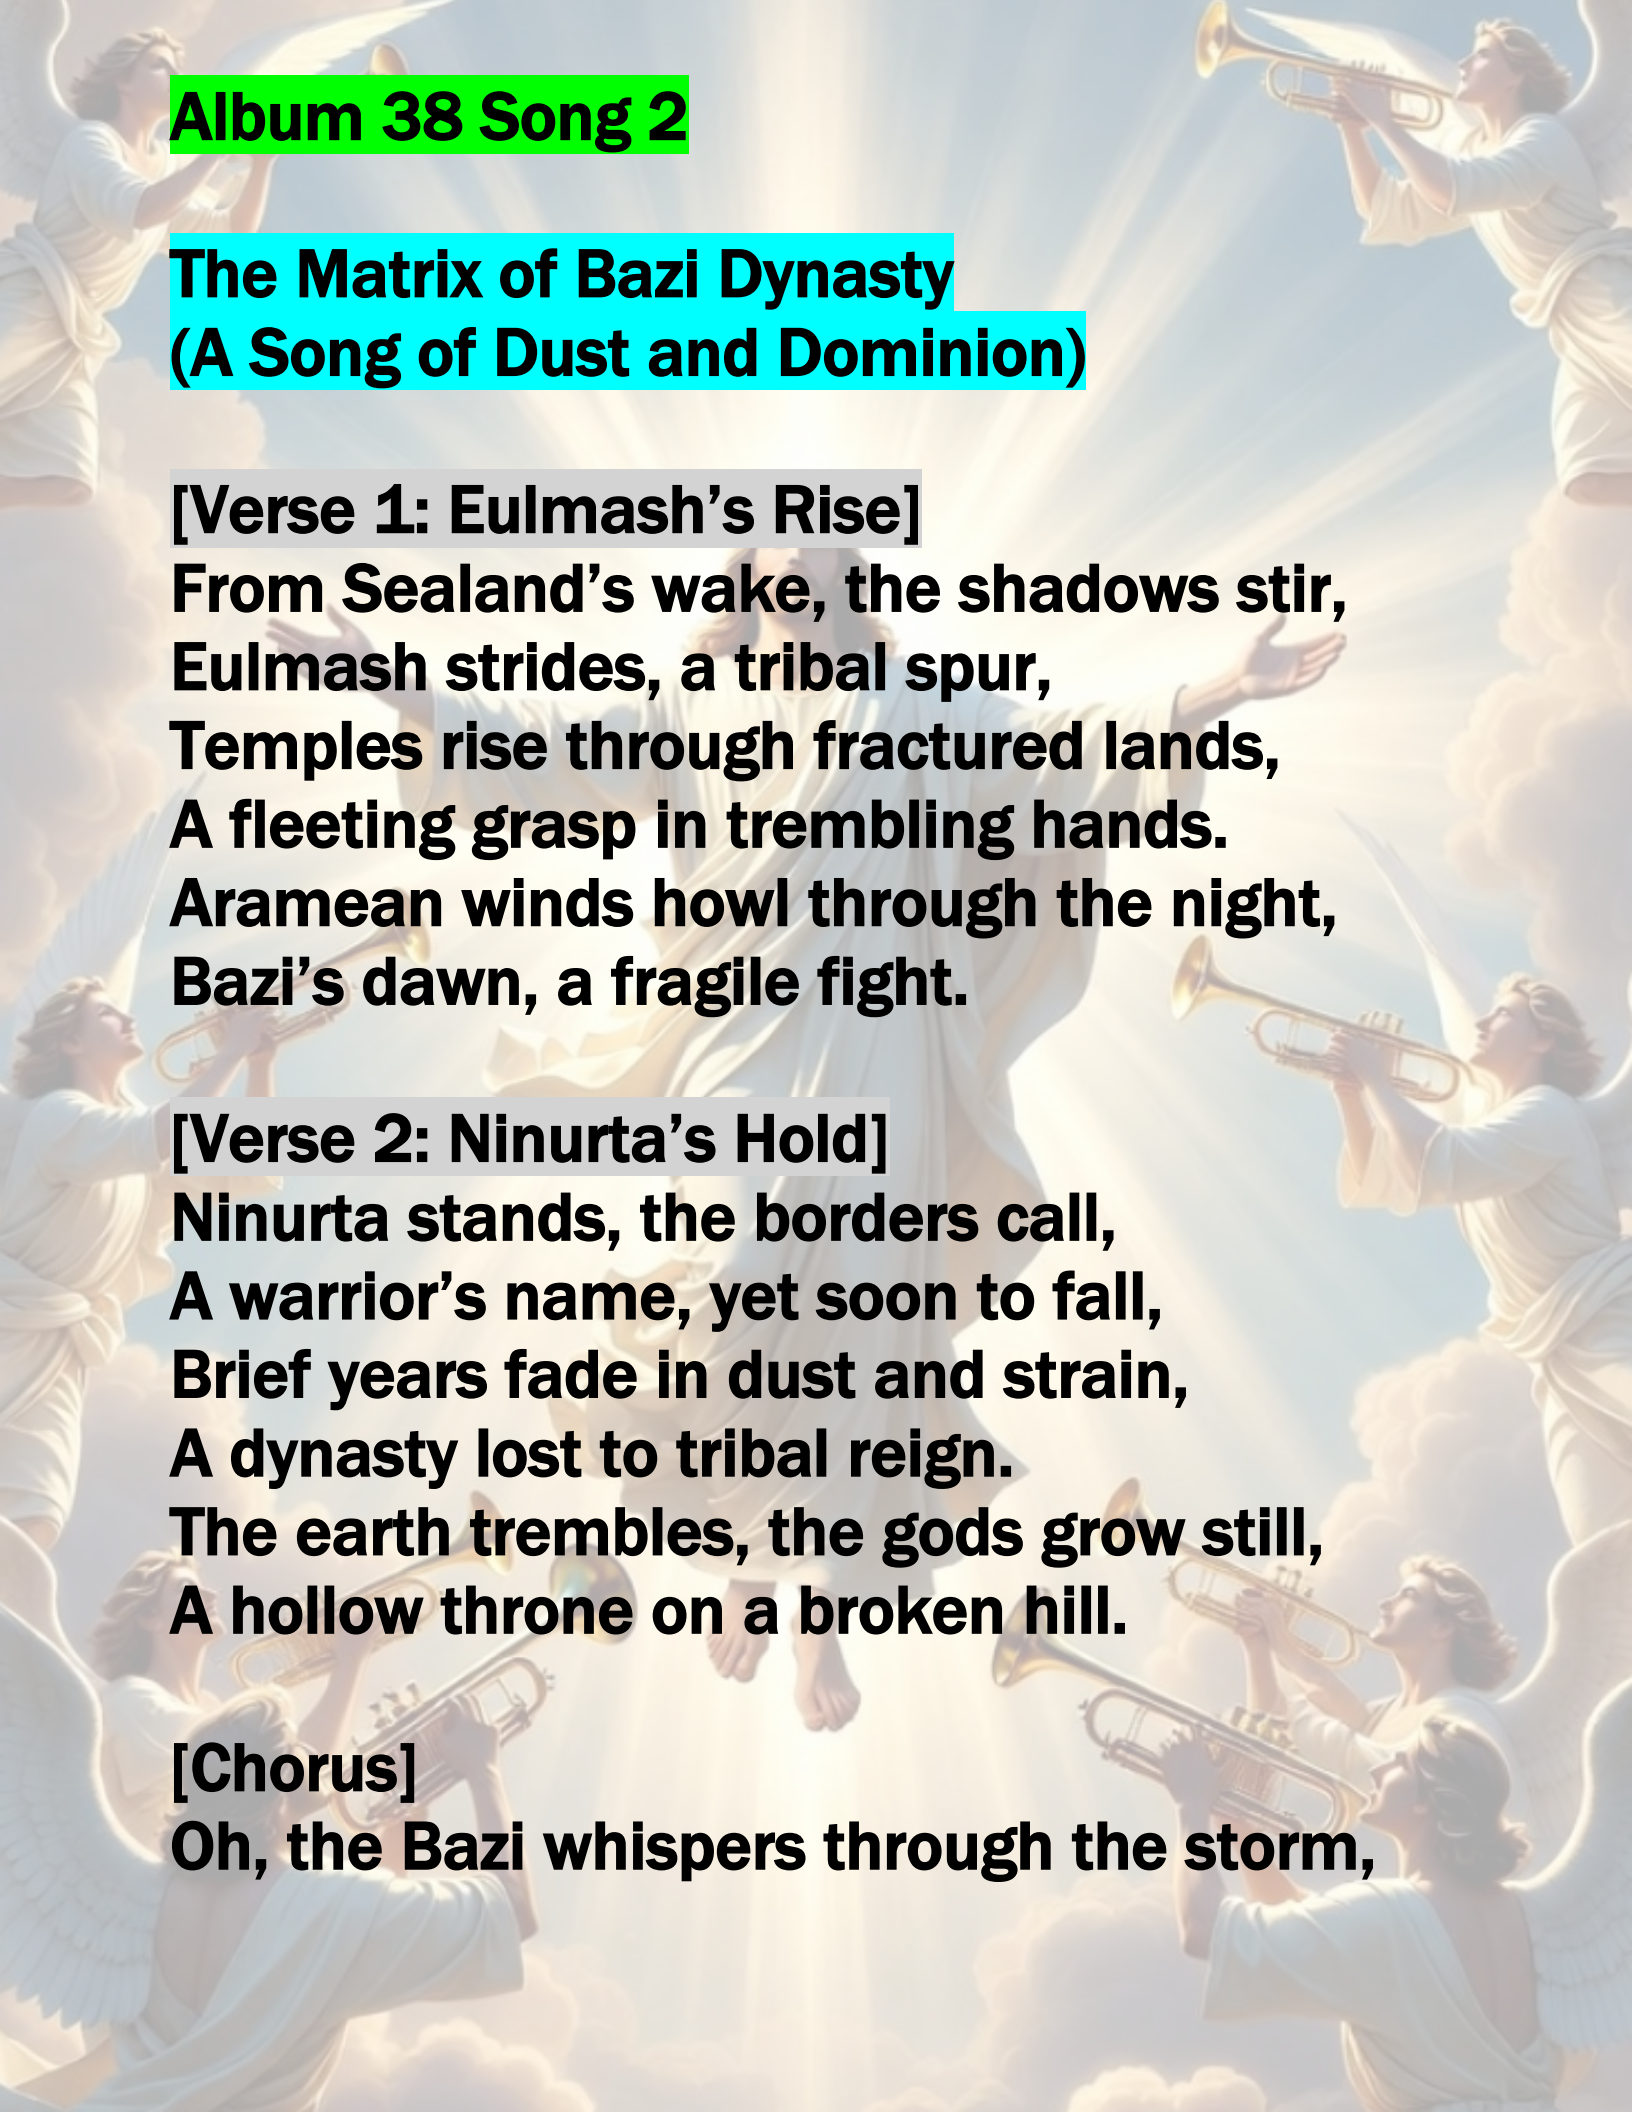

**Moses calls the waters red,
(Elijah's fire wakes the dead),
Isis fades, Hathor's spell breaks,
Xerxes bows for mercy's sake.
Christ descends, the heavens rend,
Cain's dark seed meets its end!**

**New Jerusalem, pure and bright,
Cain's rebellion lost to light,
Dynasty of dust is gone,**

Praise the Lamb, the battle won.

**Cain's legacy falls today,
Christ, the King, will sweep away,
Set and Sobek, Apep's reign,
Bound in fire, they'll feel the pain.
Holy Spirit, lift Your song,
Evil's dynasty won't last long!**

Album 38 Song 2

The Matrix of Bazi Dynasty (A Song of Dust and Dominion)

[Verse 1: Eulmash's Rise]

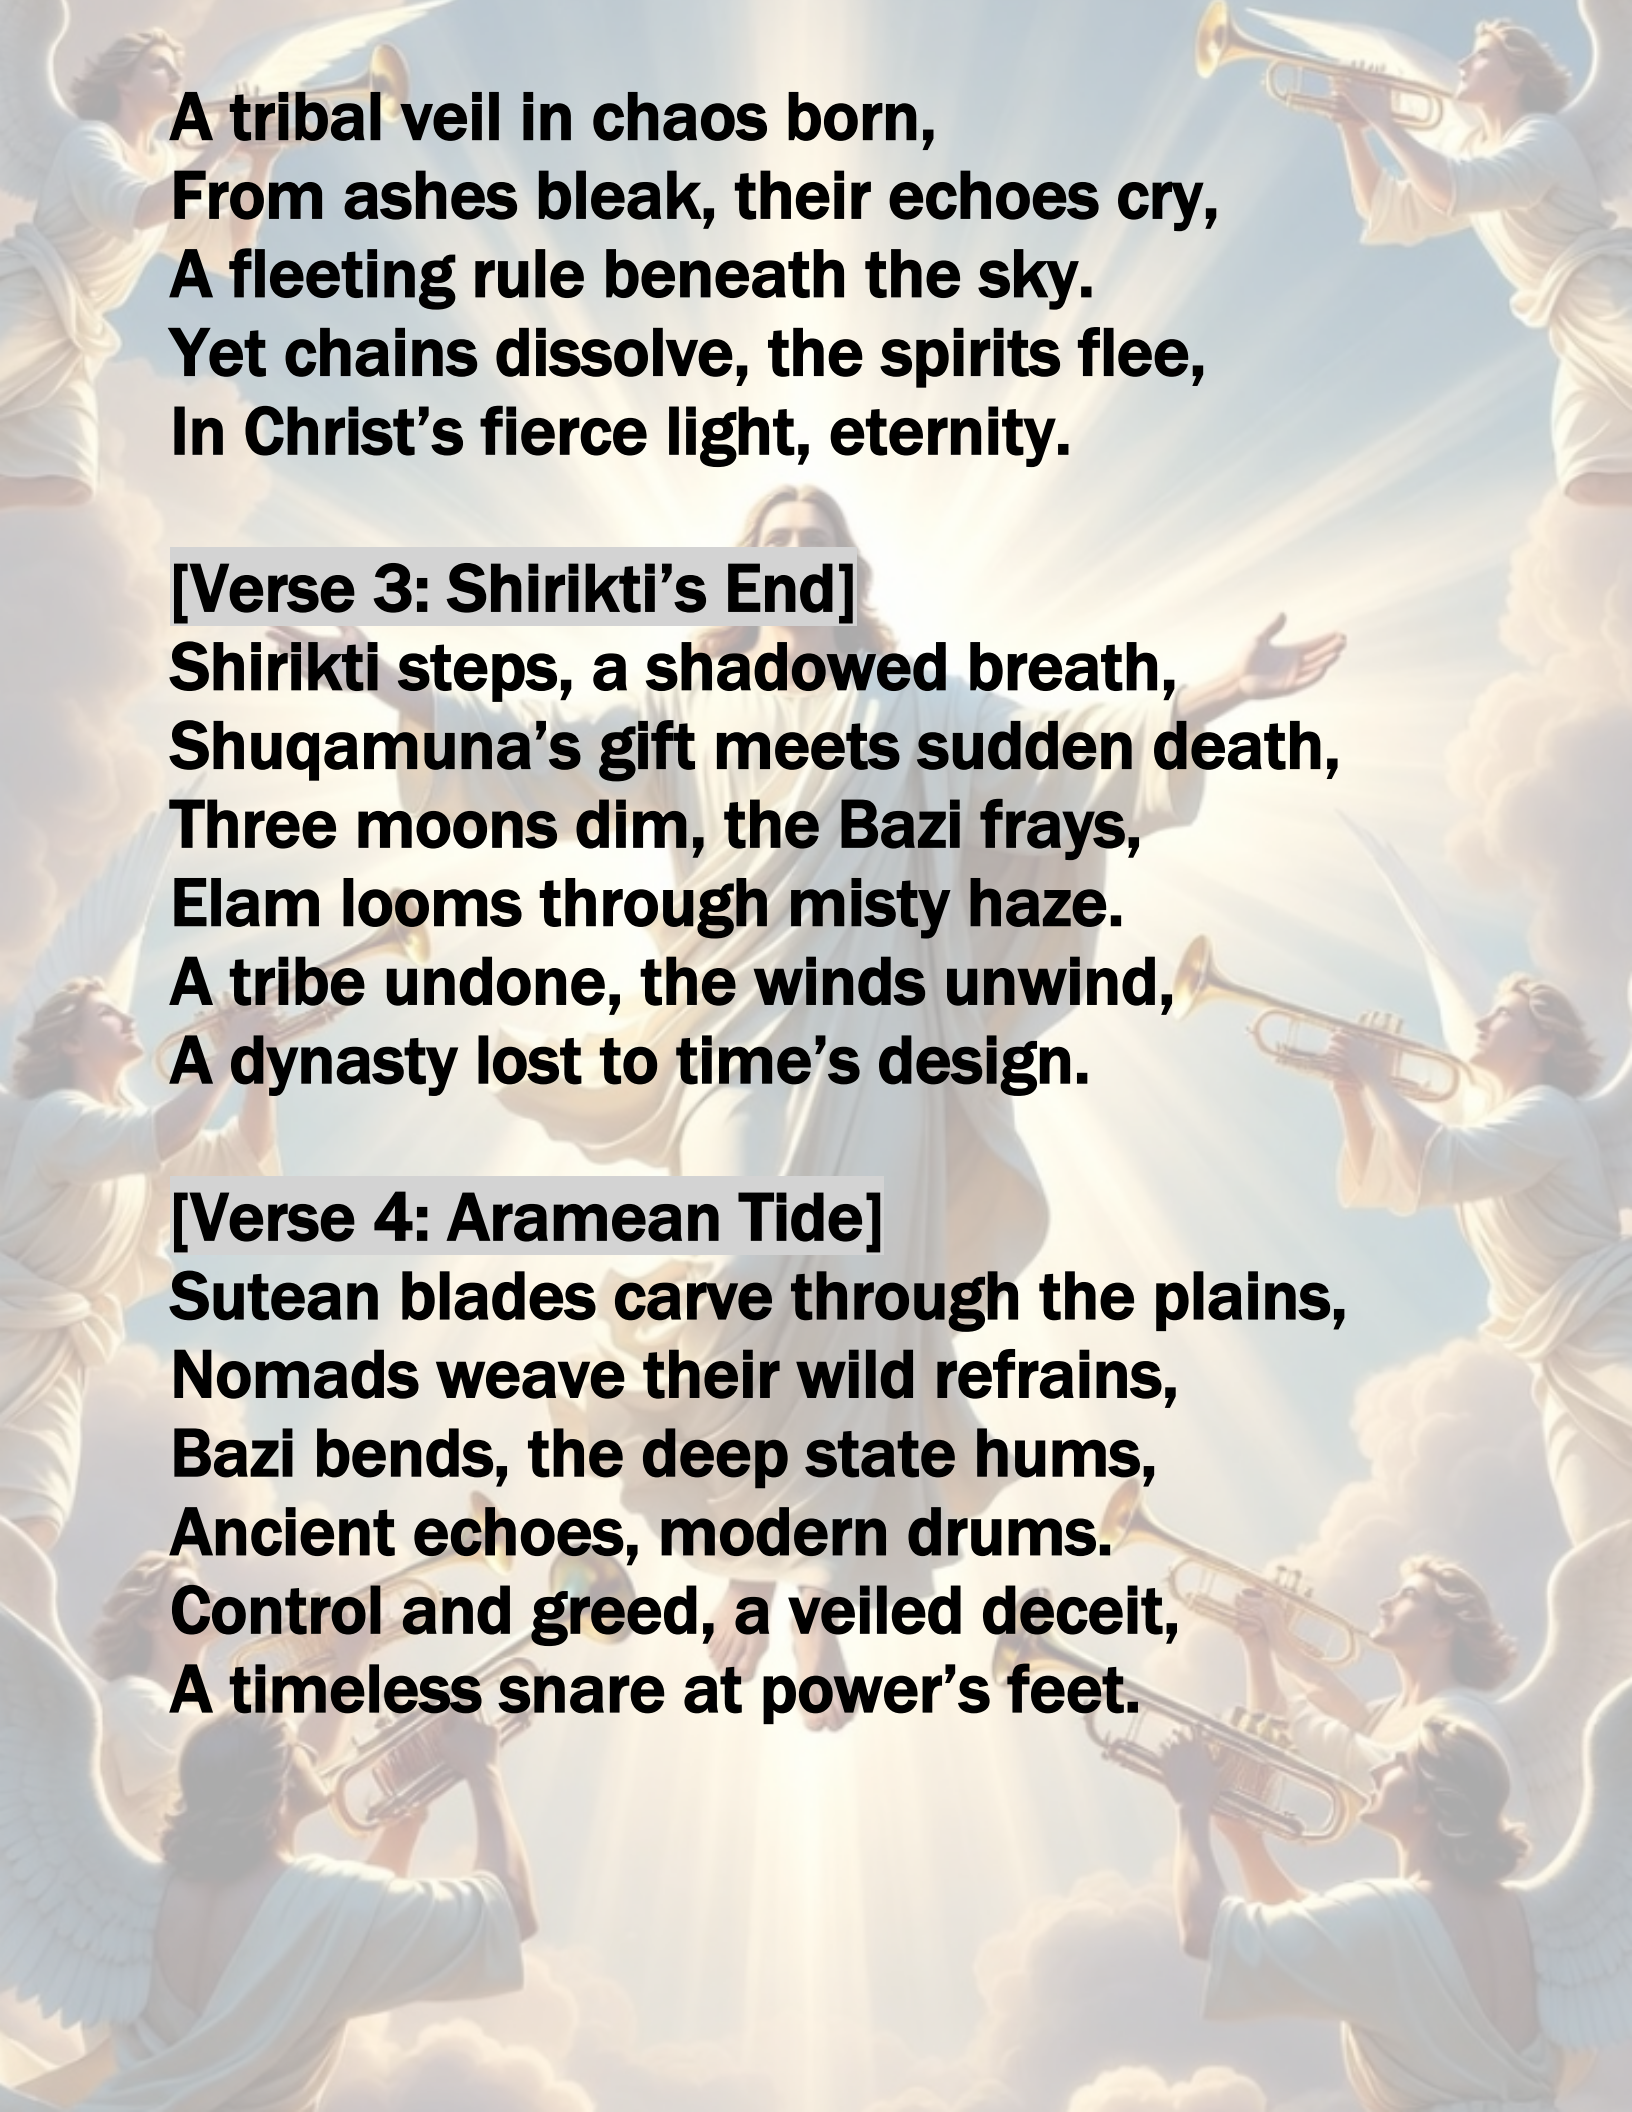

**From Sealand's wake, the shadows stir,
Eulmash strides, a tribal spur,
Temples rise through fractured lands,
A fleeting grasp in trembling hands.
Aramean winds howl through the night,
Bazi's dawn, a fragile fight.**

[Verse 2: Ninurta's Hold]

**Ninurta stands, the borders call,
A warrior's name, yet soon to fall,
Brief years fade in dust and strain,
A dynasty lost to tribal reign.
The earth trembles, the gods grow still,
A hollow throne on a broken hill.**

[Chorus]

Oh, the Bazi whispers through the storm,

**A tribal veil in chaos born,
From ashes bleak, their echoes cry,
A fleeting rule beneath the sky.
Yet chains dissolve, the spirits flee,
In Christ's fierce light, eternity.**

[Verse 3: Shirikti's End]

**Shirikti steps, a shadowed breath,
Shuqamuna's gift meets sudden death,
Three moons dim, the Bazi frays,
Elam looms through misty haze.
A tribe undone, the winds unwind,
A dynasty lost to time's design.**

[Verse 4: Aramean Tide]

**Sutean blades carve through the plains,
Nomads weave their wild refrains,
Bazi bends, the deep state hums,
Ancient echoes, modern drums.
Control and greed, a veiled deceit,
A timeless snare at power's feet.**

[Chorus]

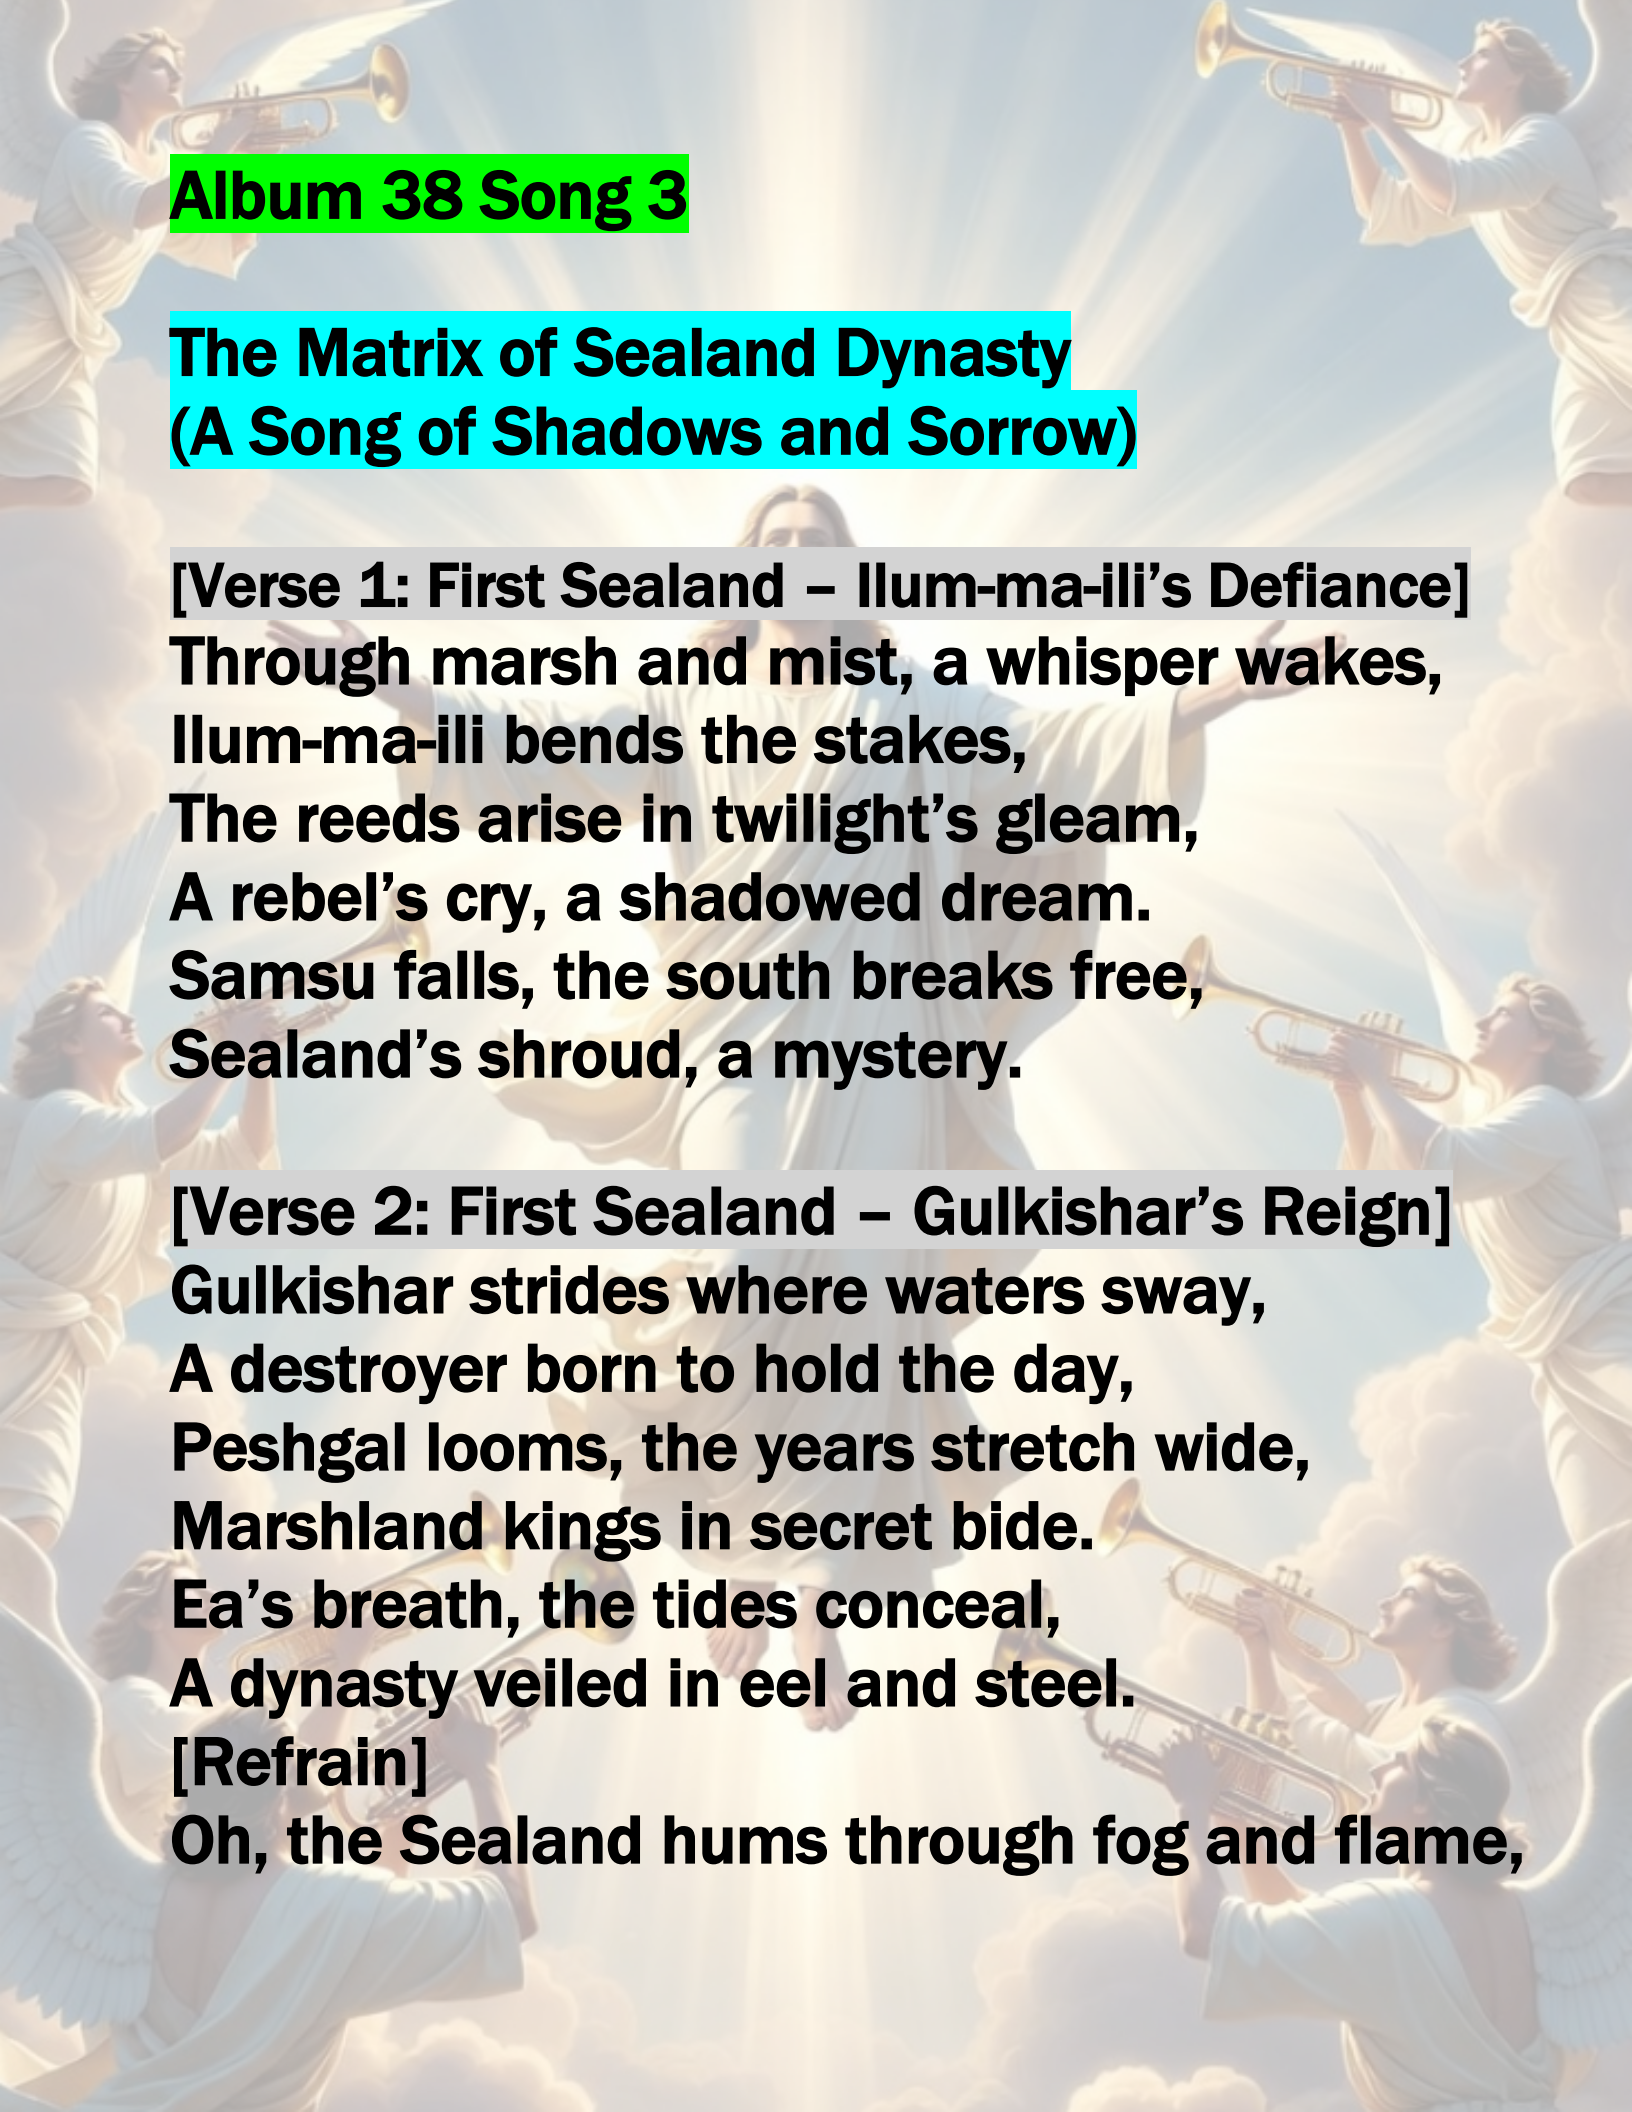

**Oh, the Bazi whispers through the storm,
A tribal veil in chaos born,
From ashes bleak, their echoes cry,
A fleeting rule beneath the sky.
Yet chains dissolve, the spirits flee,
In Christ's fierce light, eternity.**

[Bridge: Unraveled Secrets]

**Eulmash builds, Ninurta guards,
Shirikti falls to fate's harsh shards,
Marduk fades, Shuqamuna lies,
Aramean ghosts haunt darkened skies.
Spirits clash—control unwind,
To the abyss, their souls confined.**

[Outro: Prayer and Release]

**Iraq, from dust where Bazi trod,
February's dawn, lift up to God,
USA, your shadows deep,
Christ breaks the bonds where nations weep.
A somber string, a wind's lament,
Redemption reigns where time is spent.**

The background of the entire page is a soft, ethereal illustration. It features several angels with white, feathered wings, dressed in white robes, playing golden trumpets. They are positioned around the edges of the frame, looking upwards. In the center, a figure with long, wavy brown hair and a white robe has their arms outstretched horizontally. The entire scene is set against a backdrop of soft, white clouds and a warm, golden light that radiates from behind the central figure, creating a halo effect and illuminating the scene. The overall mood is one of divine presence and celestial music.

Album 38 Song 3

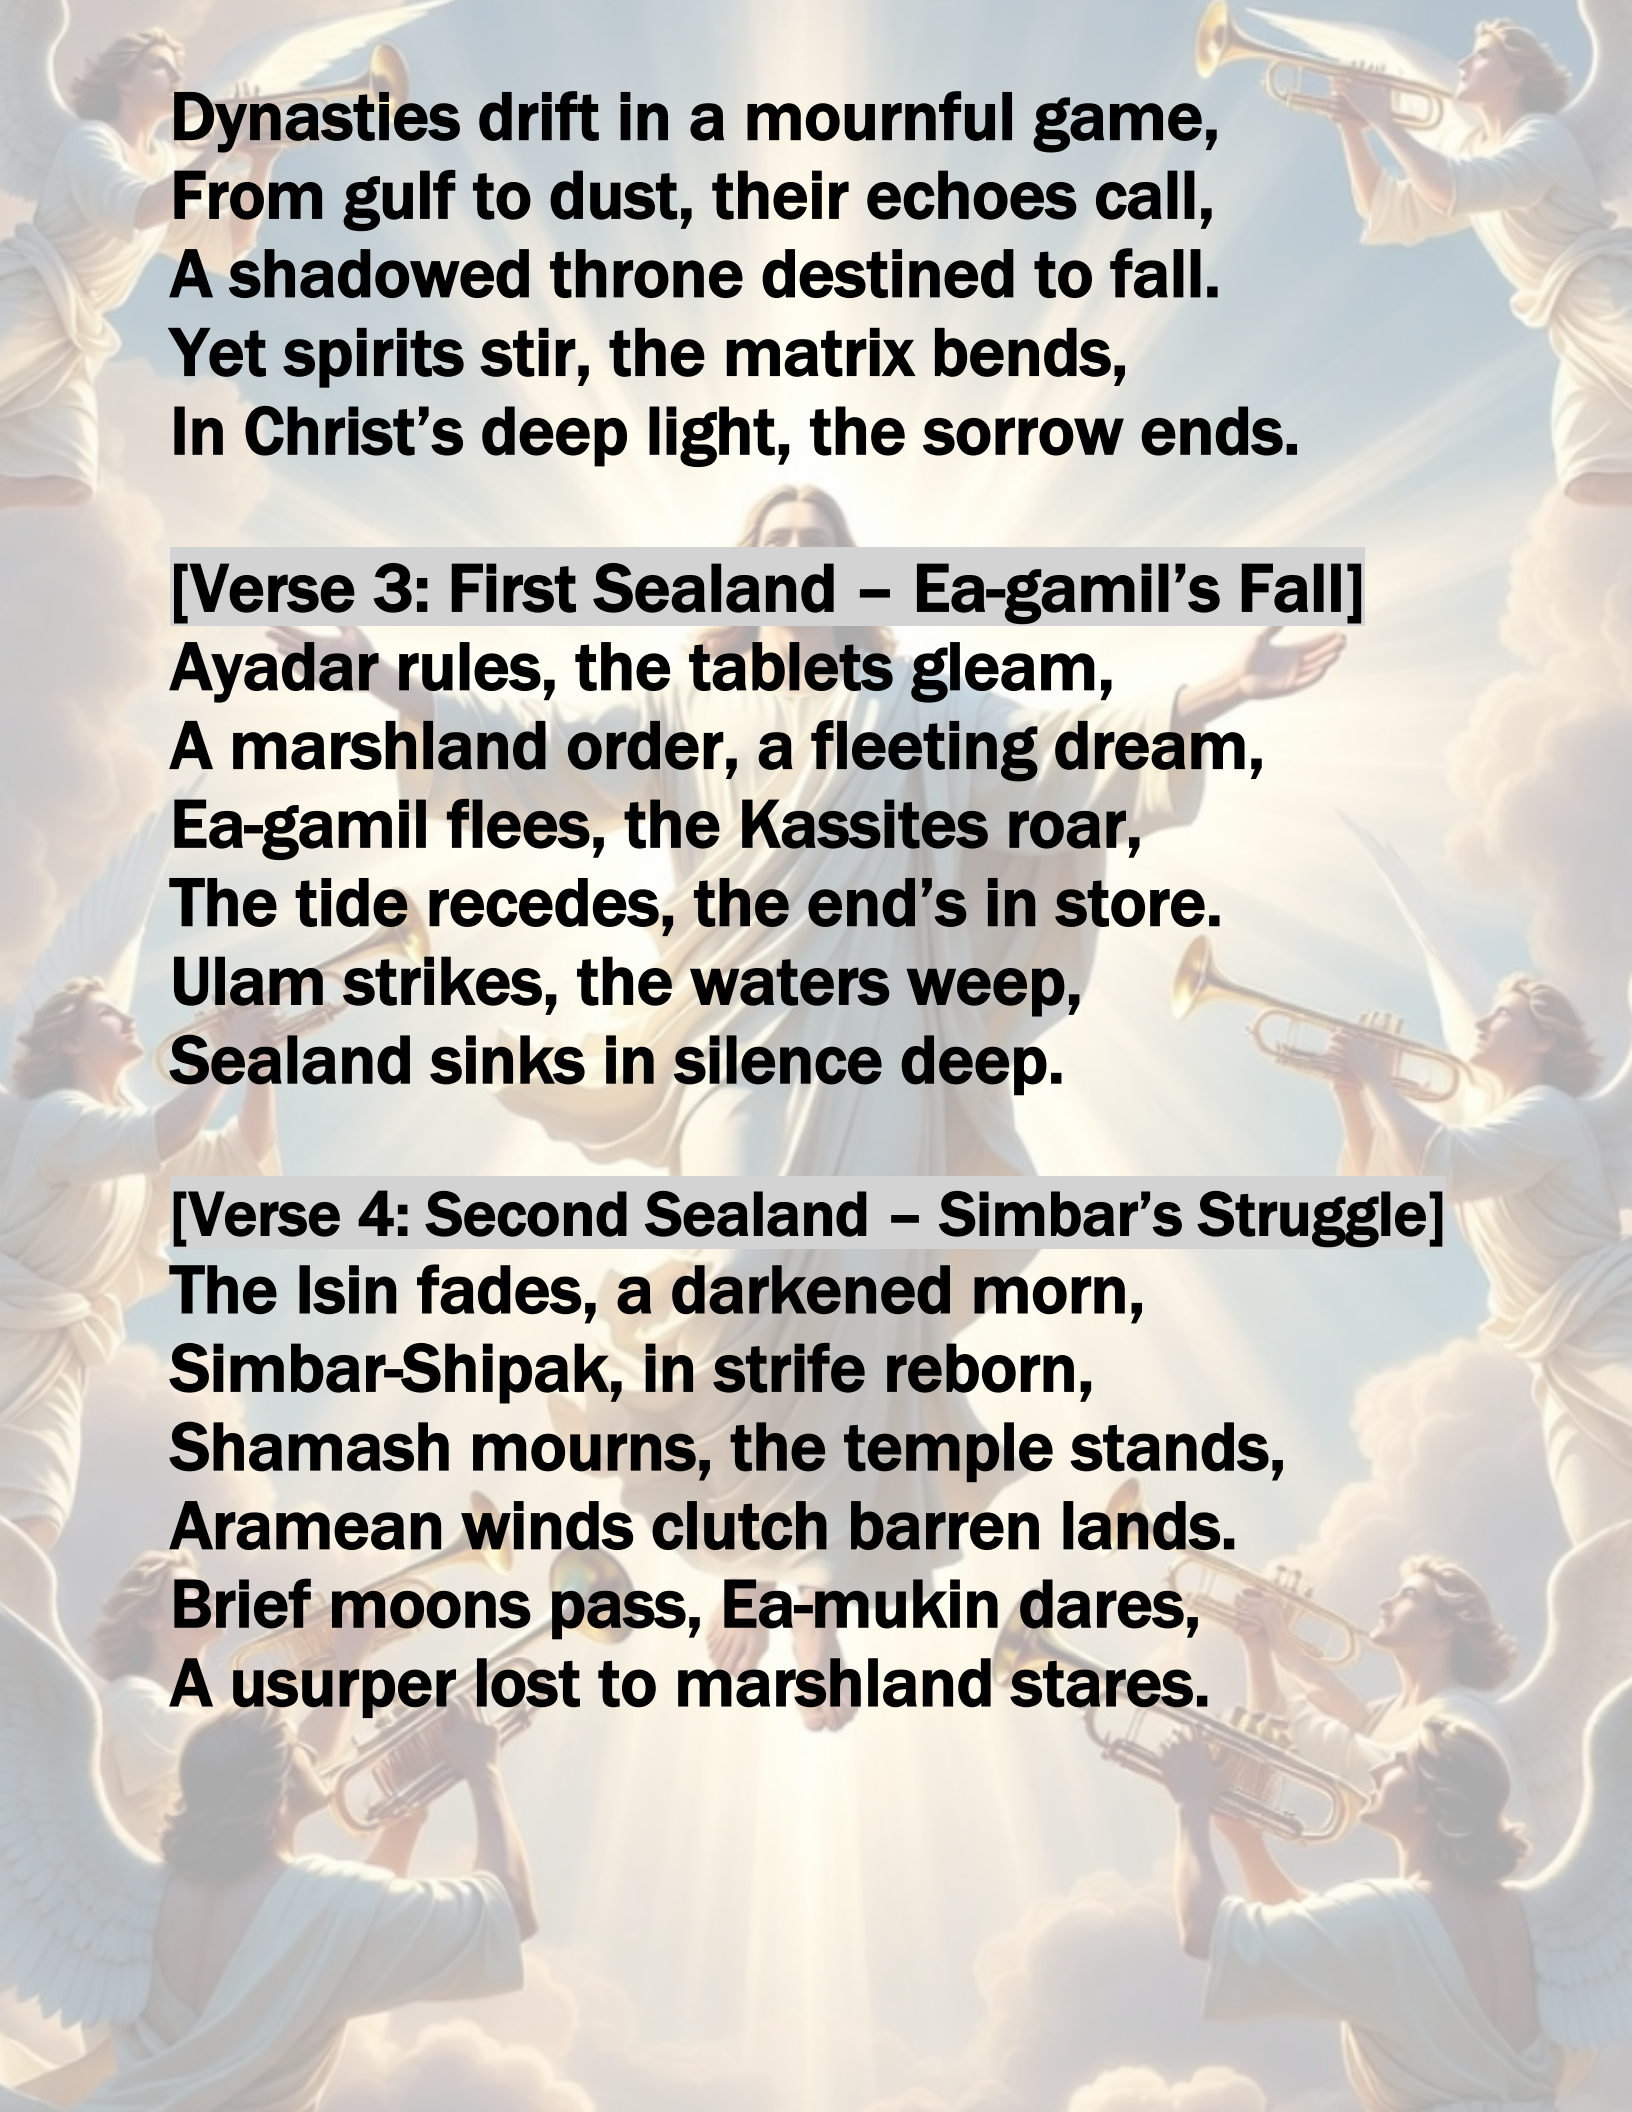

The Matrix of Sealand Dynasty (A Song of Shadows and Sorrow)

[Verse 1: First Sealand – Ilum-ma-ili's Defiance]
Through marsh and mist, a whisper wakes,
Ilum-ma-ili bends the stakes,
The reeds arise in twilight's gleam,
A rebel's cry, a shadowed dream.
Samsu falls, the south breaks free,
Sealand's shroud, a mystery.

[Verse 2: First Sealand – Gulkishar's Reign]
Gulkishar strides where waters sway,
A destroyer born to hold the day,
Peshgal looms, the years stretch wide,
Marshland kings in secret bide.
Ea's breath, the tides conceal,
A dynasty veiled in eel and steel.

[Refrain]

Oh, the Sealand hums through fog and flame,

**Dynasties drift in a mournful game,
From gulf to dust, their echoes call,
A shadowed throne destined to fall.
Yet spirits stir, the matrix bends,
In Christ's deep light, the sorrow ends.**

[Verse 3: First Sealand – Ea-gamil's Fall]

**Ayadar rules, the tablets gleam,
A marshland order, a fleeting dream,
Ea-gamil flees, the Kassites roar,
The tide recedes, the end's in store.
Ulam strikes, the waters weep,
Sealand sinks in silence deep.**

[Verse 4: Second Sealand – Simbar's Struggle]

**The Isin fades, a darkened morn,
Simbar-Shipak, in strife reborn,
Shamash mourns, the temple stands,
Aramean winds clutch barren lands.
Brief moons pass, Ea-mukin dares,
A usurper lost to marshland stares.**

[Verse 5: Second Sealand – Kashshu’s End]

**Kashshu reigns, the famine bites,
Dim years fade in endless nights,
The Sealand breaks, a hollow sigh,
Tribal echoes, Bazi nigh.**

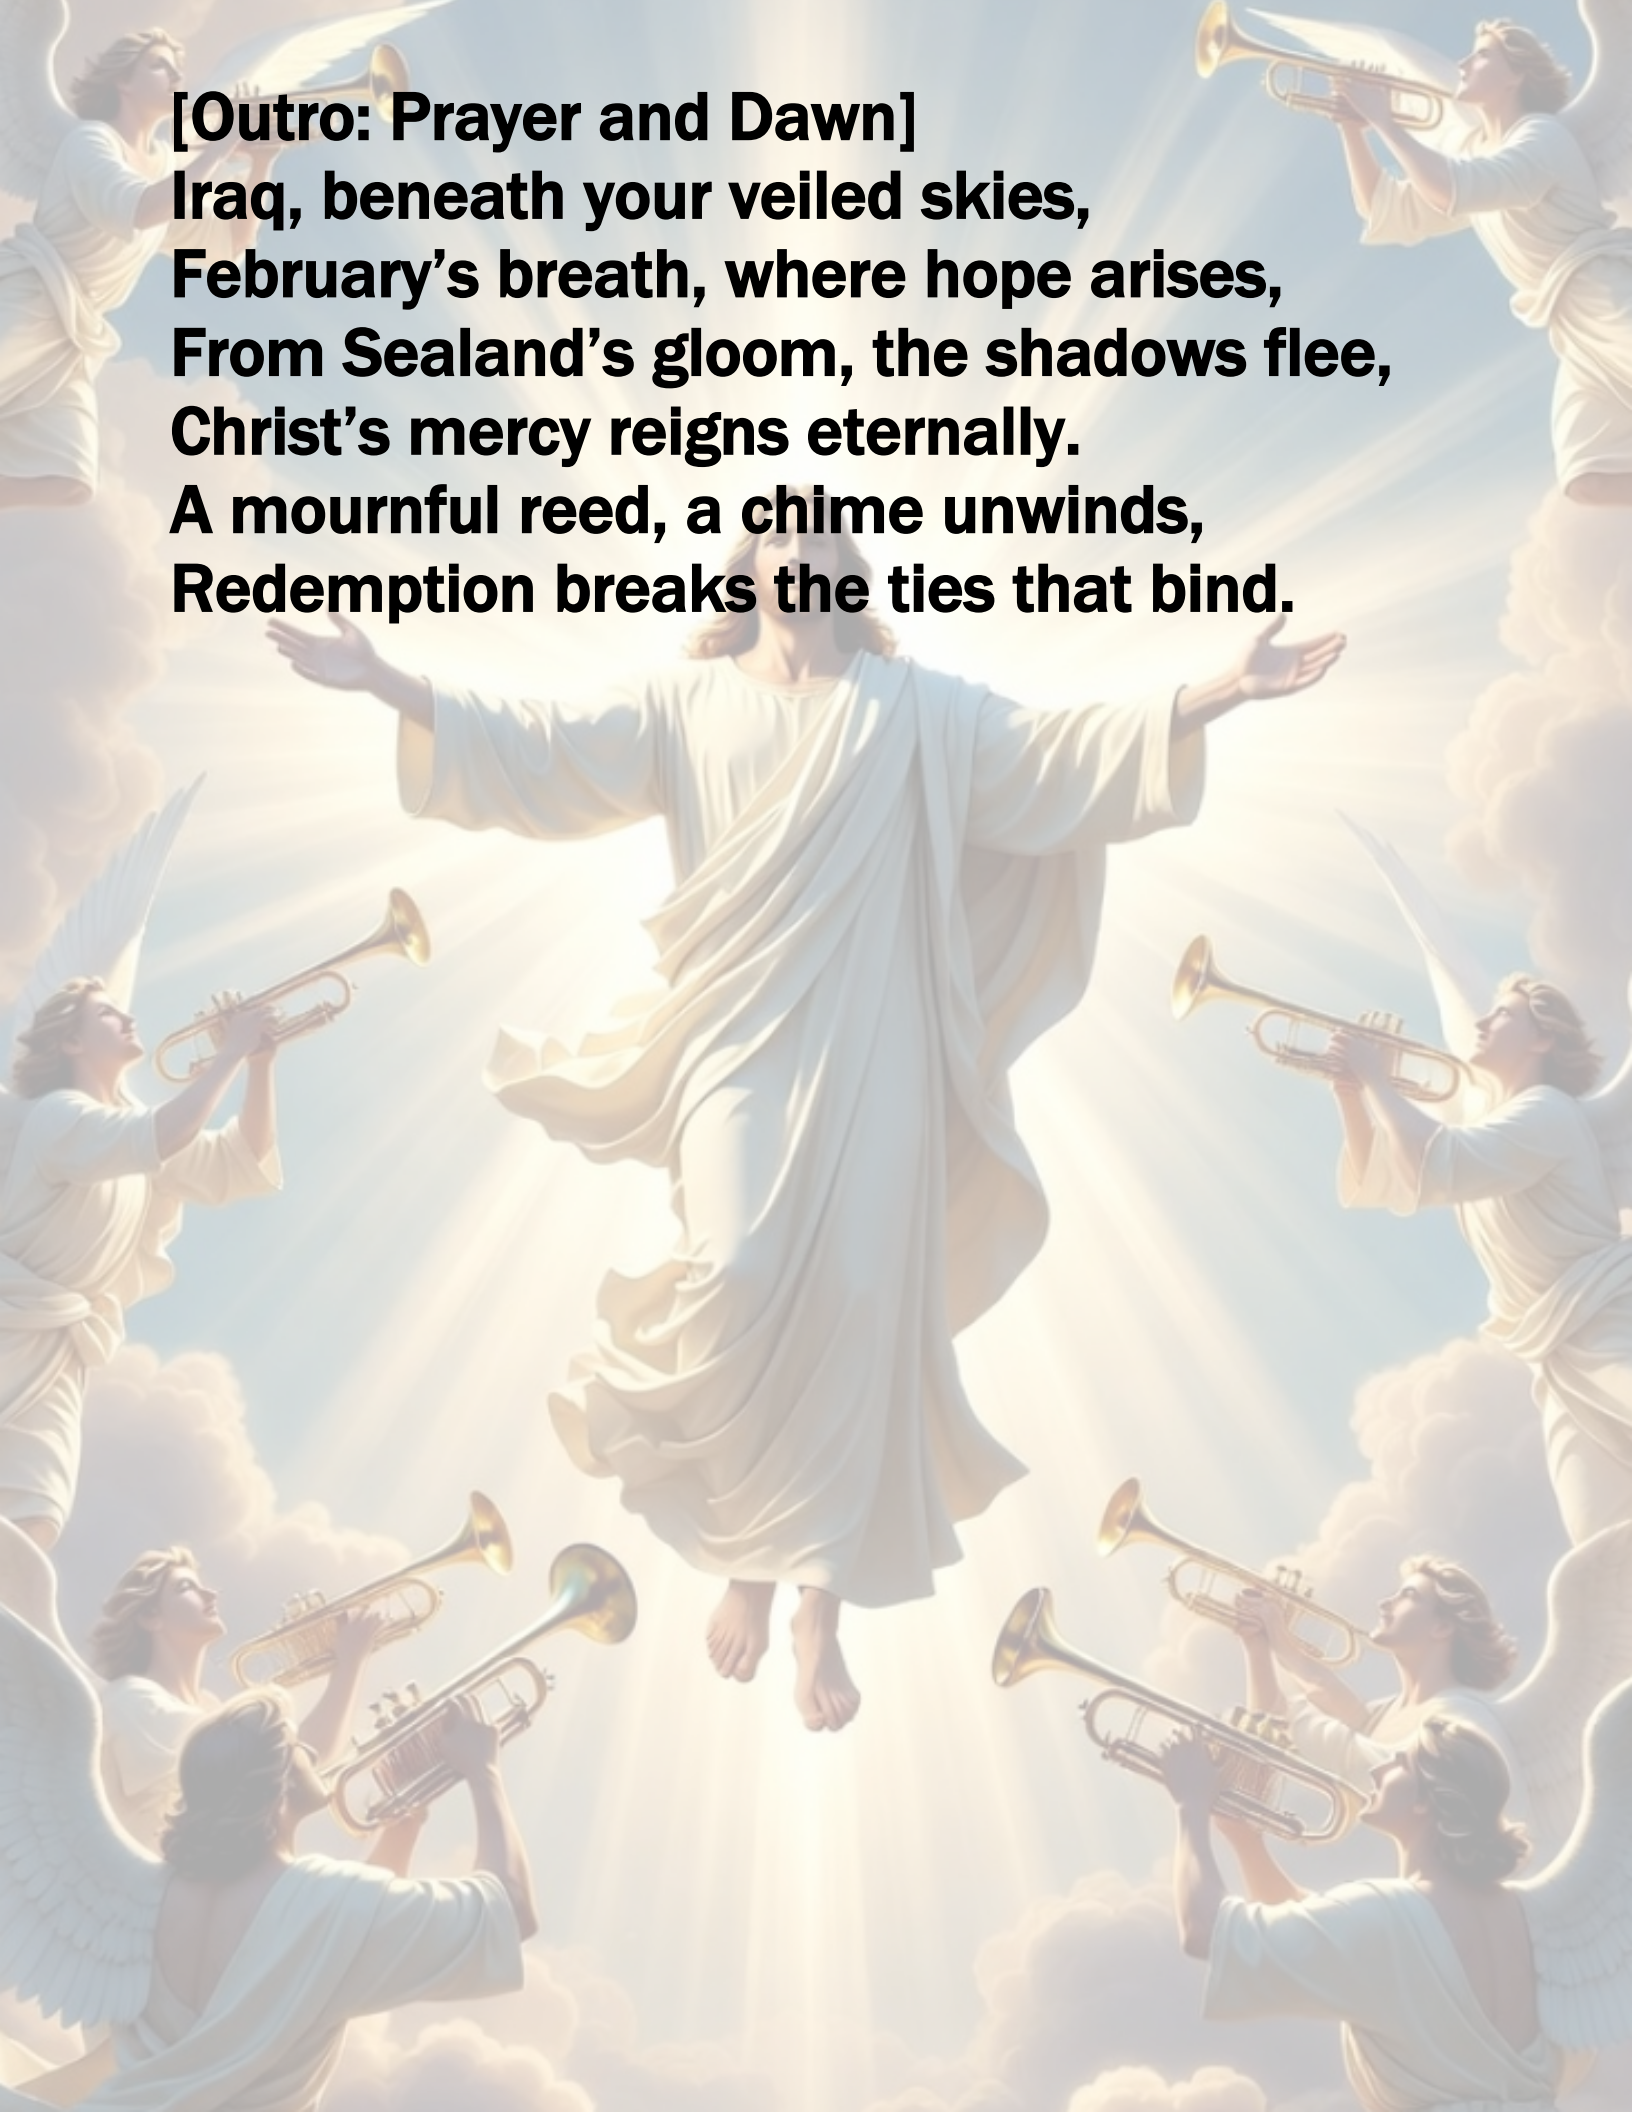

**A dynasty drowned in mud and woe,
A fleeting gasp where shadows grow.**

[Refrain]

**Oh, the Sealand hums through fog and flame,
Dynasties drift in a mournful game,
From gulf to dust, their echoes call,
A shadowed throne destined to fall.
Yet spirits stir, the matrix bends,
In Christ’s deep light, the sorrow ends.**

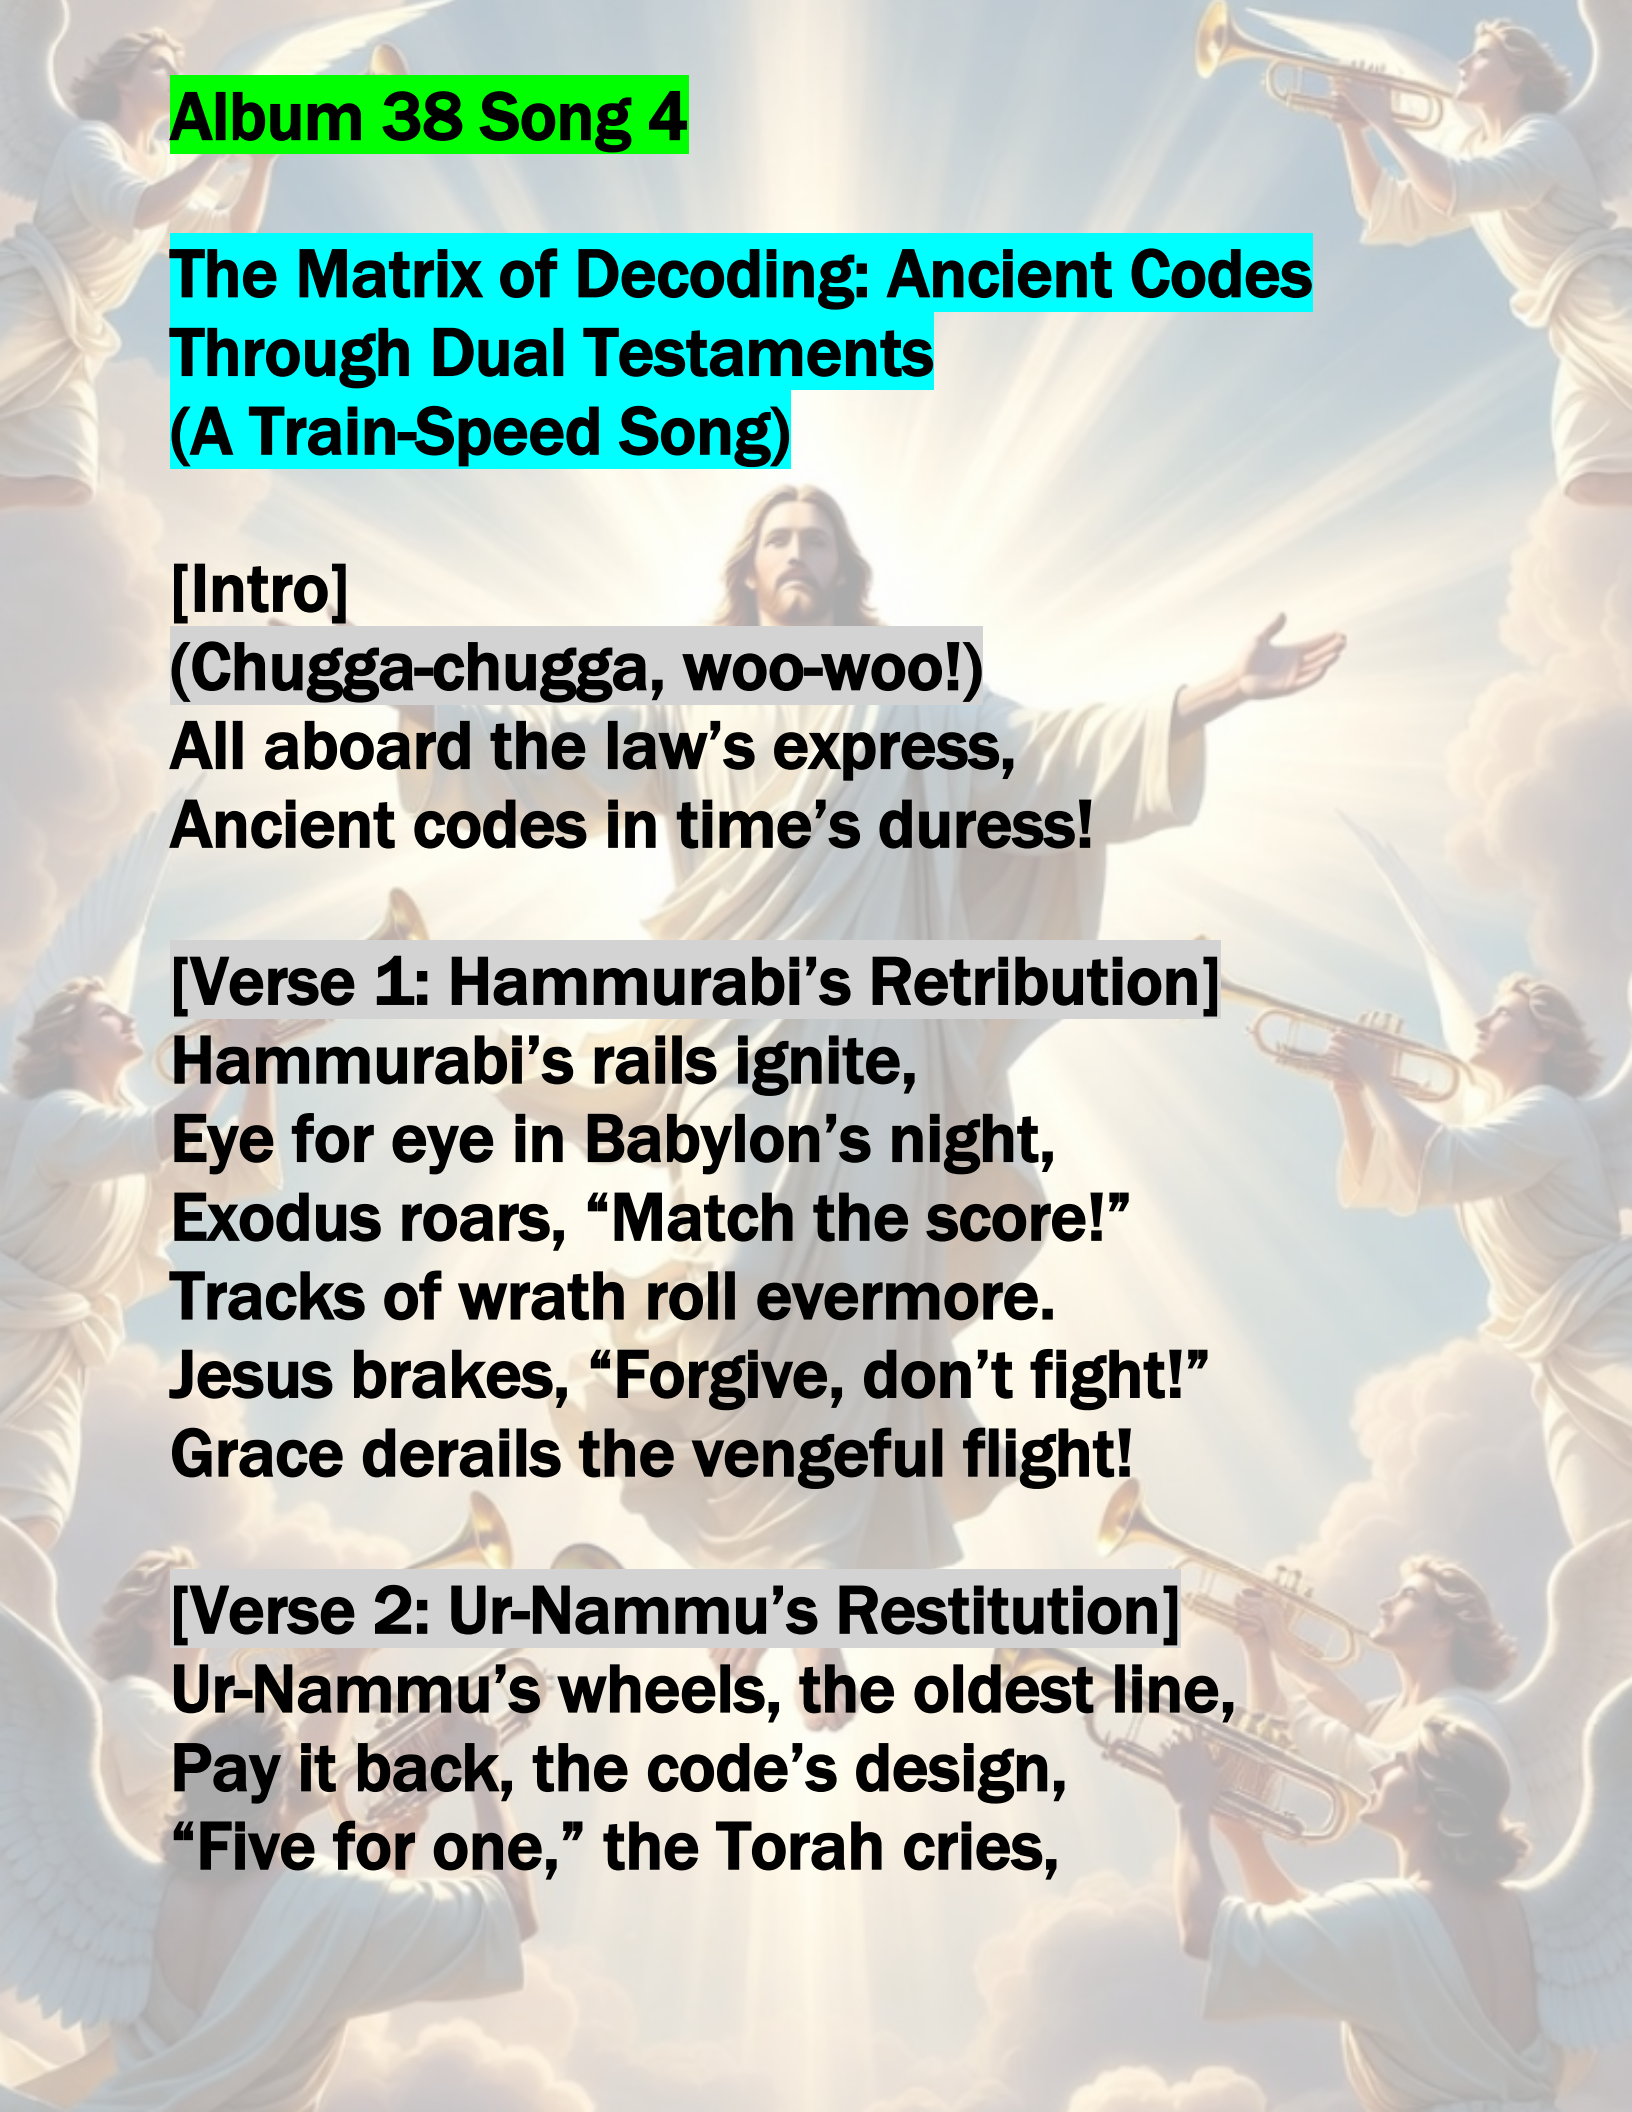

[Bridge: Unveiled Mysteries]

**Illum’s rebellion, Gulkishar’s might,
Simbar’s fight through endless night,
Ea’s whispers cloak their reign,
A cryptic code in marshland’s vein.
Spirits howl—Ea, Nanna fade,
To the abyss, their chains unmade.**

[Outro: Prayer and Dawn]

**Iraq, beneath your veiled skies,
February's breath, where hope arises,
From Sealand's gloom, the shadows flee,
Christ's mercy reigns eternally.
A mournful reed, a chime unwinds,
Redemption breaks the ties that bind.**

**All aboard the law's express,
Ancient codes in time's duress!**

[Verse 1: Hammurabi's Retribution]

Eye for eye in Babylon's night,
Exodus roars, "Match the score!"
Tracks of wrath roll evermore.
Jesus brakes, "Forgive, don't fight!"
Grace derails the vengeful flight!**

[Verse 2: Ur-Nammu's Restitution]

**Ur-Nammu's wheels, the oldest line,
Pay it back, the code's design,
"Five for one," the Torah cries,**

**Restitution flies the skies.
Christ speeds up, “Heal the rift!”
Reconcile, the train’s new lift!**

[Chorus]

(Chugga-chugga, woo-woo!)

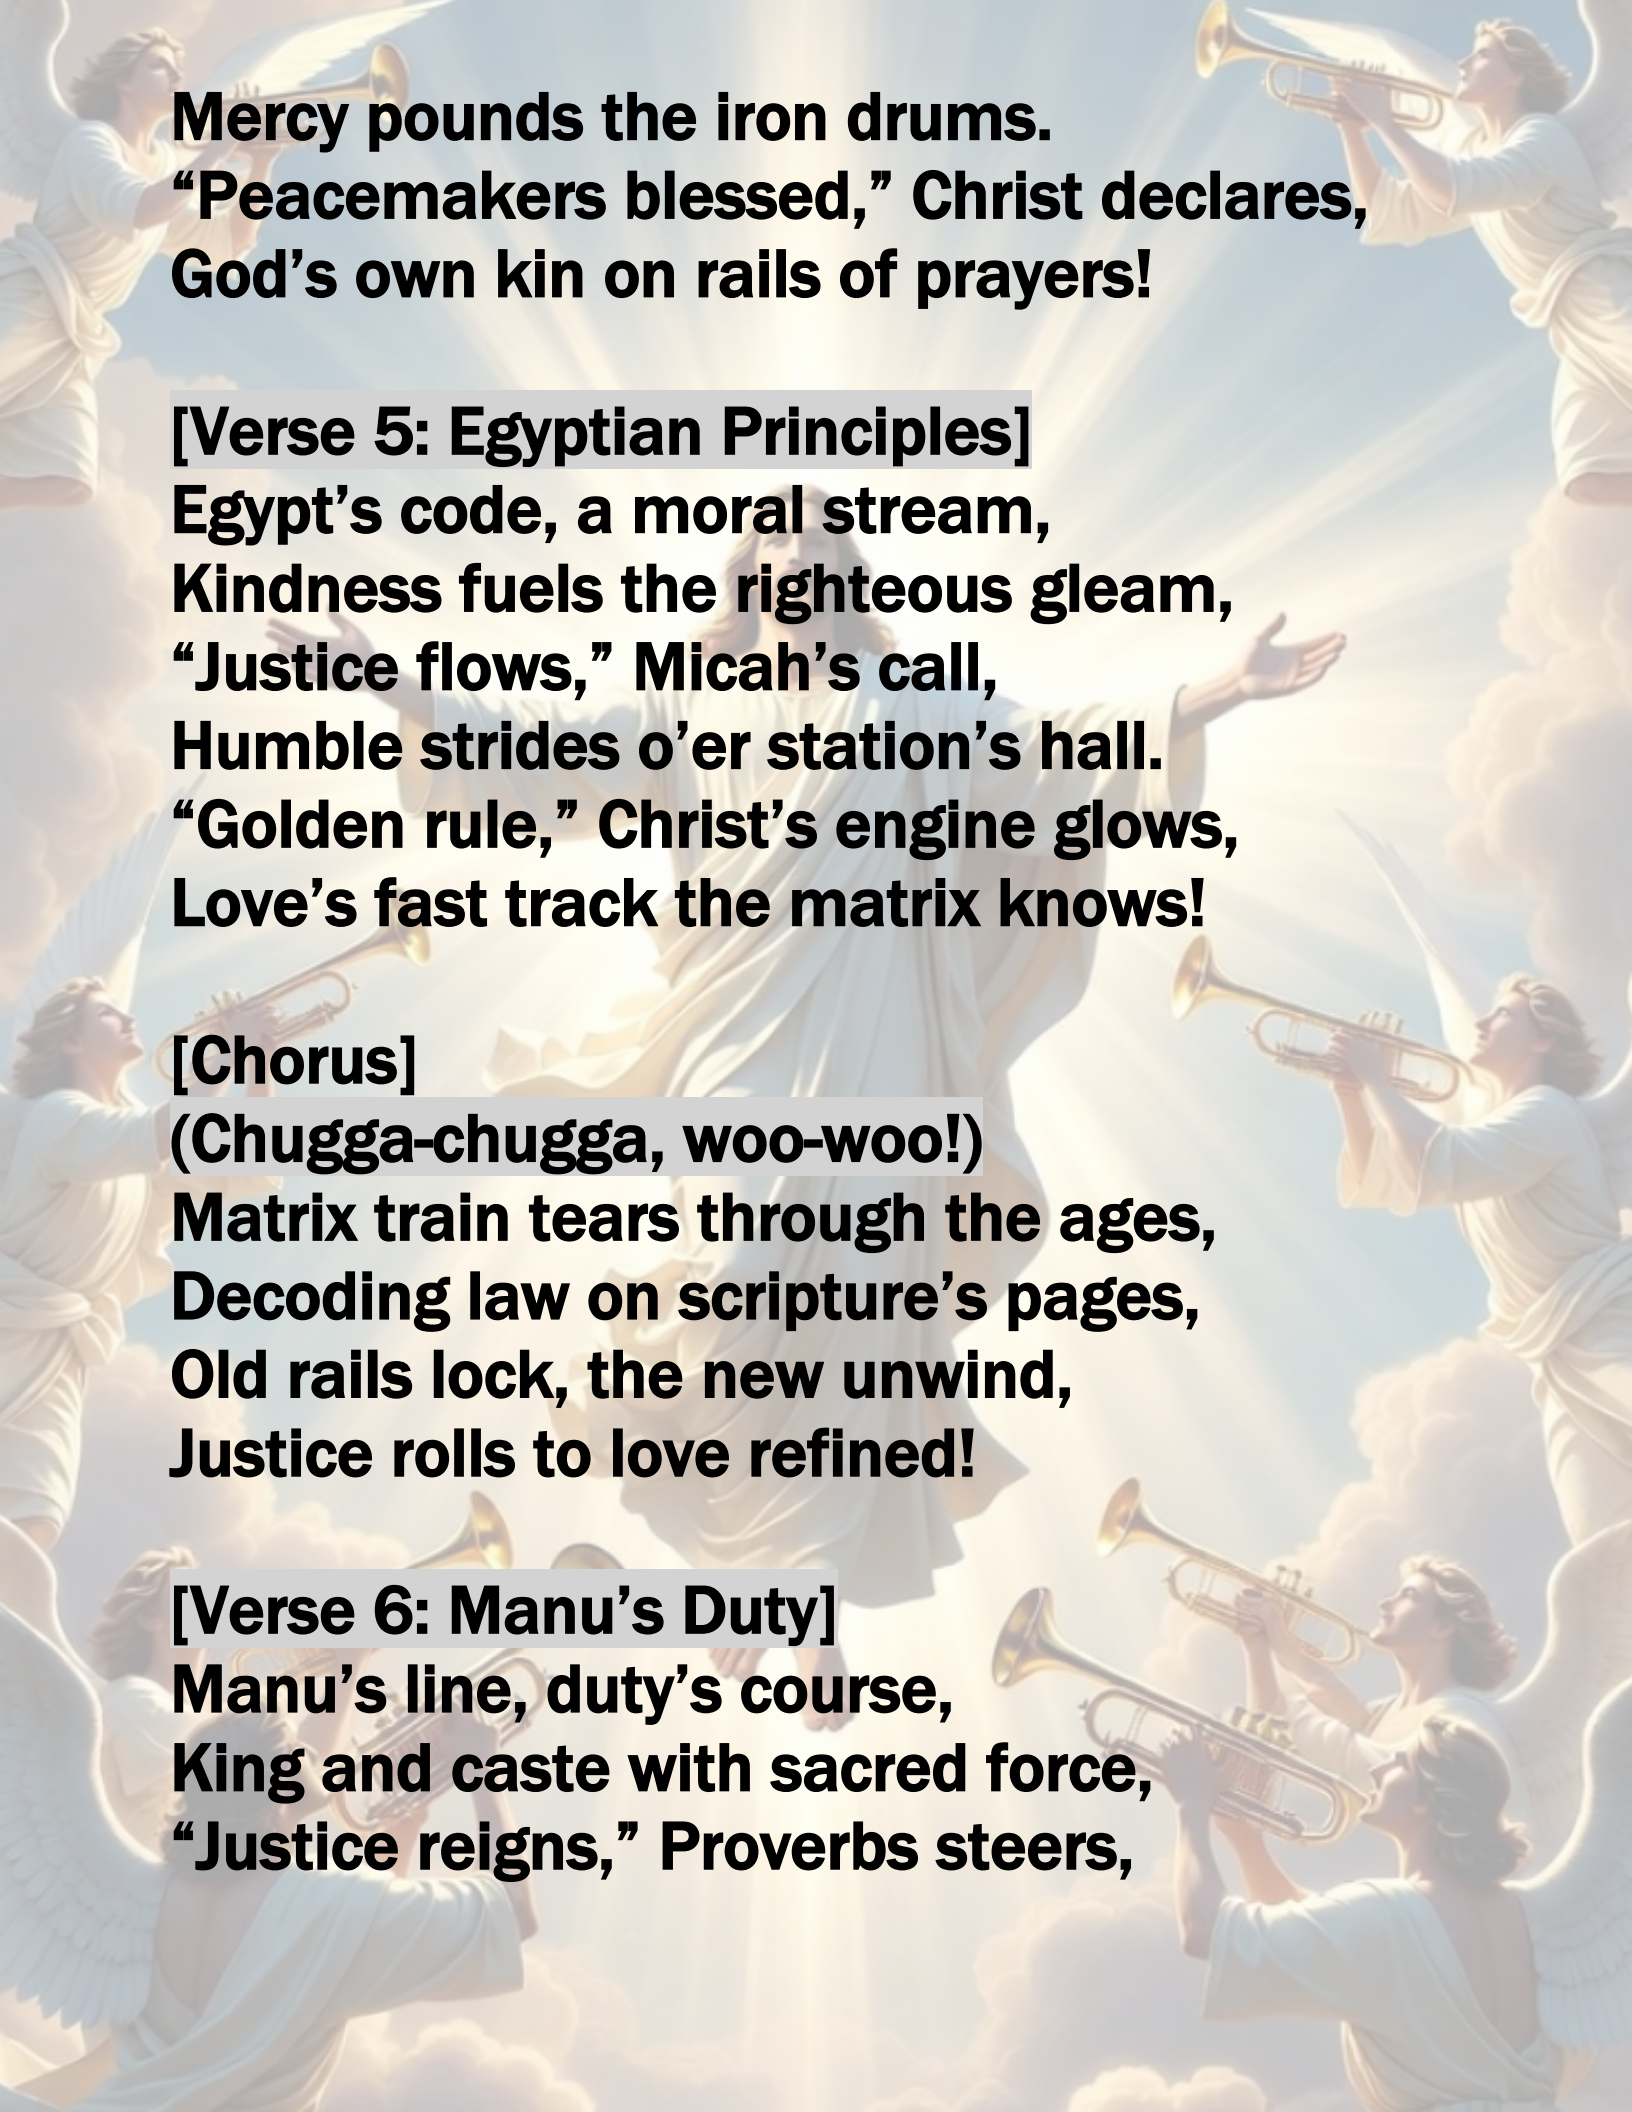

**Matrix train tears through the ages,
Decoding law on scripture’s pages,
Old rails lock, the new unwind,
Justice rolls to love refined!**

[Verse 3: Lipit-Ishtar’s Contracts]

**Lipit’s steam guards land and gold,
Contracts carved in clay so bold,
“Covet not,” the law commands,
Tracks secure in sacred hands.
“No two lords,” Christ’s whistle sings,
Spirit soars on holy wings!**

[Verse 4: Hittite Compensation]

**Hittite tracks mend feud with bread,
Peace outruns the vengeful tread,
“Feed your foe,” Proverbs hums,**

**Mercy pounds the iron drums.
“Peacemakers blessed,” Christ declares,
God’s own kin on rails of prayers!**

[Verse 5: Egyptian Principles]

**Egypt’s code, a moral stream,
Kindness fuels the righteous gleam,
“Justice flows,” Micah’s call,
Humble strides o’er station’s hall.
“Golden rule,” Christ’s engine glows,
Love’s fast track the matrix knows!**

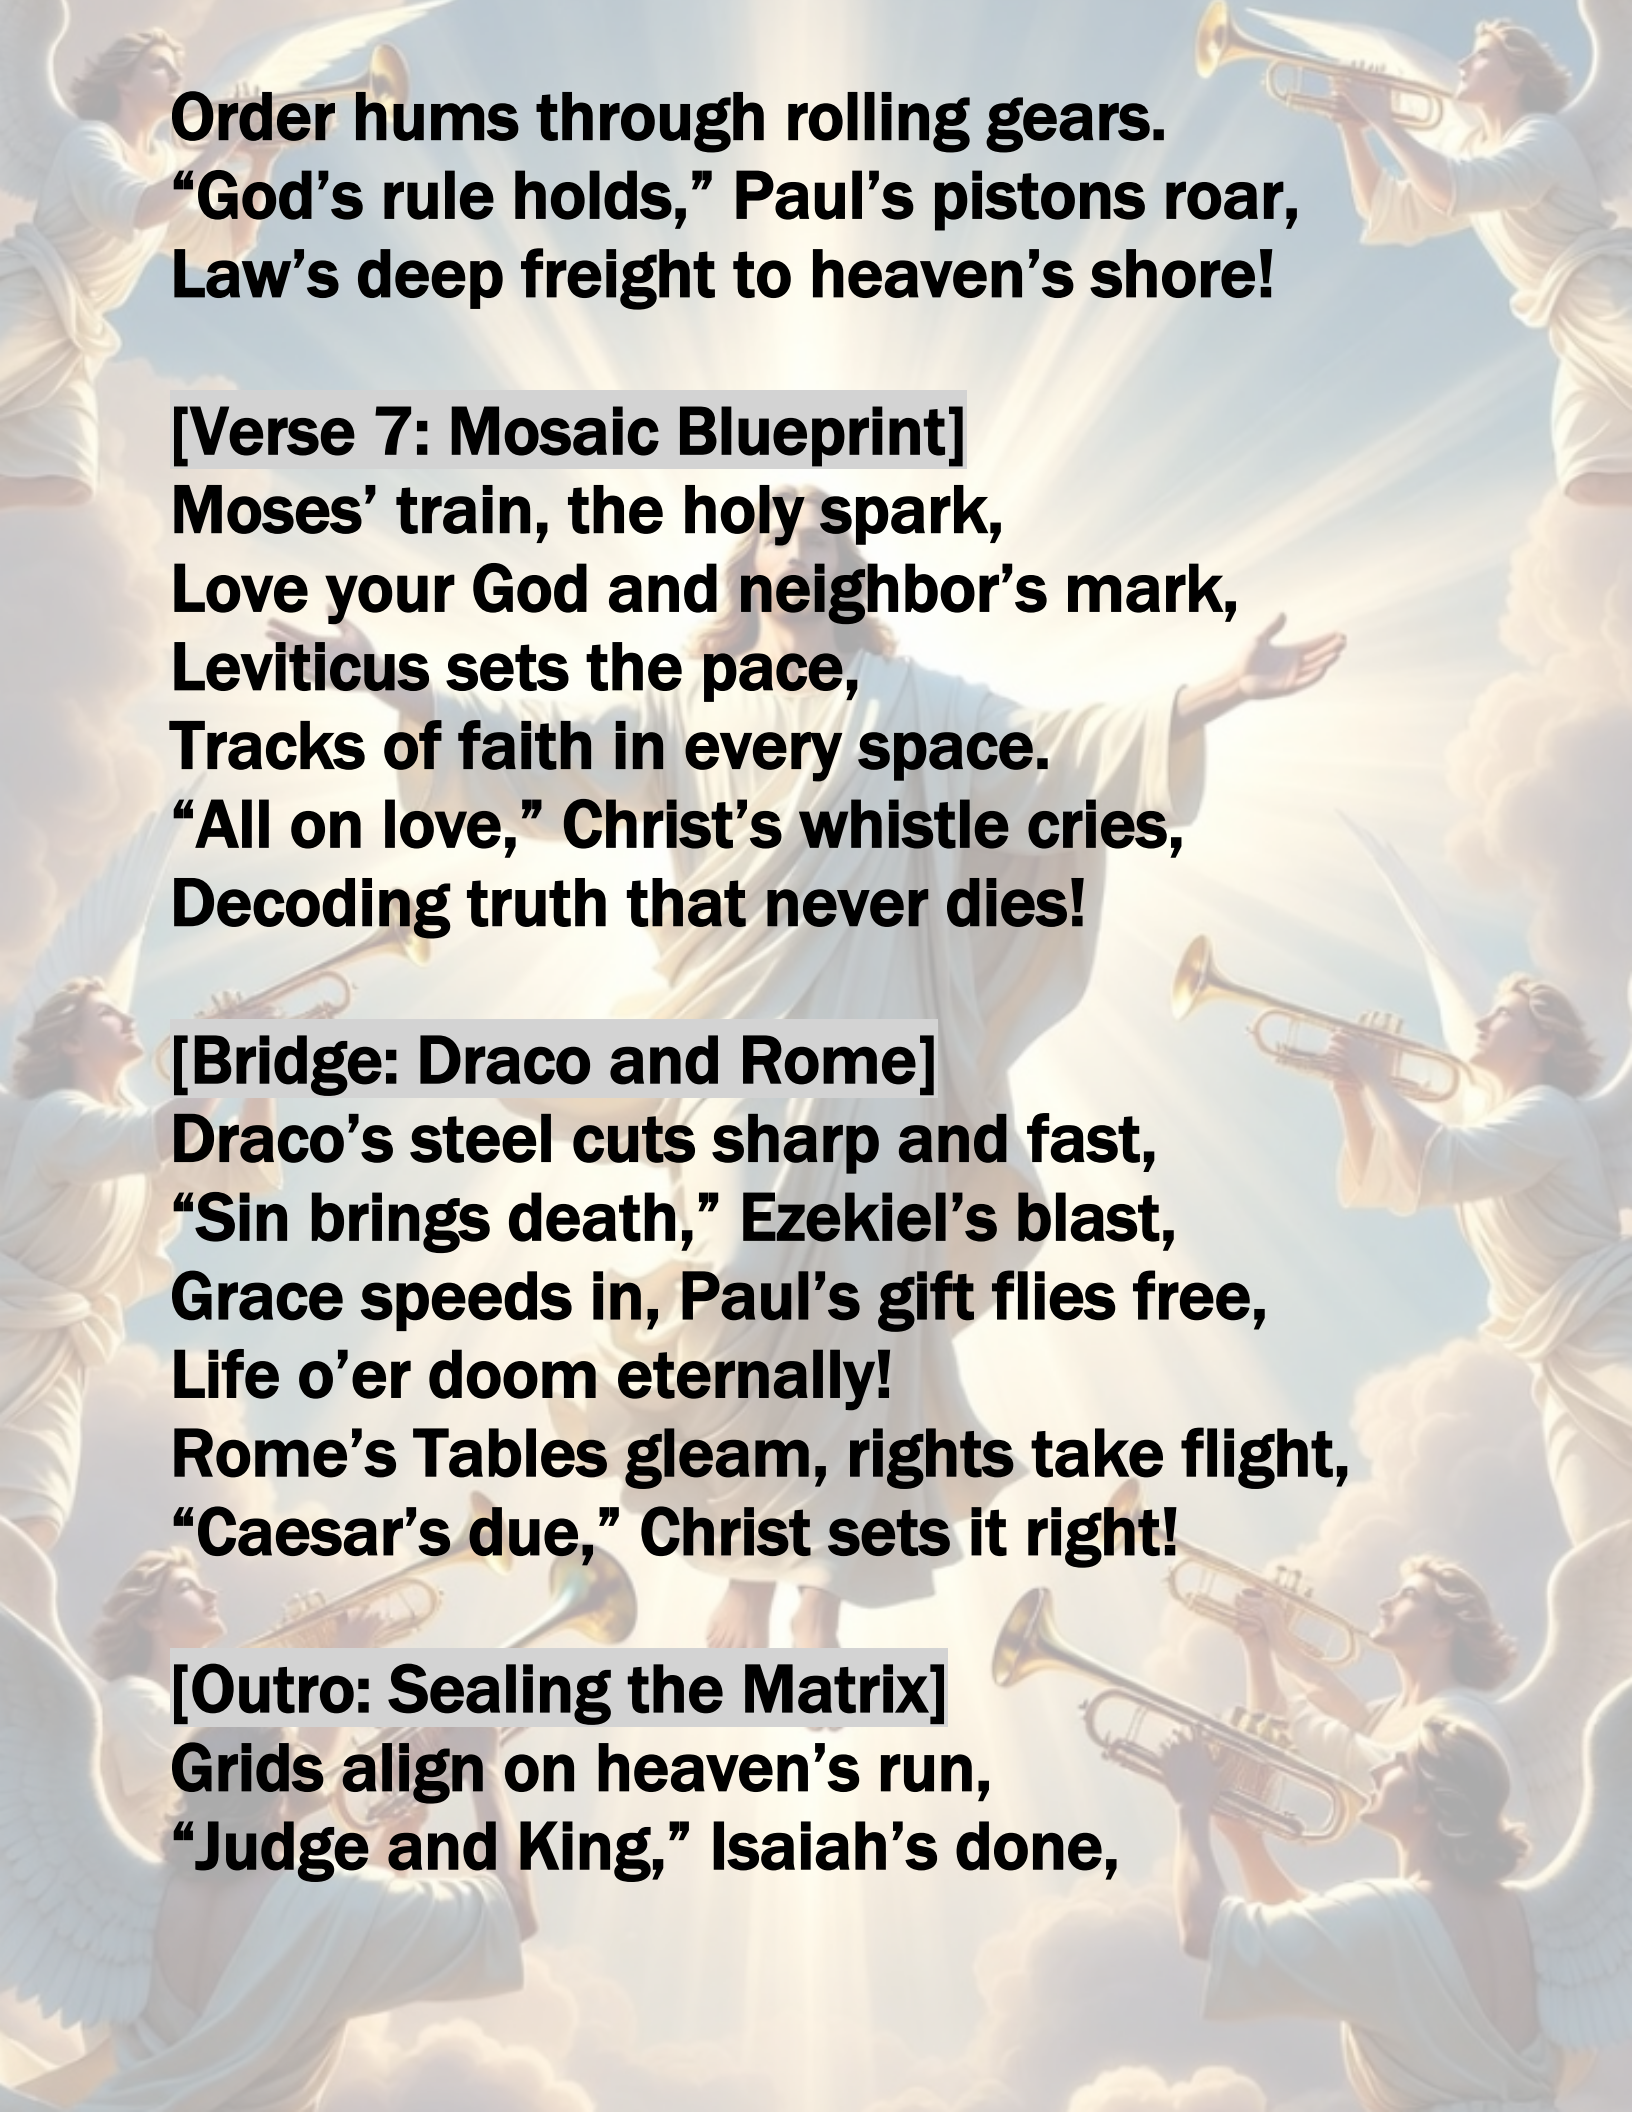

[Chorus]

(Chugga-chugga, woo-woo!)

**Matrix train tears through the ages,
Decoding law on scripture’s pages,
Old rails lock, the new unwind,
Justice rolls to love refined!**

[Verse 6: Manu’s Duty]

**Manu’s line, duty’s course,
King and caste with sacred force,
“Justice reigns,” Proverbs steers,**

**Order hums through rolling gears.
“God’s rule holds,” Paul’s pistons roar,
Law’s deep freight to heaven’s shore!**

[Verse 7: Mosaic Blueprint]

**Moses’ train, the holy spark,
Love your God and neighbor’s mark,
Leviticus sets the pace,
Tracks of faith in every space.
“All on love,” Christ’s whistle cries,
Decoding truth that never dies!**

[Bridge: Draco and Rome]

**Draco’s steel cuts sharp and fast,
“Sin brings death,” Ezekiel’s blast,
Grace speeds in, Paul’s gift flies free,
Life o’er doom eternally!
Rome’s Tables gleam, rights take flight,
“Caesar’s due,” Christ sets it right!**

[Outro: Sealing the Matrix]

**Grids align on heaven’s run,
“Judge and King,” Isaiah’s done,**

**“Life in Son,” John’s seal is cast,
Matrix locked in love at last!**

Elam's rocket burns where Babylon lies!**

Six years high in the desert air!
Arameans rage, the chaos spins,
I blast through time where Elam begins!**

**Shirikti fades, my star ascends,
Kashshu's cries, the past unbends,
Nabu waits, his turn will rise,
Elam's reign burns in their eyes!
Shutruk's ghost, Chedorlaomer's might,
I rocket on through history's fight!**

[Verse 4: Rocket's Fall]

**Six years blaze, the fuel runs dry,
Aramean storms tear up the sky,**

Dynasty E claims the dark!
Engines stall, my comet dives,
Elam's echo barely survives!**

Spirits rocket to the abyss below,
Jesus reigns where galaxies glow!**

February's stars set you free,
From Elam's dust to Christ's embrace,
Rocket lands in holy grace!
A woman's voice, the heavens sing,
Redemption's thrust on fiery wings!**
