Enfants libres, c'est notre flamme,**

Truth will shine, come what may,

الحرية (Al-hurriya), libre, free, c'est fini,

Botlar kaçır, yalanlar biter,

Matrix kırılır, sevgi yeter!

Album 41 Song 02

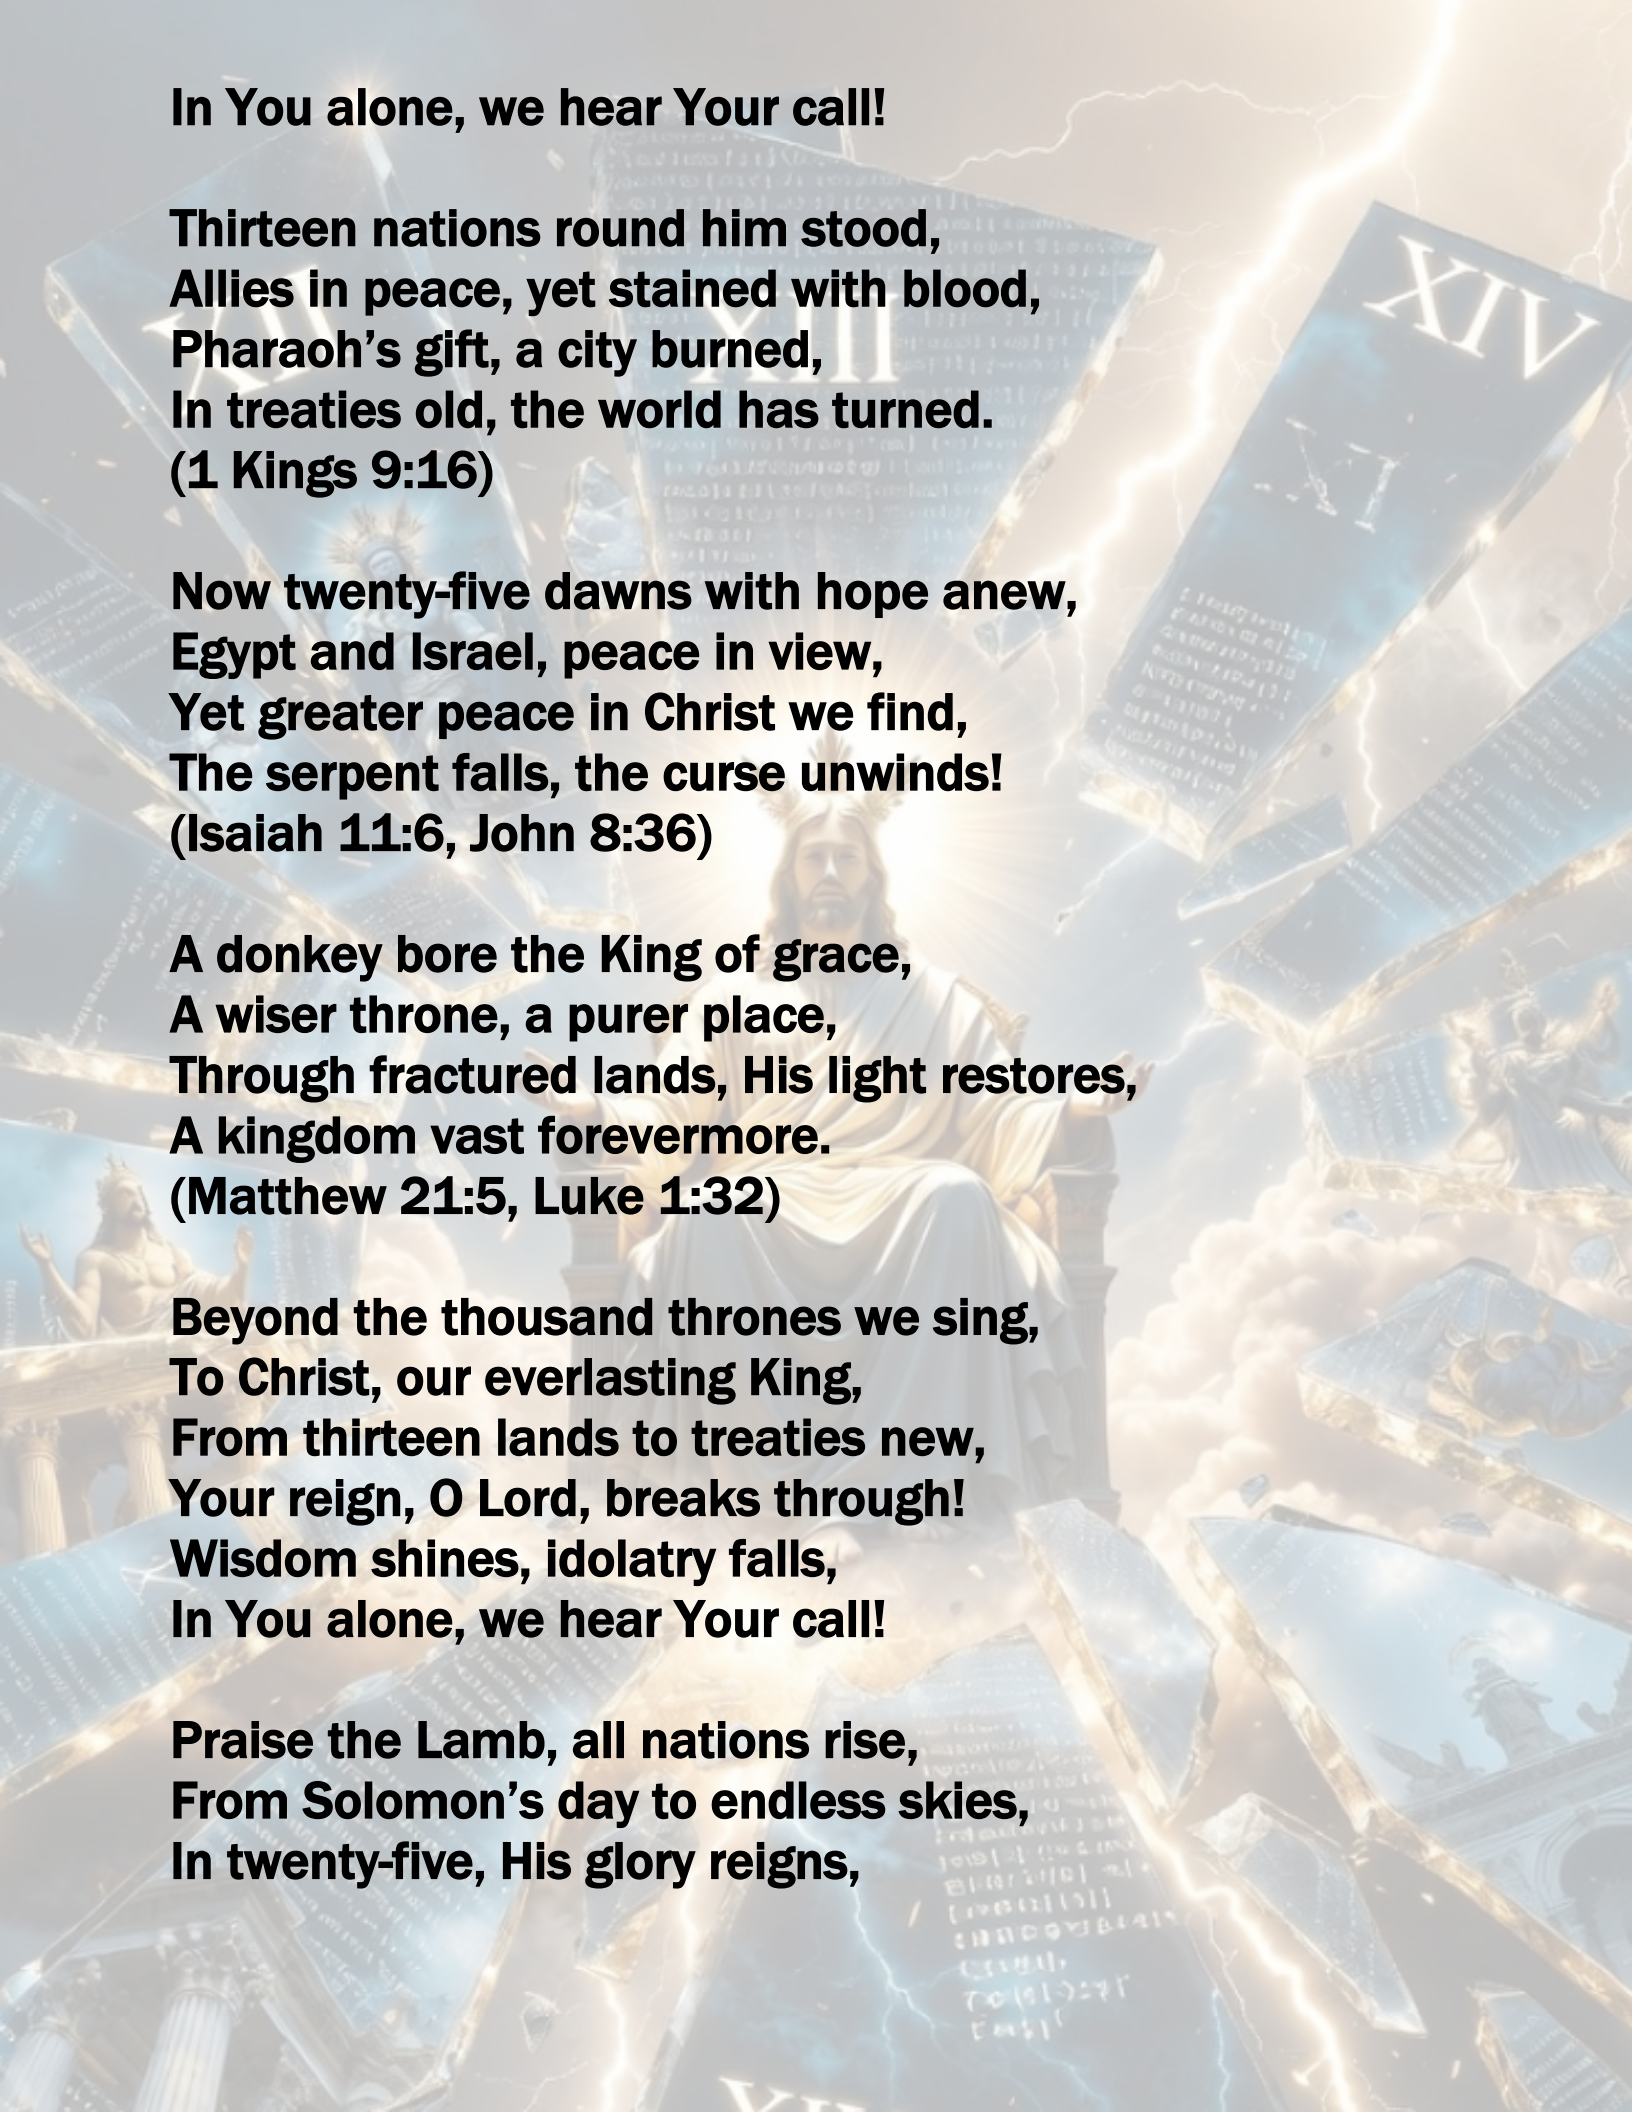

Beyond the Thousand Thrones

**Solomon rose with wisdom's crown,
A king to rule where nations bow down,
Voices of beasts beneath his sway,
A temple built in glory's day.
(1 Kings 3:12, 4:33)**

**Beyond the thousand thrones we sing,
To Christ, our everlasting King,
From thirteen lands to treaties new,
Your reign, O Lord, breaks through!
Wisdom shines, idolatry falls,
In You alone, we hear Your call!
(Revelation 19:15, Matthew 12:42)**

**A thousand hearts, his love they claimed,
From Egypt's sands, their gods unnamed,
Moab and Sidon turned his soul,
High places rose, his faith made cold.
(1 Kings 11:1-4)**

**Beyond the thousand thrones we sing,
To Christ, our everlasting King,
From thirteen lands to treaties new,
Your reign, O Lord, breaks through!
Wisdom shines, idolatry falls,**

In You alone, we hear Your call!

**Thirteen nations round him stood,
Allies in peace, yet stained with blood,
Pharaoh's gift, a city burned,
In treaties old, the world has turned.
(1 Kings 9:16)**

**Now twenty-five dawns with hope anew,
Egypt and Israel, peace in view,
Yet greater peace in Christ we find,
The serpent falls, the curse unwinds!
(Isaiah 11:6, John 8:36)**

**A donkey bore the King of grace,
A wiser throne, a purer place,
Through fractured lands, His light restores,
A kingdom vast forevermore.
(Matthew 21:5, Luke 1:32)**

**Beyond the thousand thrones we sing,
To Christ, our everlasting King,
From thirteen lands to treaties new,
Your reign, O Lord, breaks through!
Wisdom shines, idolatry falls,
In You alone, we hear Your call!**

**Praise the Lamb, all nations rise,
From Solomon's day to endless skies,
In twenty-five, His glory reigns,**

Forever free from sin's old chains!
(Revelation 5:13)

Album 41 Song 04

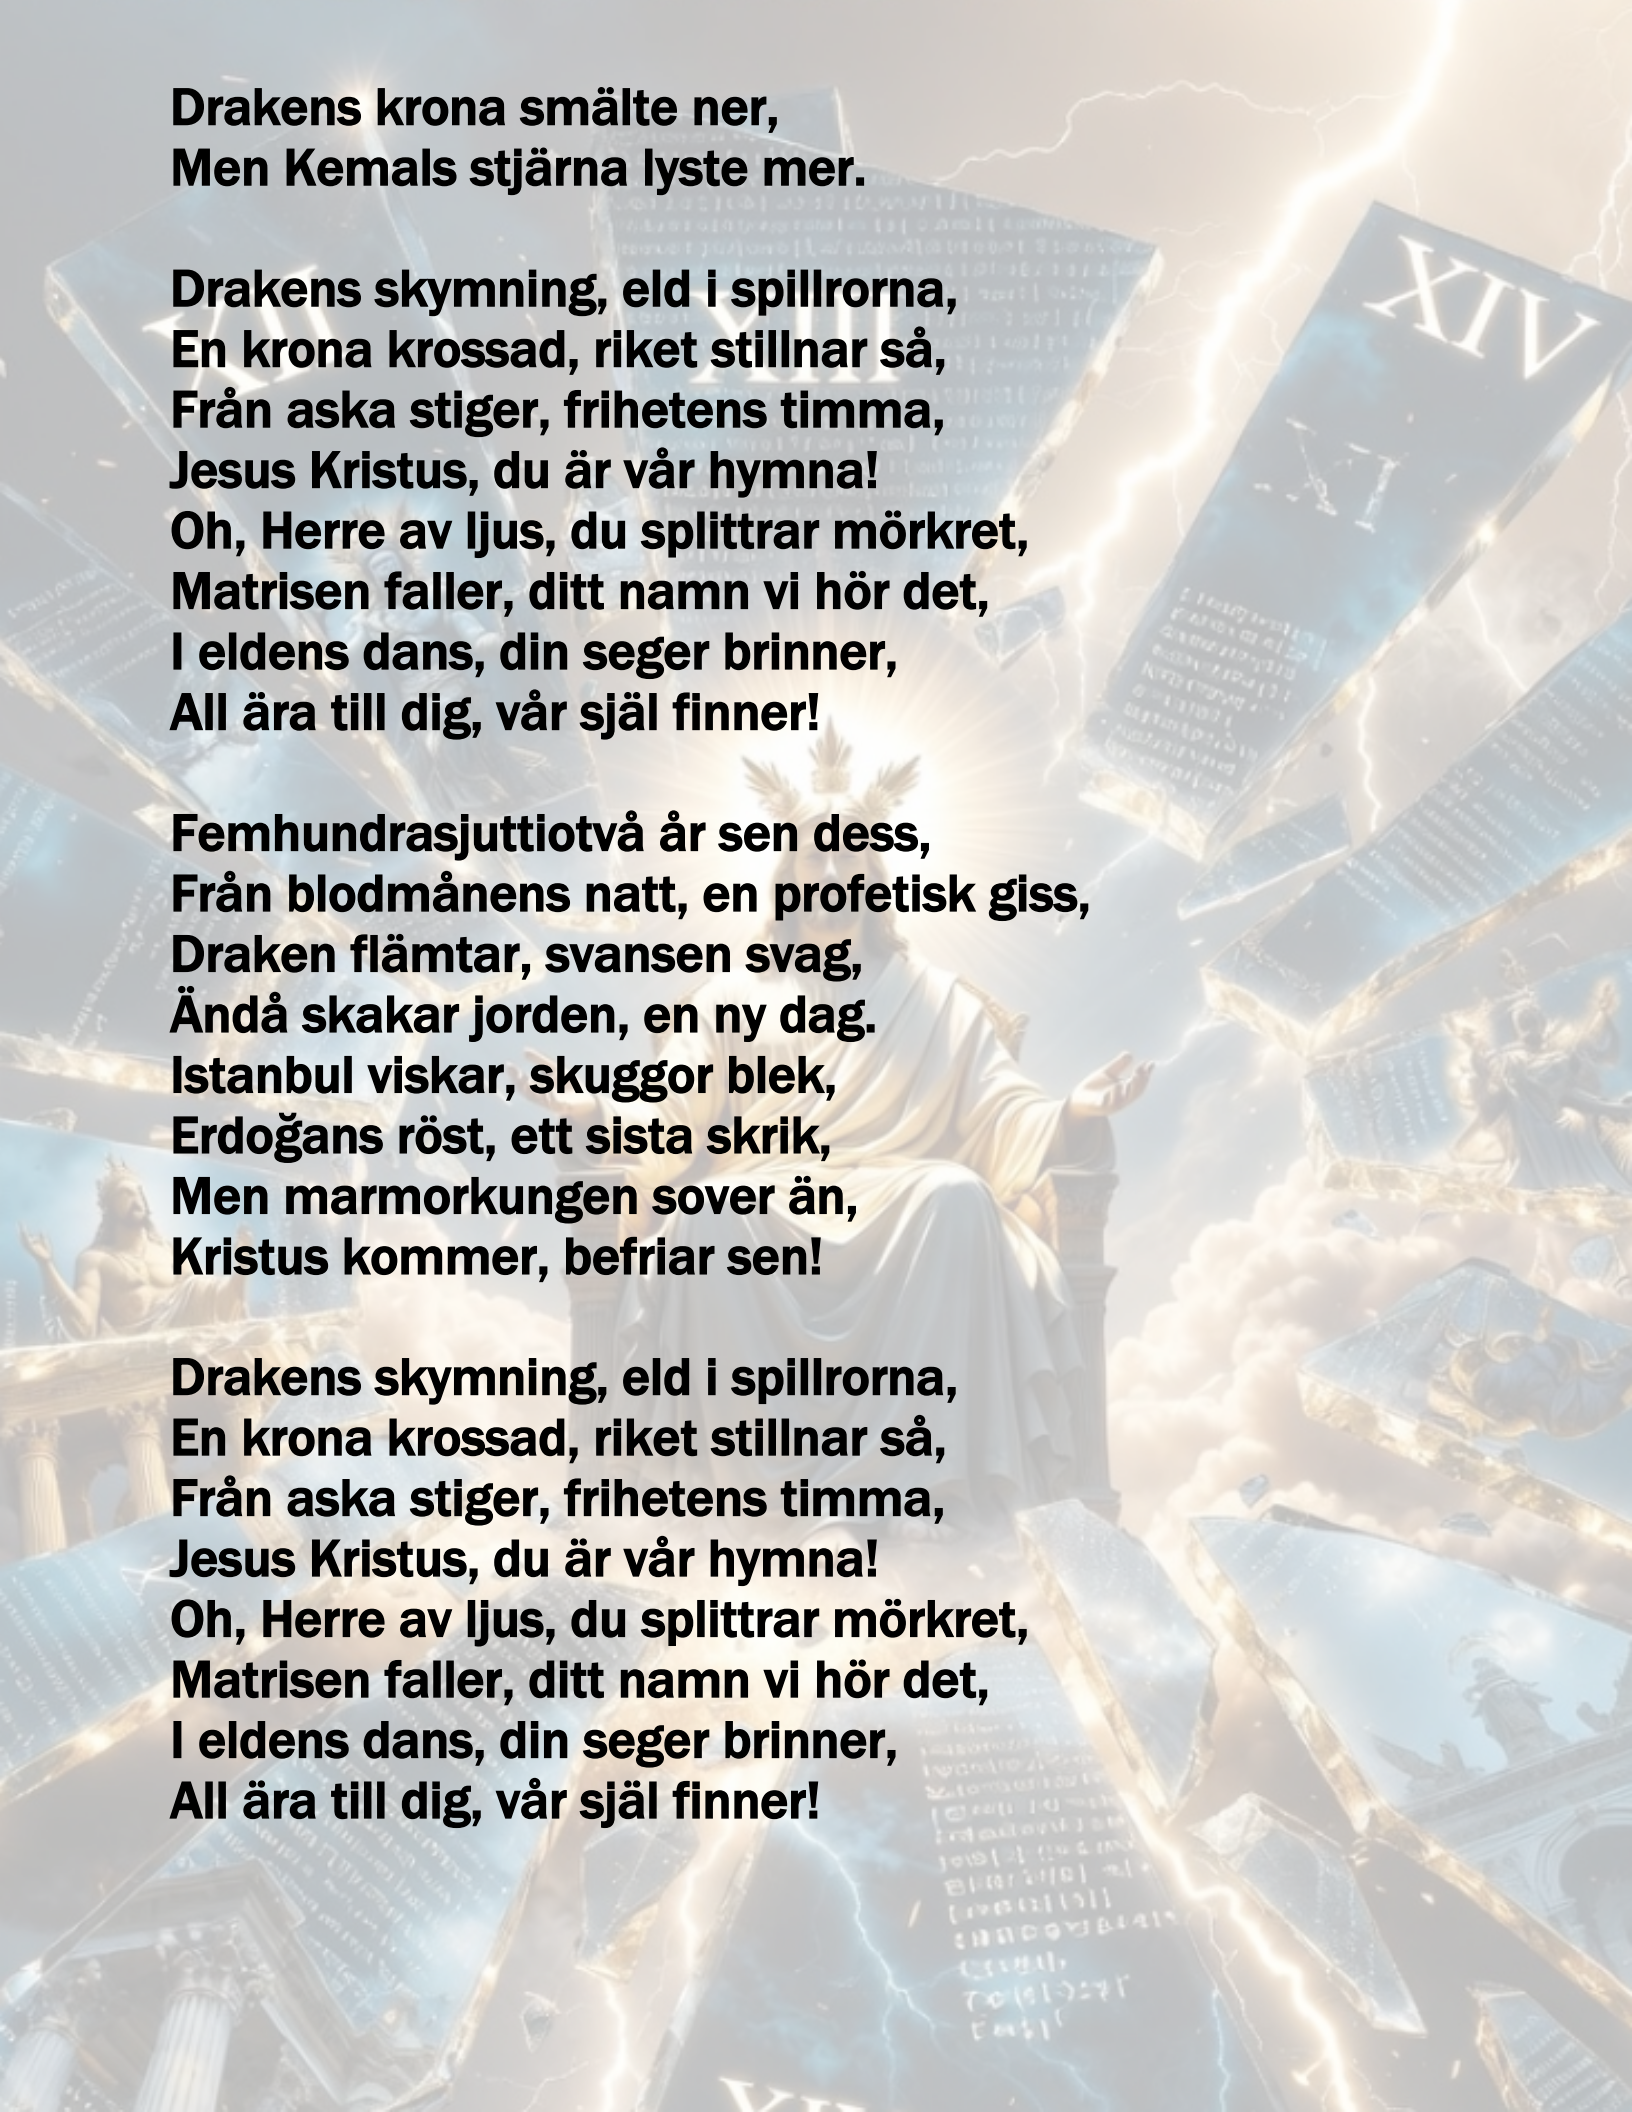

Drakens Skymning (Dragon's Twilight)

**Eld i askan, en krona som brast,
Drakens ande flämtar sin sista kast...**

**År nittonhundratjugofem, en storm i öst,
Sheikh Said reste sig, en helig röst,
Mot Kemal han kämpade, med svärd och tro,
Men bomber föll, hans dröm fick ro.
I bergens snö, en månskäras glöd,
Rebeller sjöng, men mötte död,
Drakens svans slog vilt i natt,
Ändå brann dess tid förgått.**

**Drakens skymning, eld i spillrorna,
En krona krossad, riket stillnar så,
Från aska stiger, frihetens timma,
Jesus Kristus, du är vår hymna!
Oh, Herre av ljus, du splittrar mörkret,
Matrisen faller, ditt namn vi hör det,
I eldens dans, din seger brinner,
All ära till dig, vår själ finner!**

**Kalifens tron, en skugga bleknad,
Abdulmejid i exil förteknad,
Från Indiens rop till Arabiens sand,
En splittrad värld, inget ledarband.
Istanbuls torn stod tysta kvar,
Minareter grät, ett sår så svar,**

**Drakens krona smälte ner,
Men Kemals stjärna lyste mer.**

**Drakens skymning, eld i spillrorna,
En krona krossad, riket stillnar så,
Från aska stiger, frihetens timma,
Jesus Kristus, du är vår hymna!
Oh, Herre av ljus, du splittrar mörkret,
Matrisen faller, ditt namn vi hör det,
I eldens dans, din seger brinner,
All ära till dig, vår själ finner!**

**Femhundrasjuttiotvå år sen dess,
Från blodmånens natt, en profetisk giss,
Draken flämtar, svansen svag,
Ändå skakar jorden, en ny dag.
Istanbul viskar, skuggor blek,
Erdoğan's röst, ett sista skrik,
Men marmorkungen sover än,
Kristus kommer, befriar sen!**

**Drakens skymning, eld i spillrorna,
En krona krossad, riket stillnar så,
Från aska stiger, frihetens timma,
Jesus Kristus, du är vår hymna!
Oh, Herre av ljus, du splittrar mörkret,
Matrisen faller, ditt namn vi hör det,
I eldens dans, din seger brinner,
All ära till dig, vår själ finner!**

**Elden dör, skymningen är klar,
Jesus Kristus, vår konung är rar,
Draken sjunker, matrisen brast,
All ära till dig, evig och fast!**

Album 41 Song 05

Angrezi Samrajya ka Matrix (British Empire Matrix)

सूरज कभी न डूबे, ऐसा था सपना,
पर अब बिखरा, टूटा वो अपना...

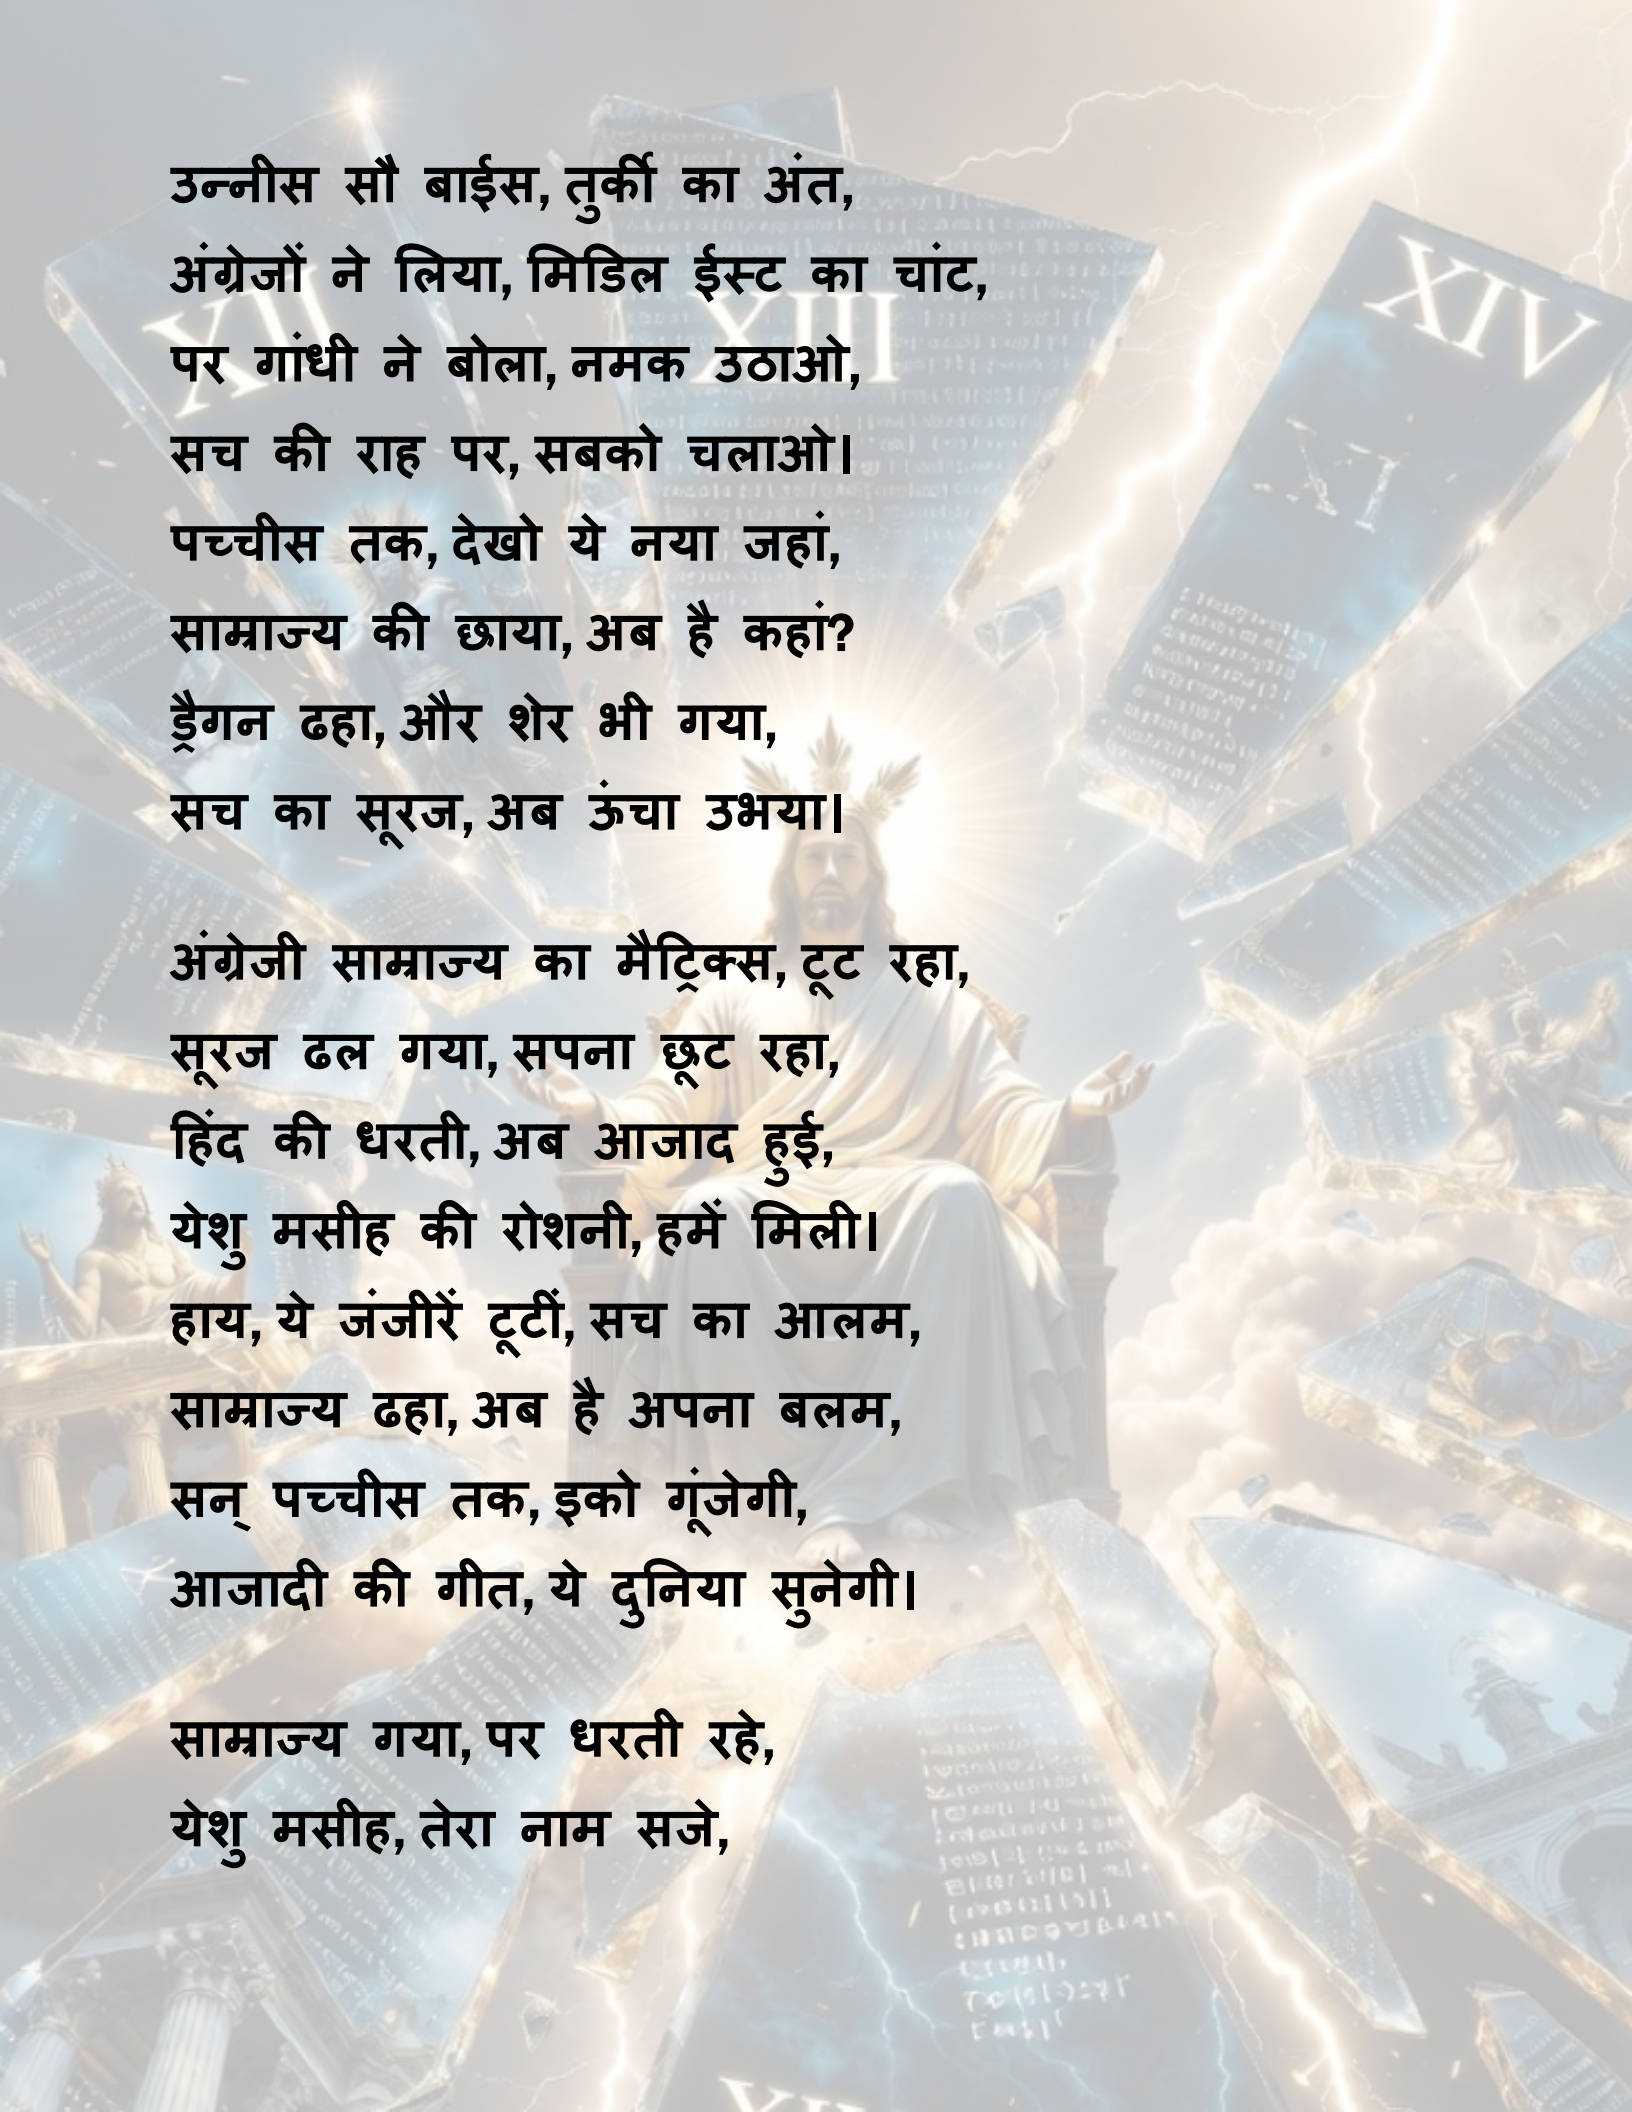

इंग्लैंड से शुरू, समुद्र पार गए,
कॉलोनी बनाई, सोना लूट लाए,
हिंदुस्तान की मिट्टी, बन गई उनकी,
ईस्ट इंडिया ने बांधा, सपनों की तल्खी।
सात समंदर पार, लाल झंडा लहराया,
अफ्रीका से एशिया, सबको गुलाम बनाया,
पर उन्नीस सौ बाईस, एक नया मोड़ आया,
तुर्की ढहा, अंग्रेजों का खेल बढ़ाया।

अंग्रेजी साम्राज्य का मैट्रिक्स, टूट रहा,
सूरज ढल गया, सपना छूट रहा,
हिंद की धरती, अब आजाद हुई,
येशु मसीह की रोशनी, हमें मिली।
हाय, ये जंजीरें टूटीं, सच का आलम,
साम्राज्य ढहा, अब है अपना बलम,

सन् पच्चीस तक, इको गूंजेगी,
आजादी की गीत, ये दुनिया सुनेगी।

लंदन की सत्ता, कभी थी ऊंची,
रेलें बिछाईं, पर भूख थी कूंछी,
इराक, फिलिस्तीन, तुर्की के टुकड़े,
साइक्स-पिको ने बांटे, सपनों के मुकड़े।
दो जंगों ने तोड़ा, साम्राज्य का घमंड,
चालीस सौ सैंतालीस, आजादी का चंद,
सूएज़ में हारा, शक्ति गई खो,
हांगकांग छूटा, अब बस सपनों का रो।

अंग्रेजी साम्राज्य का मैट्रिक्स, टूट रहा,
सूरज ढल गया, सपना छूट रहा,
हिंद की धरती, अब आजाद हुई,
येशु मसीह की रोशनी, हमें मिली।
हाय, ये जंजीरें टूटीं, सच का आलम,
साम्राज्य ढहा, अब है अपना बलम,
सन् पच्चीस तक, इको गूंजेगी,
आजादी की गीत, ये दुनिया सुनेगी।

उन्नीस सौ बाईस, तुर्की का अंत,
अंग्रेजों ने लिया, मिडिल ईस्ट का चांट,
पर गांधी ने बोला, नमक उठाओ,
सच की राह पर, सबको चलाओ।
पच्चीस तक, देखो ये नया जहां,
साम्राज्य की छाया, अब है कहां?
ड्रैगन ढहा, और शेर भी गया,
सच का सूरज, अब ऊंचा उभया।

अंग्रेजी साम्राज्य का मैट्रिक्स, टूट रहा,
सूरज ढल गया, सपना छूट रहा,
हिंद की धरती, अब आजाद हुई,
येशु मसीह की रोशनी, हमें मिली।
हाय, ये जंजीरें टूटीं, सच का आलम,
साम्राज्य ढहा, अब है अपना बलम,
सन् पच्चीस तक, इको गूंजेगी,
आजादी की गीत, ये दुनिया सुनेगी।

साम्राज्य गया, पर धरती रहे,
येशु मसीह, तेरा नाम सजे,

मैट्रिक्स टूटा, सच ने जीता,
तेरी महिमा से, सब कुछ फीका।

Album 41 Song 06

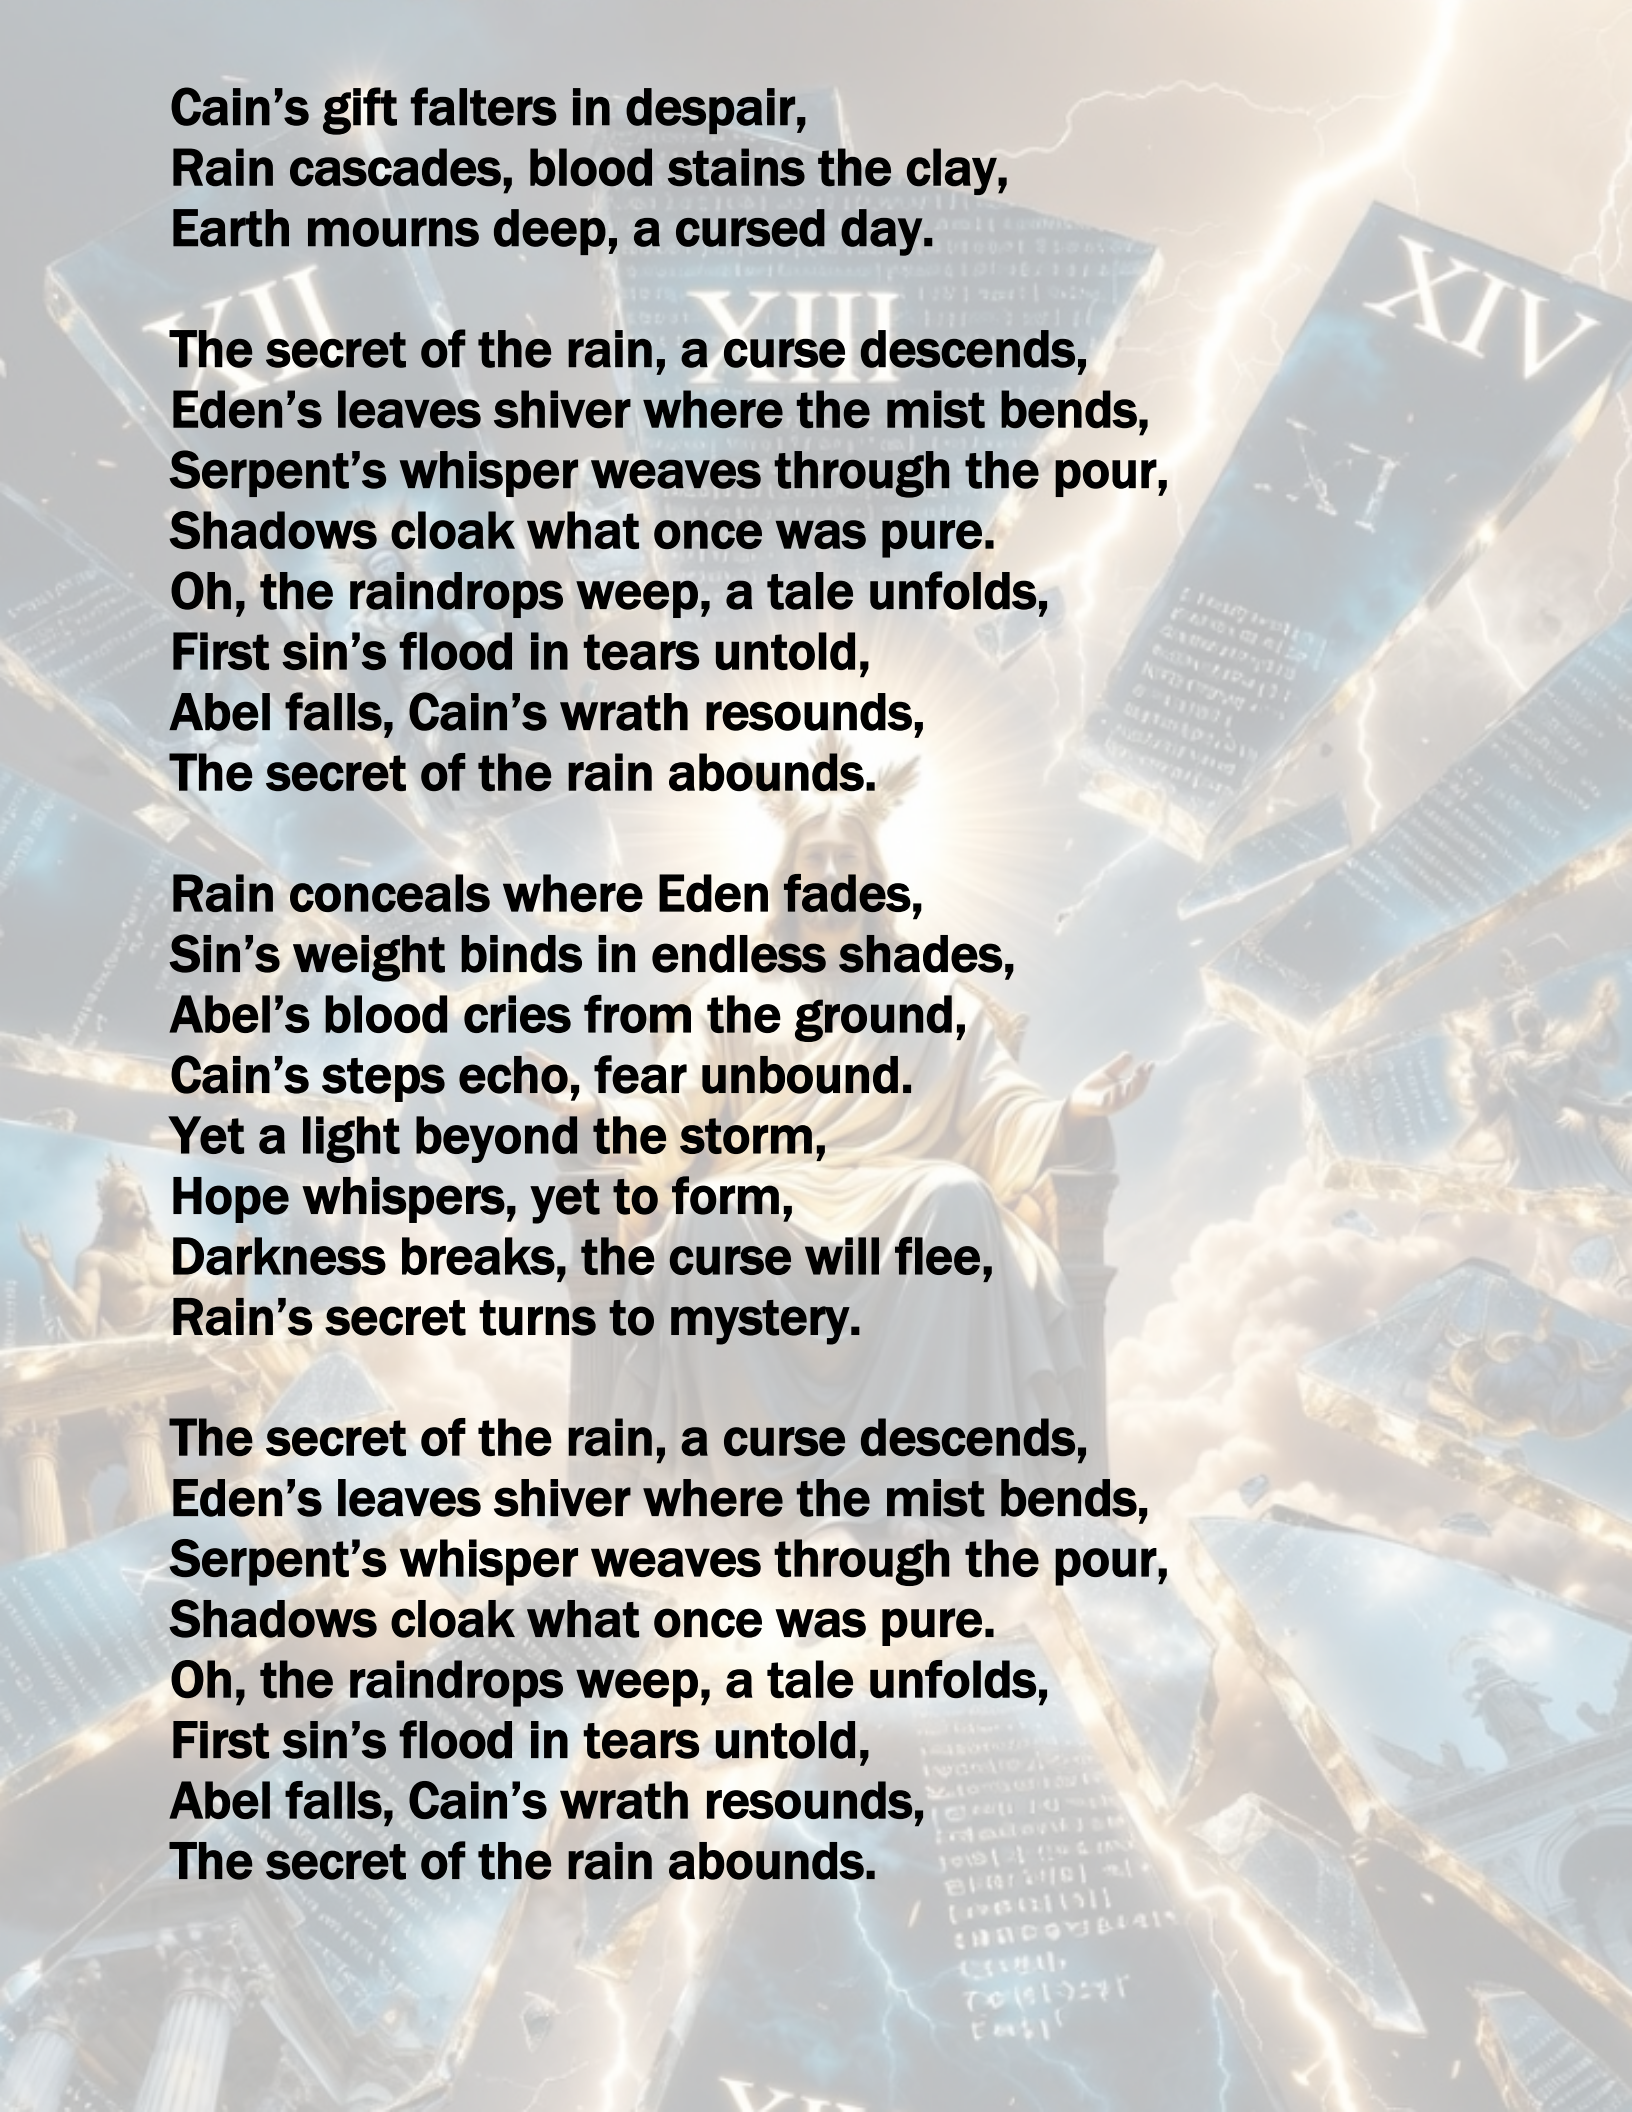

The Secret of the Rain

**Rain falls soft, a gray refrain,
Eden's whispers call through the strain...**

**Adam stands beneath the tree,
Earth yields soft to rain's decree,
Eve beholds a fruit so bright,
Drops reflect her dreaming sight.
Serpent glides, its voice a chill,
"Taste and know, bend to your will,"
Rain hums low, a secret tune,
Sin awakens 'neath the moon.**

**The secret of the rain, a curse descends,
Eden's leaves shiver where the mist bends,
Serpent's whisper weaves through the pour,
Shadows cloak what once was pure.
Oh, the raindrops weep, a tale unfolds,
First sin's flood in tears untold,
Abel falls, Cain's wrath resounds,
The secret of the rain abounds.**

**Eve partakes, Adam joins her fate,
Rain turns cold, seals Eden's gate,
Serpent smirks, its shadow flees,
Paradise lost to hollow pleas.
Abel tends his flock with care,**

**Cain's gift falters in despair,
Rain cascades, blood stains the clay,
Earth mourns deep, a cursed day.**

**The secret of the rain, a curse descends,
Eden's leaves shiver where the mist bends,
Serpent's whisper weaves through the pour,
Shadows cloak what once was pure.
Oh, the raindrops weep, a tale unfolds,
First sin's flood in tears untold,
Abel falls, Cain's wrath resounds,
The secret of the rain abounds.**

**Rain conceals where Eden fades,
Sin's weight binds in endless shades,
Abel's blood cries from the ground,
Cain's steps echo, fear unbound.
Yet a light beyond the storm,
Hope whispers, yet to form,
Darkness breaks, the curse will flee,
Rain's secret turns to mystery.**

**The secret of the rain, a curse descends,
Eden's leaves shiver where the mist bends,
Serpent's whisper weaves through the pour,
Shadows cloak what once was pure.
Oh, the raindrops weep, a tale unfolds,
First sin's flood in tears untold,
Abel falls, Cain's wrath resounds,
The secret of the rain abounds.**

**Rain grows still, silence takes hold,
Eden's story, ancient, cold,
Light will dawn, redemption near,
The secret of the rain turns clear.**

Album 41 Song 07

Light of the Nations

(Commonwealth Language Mix – English, Hindi, Swahili, Māori)

**A light shines soft, through time's embrace,
Nations gather, one human race...**

**From empire's fall, a wound did bleed,
Yet healed by hope, a humble seed,
In nineteen-twenty-two, the tide did turn,
A lion stands, its fire still burns.
The beast once roared o'er sea and land,
Now hand in hand, we rise and stand,
Through Revelation's lens, we see the sign,
A gathered world, where truth aligns.**

[Verse 2 – Hindi]

**साम्राज्य ढला, पर एक नया गीत,
स्वतंत्र देशों का, साझा संगीत।
उन्नीस सौ बाईस, बदलाव की बात,
सत्य का प्रकाश, बन गया साथ।
भारत ने गाया, गांधी का स्वर,
सङ्घ में जुड़ा, हर दिल बेकरार।
ईशा का दीपक, जलता सदा,**

मैट्रिक्स टूटा, प्रेम की सदा।

[Verse 3 – Swahili]

**Kutoka milki, nuru ikawa,
Nchi huru, pamoja sasa.
Ishirini na mbili, historia ina,
Umati wa dunia, kwa amani vina.
Afrika inaimba, sauti ya kweli,
Katika Jumuiya, upendo ni jeli.
Danieli aliona, simba akawa,
Yesu Kristo, nuru yetu daima.**

[Verse 4 – Māori]

**I te hinganga o te kingitanga, māramama,
Ngā iwi rangatira, ka noho tahi māna.
Tau rua tekau mā rua, ka huri te ao,
He whakaminenga, he aroha tokoao.
Aotearoa kōrero, walata o te pono,
I roto i te Kotahitanga, ka tipu te hono.
Ko Ihu Karaiti, te rama e kau,
Ka pakaru te matrix, mā te aroha tau.**
