Album 113 Song 1

Narrative- Enoch Walked with God

Enoch walked with God, and he was not, for God took him (Genesis 5:24).
A unique act of God, not a map of physical layers.

Enoch walked with God through all his days
Step by faithful step along the way
Not chasing signs in earth or sky
He lived beside the heart divine

Enoch walked with God, and he was not
For God took him beyond mortal sight
A unique act held in God's design
Not a map of layers we can find

No ladder drawn through worlds unseen
No measured path where God had been
The words reveal a life of trust
A man who walked beyond the dust

Some mysteries are not explained
Some wonders cannot be contained
The truth is simple, deep, and clear
He walked with God, and God drew near

Enoch walked with God, and he was not
For God took him beyond mortal sight
A unique act held in God's design
Not a map of layers we can find

Album 113 Song 2

Elijah’s Whirlwind (Spoken Story)

A chariot of fire and a whirlwind took Elijah up (2 Kings 2).
The text records the event; it does not locate him in the corona or among the planets.

A chariot of fire came shining through the sky
A whirlwind gathered Elijah, lifted him high
The story stands recorded in the ancient scroll
A wonder in the heavens, a mystery untold

Elijah's whirlwind, carrying him away
Elijah's whirlwind, rising through the day
The text tells the story, let the written word remain
A chariot of fire, a whirlwind in the flame

It happened in the passage of Second Kings two
A prophet taken upward, beyond our earthly view
The record gives the moment, the power and the sign
But leaves the place unspoken, beyond the reach of time

Not in the corona, not among the planets
No map can mark the pathway, no telescope can span it
We hold the words before us, we honor what they say
A chariot and a whirlwind, taking him away

Elijah's whirlwind, carrying him away
Elijah's whirlwind, rising through the day
The text tells the story, let the written word remain

A chariot of fire, a whirlwind in the flame

Elijah's whirlwind, carrying him away
Elijah's whirlwind, rising through the day
The text tells the story, let the written word remain
A chariot of fire, a whirlwind in the flame

Album 113 Song 3

Third Heaven Vision (Poetic of 2 Corinthians 12)

Caught up to paradise, hearing what cannot be told.
A vision of God’s presence, not a chart of atmospheric shells.

Caught up to paradise, beyond the reach of sight
Hearing what cannot be told, beneath eternal light
A vision of God's presence, holy and complete
Not a chart of atmospheric shells, but heaven at my feet

No ladder made of distance
No map of sky or stone
Just mercy drawing near me
And making wonder known

Caught up to paradise
Where words can find no sound
Caught up to paradise
Where God's presence surrounds
Not a chart of atmospheric shells
Not a kingdom built by man
Caught up to paradise
Held within the hands of God

There are things the heart remembers
That the tongue can never frame
Mysteries beyond explaining
Still they burn like living flame

I will not boast of visions
I will boast in what is true
When the veil is lifted softly
All my glory points to You

If I rise beyond the heavens
Let me come back meek and small
For the highest glimpse of glory
Is surrender to it all
What I heard cannot be spoken
What I saw cannot be shown
But the God who filled that silence
Calls this fragile heart His own

Caught up to paradise
Where words can find no sound
Caught up to paradise
Where God's presence surrounds
Not a chart of atmospheric shells
Not a kingdom built by man
Caught up to paradise
Held within the hands of God

Album 113 Song 4

Ten Heavens Noted (Teaching — non-canonical)

2 Enoch describes successive realms in Slavonic manuscripts.
It is apocalyptic literature, not canonical Scripture and not the measured sky.

Ten heavens noted in an ancient account
Successive realms where hidden visions sound
In Slavonic manuscripts the story survives
A map of mystery through imagined skies

But read the words with a careful heart
Know where the history ends and legends start

Ten heavens noted, ten heavens named
In apocalyptic light they were framed
Not canonical Scripture, let the record be clear
Not the measured sky that we see from here

Second Enoch carries the tale along
Through painted realms and a vision strong
A sacred journey written long ago
Through layered heights that only dreamers know

It is literature of the end and beyond
A witness to wonder, a shape for the unknown
Not a chart of the heavens, not a law from above
Just an ancient vision passed through words

Ten heavens noted, ten heavens named
In apocalyptic light they were framed
Not canonical Scripture, let the record be clear
Not the measured sky that we see from here

Album 113 Song 5

Pillar of Cloud and Fire (Psalm)

By day the cloud, by night the fire—
God’s guiding presence in the wilderness (Exodus 13).
Theophany, not a permanent coronal feature.

By day the cloud, by night the fire
You led us through the wilderness
Your presence moved before our feet
Your mercy was our compass

Pillar of cloud and fire
Guide us through the night
Pillar of cloud and fire
Lead us by Your light

When desert winds were rising
And every road was bare
The cloud became our shelter
The fire became our prayer

Pillar of cloud and fire
Guide us through the night
Pillar of cloud and fire
Lead us by Your light

Not a crown that stays forever

Not a sign for us to own
But the living God among us
Calling every heart back home

Pillar of cloud and fire
Guide us through the night
Pillar of cloud and fire
Lead us by Your light

Album 113 Song 6

New Jerusalem Coming (Promising)

The holy city descends in the new heavens and new earth (Revelation 21).
Future reality of God dwelling with His people.

I see the holy city coming down
Like morning breaking through the dark
The tears we carried will be gone
And hope will fill every heart

No more distance, no more night
God will make His dwelling here
Every promise brought to life
Every heart released from fear

New Jerusalem coming
A city of light and love
God will dwell with His people
The home we have dreamed of
New Jerusalem coming
The old world passing away
Heaven and earth made new
And God with us always

The gates will open wide for all
The nations gathered as one
The river shines beneath the throne

And healing flows from the Son

No more sorrow, no more pain
Death will lose its final word
All creation sings again
At the presence of the Lord

New Jerusalem coming
A city of light and love
God will dwell with His people
The home we have dreamed of
New Jerusalem coming
The old world passing away
Heaven and earth made new
And God with us always

He will wipe away our tears
He will call us by His name
All the years of waiting end
Nothing will remain the same
We will see His face in joy
We will walk in perfect peace
Every promise standing sure
Every longing finally released

New Jerusalem coming
A city of light and love
God will dwell with His people

The home we have dreamed of
New Jerusalem coming
The old world passing away
Heaven and earth made new
And God with us always

Album 113 Song 7

Adoil as Vision Only (Research / Clarifying)

The luminous being in 2 Enoch 25 is part of that text's visionary creation account.
It is not a scientific description of solar structure or polar openings.

In 2 Enoch 25, the vision takes its form
A luminous being in the silence before the storm
Adoil as vision only, rising through the night
Part of a creation account, seen in sacred light

Adoil as vision only
Not a map beneath the sun
Not the shape of solar structure
Not where polar openings run
Adoil as vision only
Let the ancient vision speak
Keep the wonder in its meaning
Keep the question clear and meek

It is not a scientific word for how the heavens turn
Not a hidden solar structure waiting to be learned
No opening at the poles, no measured path or sign
Only what the text reveals through a visionary mind

Read the image as it rises
Let the old account be heard

Do not force the light to answer
With a modern measured word
The luminous being belongs there
In the vision it was shown
Adoil as vision only
In the language of its own

Adoil as vision only
Not a map beneath the sun
Not the shape of solar structure
Not where polar openings run
Adoil as vision only
Let the ancient vision speak
Keep the wonder in its meaning
Keep the question clear and meek

Album 113 Song 8

Maranatha, Come Lord Jesus (Praising / Remnant)

The Spirit and the Bride say, Come.
Until then the heavens still declare His glory.

The Spirit and the Bride say, Come
The waiting Church lifts up one song
Until then the heavens still declare
The glory of the Lord fills the air

Through every trial, through every night
We lift our eyes toward coming light

Maranatha, come Lord Jesus
Maranatha, come Lord Jesus
The Spirit and the Bride say, Come
Come Lord Jesus, come

The remnant stands with faithful hearts
Holding to hope when shadows fall
Your promise burns within our bones
Your kingdom calls us home

Through every trial, through every night
We lift our eyes toward coming light

Maranatha, come Lord Jesus
Maranatha, come Lord Jesus
The Spirit and the Bride say, Come
Come Lord Jesus, come

Let all creation join the cry
Let every sleeping heart arise
Until the heavens ring with praise
We wait for Jesus face to face

Maranatha, come Lord Jesus
Maranatha, come Lord Jesus
The Spirit and the Bride say, Come
Come Lord Jesus, come

Album 113 Song 9

வானமும் பூமியும் உம் வார்த்தையால் உண்டாயின
சூரியன் சந்திரன் உம் கட்டளைக்குக்
கீழ்ப்படிகின்றன
பொய்யான வடிவங்கள் எல்லாம் மறைந்திடட்டும்
உண்மையான பூமி உம் மகிமையைச் சொல்லட்டும்

மரணாத்தா வாரும் கர்த்தராகிய இயேசுவே
மரணாத்தா வாரும் எங்கள் இராஜாவே
உம் மகிமை நிறையட்டும் தேசங்கள் முழுவதும்
மரணாத்தா வாரும் கர்த்தராகிய இயேசுவே

உம் சத்தம் கேட்டால் இருள் ஒளியாகும்
உம் மூச்சால் வறண்ட நிலம் உயிராகும்
பொய்யின் கோட்டைகள் தூளாய் விழட்டும்
உம் சத்திய வார்த்தை என்றும் நிலைக்கட்டும்

மரணாத்தா வாரும் கர்த்தராகிய இயேசுவே
மரணாத்தா வாரும் எங்கள் இராஜாவே
உம் மகிமை நிறையட்டும் தேசங்கள் முழுவதும்
மரணாத்தா வாரும் கர்த்தராகிய இயேசுவே

வானங்கள் காத்திருக்கின்றன
பூமியும் **ஏங்குகின்றது**
பரிசுத்த நாமம் உயரட்டும்
எல்லா நாவும் பாடட்டும்

மரணாத்தா **மரணாத்தா**
வாரும் **இயேசுவே**

மரணாத்தா வாரும் கர்த்தராகிய இயேசுவே
மரணாத்தா வாரும் எங்கள் இராஜாவே
உம் மகிமை நிறையட்டும் தேசங்கள் முழுவதும்
மரணாத்தா வாரும் கர்த்தராகிய இயேசுவே
