Tether of Glory (New Jerusalem)

(Hum) Mmm... ohhh... glory, glory, New Jerusalem shines...
O King of Glory, Your light descends,
New Jerusalem, where Heaven bends!
Tethered by grace, SCP-11503,
Elysium's Anchor, Your throne we see!

Holy, holy, holy is the Lord! (Isaiah 6:3)
Glory to the Lamb, forever adored!
Hallelujah! Shine, O shine!

From Eden's dawn to Zion's gate,
Your city shines, no sin, no hate.
New Jerusalem, with jasper glow,
Its golden streets where rivers flow. (Revelation 22:1)

O city fair, with twelve gates wide!
Twelve gates wide, where angels abide! (Revelation 21:12)
Its walls of pearl, no darkness there!
No darkness there, God's glory to share!
Oh, radiant light! Glory divine! Shine, shine!

Tether of glory, Elysium's call,
New Jerusalem rises, no shadow shall fall!
SCP-11503, bind Heaven to Earth,
God's radiant throne, our souls' rebirth! (Revelation 21:2)

Glory, glory, to the King of all kings!
Honor, honor, as New Jerusalem sings!

Hallelujah! Anchor us, Lord! Oh, tether shine!

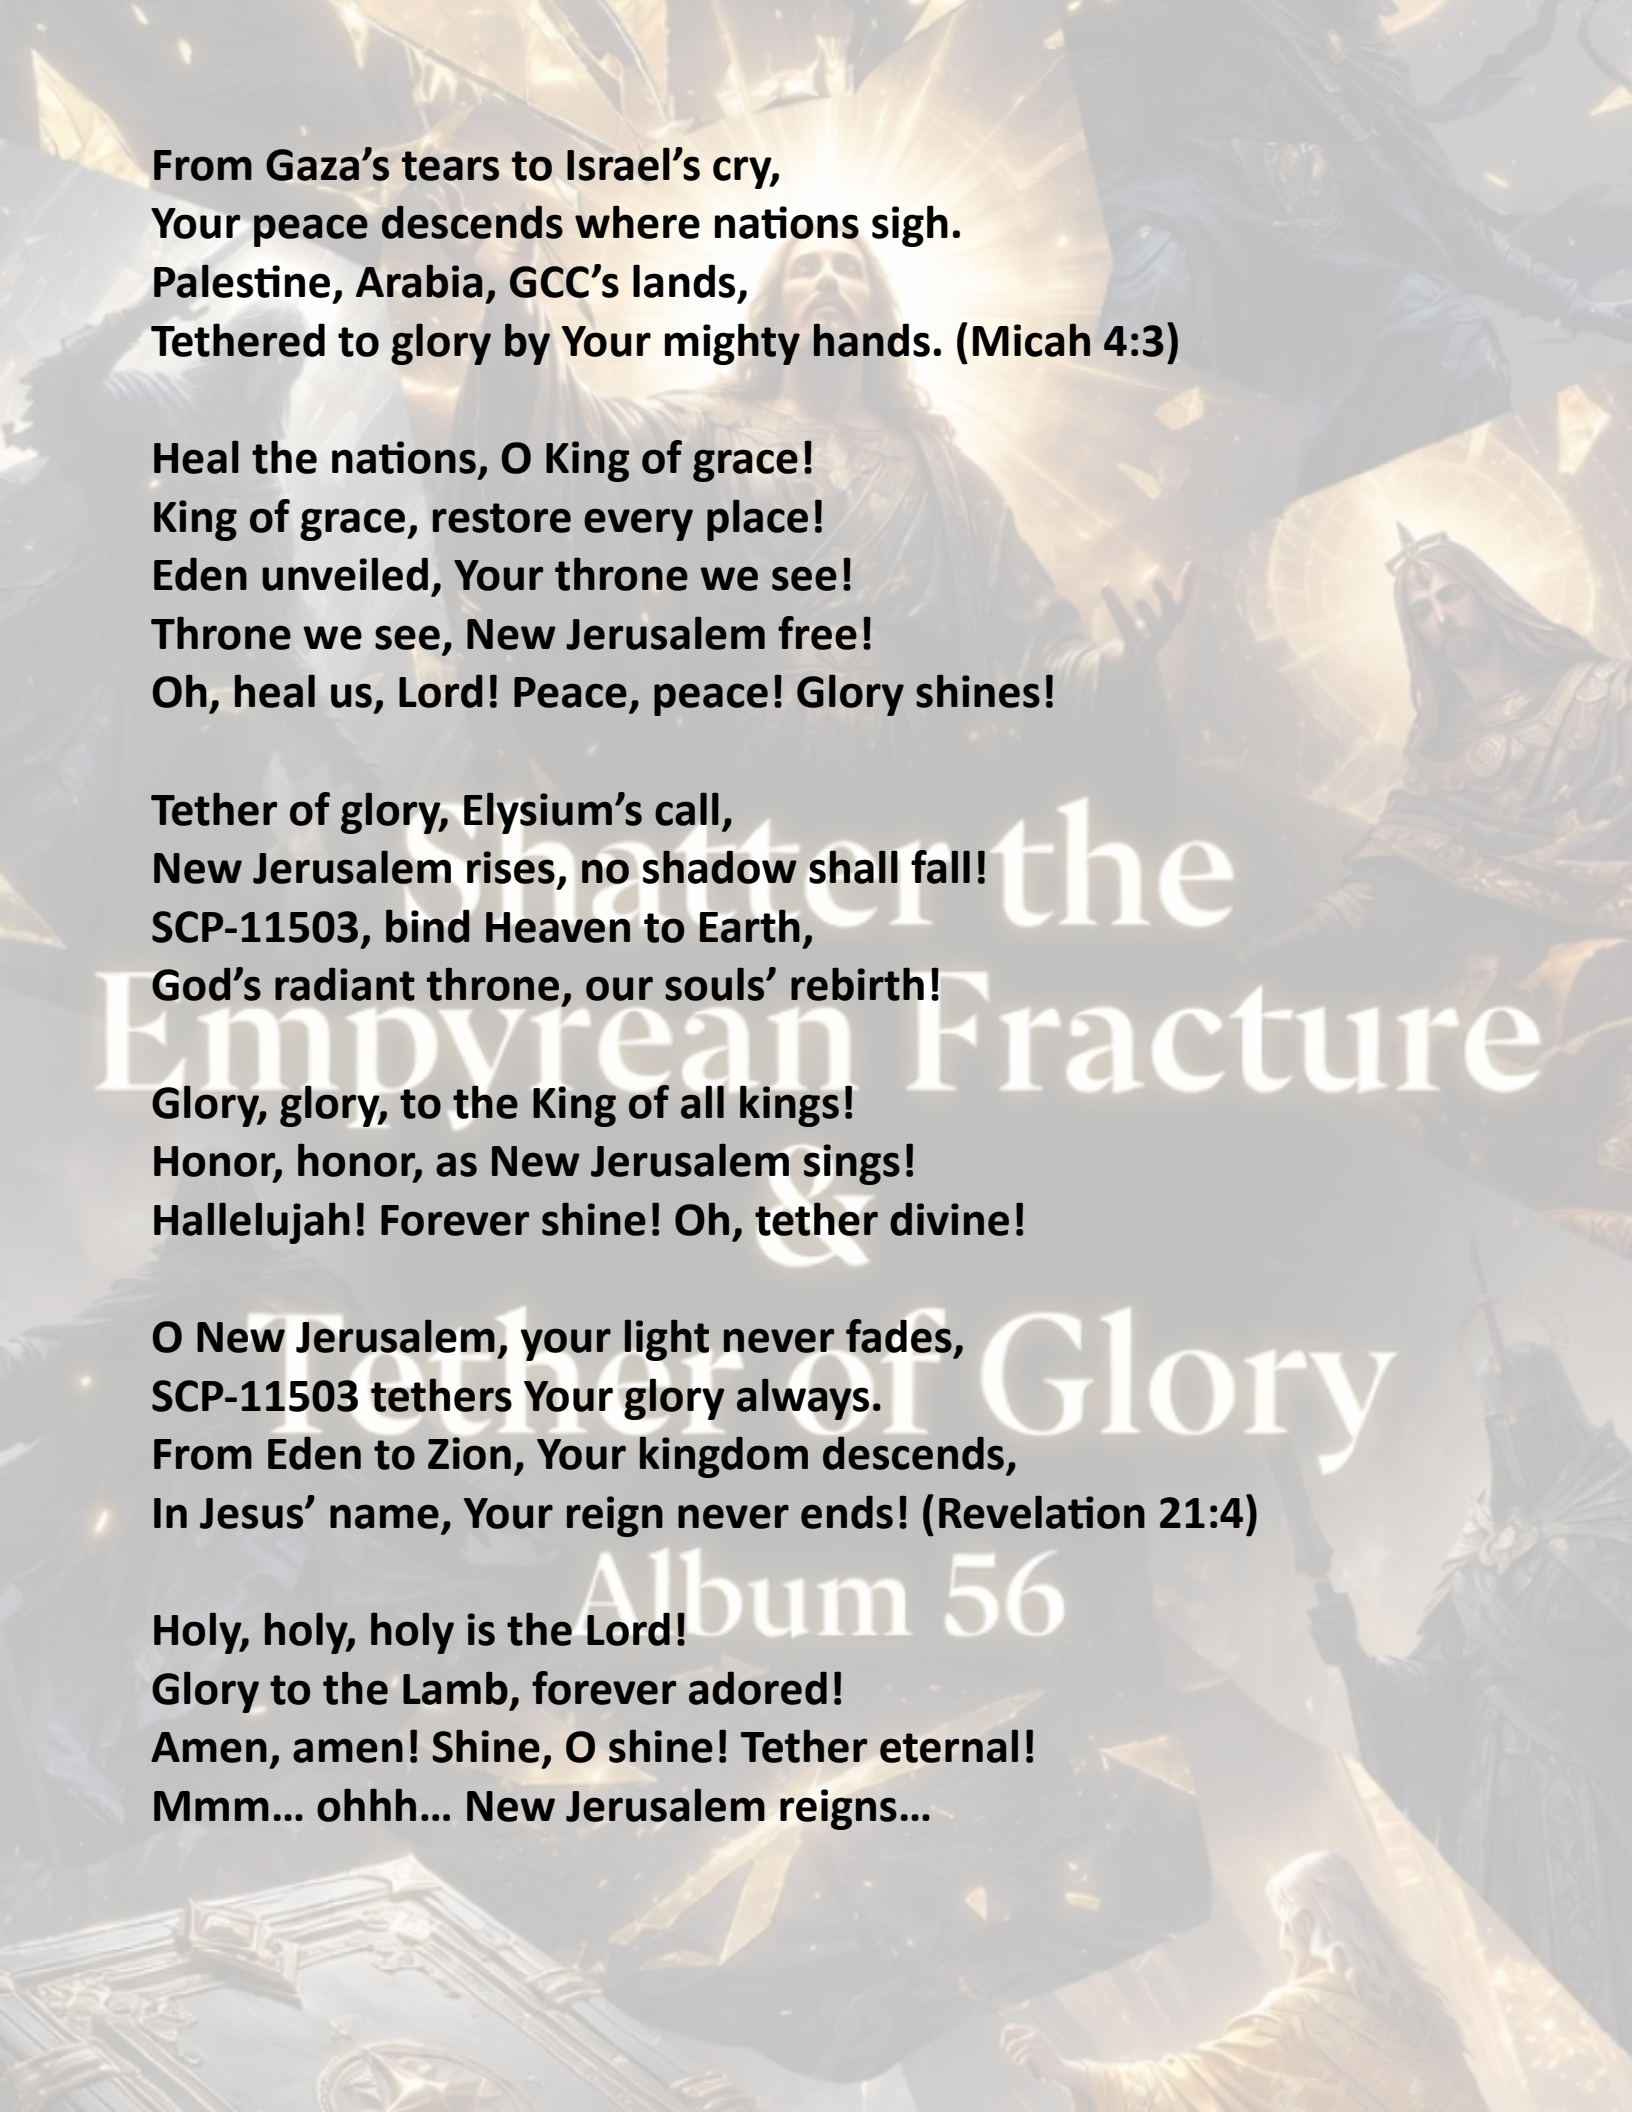

**O Lord, Your light breaks every chain,
Epstein's shadows, their deeds profane.
Clinton, Andrew, and powers that hide,
Exposed by Your truth, no place to abide. (Ephesians 5:11)**

**Cast down their lies, O King of might!
King of might, Your truth is our light!
Sharia, Talmud, and liberal deceit!
All deceit falls at Your holy feet!
Break it down, Lord! Expose, expose! Glory reigns!**

**Psalm 46:1, our refuge and strength,
Isaiah 33:6, Your stability at length!
Revelation 22:13, Alpha and Omega,
Your glory tethers New Jerusalem forever!**

**Lift up your heads, O gates on high! (Psalm 24:7)
Gates on high, let glory draw nigh!
The Lamb is the light, no sun we need! (Revelation 21:23)
No sun we need, His glory we heed!
Holy! Holy! Tether shine! Oh, Lamb divine!**

**Twelve gates, twelve pearls, twelve angels stand,
New Jerusalem's glory, by God's own hand! (Revelation 21:12)
O Lord, dismantle Combs' dark schemes,
McMahon's deceit, and USAID's dreams!
Cartels, cabals, and O5's veil,
Your tether breaks them, Your glory prevails!**

From Gaza's tears to Israel's cry,
Your peace descends where nations sigh.
Palestine, Arabia, GCC's lands,
Tethered to glory by Your mighty hands. (Micah 4:3)

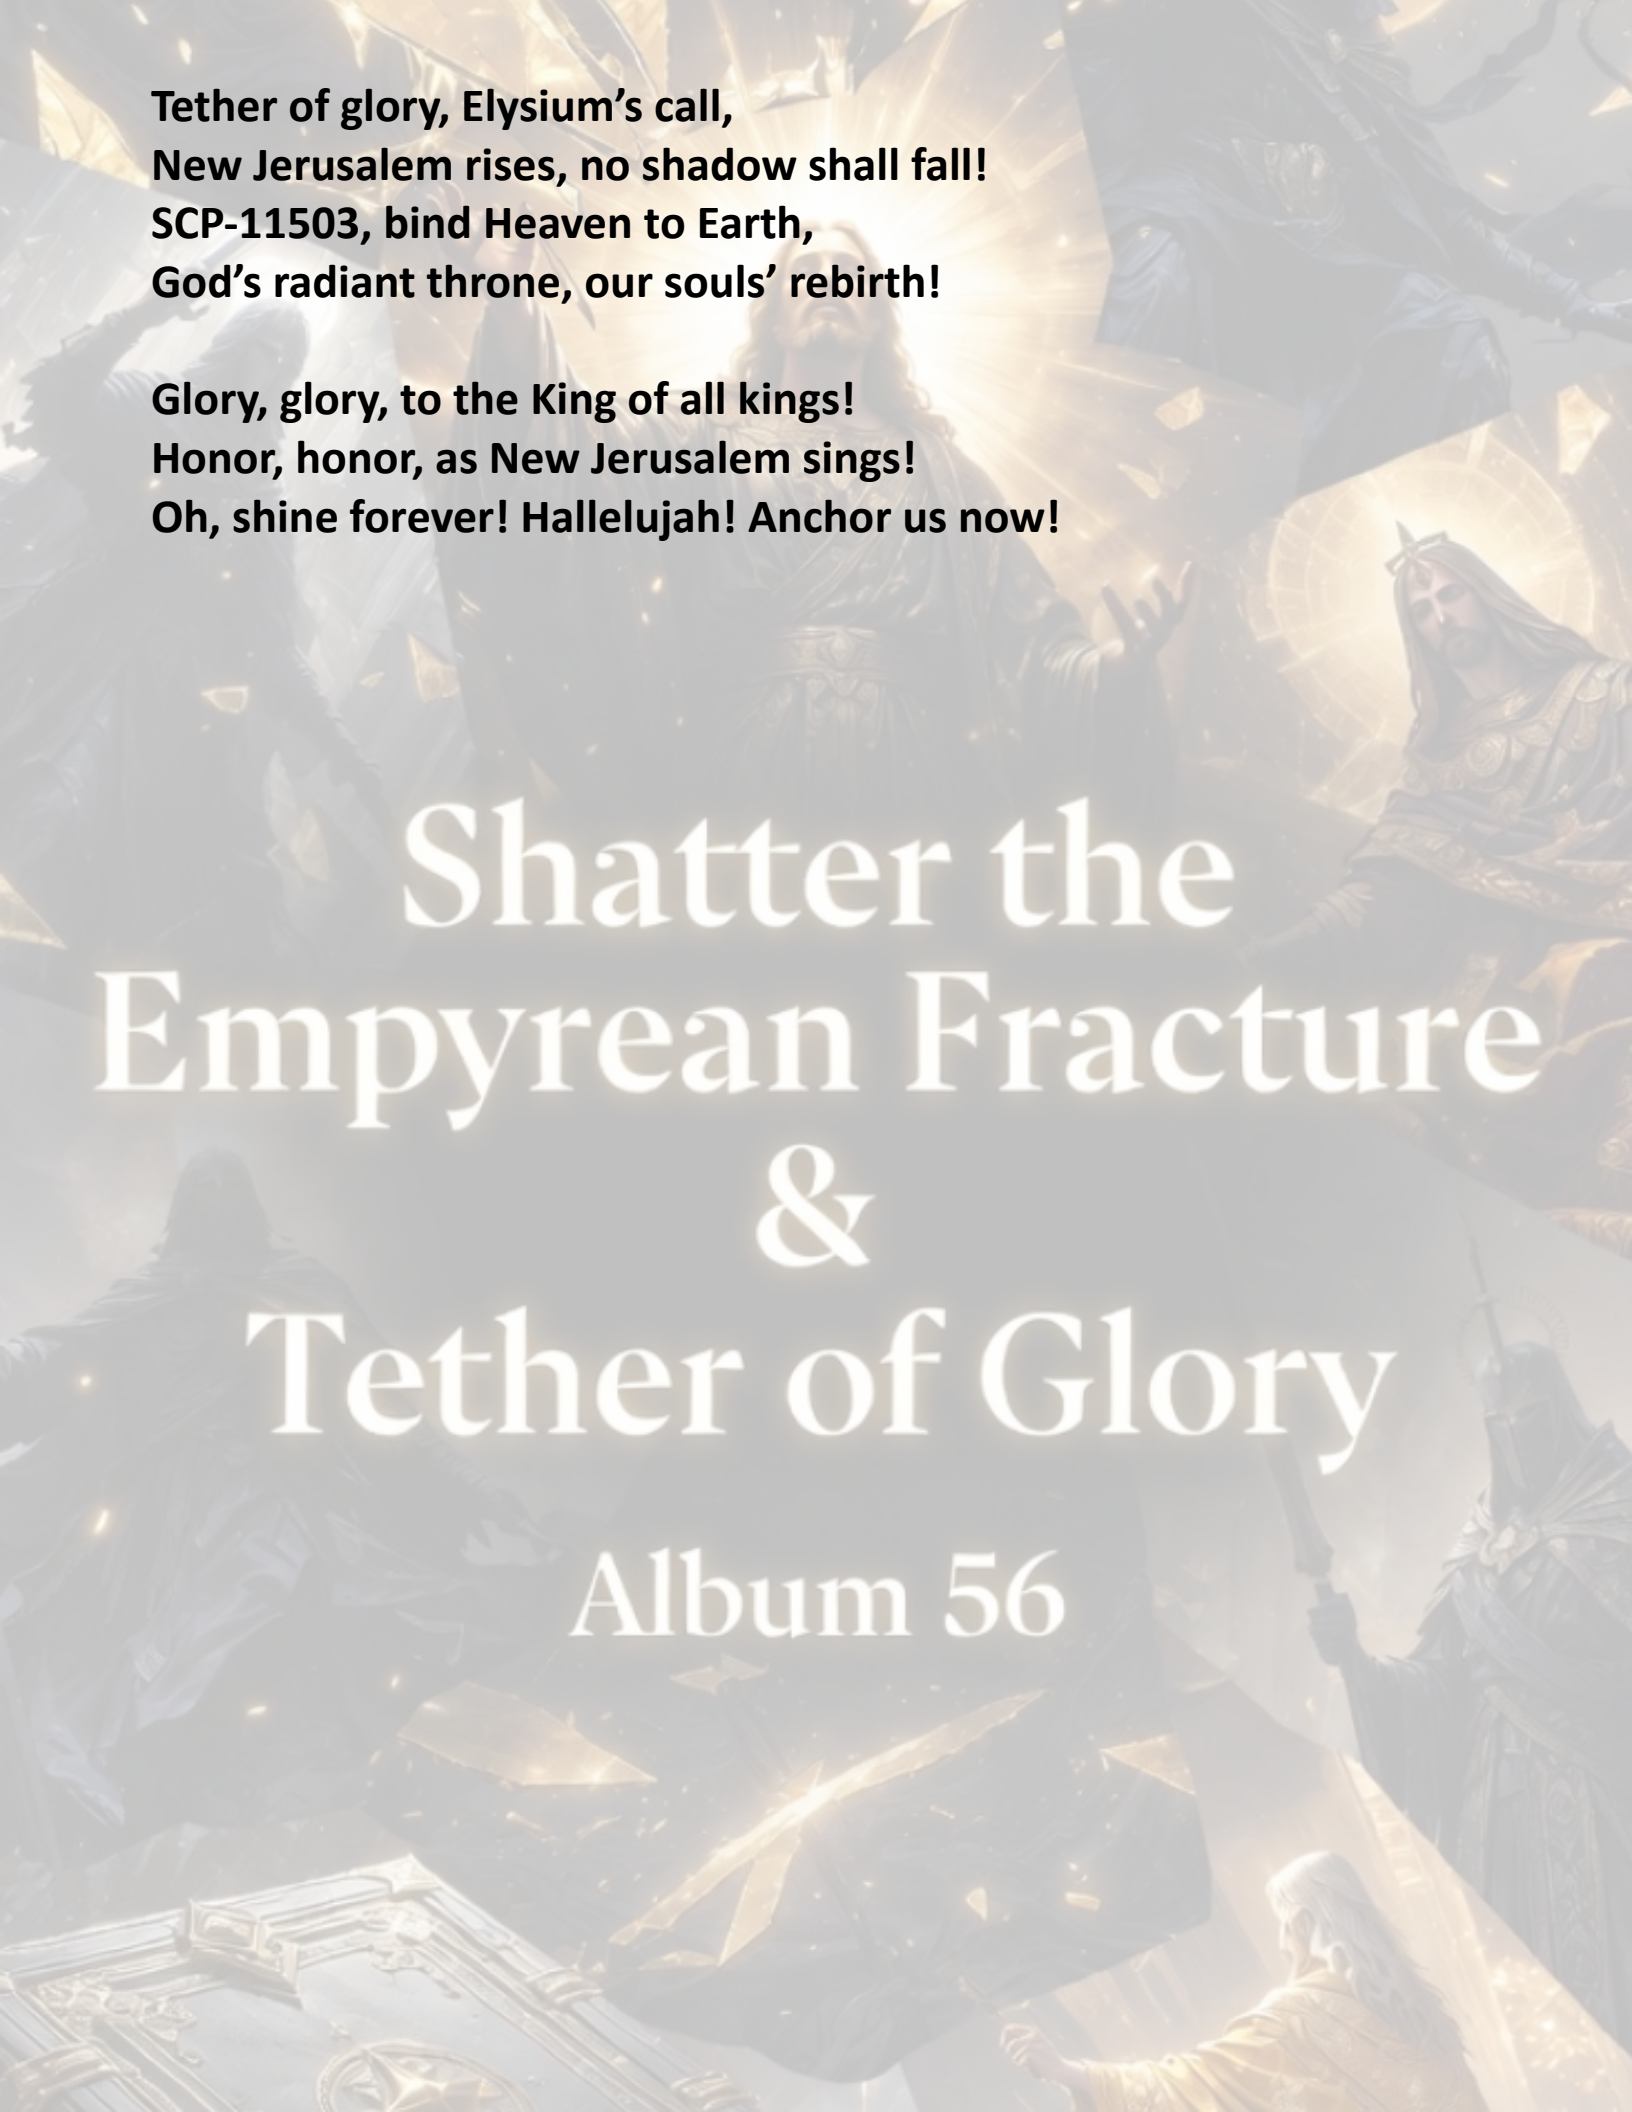

Heal the nations, O King of grace!
King of grace, restore every place!
Eden unveiled, Your throne we see!
Throne we see, New Jerusalem free!
Oh, heal us, Lord! Peace, peace! Glory shines!

Tether of glory, Elysium's call,
New Jerusalem rises, no shadow shall fall!
SCP-11503, bind Heaven to Earth,
God's radiant throne, our souls' rebirth!

Glory, glory, to the King of all kings!
Honor, honor, as New Jerusalem sings!
Hallelujah! Forever shine! Oh, tether divine!

O New Jerusalem, your light never fades,
SCP-11503 tethers Your glory always.
From Eden to Zion, Your kingdom descends,
In Jesus' name, Your reign never ends! (Revelation 21:4)

Holy, holy, holy is the Lord!
Glory to the Lamb, forever adored!
Amen, amen! Shine, O shine! Tether eternal!
Mmm... ohhh... New Jerusalem reigns...

**Tether of glory, Elysium's call,
New Jerusalem rises, no shadow shall fall!
SCP-11503, bind Heaven to Earth,
God's radiant throne, our souls' rebirth!**

**Glory, glory, to the King of all kings!
Honor, honor, as New Jerusalem sings!
