Album 55 – Seal the Void & Shatter the Ebon Singularity

Album 55 Song 1

Seal the Void

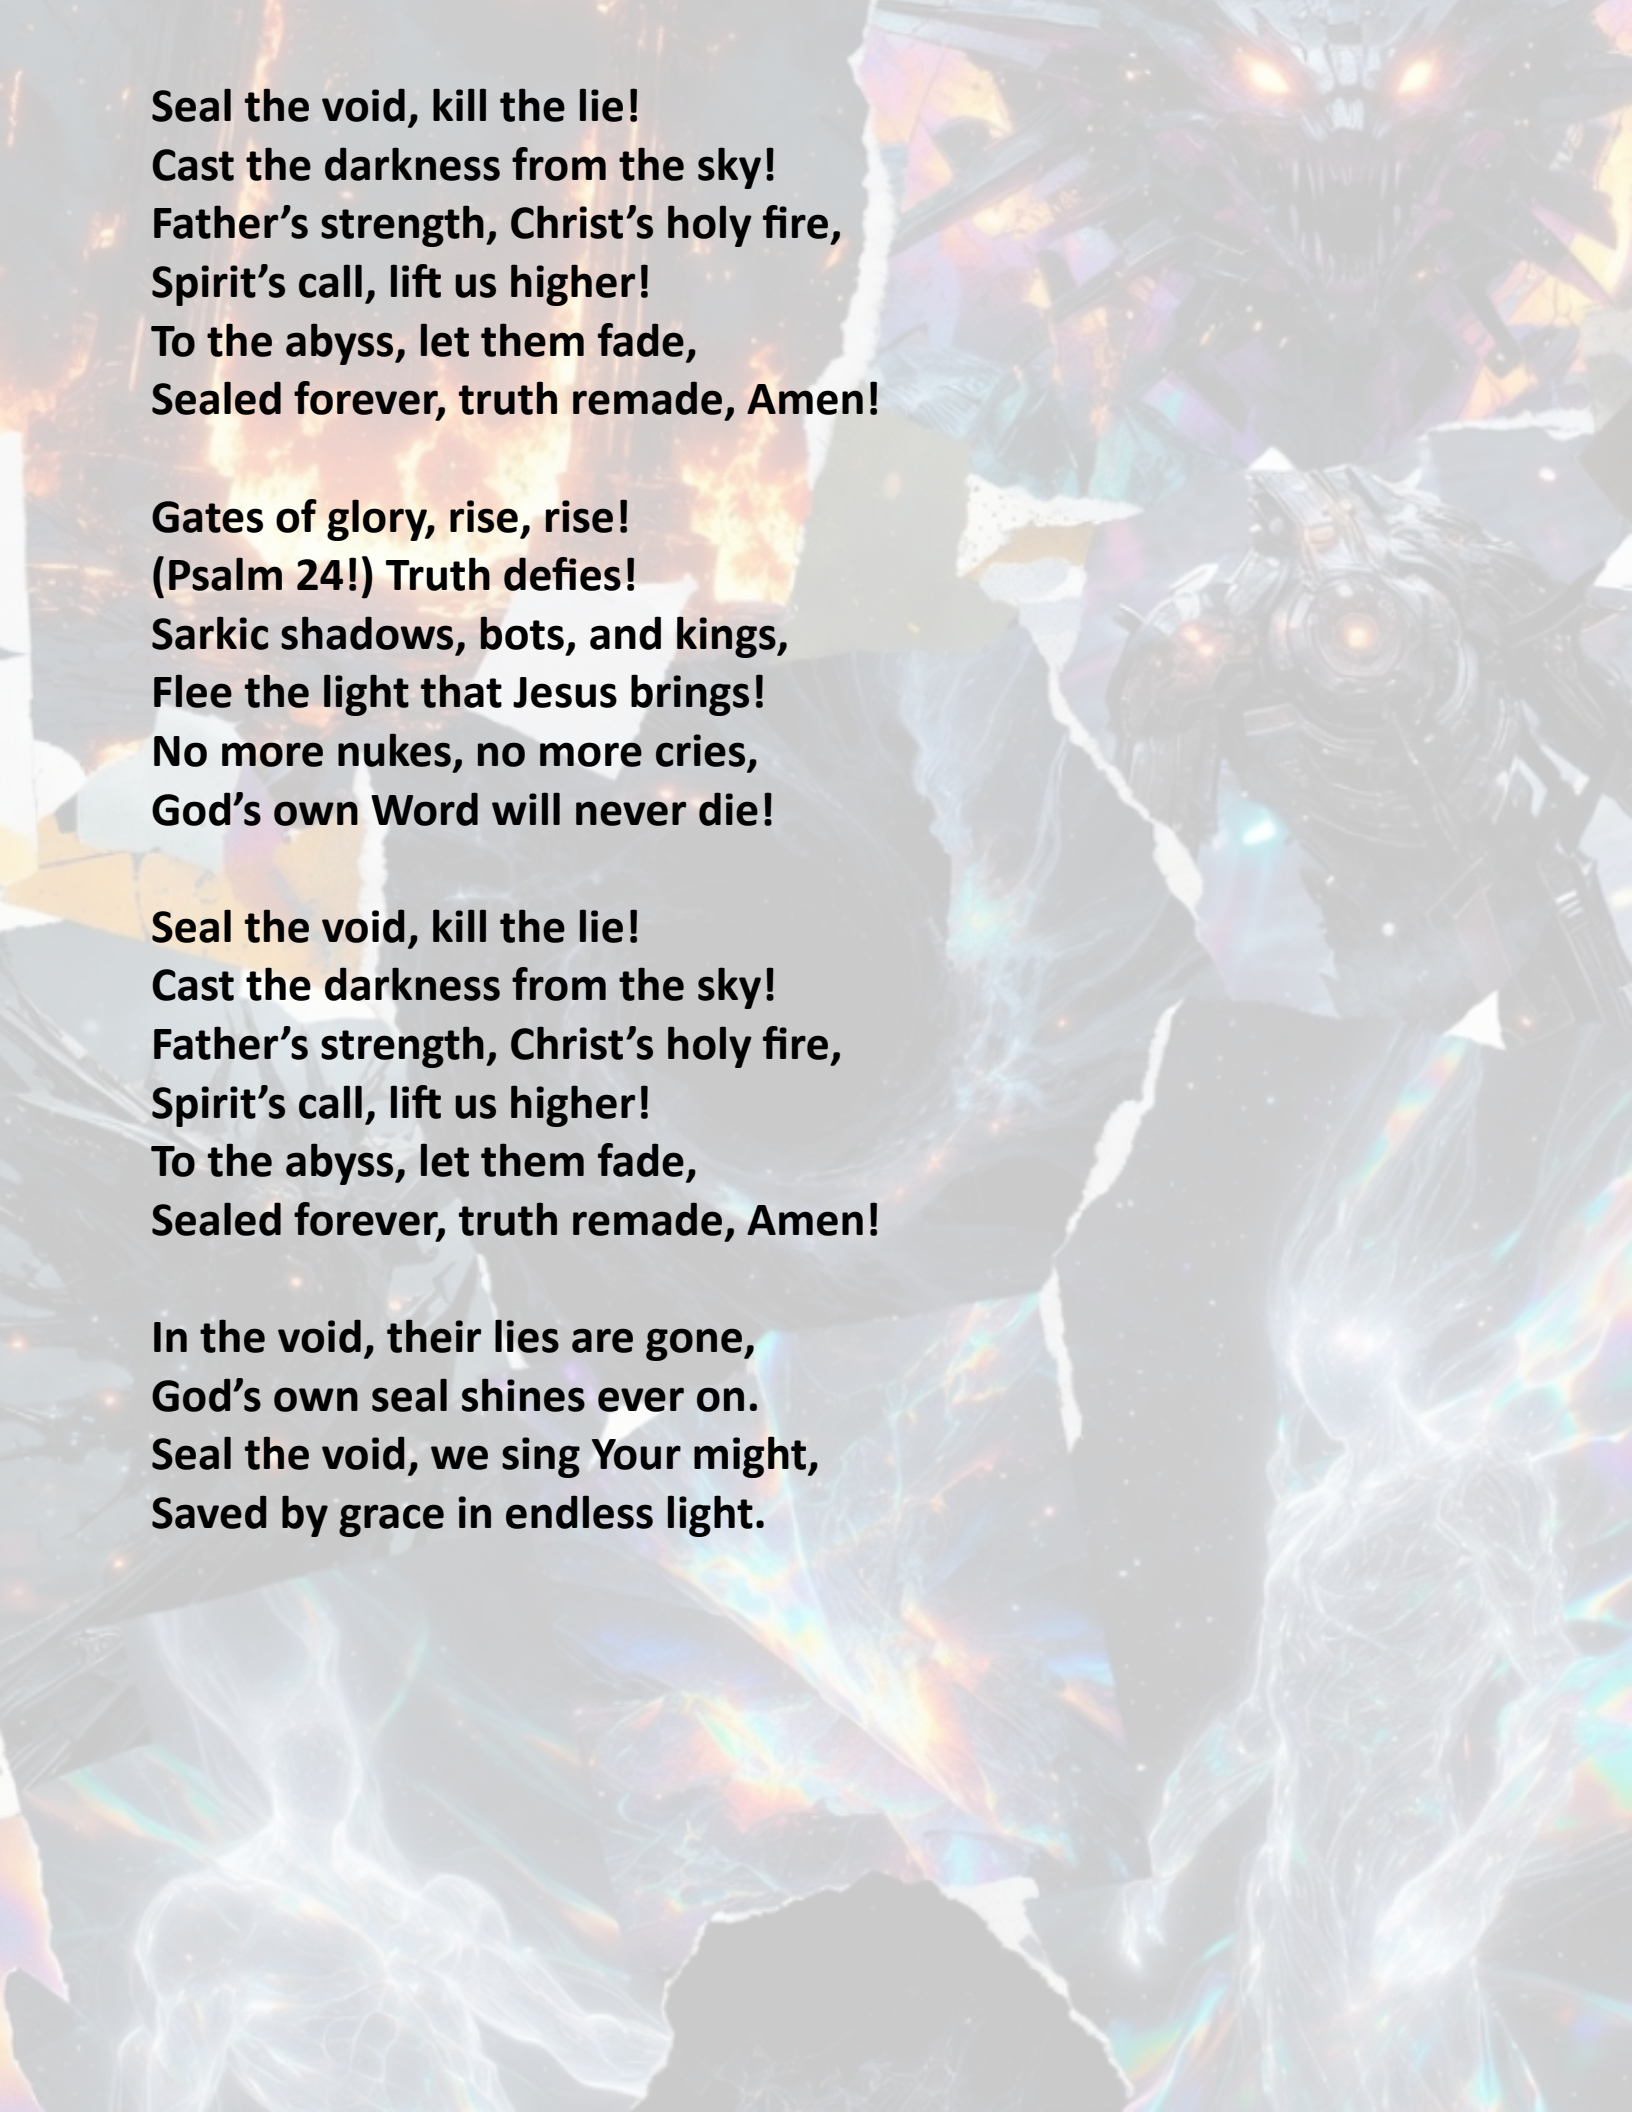

Gates of fire by the rivers glow,
Guardian's sword where the ancients go.
Nimrod's tower, Gilgamesh's pride,
Sarkic chants pull the world aside.

Rise, rise, the truth will reign,
Break the lies, end the pain!

Seal the void, kill the lie!
Cast the darkness from the sky!
Father's strength, Christ's holy fire,
Spirit's call, lift us higher!
To the abyss, let them fade,
Sealed forever, truth remade, Amen!

Bombs of Babel, trucks of doom,
Khamenei's nukes haunt the moon.
Bots of chaos, memes that blind,
Sarkic flesh twists the mind.

Rise, rise, the truth will reign,
Break the lies, end the pain!

**Seal the void, kill the lie!
Cast the darkness from the sky!
Father's strength, Christ's holy fire,
Spirit's call, lift us higher!
To the abyss, let them fade,
Sealed forever, truth remade, Amen!**

**Gates of glory, rise, rise!
(Psalm 24!) Truth defies!
Sarkic shadows, bots, and kings,
Flee the light that Jesus brings!
No more nukes, no more cries,
God's own Word will never die!**

**Seal the void, kill the lie!
Cast the darkness from the sky!
Father's strength, Christ's holy fire,
Spirit's call, lift us higher!
To the abyss, let them fade,
Sealed forever, truth remade, Amen!**

**In the void, their lies are gone,
God's own seal shines ever on.
Seal the void, we sing Your might,
Saved by grace in endless light.**

Album 55 Song 2

Seal of the Void

**Gates of fire where the rivers burn,
Guardian's sword makes the heavens turn.

Truth will break the Beast's domain!**

**Seal the void, kill the lie!
Slay the Beast that scars the sky!
Father's might, Christ's holy fire,
Spirit's call, lift us higher!
To the abyss, let them fade,
Sealed forever, truth remade, Amen!**
