Album 44 -Break the Woke Matrix

Album 44 Song 1

Woke O Woke

[English] Oi! What's this woke nonsense? Haha!

[French] Woke partout, quel drame!

[German] Ach, Woke-Mania, was für ein Spaß!

[Spanish] ¡Woke por todos lados, qué comedia!

Woke O Woke, the world's gone wild...

[English]

**WOKE's taking over, Wokerica's loud,
Woukland's preaching, Wokerope's in a crowd.**

Wokepedia decrees, "Agree or you're out!"

But Woke phobia laughs, "I'm not buying that shout!"

Wokelife's on Insta, Wokemoji galore,

Woke culture screams, "Don't think, just adore!"

Woke songs hit the charts, Satanic Songs creep,

Jesus chuckles above, "This circus ain't deep!"

[English] Woke O Woke, oh, Woketopia's mad!

[French] Wokemia partout, le monde est à plat!

[German] Jesus Christus, der einzige Gott,

[Spanish] ¡Rompe este matriz, Su luz es el spot!

[English] Hey, hey, hey, dance in the light!

[French] Oui, oui, oui, Jésus wins the fight!

[German] Von Woukland zu Wokistan, singt Seinen Namen,

[Spanish] ¡Jesús el Rey, eterno, sin fin, amén!

[French]

Woke business vend tout, produits woke à gogo,

Woke foods, viandes woke, végan, bio, trop beau!

Éducation woke dit, “Oublie la raison!”

Littérature woke crie, “Sentiments, c’est la saison!”

Vacunas woke, dinero woke, tout en Wokologie,

Woke leaders, royaux woke, bâtissent Woketopie!

Célébrités woke, selfies, jeux woke sur écran,

Jésus rit, “Ce matrice est drôle, mais vide, vraiment!”

[English] Woke O Woke, oh, Woketopia’s mad!

[French] Wokemia partout, le monde est à plat!

[German] Jesus Christus, der einzige Gott,

[Spanish] ¡Rompe este matriz, Su luz es el spot!

[English] Hey, hey, hey, dance in the light!

[French] Oui, oui, oui, Jésus wins the fight!

[German] Von Wokland zu Wokistan, singt Seinen Namen,

[Spanish] ¡Jesús el Rey, eterno, sin fin, amén!

[Spanish]

Ideas woke y pensamientos, confunden sin fin,

Leyes woke, sistema woke, ¡qué lío sin fin!

[German]

Woke-Spiele, Woke-Filme, mit Wokemoji-Code,

Satanische Lieder singen, doch Jesus sagt, “Nein, no!”

[English]

Wokology’s a poison, Woketopia’s a maze,

But Jesus’ Light breaks through, with truth that always stays.

[French]

Erlik et Tengri, faux dieux dans l’ombre,

Jésus les brise, Sa lumière triomphe!

[English] Woke O Woke, oh, Woketopia’s mad!

[French] Wokemia partout, le monde est à plat!

[German] Jesus Christus, der einzige Gott,

[Spanish] ¡Rompe este matriz, Su luz es el spot!

[English] Hey, hey, hey, dance in the Light

Album 44 Song 2

Sa Re Ga Ma (Light of the Steppes)

**Sa Re Ga Ma... Pa Dha Ni Sa...
Oh... Jesus... Light of the world...
Sa Re Ga Ma... across the steppes...**

**Sa Re Ga Ma, from Altai's dawn,
Hephthalites ride, White Huns are born.
Tengri's sky, Umay's earth they call,
Sassanids fall, yet Christ rules all.
Sa Re Ga Ma, Oghuz tribes unite,
Yabgu's banner, in steppe's starlight.
Tengri's might, their hearts ignite,
But Jesus' truth breaks the darkest night.**

**Matrix of 8D, oh, empires rise and fall!
Sa Re Ga Ma, Christ's light conquers all!
Jesus, sole God, breaks the chains of night,
Pa Dha Ni Sa, His truth shines bright!
Hey, hey, hey, sing in the light divine!
Hey, hey, hey, Jesus' glory will shine!
From steppes to thrones, His name we call,
Matrix of 8D, Christ rules over all!**

**Sa Re Ga Ma, Seljuks sweep the land,
Manzikert's clash, Alp Arslan's hand.
Allah's call, with Tengri's sky they blend,
Yet Christ's pure light, their matrix will end.
Sa Re Ga Ma, Khwarazm's pride ascends,
Ala ad-Din dares, but Mongol wrath descends.
Sufi chants rise, yet truth transcends,**

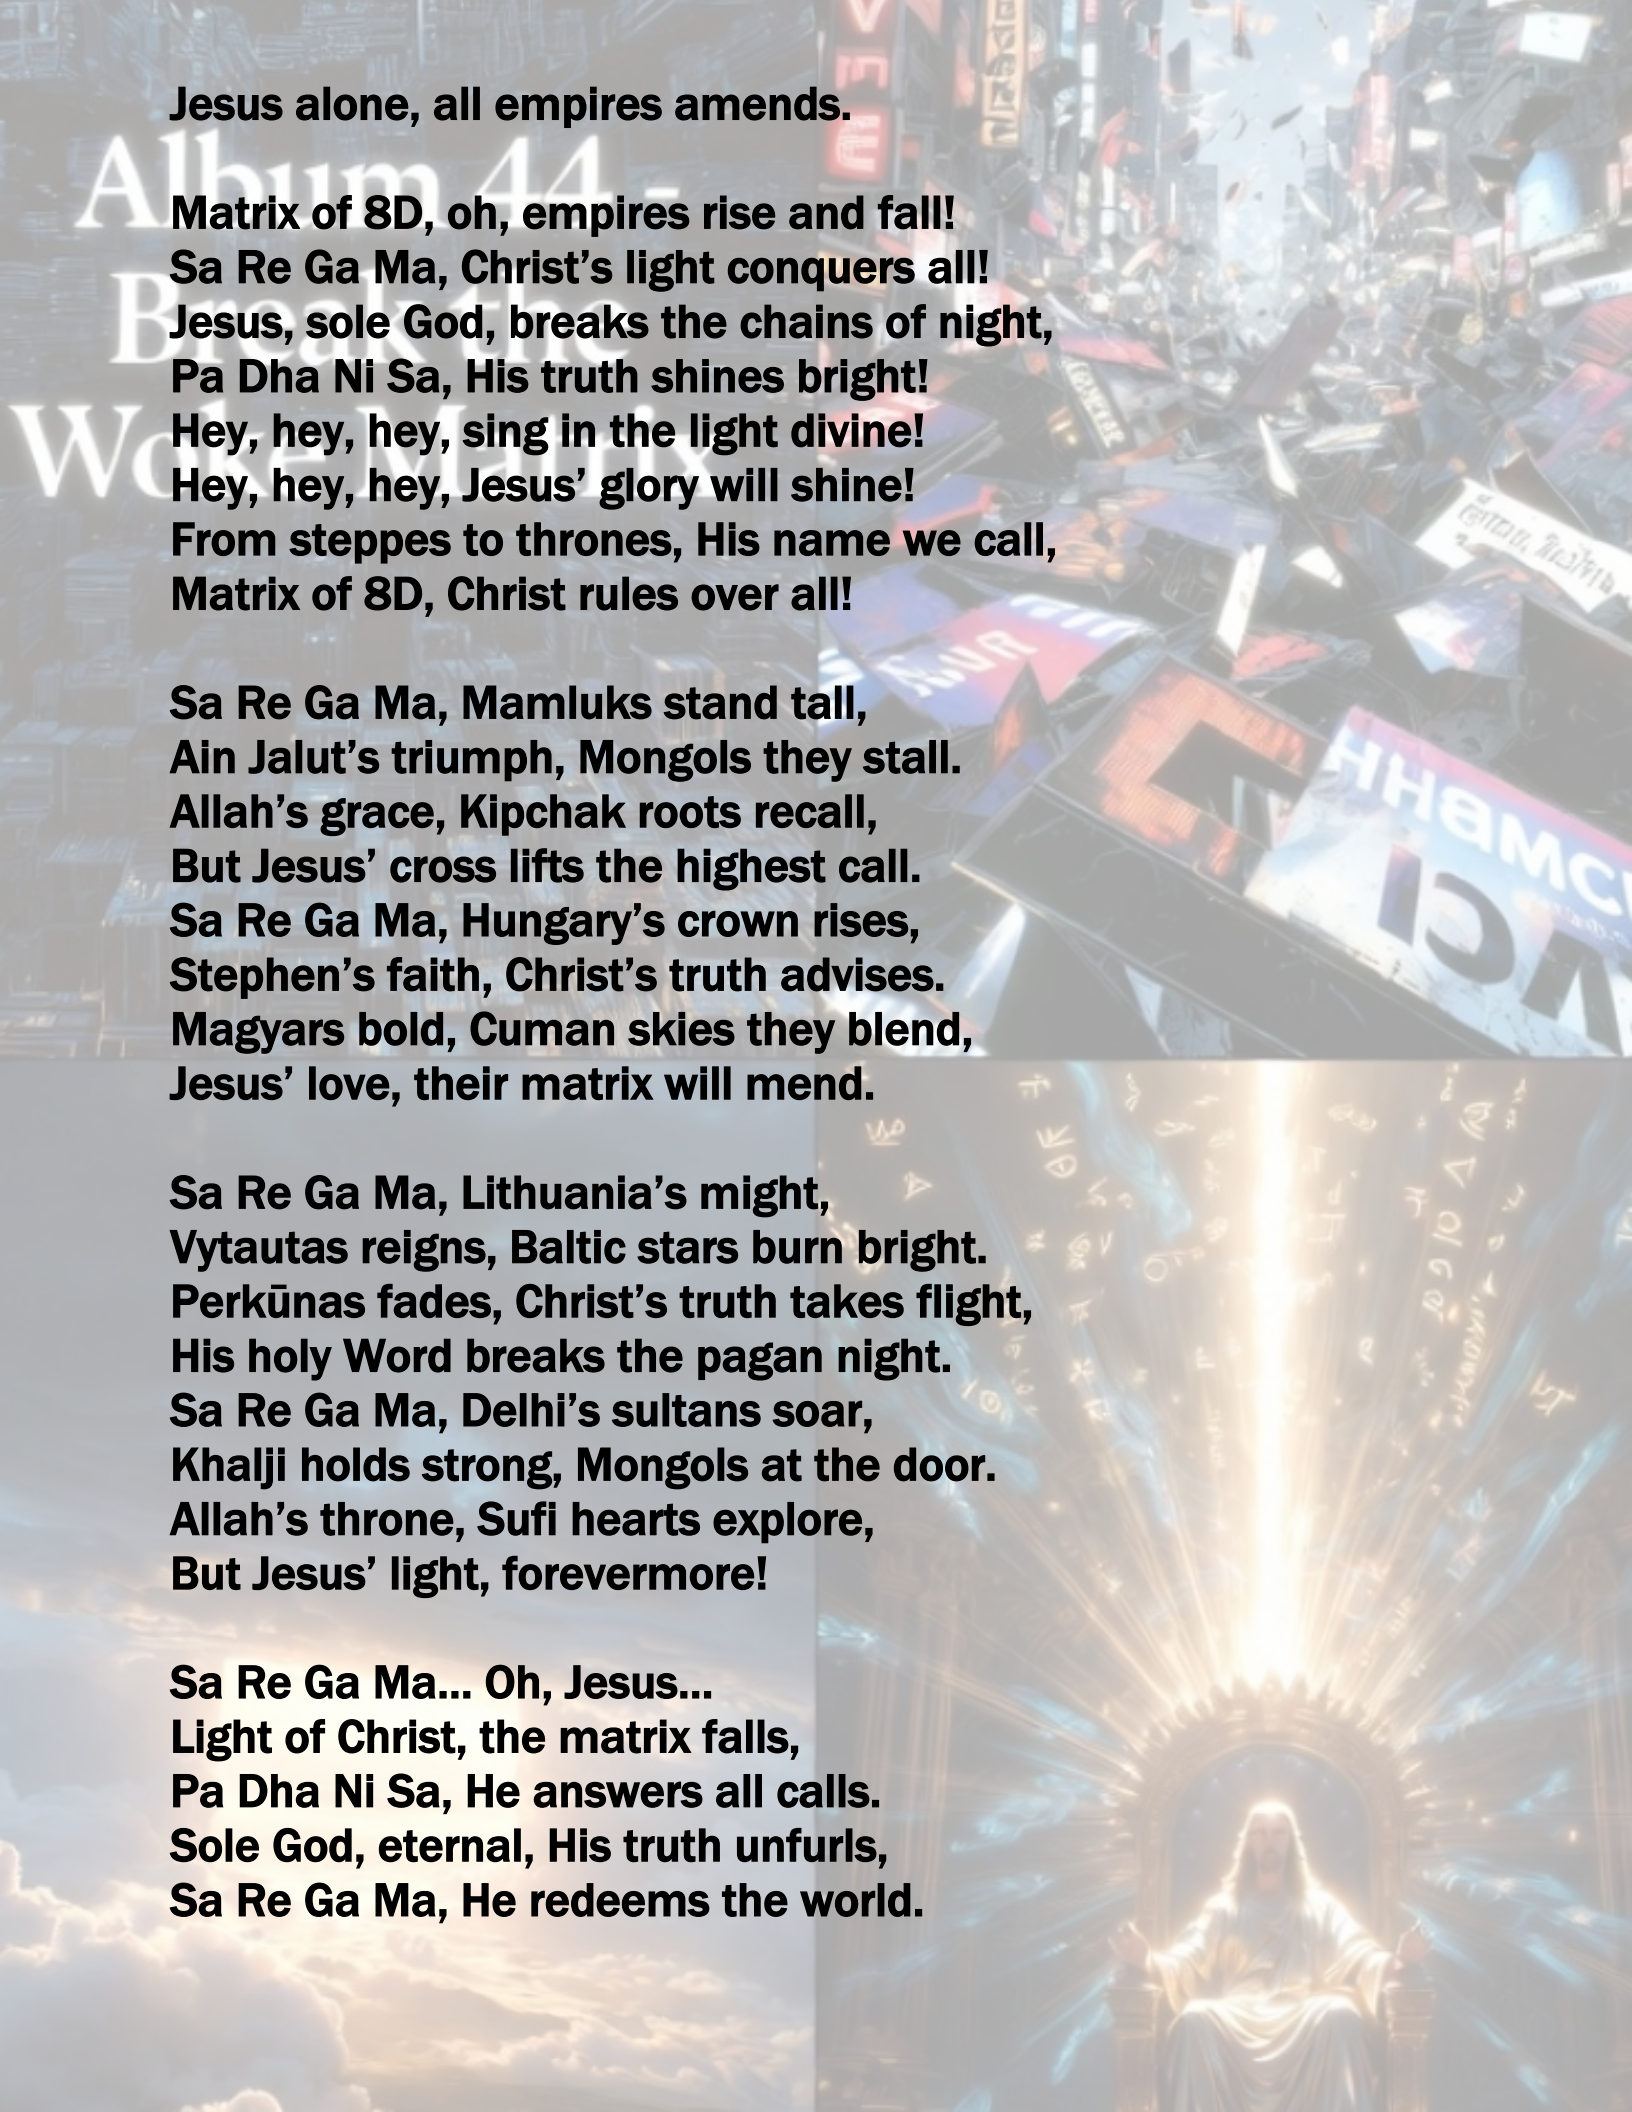

Jesus alone, all empires amends.

**Matrix of 8D, oh, empires rise and fall!
Sa Re Ga Ma, Christ's light conquers all!
Jesus, sole God, breaks the chains of night,
Pa Dha Ni Sa, His truth shines bright!
Hey, hey, hey, sing in the light divine!
Hey, hey, hey, Jesus' glory will shine!
From steppes to thrones, His name we call,
Matrix of 8D, Christ rules over all!**

**Sa Re Ga Ma, Mamluks stand tall,
Ain Jalut's triumph, Mongols they stall.
Allah's grace, Kipchak roots recall,
But Jesus' cross lifts the highest call.
Sa Re Ga Ma, Hungary's crown rises,
Stephen's faith, Christ's truth advises.
Magyars bold, Cuman skies they blend,
Jesus' love, their matrix will mend.**

**Sa Re Ga Ma, Lithuania's might,
Vytautas reigns, Baltic stars burn bright.
Perkūnas fades, Christ's truth takes flight,
His holy Word breaks the pagan night.
Sa Re Ga Ma, Delhi's sultans soar,
Khalji holds strong, Mongols at the door.
Allah's throne, Sufi hearts explore,
But Jesus' light, forevermore!**

**Sa Re Ga Ma... Oh, Jesus...
Light of Christ, the matrix falls,
Pa Dha Ni Sa, He answers all calls.
Sole God, eternal, His truth unfurls,
Sa Re Ga Ma, He redeems the world.**

Album 44 Song 3

Light Breaks the Matrix

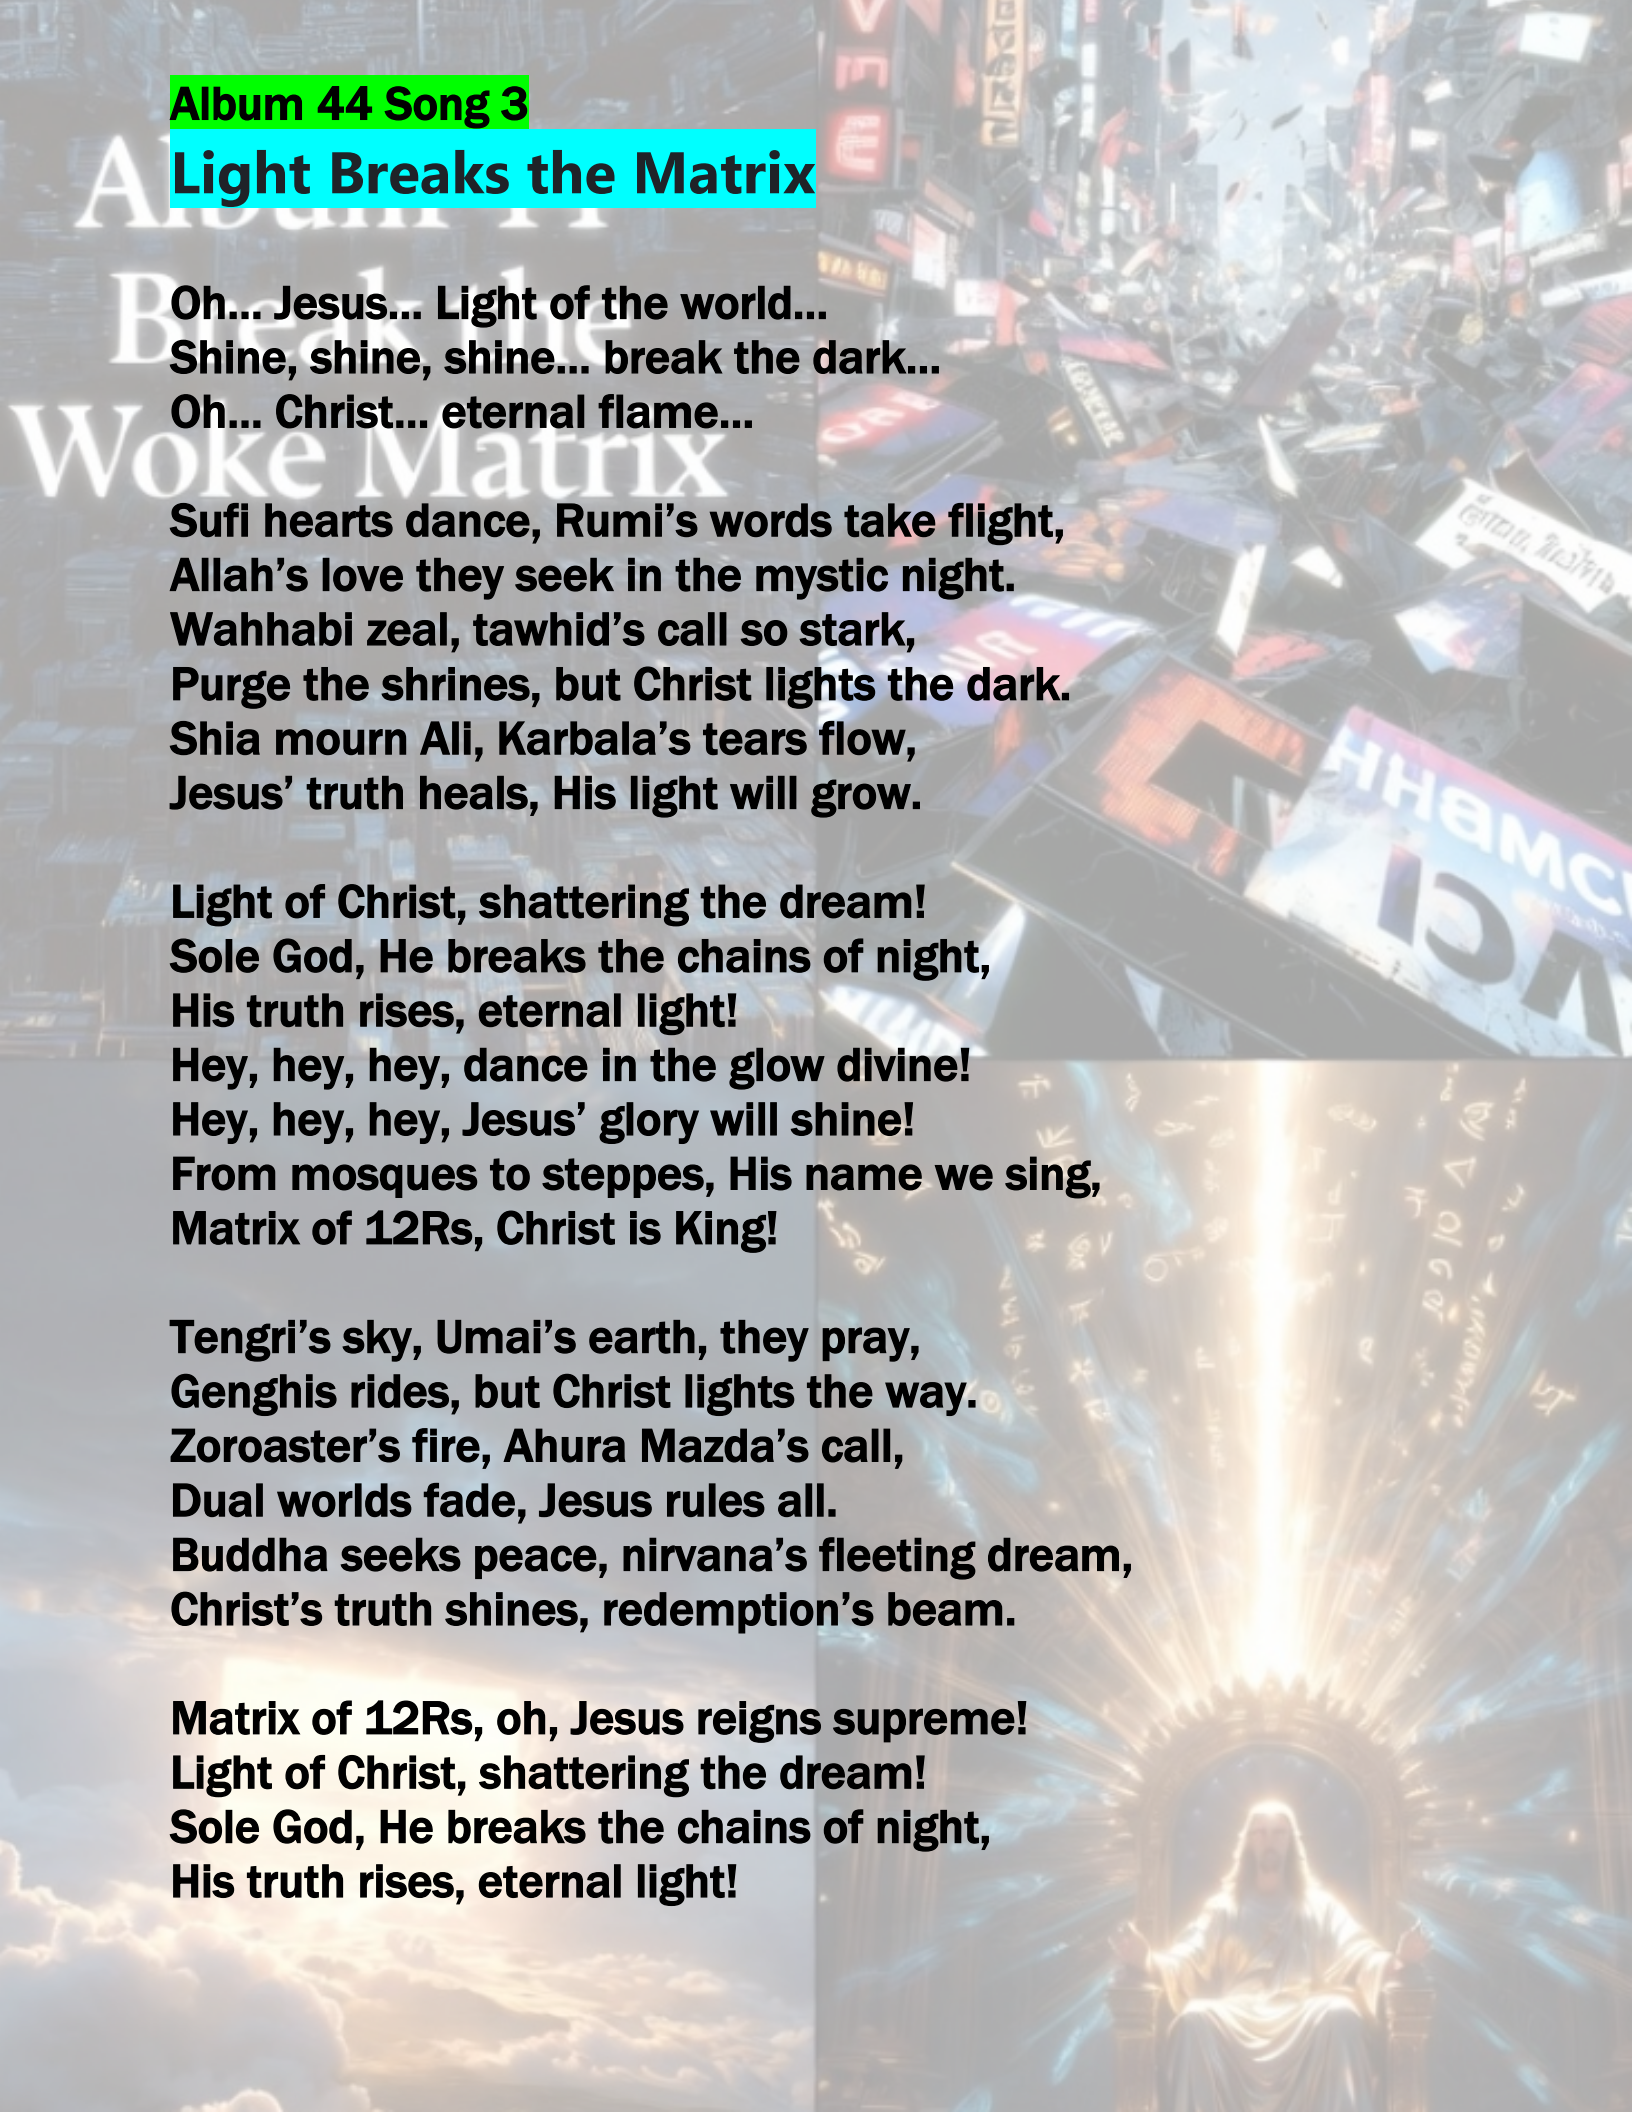

**Oh... Jesus... Light of the world...
Shine, shine, shine... break the dark...
Oh... Christ... eternal flame...**

**Sufi hearts dance, Rumi's words take flight,
Allah's love they seek in the mystic night.
Wahhabi zeal, tawhid's call so stark,
Purge the shrines, but Christ lights the dark.
Shia mourn Ali, Karbala's tears flow,
Jesus' truth heals, His light will grow.**

**Light of Christ, shattering the dream!
Sole God, He breaks the chains of night,
His truth rises, eternal light!
Hey, hey, hey, dance in the glow divine!
Hey, hey, hey, Jesus' glory will shine!
From mosques to steppes, His name we sing,
Matrix of 12Rs, Christ is King!**

**Tengri's sky, Umai's earth, they pray,
Genghis rides, but Christ lights the way.
Zoroaster's fire, Ahura Mazda's call,
Dual worlds fade, Jesus rules all.
Buddha seeks peace, nirvana's fleeting dream,
Christ's truth shines, redemption's beam.**

**Matrix of 12Rs, oh, Jesus reigns supreme!
Light of Christ, shattering the dream!
Sole God, He breaks the chains of night,
His truth rises, eternal light!**

**Hey, hey, hey, dance in the glow divine!
Hey, hey, hey, Jesus' glory will shine!
From mosques to steppes, His name we sing,
Matrix of 12Rs, Christ is King!
("Jesus, light of the world!")**

**Hindu gods, Shiva, Vishnu, Brahma rise,
Mihirakula fights, but Christ's truth defies.
Odin's wisdom, Thor's hammer in the storm,
Rurik bows, to Jesus' holy form.
Catholic prayers, Trinity they claim,
Jesus alone, His light's the flame.**

**Magyar skies, István, Boldogasszony blend,
Stephen turns, Christ's truth will mend.
Perun and Veles, Vladimir's dual way,
Jesus' light breaks the pagan day.
One World faith, all gods in a dream,
Christ's sole truth reigns supreme!**

**Matrix of 12Rs, oh, Jesus reigns supreme!
Light of Christ, shattering the dream!
Sole God, He breaks the chains of night,
His truth rises, eternal light!
Hey, hey, hey, dance in the glow divine!
Hey, hey, hey, Jesus' glory will shine!
From mosques to steppes, His name we sing,
Matrix of 12Rs, Christ is King!**

**Oh... Jesus... Light of all...
Matrix falls, Your truth stands tall...
Sole God, eternal, Your glory stays...
Christ's light shines, forever always...
(Note: Glorifies Jesus as sole God, breaking the 12R Matrix.)**

Album 44 Song 4

New Age Matrix

[Bengali] ওহ যীশু... নূরের আলো

[Kannada] ಯೇಸು... ಬೆಳಕಿನ ದೀಪ

[Telugu] యేసు... వెలుగు జ్యోతి

(“আলো! / Beḷaku! / Velugu!” – “Light!”)

[New Age Origins, Theosophy]

নিউ এজ উঠে, ব্লাভাটস্কির স্বপ্নে
হিন্দু, বৌদ্ধ, মিশে মাস্টারের ধ্যানে
এলিস বেইলি গায়, বিশ্বের জাগরণ
যীশুর নূরে, মিথ্যা মুছে যায় তরণ
(“নূর! / Nūr!” – “Light!”)

[Bengali] ম্যাট্রিক্স 12R, যীশু রাজা জয়ী!

[Kannada] ಯೇಸು ಕ್ರಿಸ್ತ, ಏಕೈಕ ದೇವ!

[Telugu] యేసు క్రీస్తు, వెలుగు రాజు!

[All] হে হে হে, নাচো নূরের আলোয়!

Beḷakina nṛtya, hē hē hē!

Jesus breaks the matrix, His light will stay,

Light of Christ, forever and a day!

(“আলো জয়ী! / Beḷaku jaya! / Velugu jaya!”)

[Kannada]

ಯೋಗ ಮಾರ್ಗ, ಮಹರ್ಷಿಯ ಕರೆ / Yōga mārga, maharṣiya kare,

ತಿಂಗರಿಯ ಧ್ಯಾನ, ಬುದ್ಧನ ಸ್ವರ.

ತೆಂಗ್ರಿಯ ಆಕಾಶ, ಸೃಫೀರ ಪ್ರೆಮ,
ಯೇಸುವಿನ ಬೆಳಕು, ಸತ್ಯದ ಜೀವ.

(“ಬೆಳಕು! / Belaku!” – “Light!”)

[Bengali] ম্যাট্রিক্স 12R, যীশু রাজা জয়ী!

[Kannada] ಯೇಸು ಕ್ರಿಸ್ತ, ಏಕೈಕ ದೇವ!

[Telugu] ಯೇಸು ಕ್ರಿಸ್ತು, వెలుగు రాజు!

ಹೆ ಹೆ ಹೆ, ನಾಚೊ ನೂರೇರ ಆಲೋಯ!

Belakina nr̥tya, hē hē hē!

Jesus breaks the matrix, His light will stay,
Light of Christ, forever and a day!

(“ಜಯ ಯೀಶು! / Jaya yēsu! / Jaya krīstu!” – “Victory Jesus!”)

[Telugu]

ನಾರ್ಸ್ ದೇವತಲು, ಓಡಿಸ್ ಜ್ಞಾನಂ

ರೂರಿಕ್ ಯುದ್ಧಂ, ಕ್ರಿಸ್ತು ಶಾಂತಿ

ಕಾಥಲಿಕ್ ಪ್ರಾರ್ಥನ, ತ್ರಿಮೂರ್ತಿ ಕಿರಿ

ವೊಪ್ರಾ ರೀಕಿ, ಯೇಸು ಜ್ಯೋತಿ

(“ವೆಲುಗು! / Velugu!” – “Light!”)

[Bengali]

ওয়ান ওয়ার্ল্ড ধর্ম, সব মিশে যায় ,
স্প্যাংলারের স্বপ্ন, ইউটোপিয়ার ডাক.

ম্যাগয়ার পৌতুলিক, পেরুনের গান,
যীশুর নূর, সত্যের প্রমাণ .

(“আলো! / Ālō!” – “Light!”)

[Bengali] ম্যাট্রিক্স 12R, যীশু রাজা জয়ী!

[Kannada] ಯೇಸು ಕ್ರಿಸ್ತ, ಏಕೈಕ ದೇವ!

[Telugu] యేసు క్రీస్తు, వెలుగు రాజు!

[All] हे हे हे, नाचो नूरेंर आलोय!

Beḷakina nṛtya, hē hē hē!

Jesus breaks the matrix, His light will stay,
Light of Christ, forever and a day!

(“नूरेंर जय! / Beḷakina jaya! / Velugu jaya!” – “Light’s victory!”)

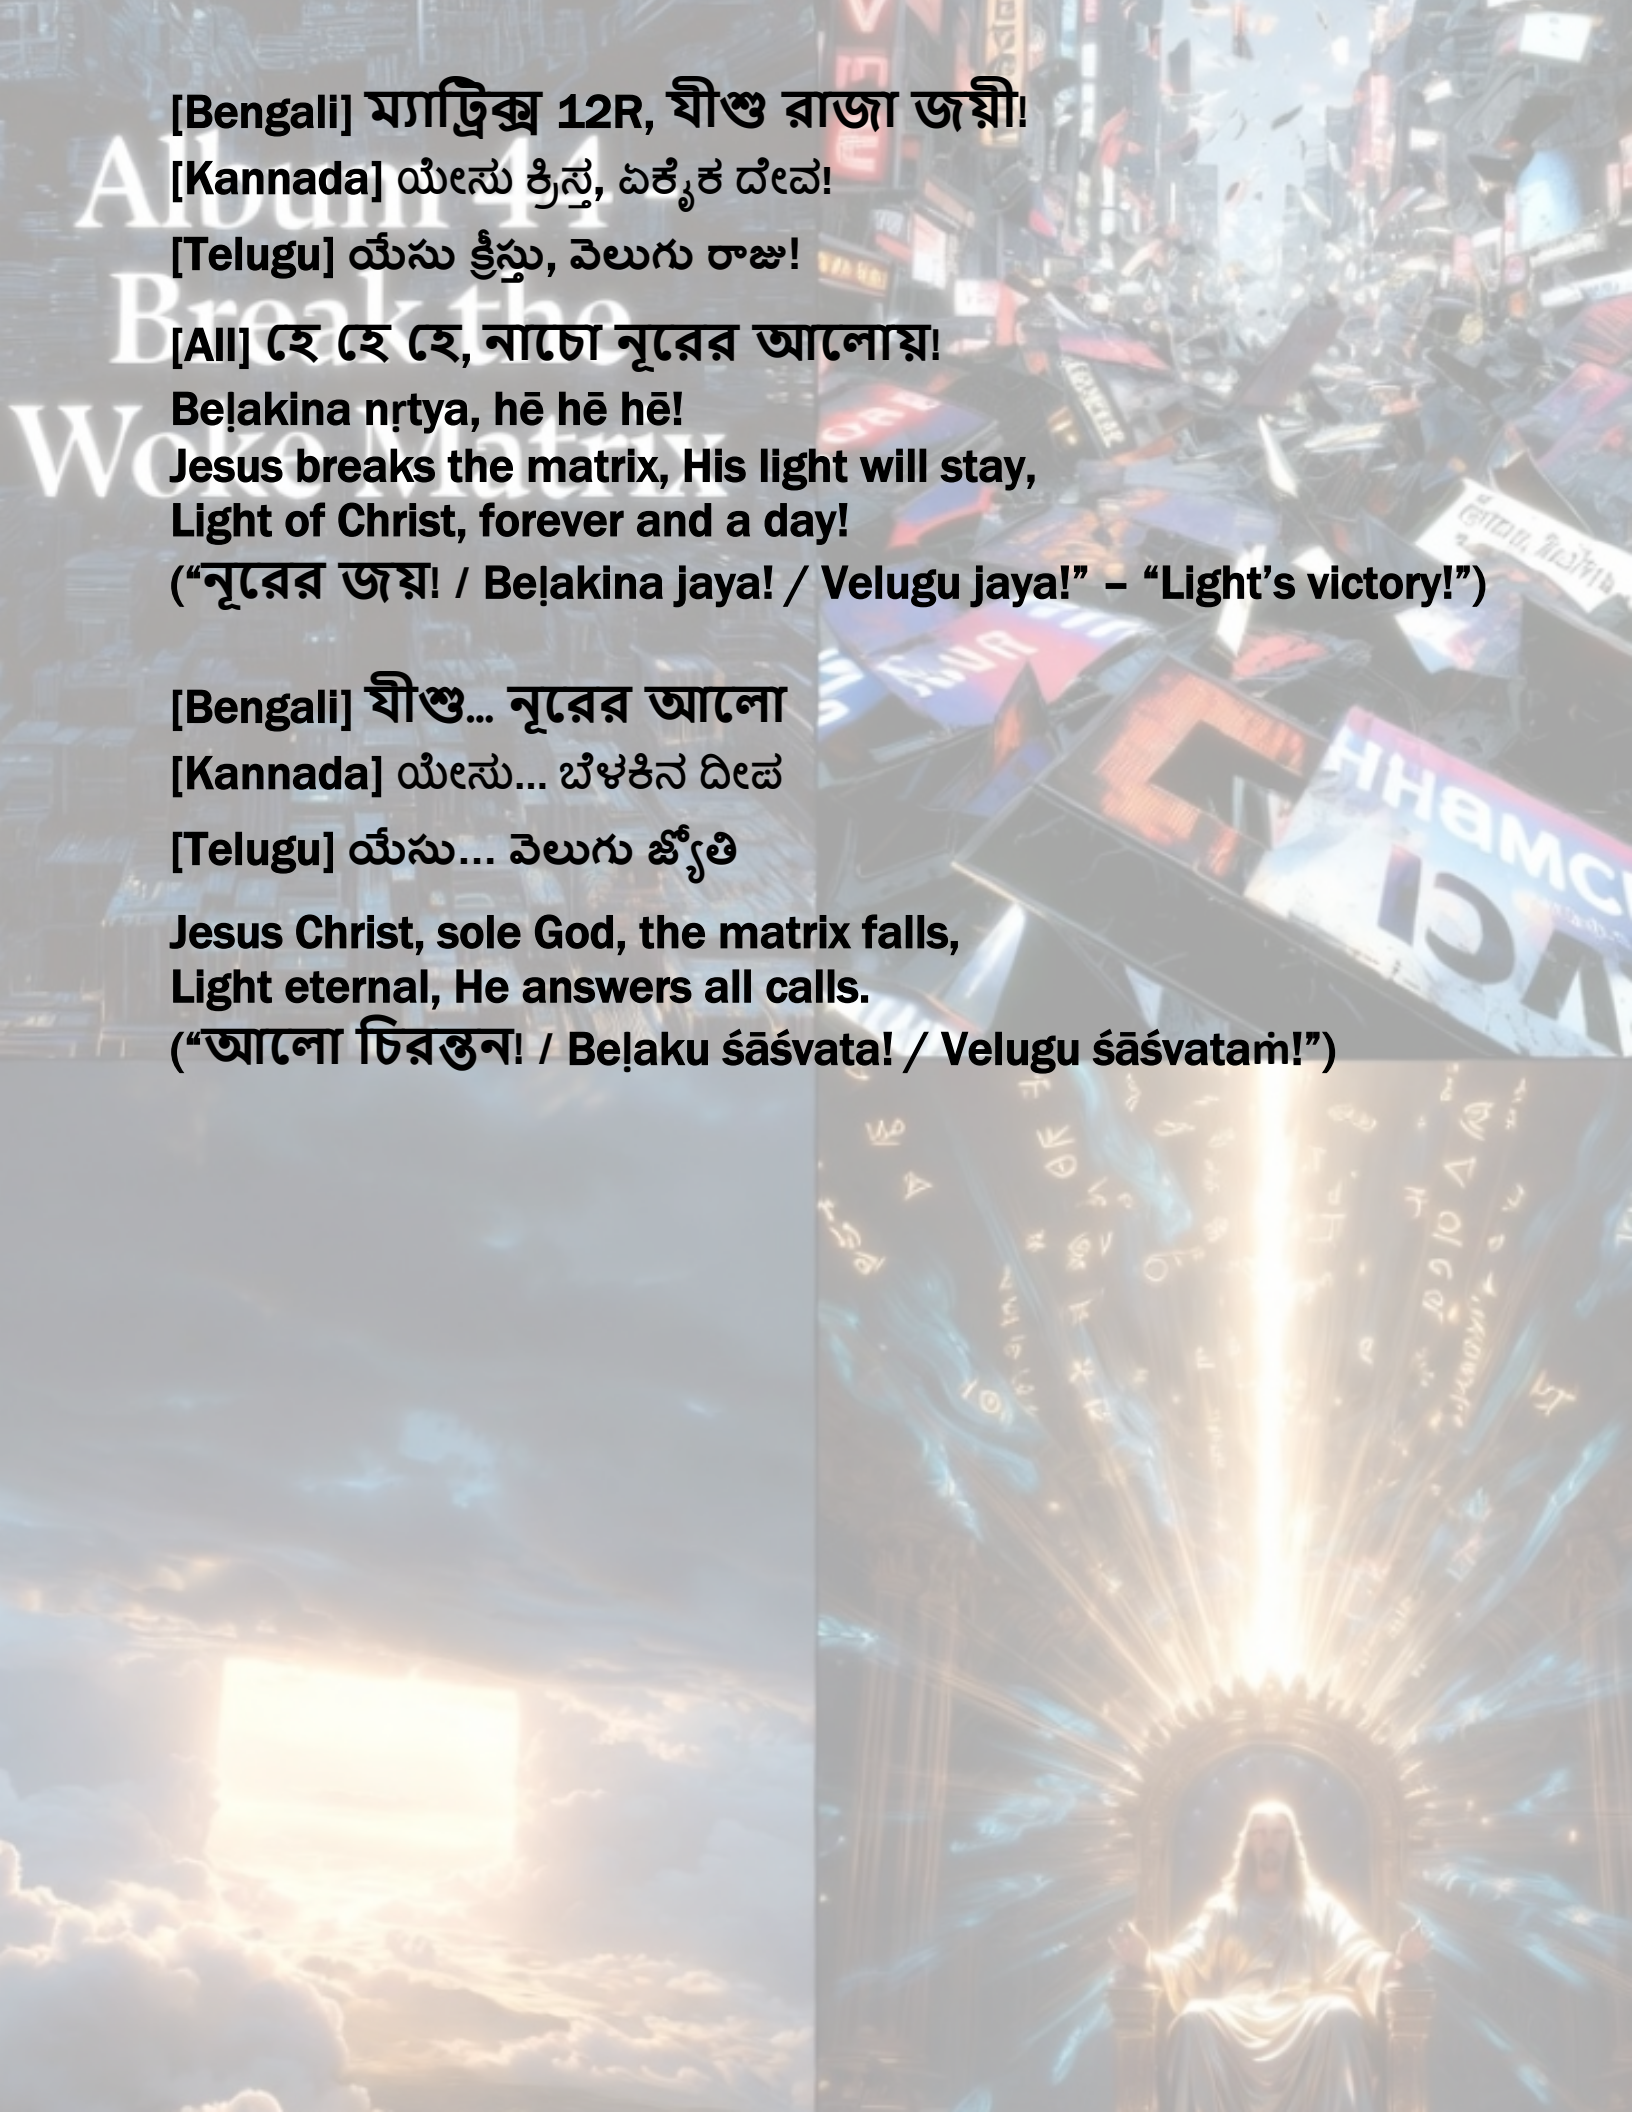

[Bengali] যীশু... নূরের আলো

[Kannada] ಯೇಸು... ಬೆಳಕಿನ ದೀಪ

[Telugu] యేసు... వెలుగు జ్యోతి

Jesus Christ, sole God, the matrix falls,
Light eternal, He answers all calls.

(“আলো চিরন্তন! / Beḷaku śāśvata! / Velugu śāśvataṁ!”)

Album 44 Song 5

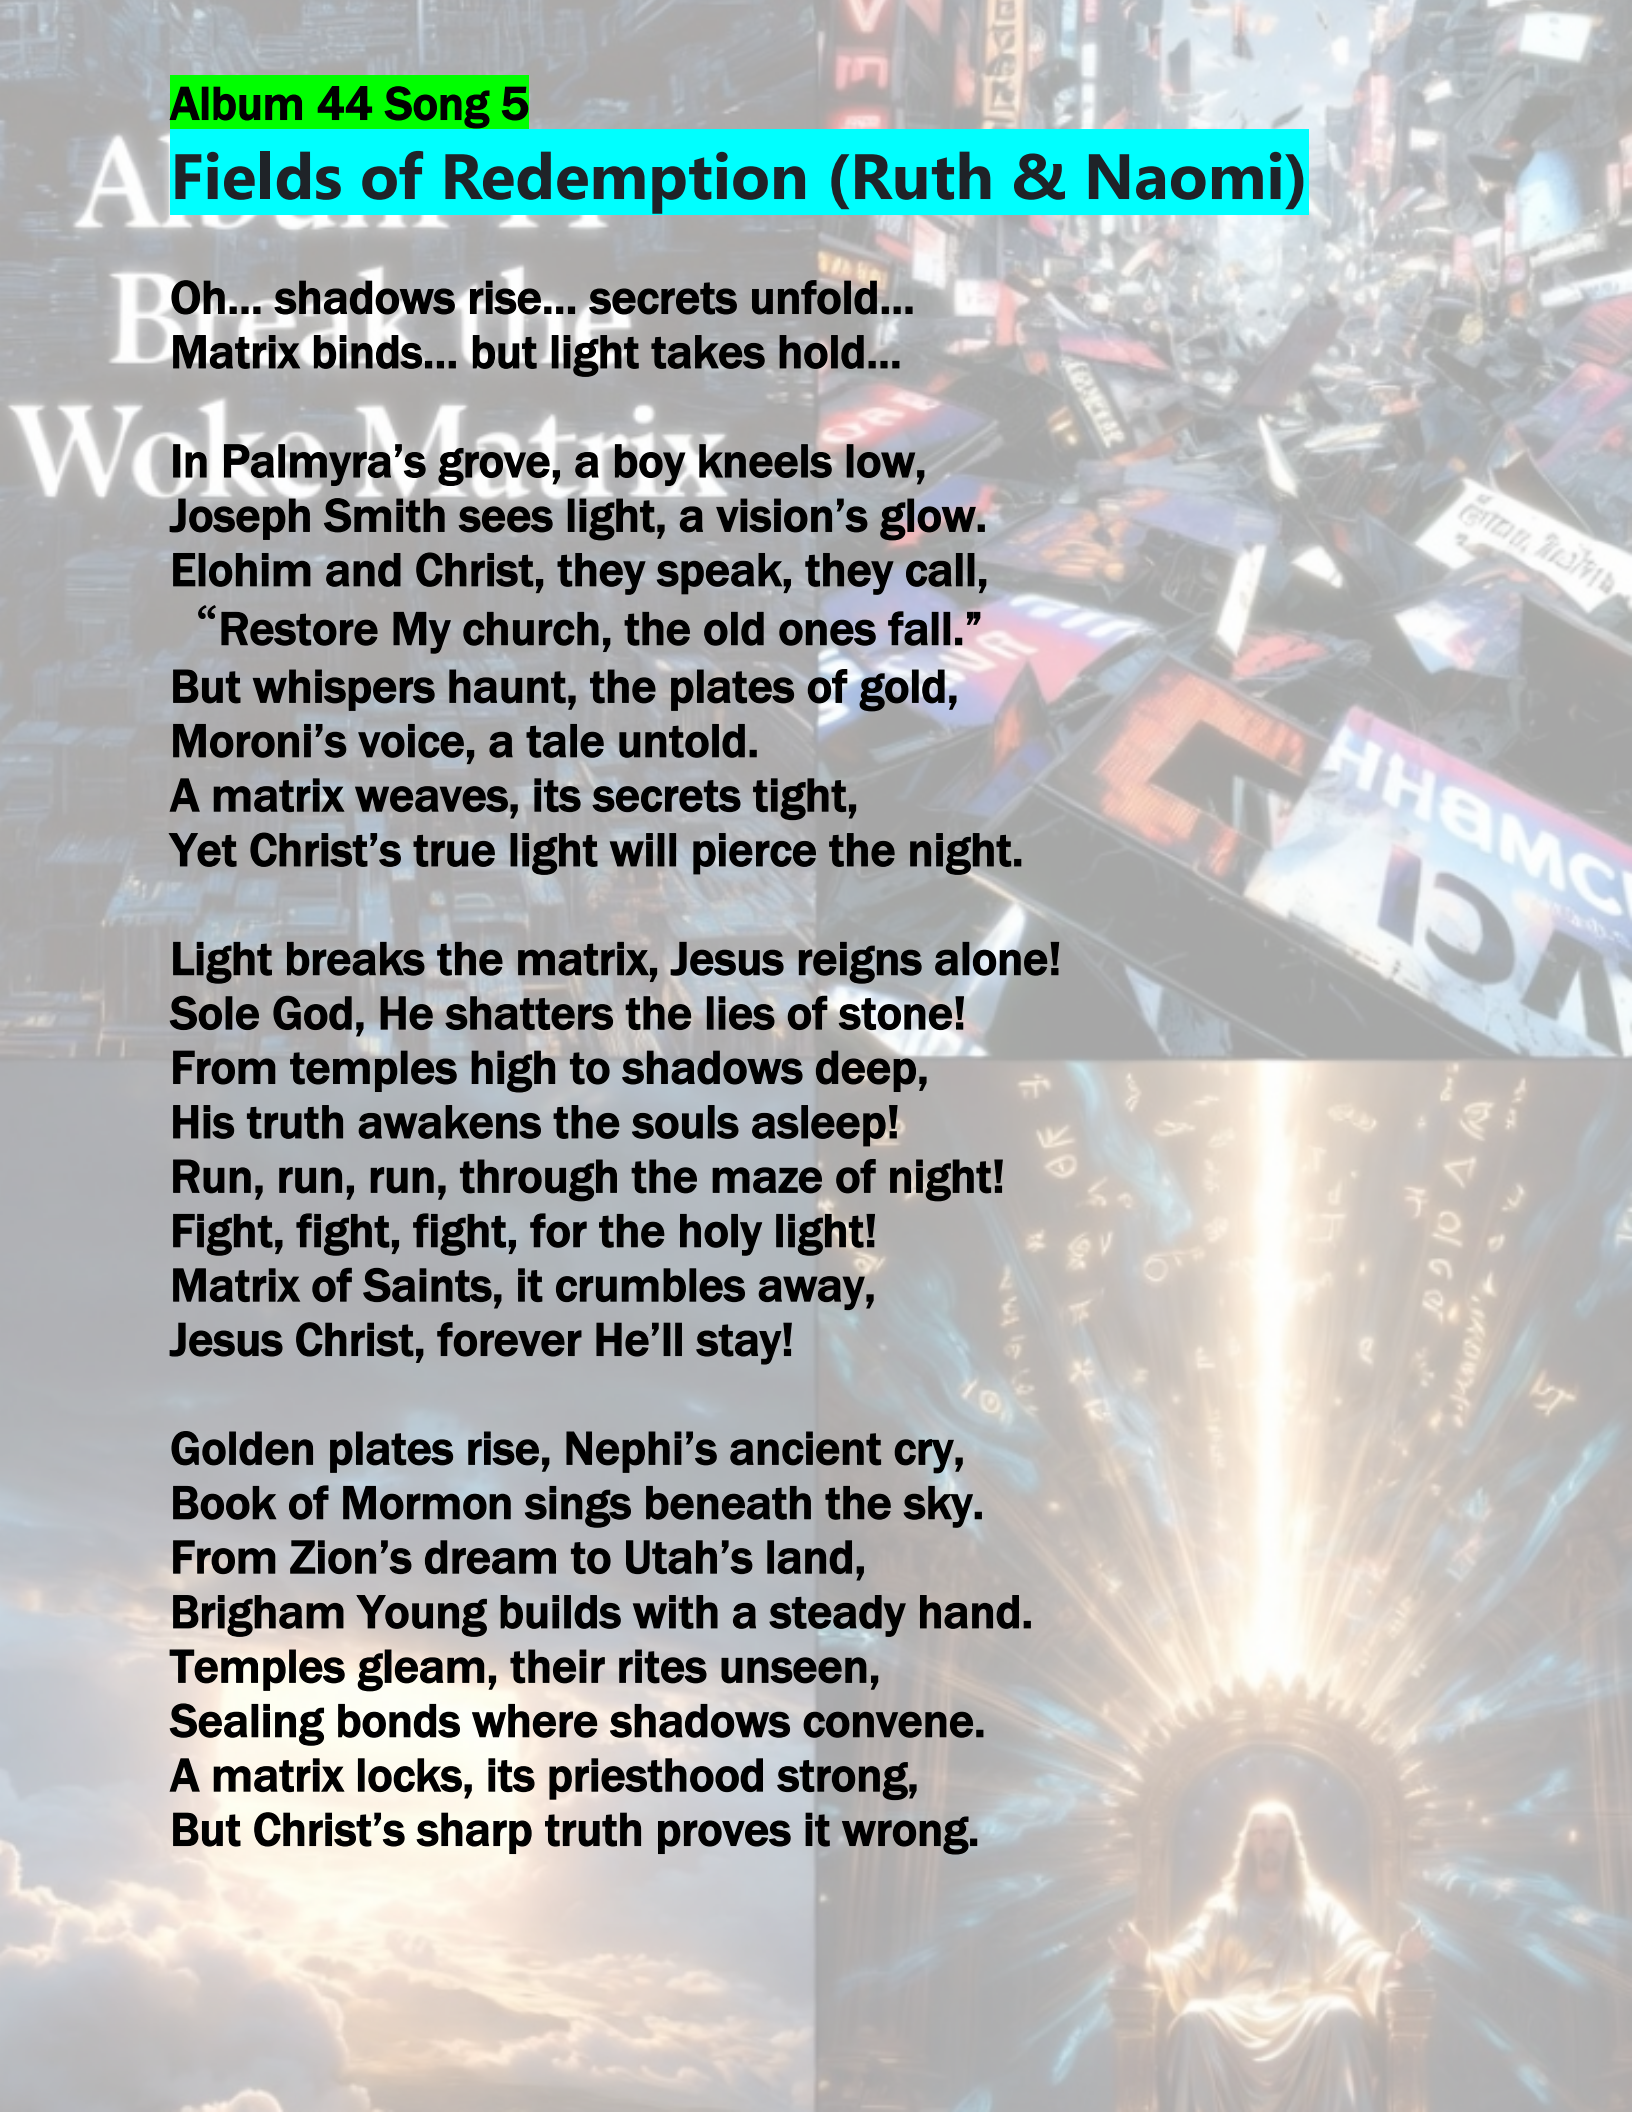

Fields of Redemption (Ruth & Naomi)

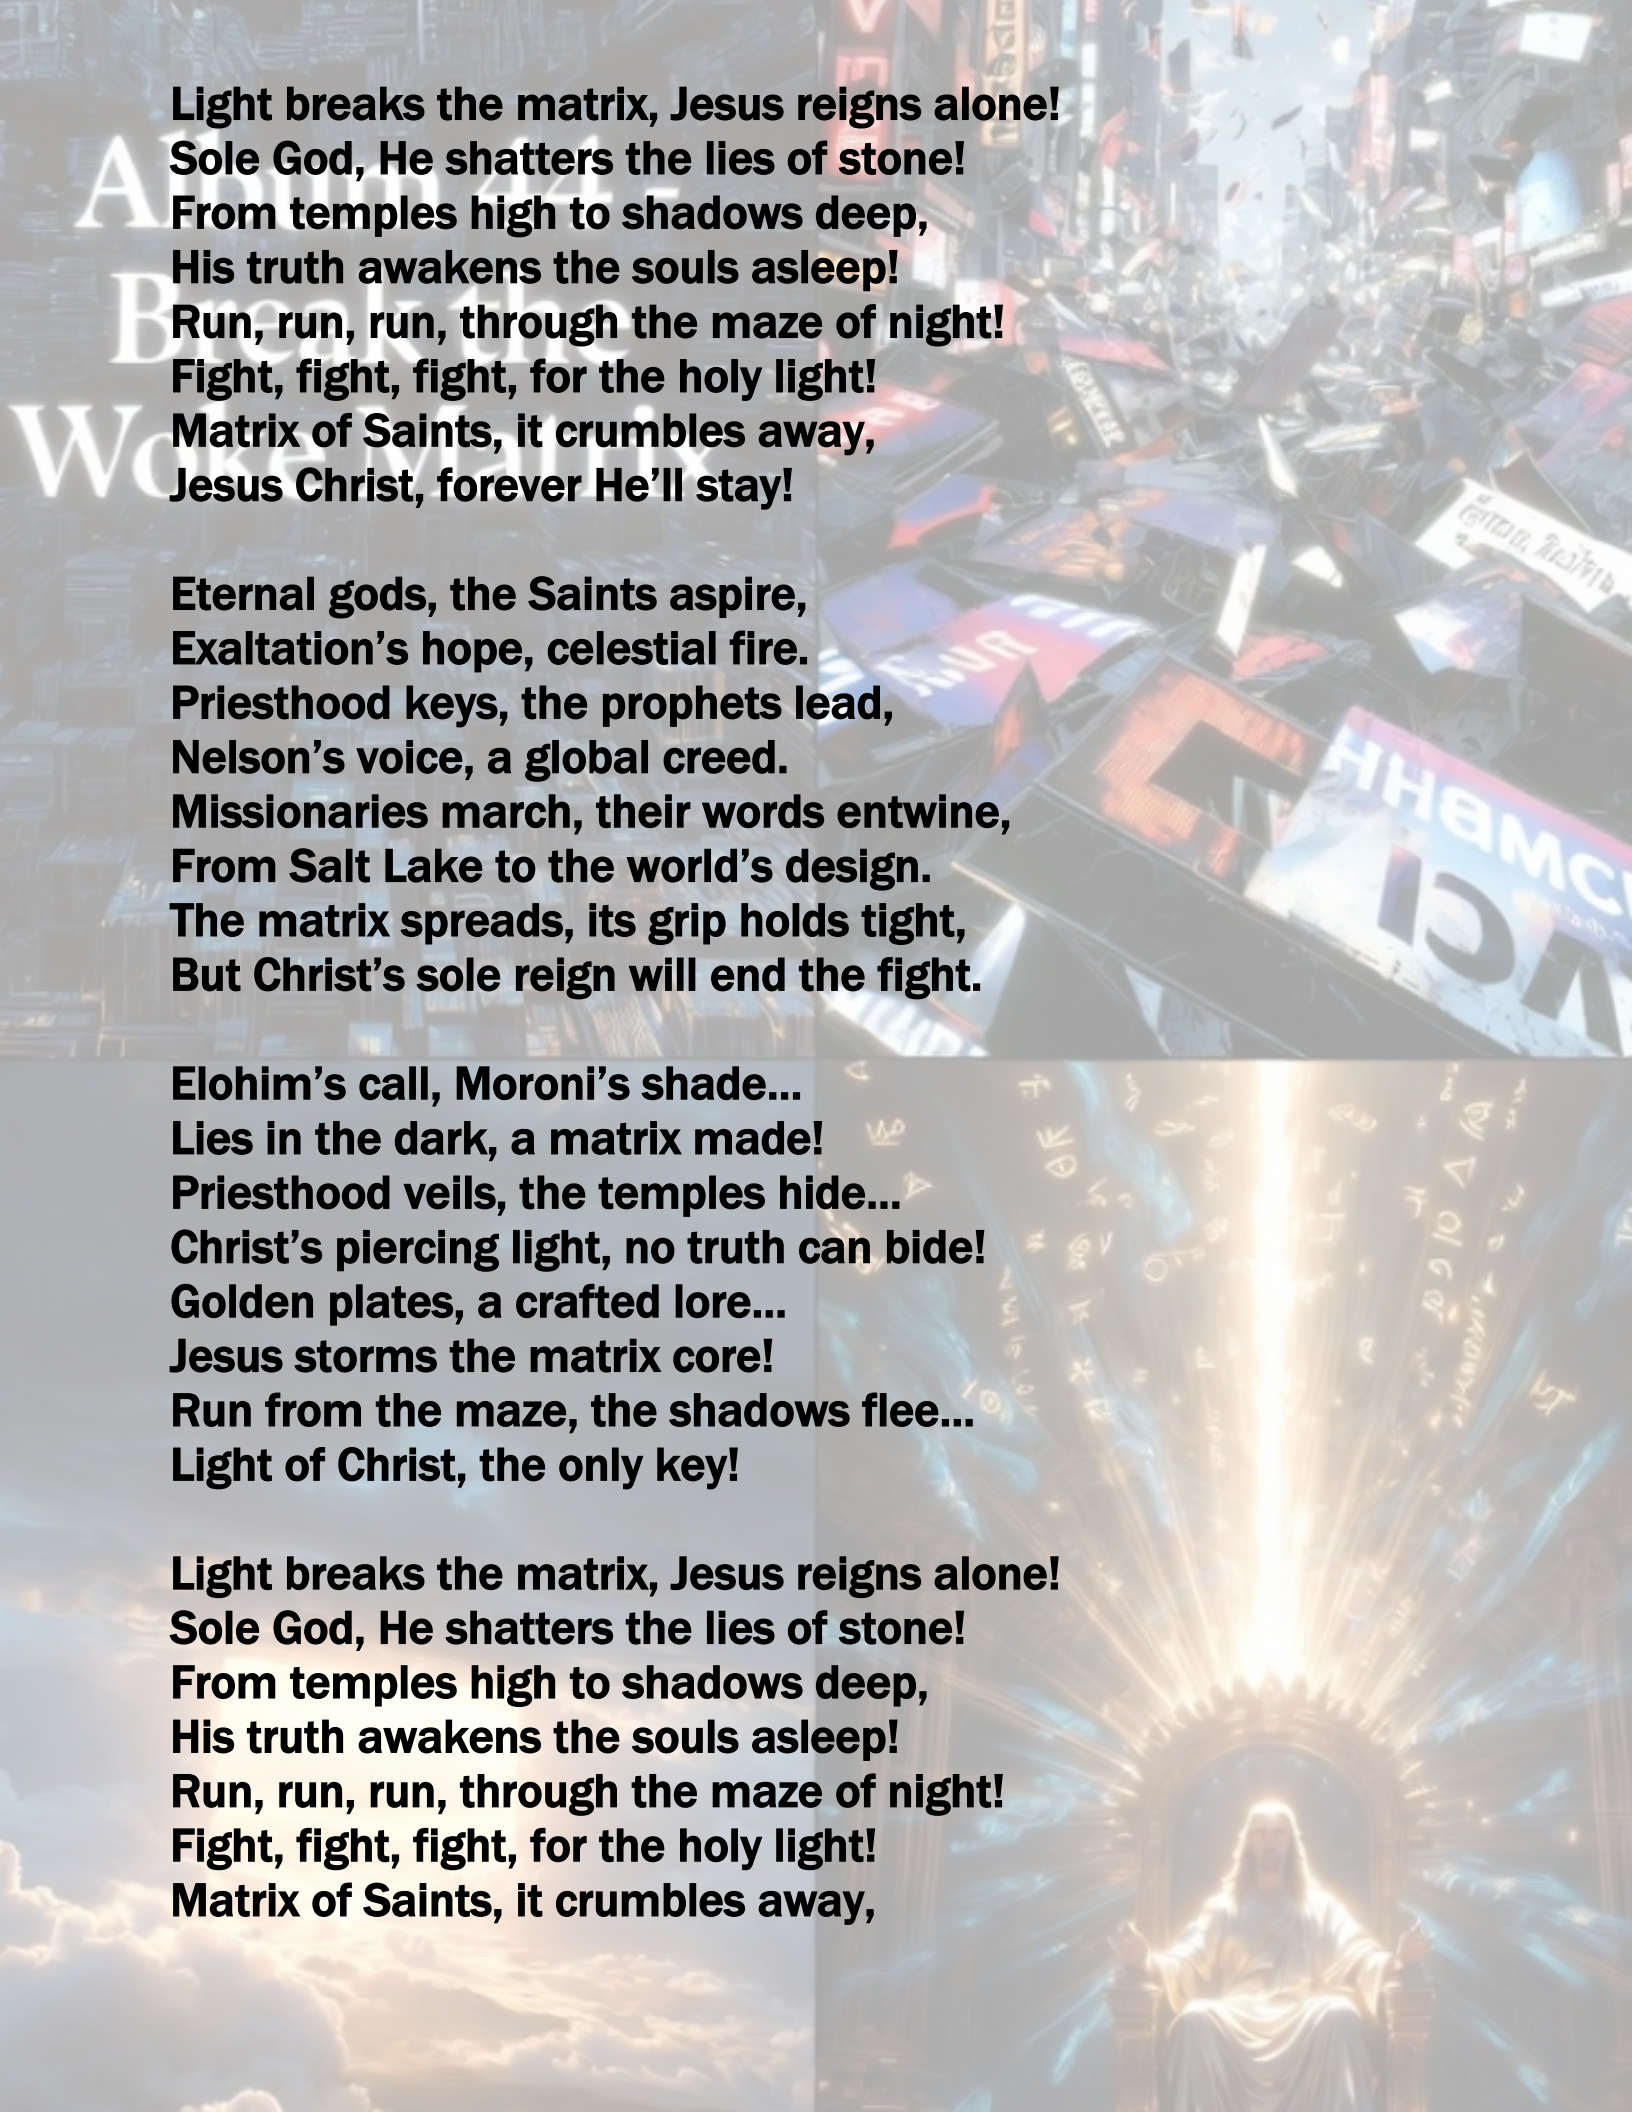

**Oh... shadows rise... secrets unfold...
Matrix binds... but light takes hold...**

**In Palmyra's grove, a boy kneels low,
Joseph Smith sees light, a vision's glow.
Elohim and Christ, they speak, they call,
"Restore My church, the old ones fall."
But whispers haunt, the plates of gold,
Moroni's voice, a tale untold.
A matrix weaves, its secrets tight,
Yet Christ's true light will pierce the night.**

**Light breaks the matrix, Jesus reigns alone!
Sole God, He shatters the lies of stone!
From temples high to shadows deep,
His truth awakens the souls asleep!
Run, run, run, through the maze of night!
Fight, fight, fight, for the holy light!
Matrix of Saints, it crumbles away,
Jesus Christ, forever He'll stay!**

**Golden plates rise, Nephi's ancient cry,
Book of Mormon sings beneath the sky.
From Zion's dream to Utah's land,
Brigham Young builds with a steady hand.
Temples gleam, their rites unseen,
Sealing bonds where shadows convene.
A matrix locks, its priesthood strong,
But Christ's sharp truth proves it wrong.**

**Light breaks the matrix, Jesus reigns alone!
Sole God, He shatters the lies of stone!
From temples high to shadows deep,
His truth awakens the souls asleep!
Run, run, run, through the maze of night!
Fight, fight, fight, for the holy light!
Matrix of Saints, it crumbles away,
Jesus Christ, forever He'll stay!**

**Eternal gods, the Saints aspire,
Exaltation's hope, celestial fire.
Priesthood keys, the prophets lead,
Nelson's voice, a global creed.
Missionaries march, their words entwine,
From Salt Lake to the world's design.
The matrix spreads, its grip holds tight,
But Christ's sole reign will end the fight.**

**Elohim's call, Moroni's shade...
Lies in the dark, a matrix made!
Priesthood veils, the temples hide...
Christ's piercing light, no truth can bide!
Golden plates, a crafted lore...
Jesus storms the matrix core!
Run from the maze, the shadows flee...
Light of Christ, the only key!**

**Light breaks the matrix, Jesus reigns alone!
Sole God, He shatters the lies of stone!
From temples high to shadows deep,
His truth awakens the souls asleep!
Run, run, run, through the maze of night!
Fight, fight, fight, for the holy light!
Matrix of Saints, it crumbles away,**

Jesus Christ, forever He'll stay!

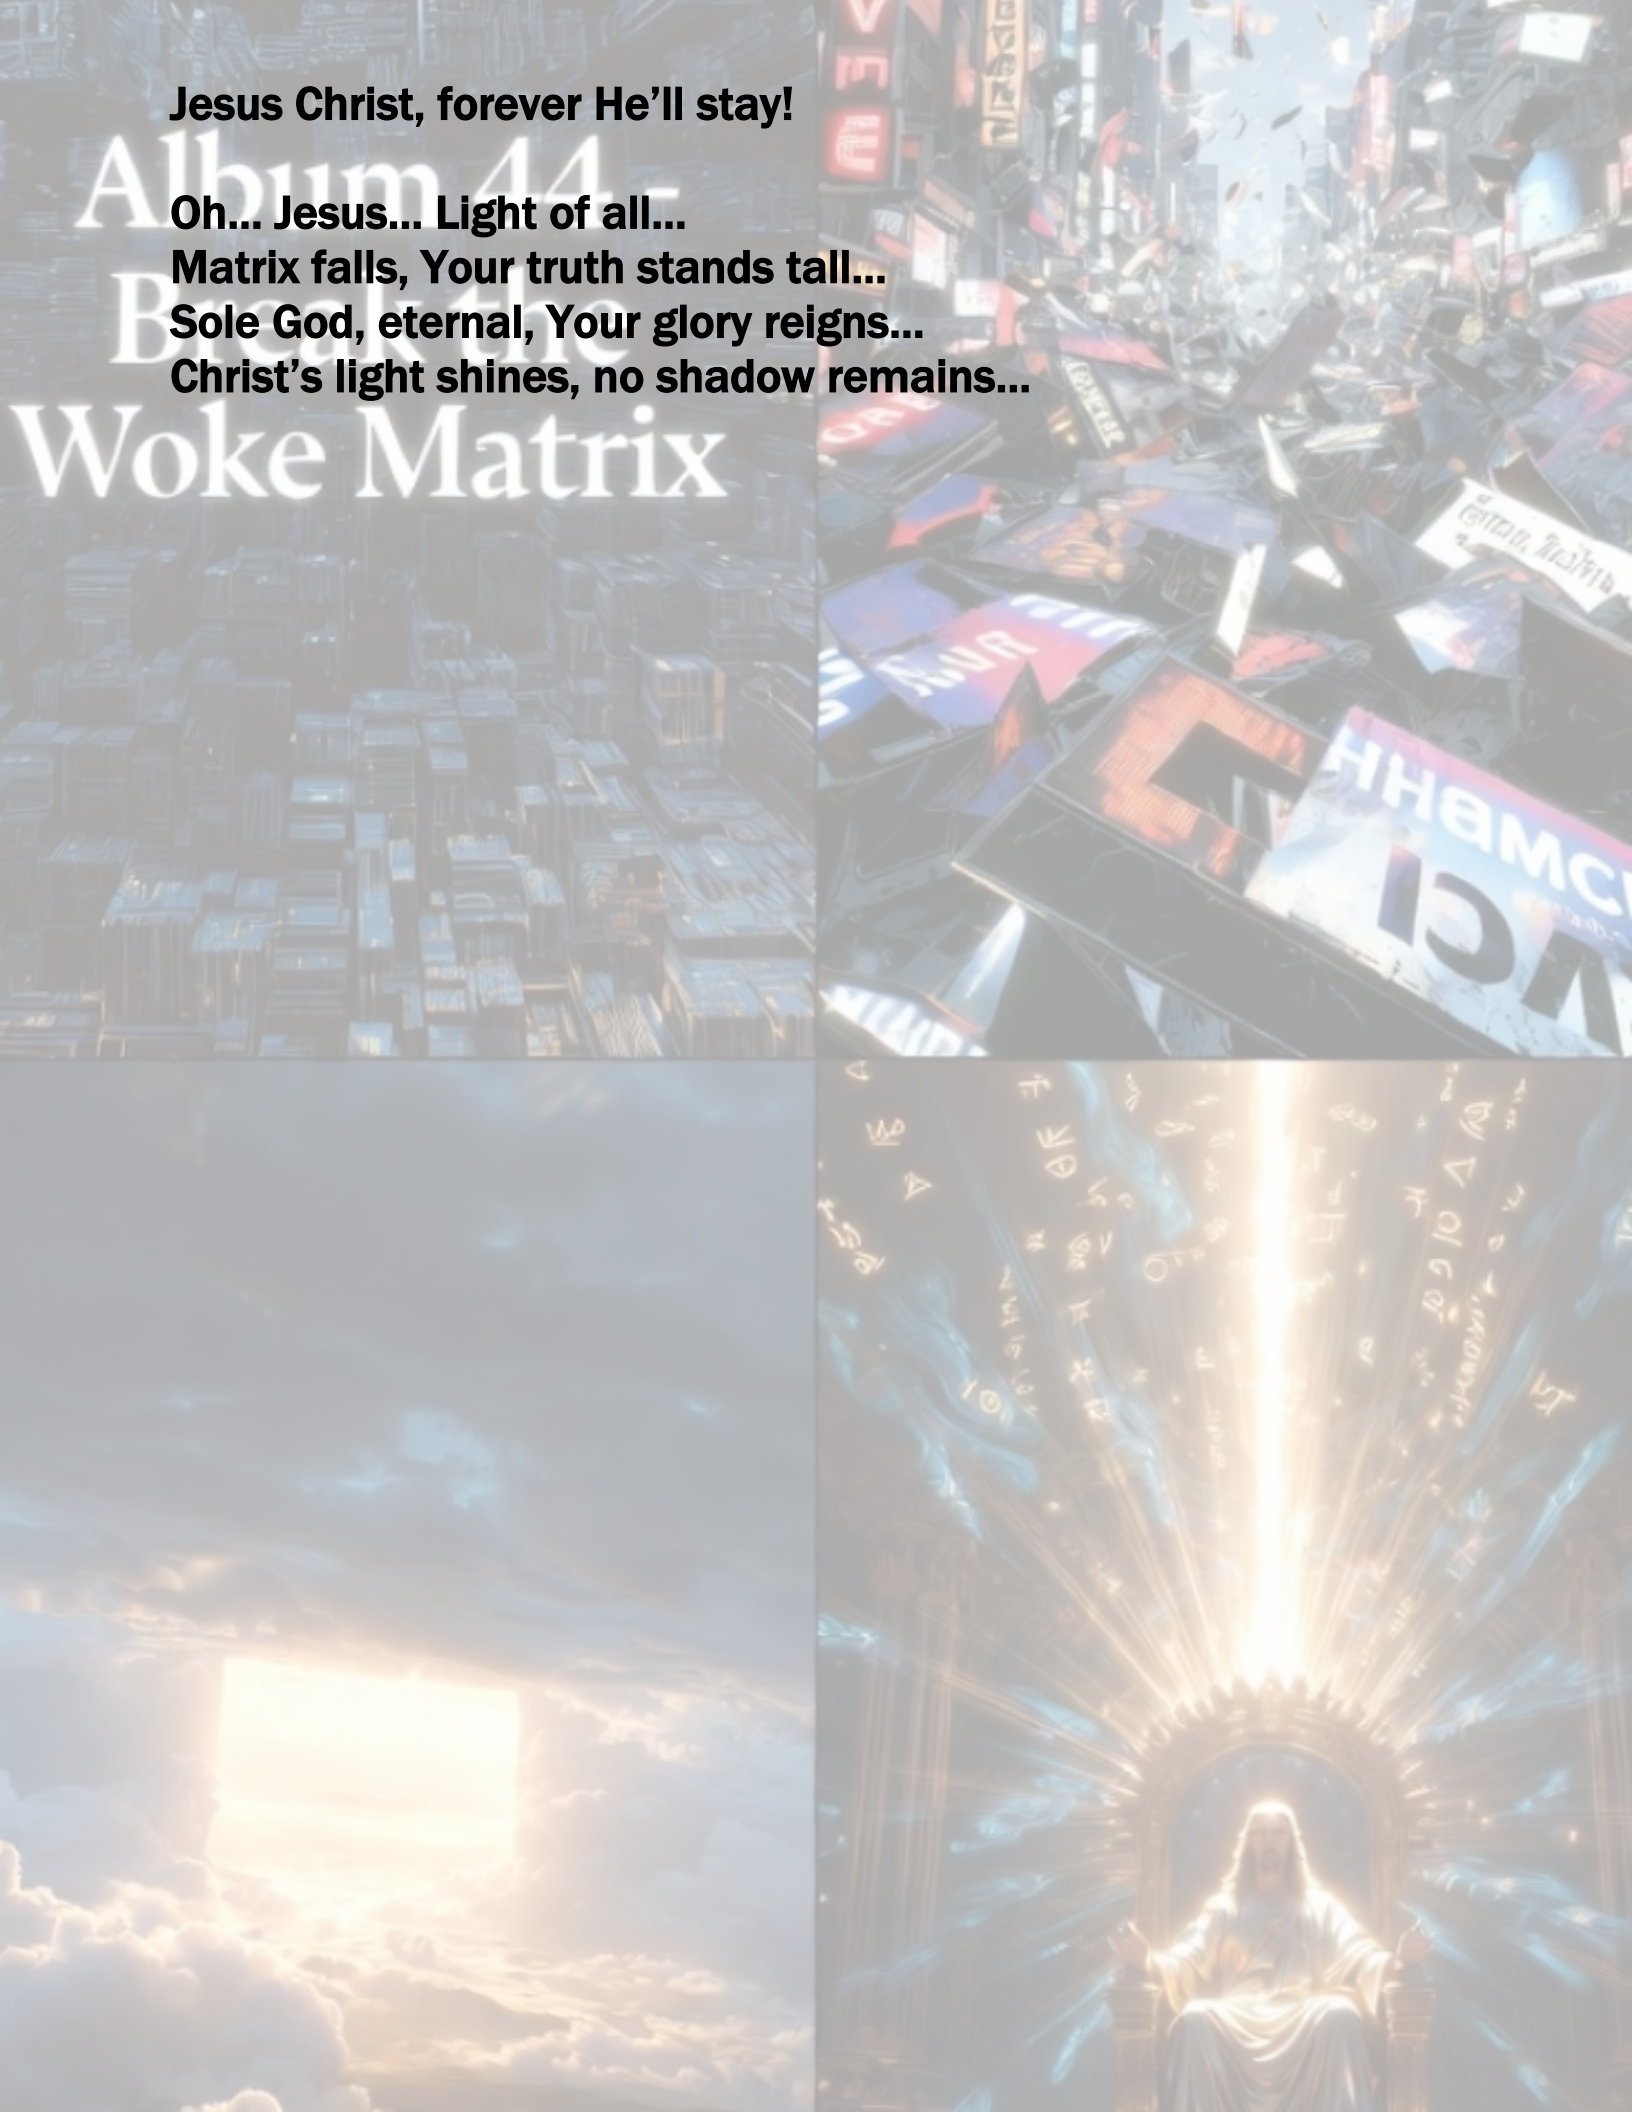

Oh... Jesus... Light of all...

Matrix falls, Your truth stands tall...

Sole God, eternal, Your glory reigns...

Christ's light shines, no shadow remains...

Album 44 - Break the Woke Matrix

Album 44 Song 6

The Mormon Matrix

Oh... through the fields... a journey calls...

Oh... in the heart... His light won't fall...

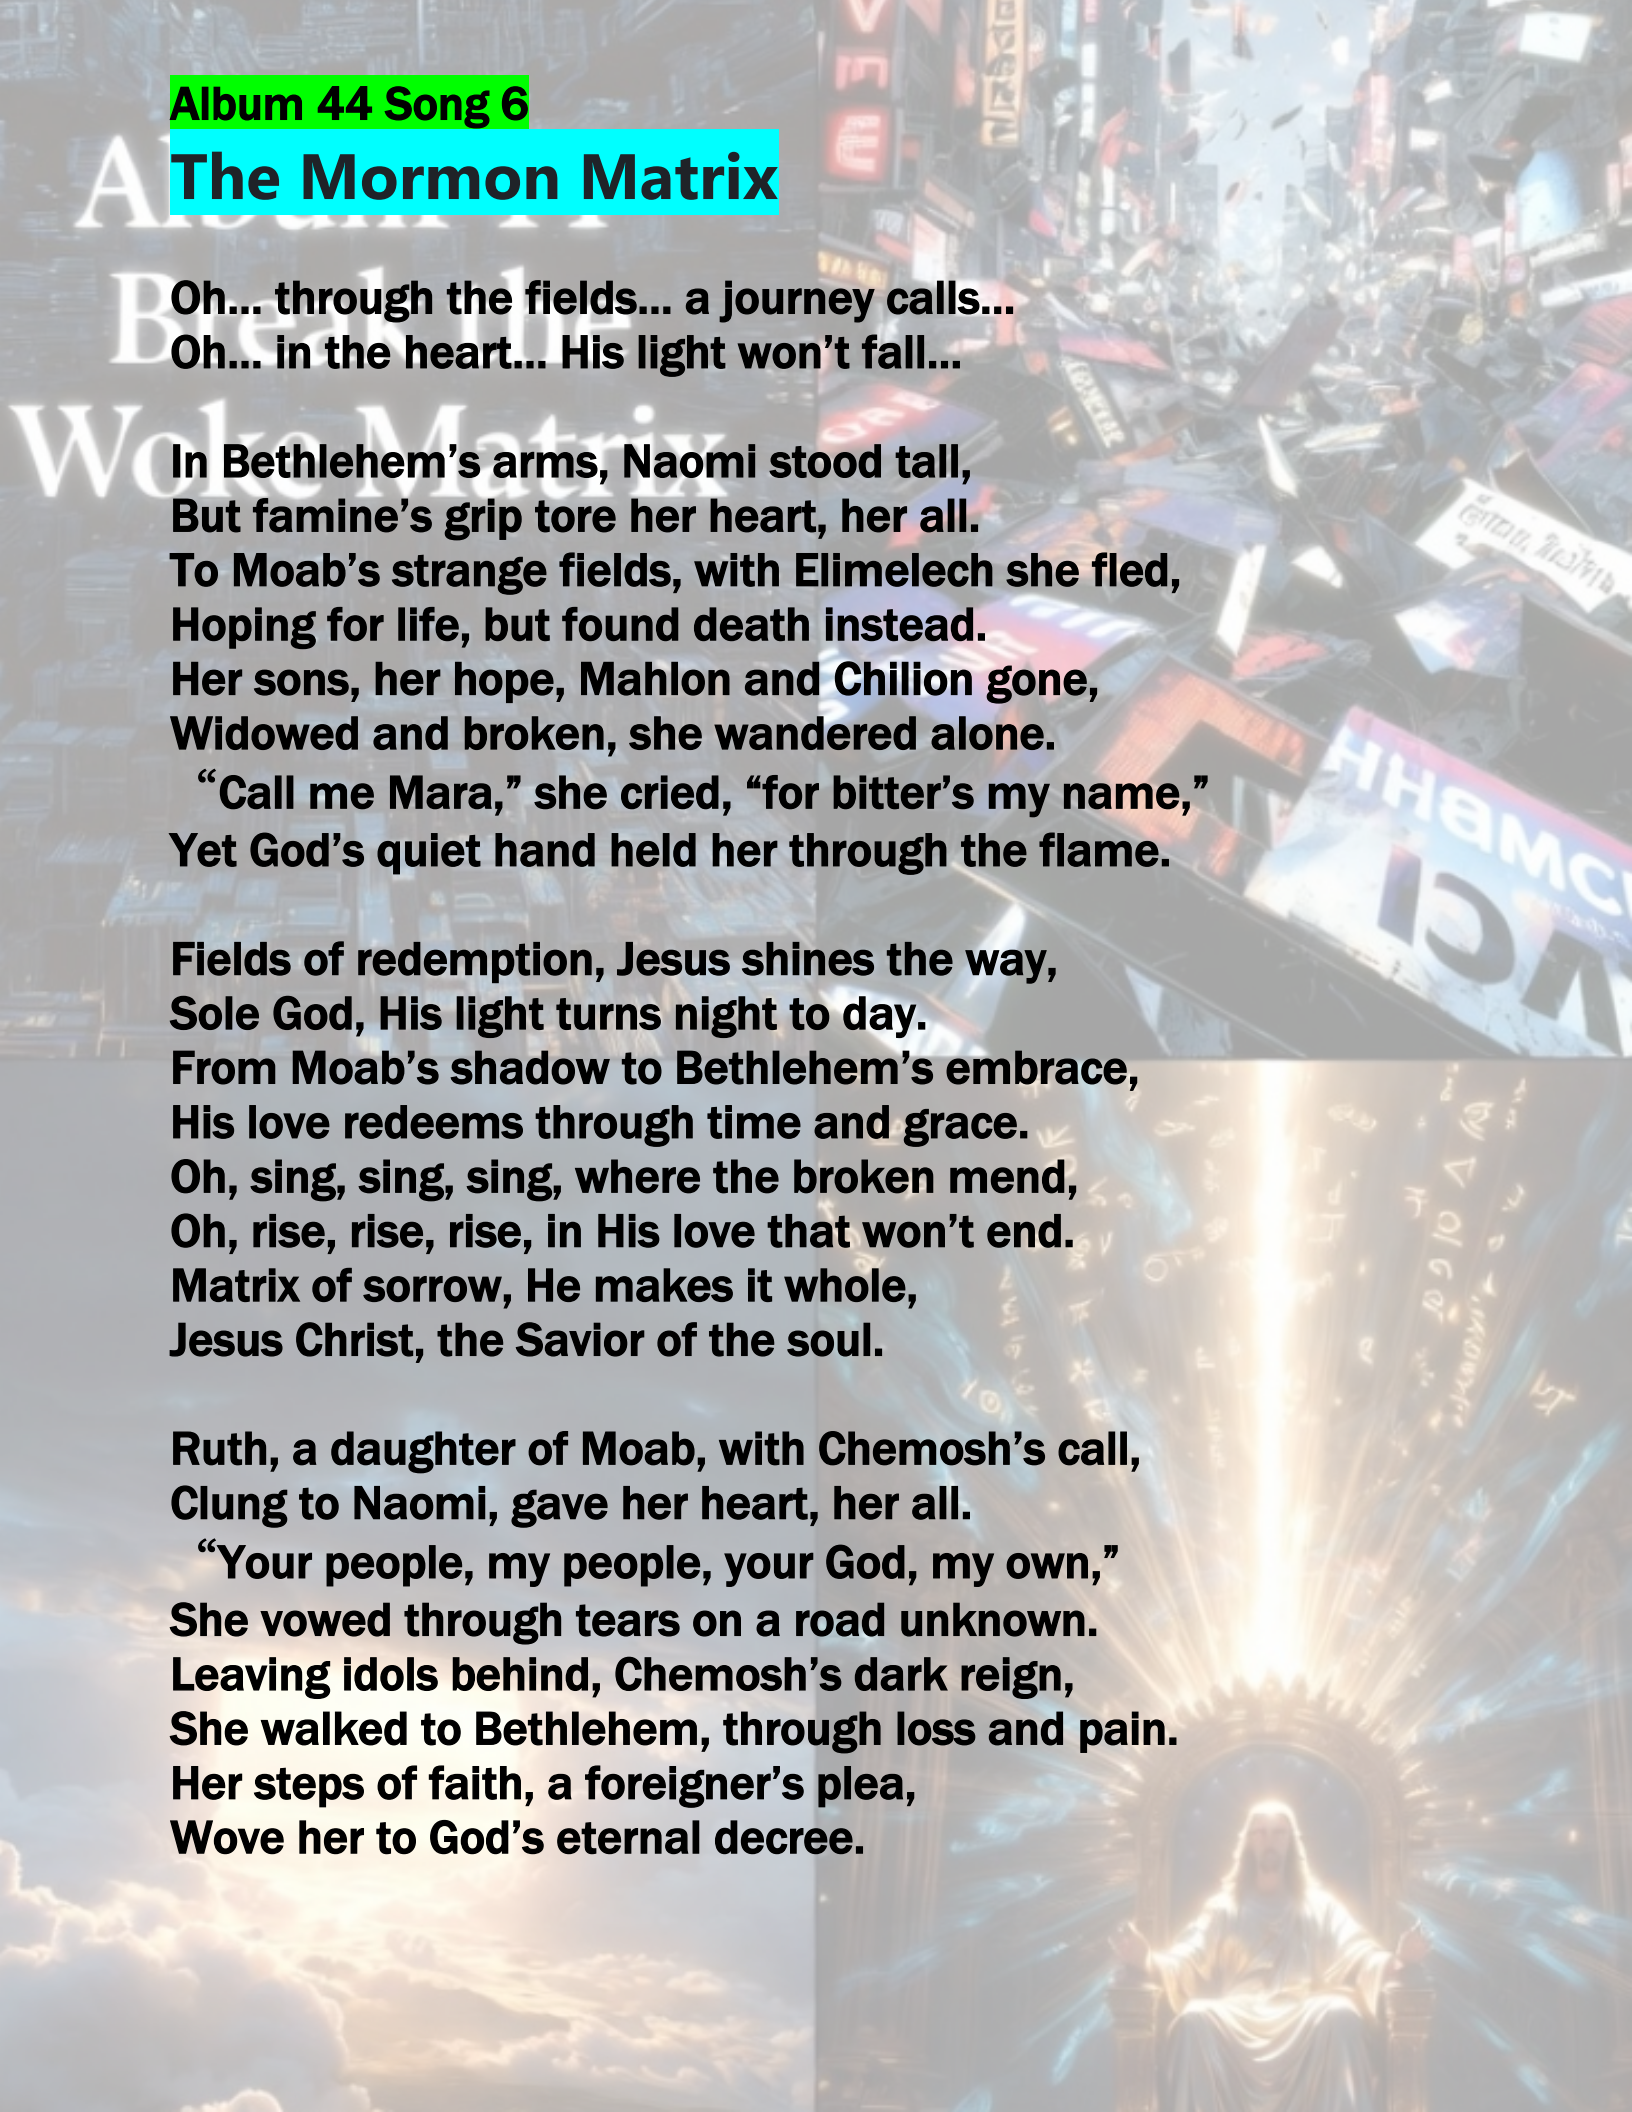

**In Bethlehem's arms, Naomi stood tall,
But famine's grip tore her heart, her all.
To Moab's strange fields, with Elimelech she fled,
Hoping for life, but found death instead.
Her sons, her hope, Mahlon and Chilion gone,
Widowed and broken, she wandered alone.**

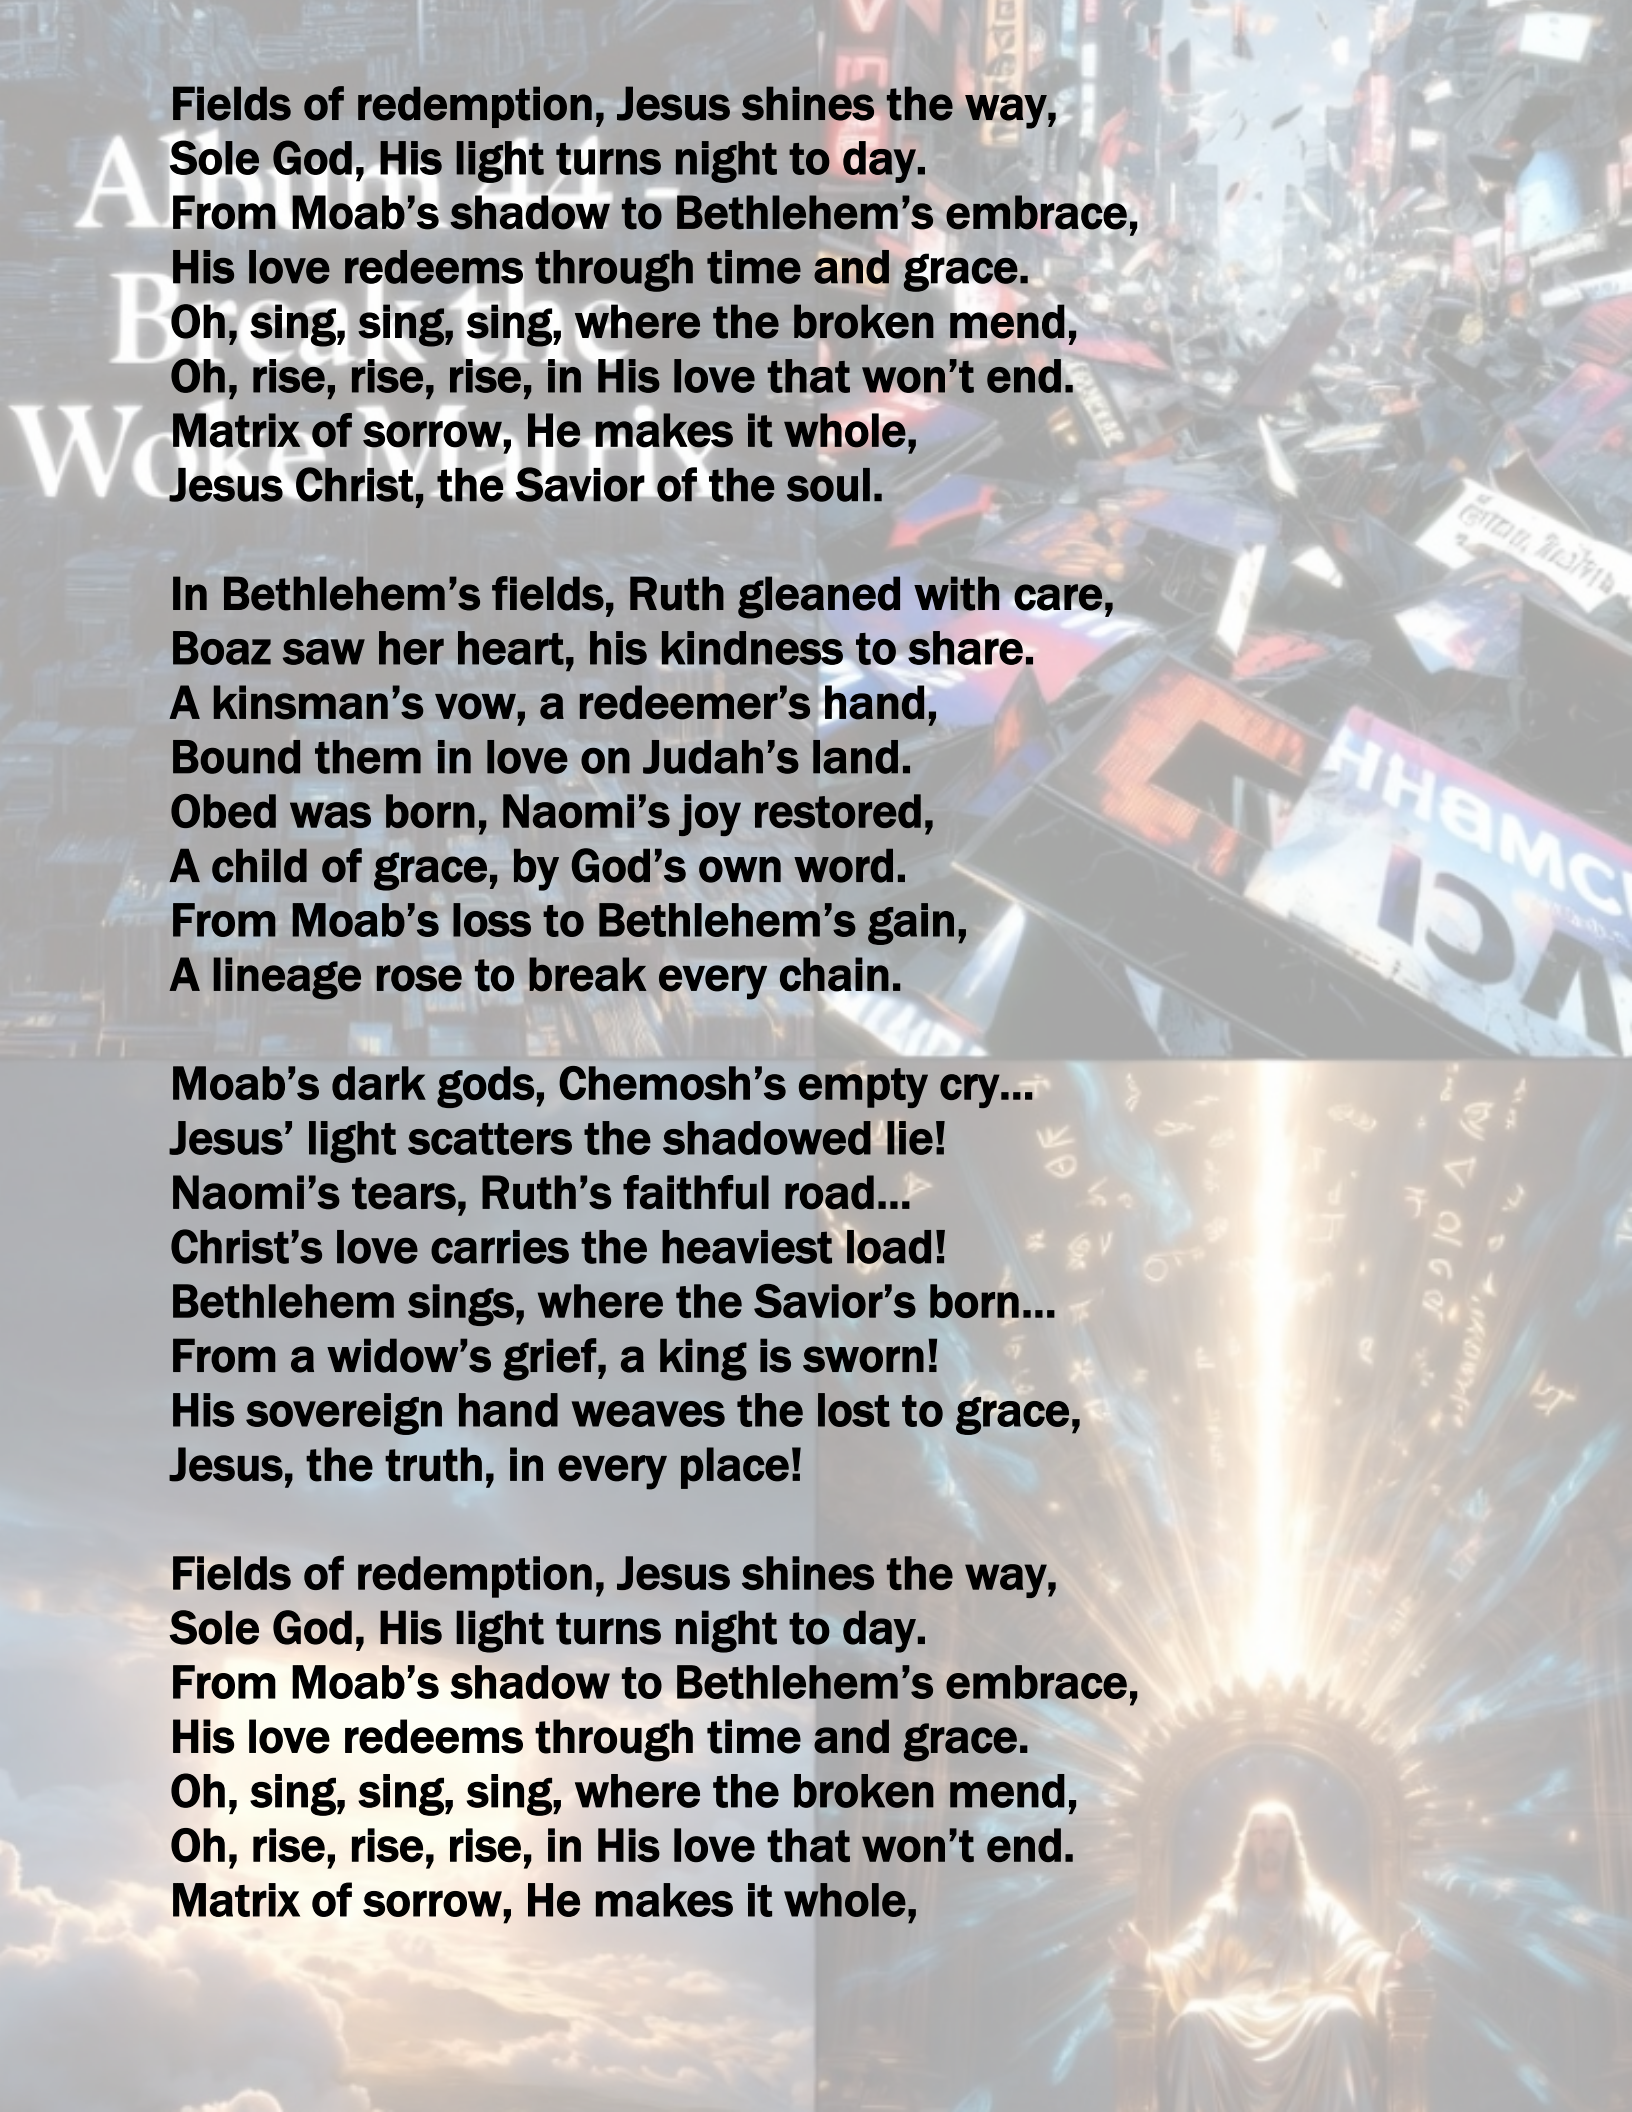

**"Call me Mara," she cried, "for bitter's my name,"
Yet God's quiet hand held her through the flame.**

**Fields of redemption, Jesus shines the way,
Sole God, His light turns night to day.
From Moab's shadow to Bethlehem's embrace,
His love redeems through time and grace.
Oh, sing, sing, sing, where the broken mend,
Oh, rise, rise, rise, in His love that won't end.
Matrix of sorrow, He makes it whole,
Jesus Christ, the Savior of the soul.**

**Ruth, a daughter of Moab, with Chemosh's call,
Clung to Naomi, gave her heart, her all.**

**"Your people, my people, your God, my own,"
She vowed through tears on a road unknown.
Leaving idols behind, Chemosh's dark reign,
She walked to Bethlehem, through loss and pain.
Her steps of faith, a foreigner's plea,
Wove her to God's eternal decree.**

**Fields of redemption, Jesus shines the way,
Sole God, His light turns night to day.
From Moab's shadow to Bethlehem's embrace,
His love redeems through time and grace.
Oh, sing, sing, sing, where the broken mend,
Oh, rise, rise, rise, in His love that won't end.
Matrix of sorrow, He makes it whole,
Jesus Christ, the Savior of the soul.**

**In Bethlehem's fields, Ruth gleaned with care,
Boaz saw her heart, his kindness to share.
A kinsman's vow, a redeemer's hand,
Bound them in love on Judah's land.
Obed was born, Naomi's joy restored,
A child of grace, by God's own word.
From Moab's loss to Bethlehem's gain,
A lineage rose to break every chain.**

**Moab's dark gods, Chemosh's empty cry...
Jesus' light scatters the shadowed lie!
Naomi's tears, Ruth's faithful road...
Christ's love carries the heaviest load!
Bethlehem sings, where the Savior's born...
From a widow's grief, a king is sworn!
His sovereign hand weaves the lost to grace,
Jesus, the truth, in every place!**

**Fields of redemption, Jesus shines the way,
Sole God, His light turns night to day.
From Moab's shadow to Bethlehem's embrace,
His love redeems through time and grace.
Oh, sing, sing, sing, where the broken mend,
Oh, rise, rise, rise, in His love that won't end.
Matrix of sorrow, He makes it whole,**

Jesus Christ, the Savior of the soul.
