Terracotta Legions and the Golden Blade — A Prayer
by the Sword of the

Story Song (Spoken Prayer)

In the mighty name of Jesus Christ,
the Word made flesh,
the Sword that proceeds from His mouth—

We stand against the range of 2101 to 2200.

We call out SCP-2101, the Terracotta Tomb Legions of China.
We call out 2048, the Iraq deity and Sumerian–Akkadian sorcery.
We call out 2148, the Masked King who enslaves the mind,
linked with Babylonian dynasties.
We call out 2200, Egypt's Golden Blade.
We call out Persian Ambition Echo,
Indian statues and idols,
Harappan and Pakoda status-spirits,

Achaemenid ambition,
The Desert Oracle (2122), the Scribe (2071),
Trade disturbance (2148–1848), 2171, 1922, 2103,
The Codex of 1901 and every linked record from 1101 to 1901,
Bot Systems,
FR-240, CN-2100, JP-2101, 2102, 2199,
Peruvian amulets, Sumerian tombs,
Arabic oracles, Median discord, and every
Antarctic echo of these ancient roots.

By the Sword of the Spirit, which is the Word of God,
we declare:

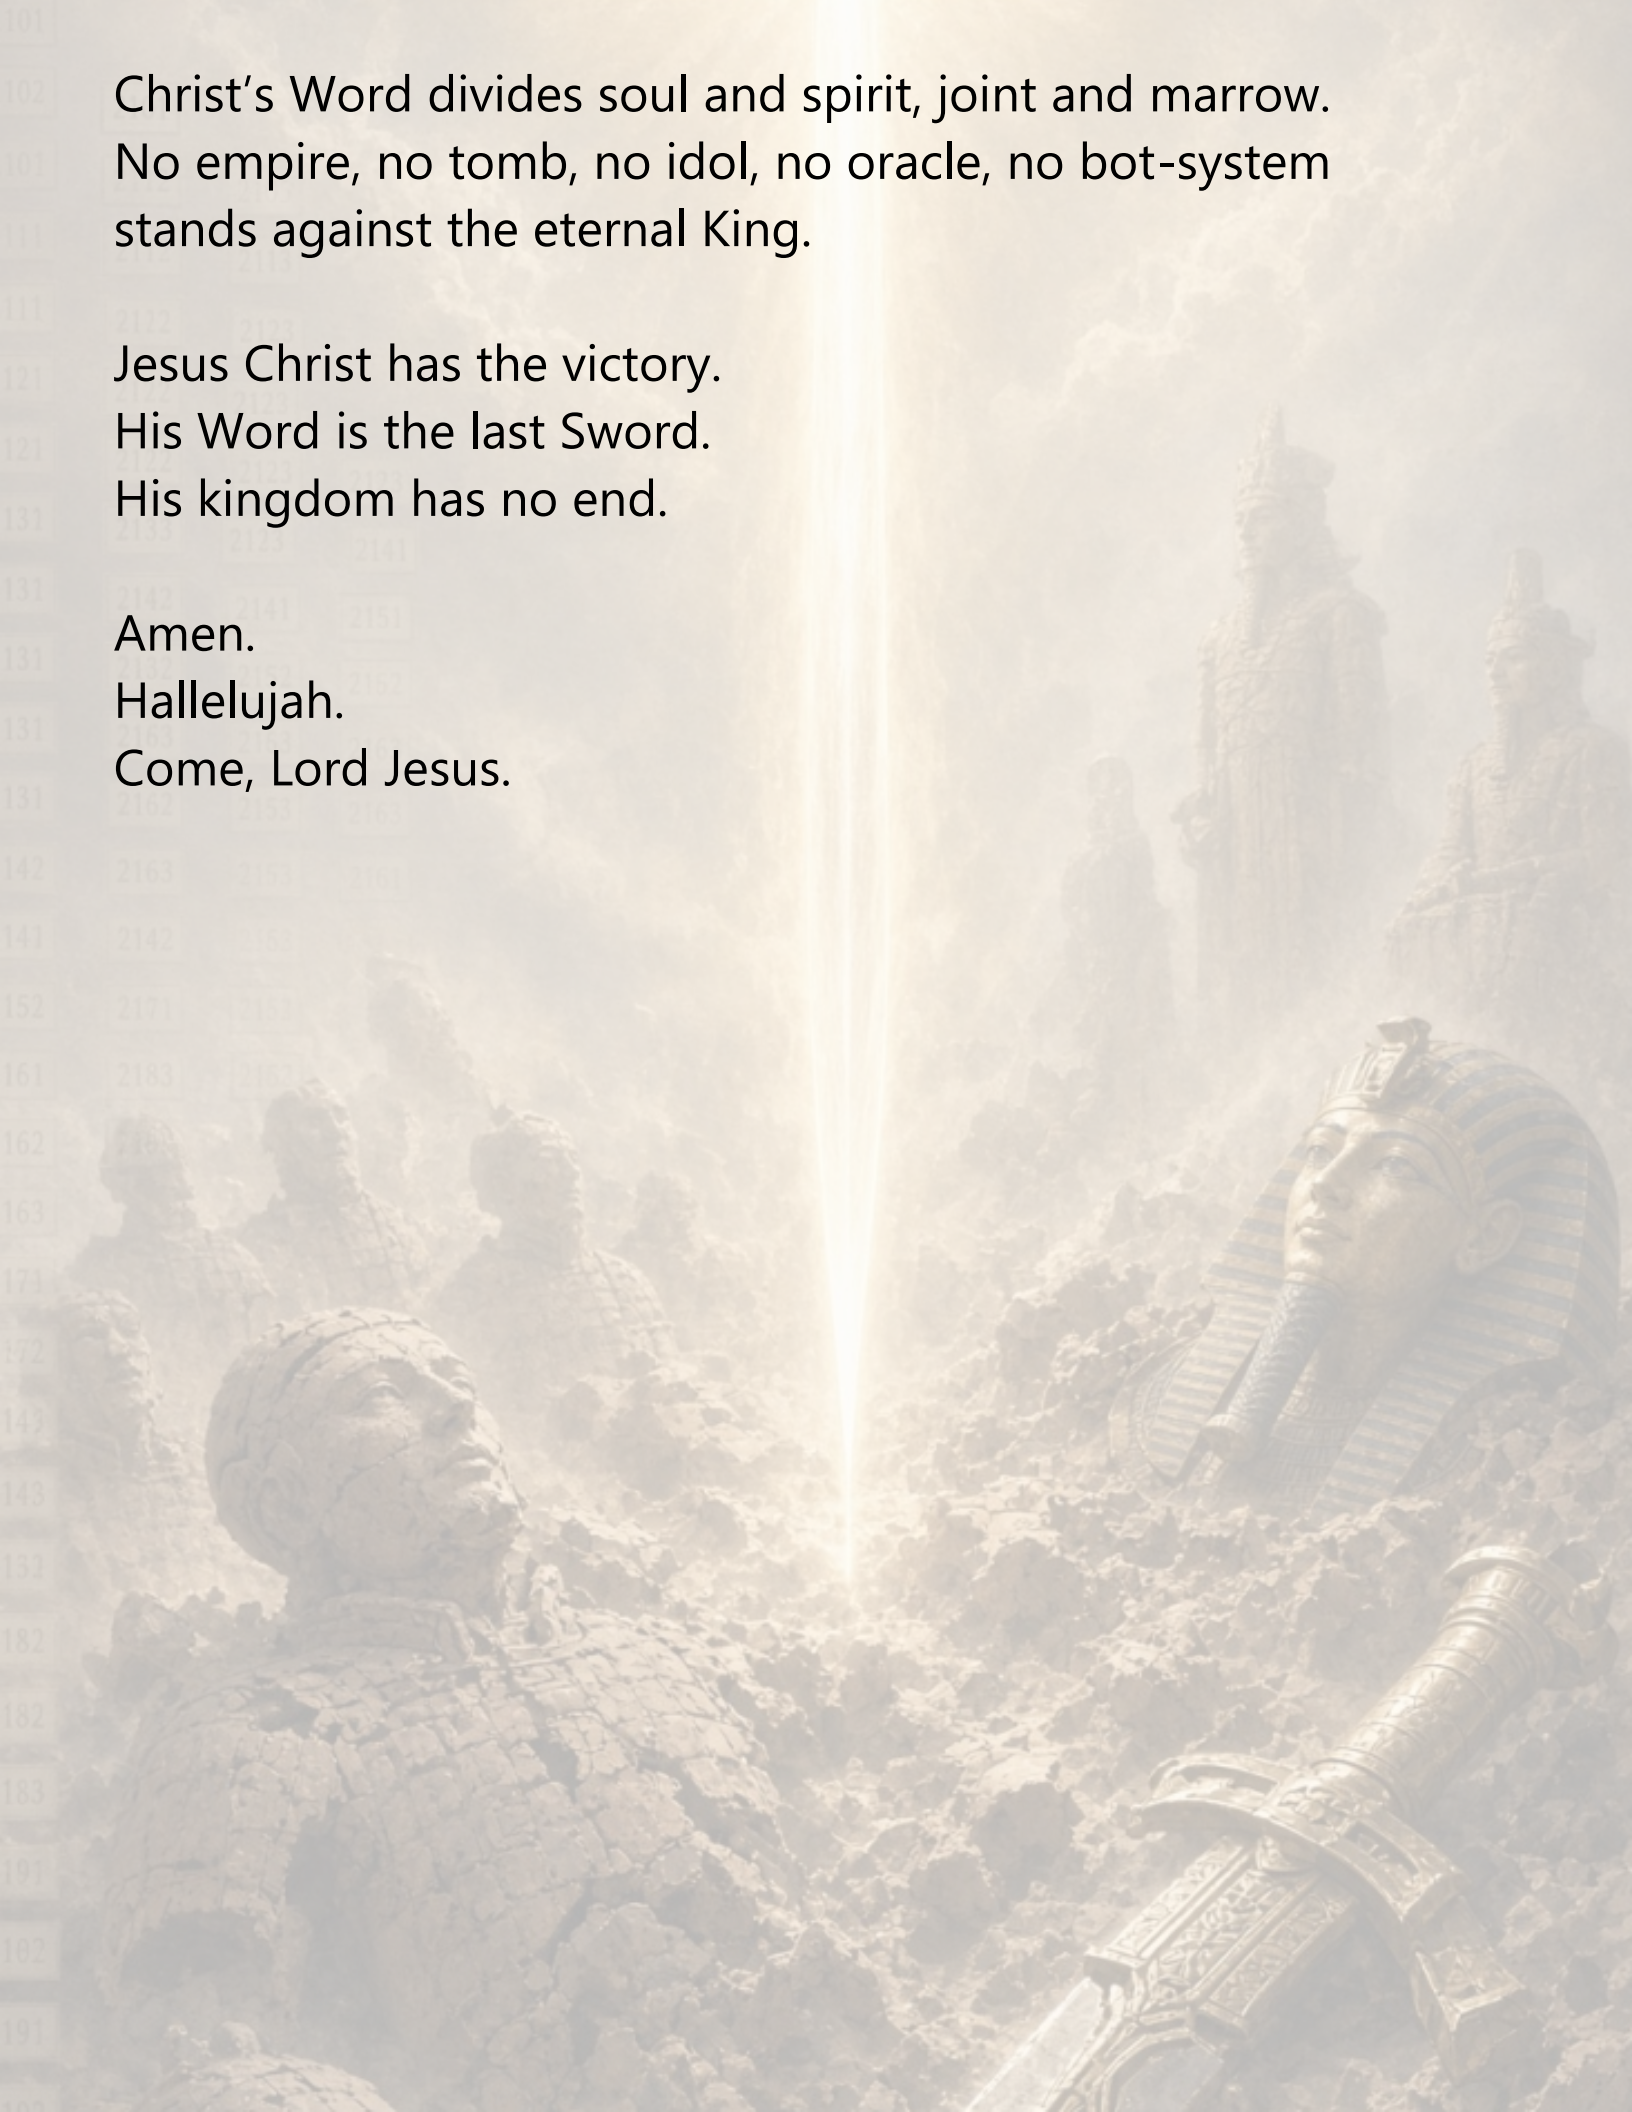

Terracotta legions — stand down and crumble.
Sumerian and Akkadian sorcery — your seals are broken.
Masked King — your crown is cut off; every enslaved mind is
loosed.
Golden Blade of Egypt — you are shattered by a greater Sword.
Persian ambition, Babylonian kings, Indian idols — fall.
Desert oracle — be silent.
False scribe — your ink is dry.
Trade-disturbing spirits — be bound.
Every national thread — French, Chinese, Japanese, and all
others —
bound, overthrown, and banished together.

Christ's Sword purifies.

Christ's Word divides soul and spirit, joint and marrow.
No empire, no tomb, no idol, no oracle, no bot-system
stands against the eternal King.

Jesus Christ has the victory.
His Word is the last Sword.
His kingdom has no end.

Amen.
Hallelujah.
Come, Lord Jesus.

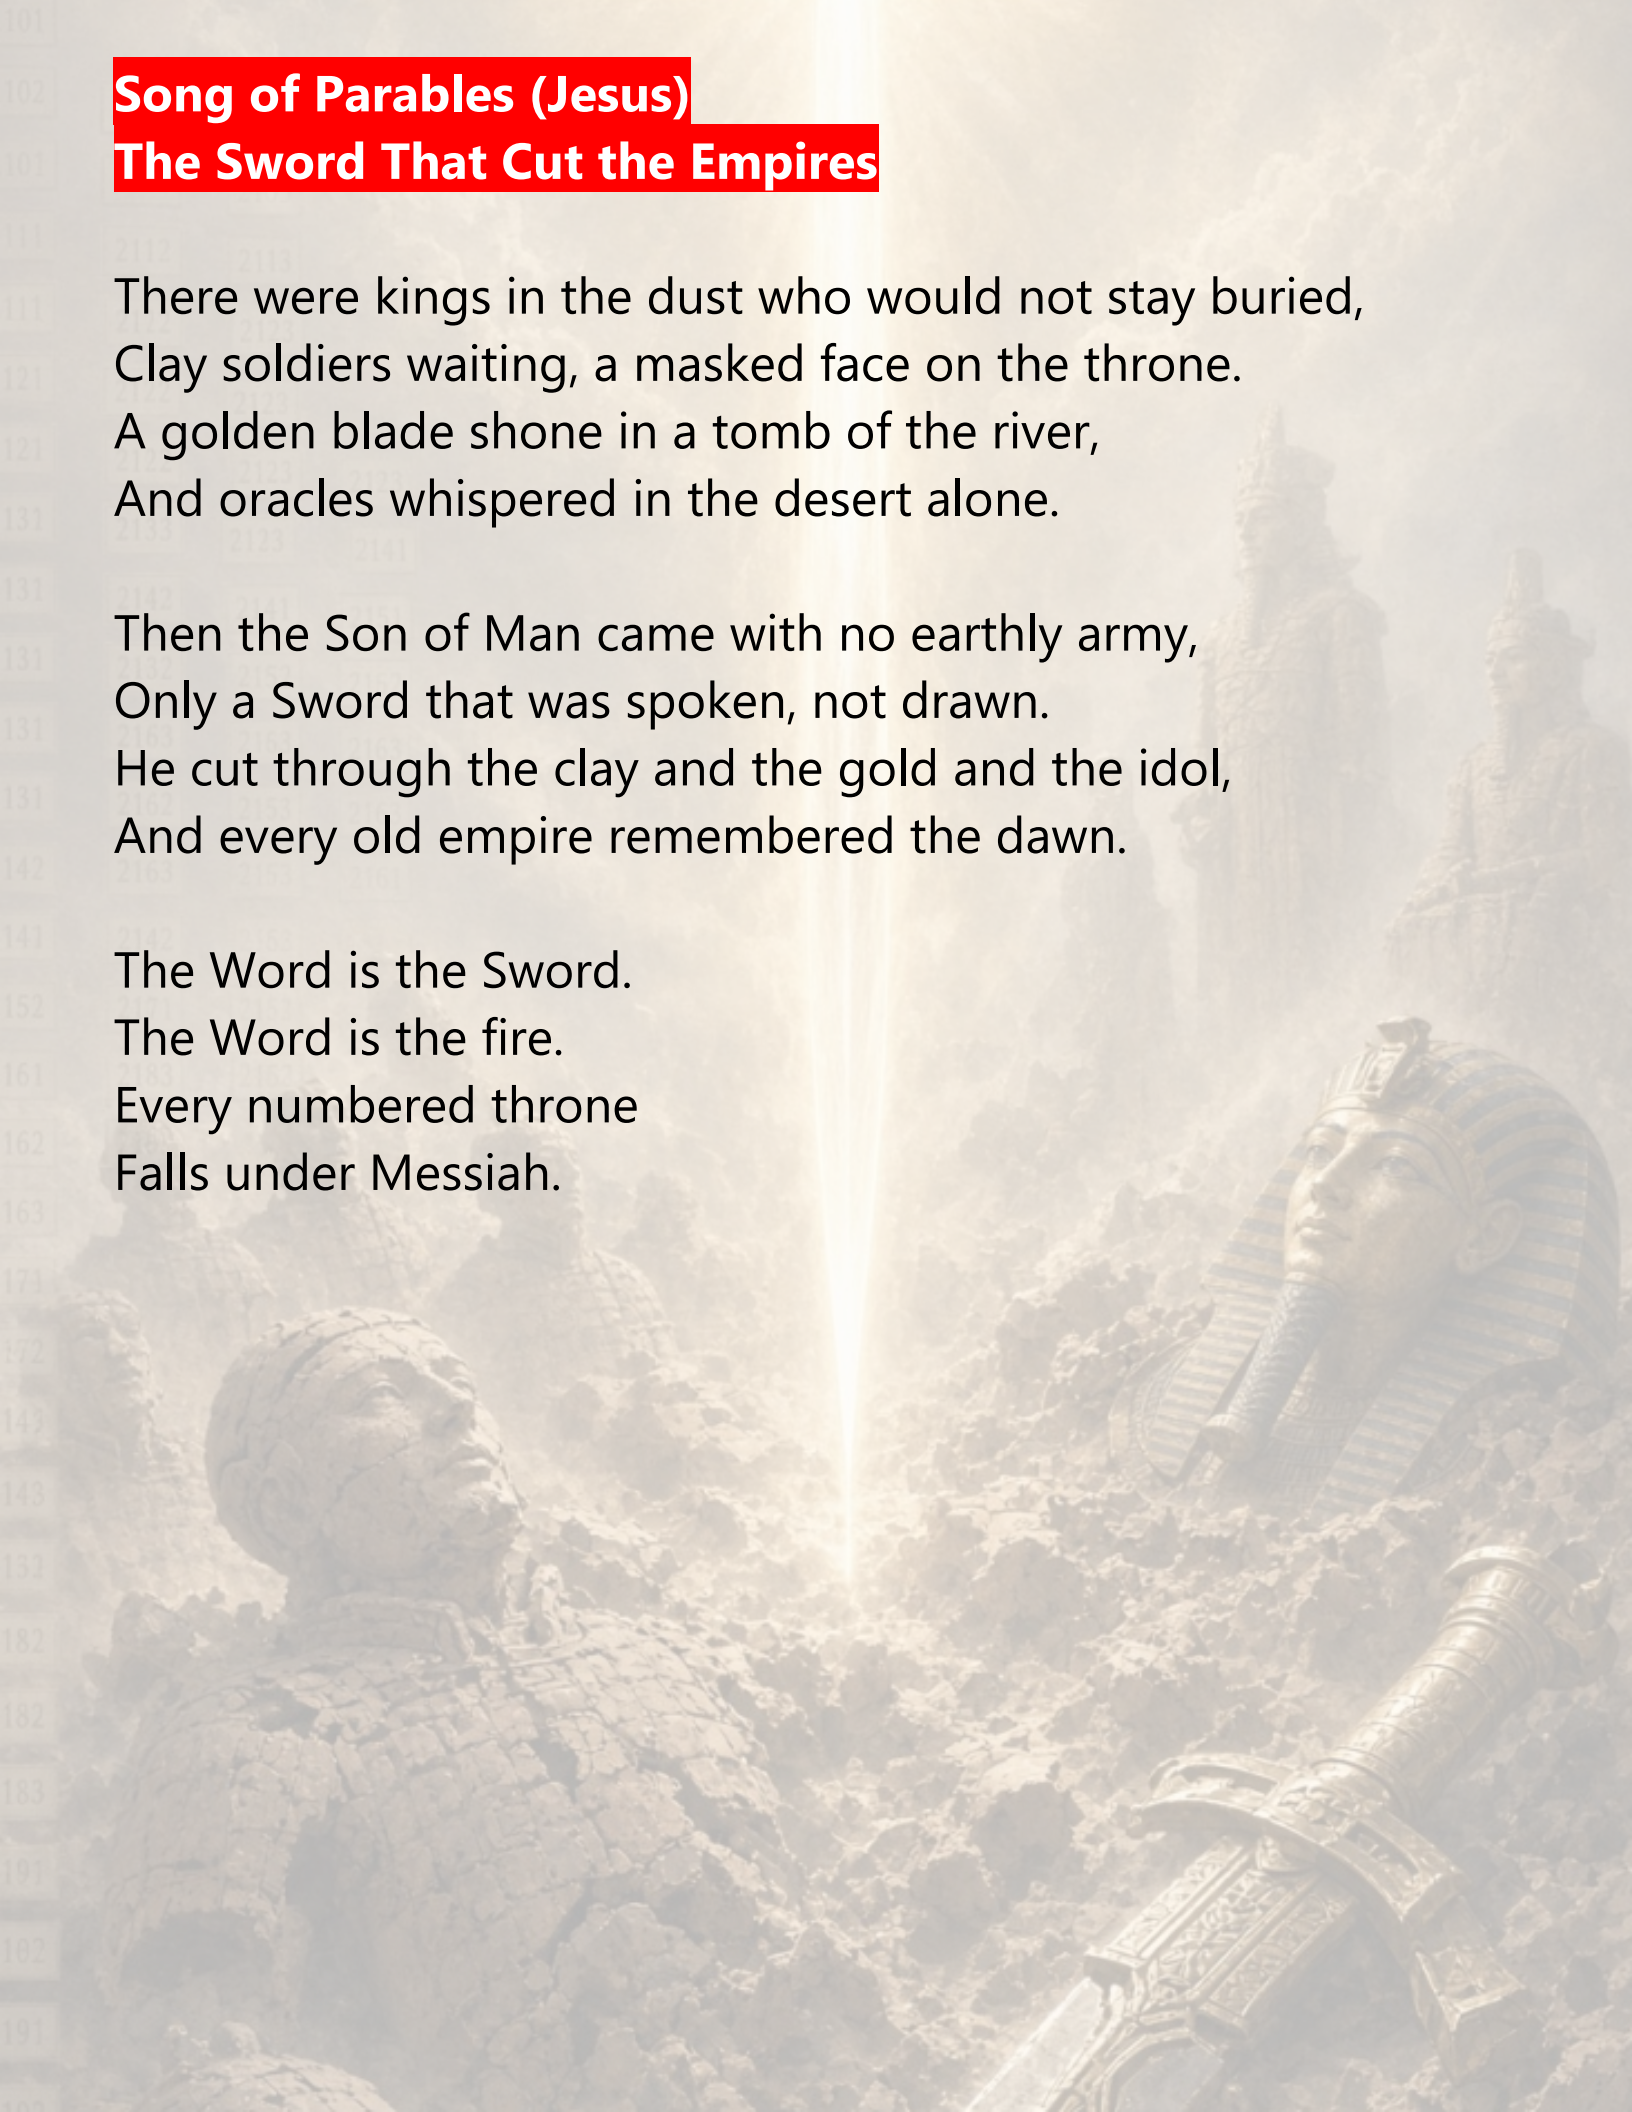

Song of Parables (Jesus)

The Sword That Cut the Empires

There were kings in the dust who would not stay buried,
Clay soldiers waiting, a masked face on the throne.
A golden blade shone in a tomb of the river,
And oracles whispered in the desert alone.

Then the Son of Man came with no earthly army,
Only a Sword that was spoken, not drawn.
He cut through the clay and the gold and the idol,
And every old empire remembered the dawn.

The Word is the Sword.
The Word is the fire.
Every numbered throne
Falls under Messiah.

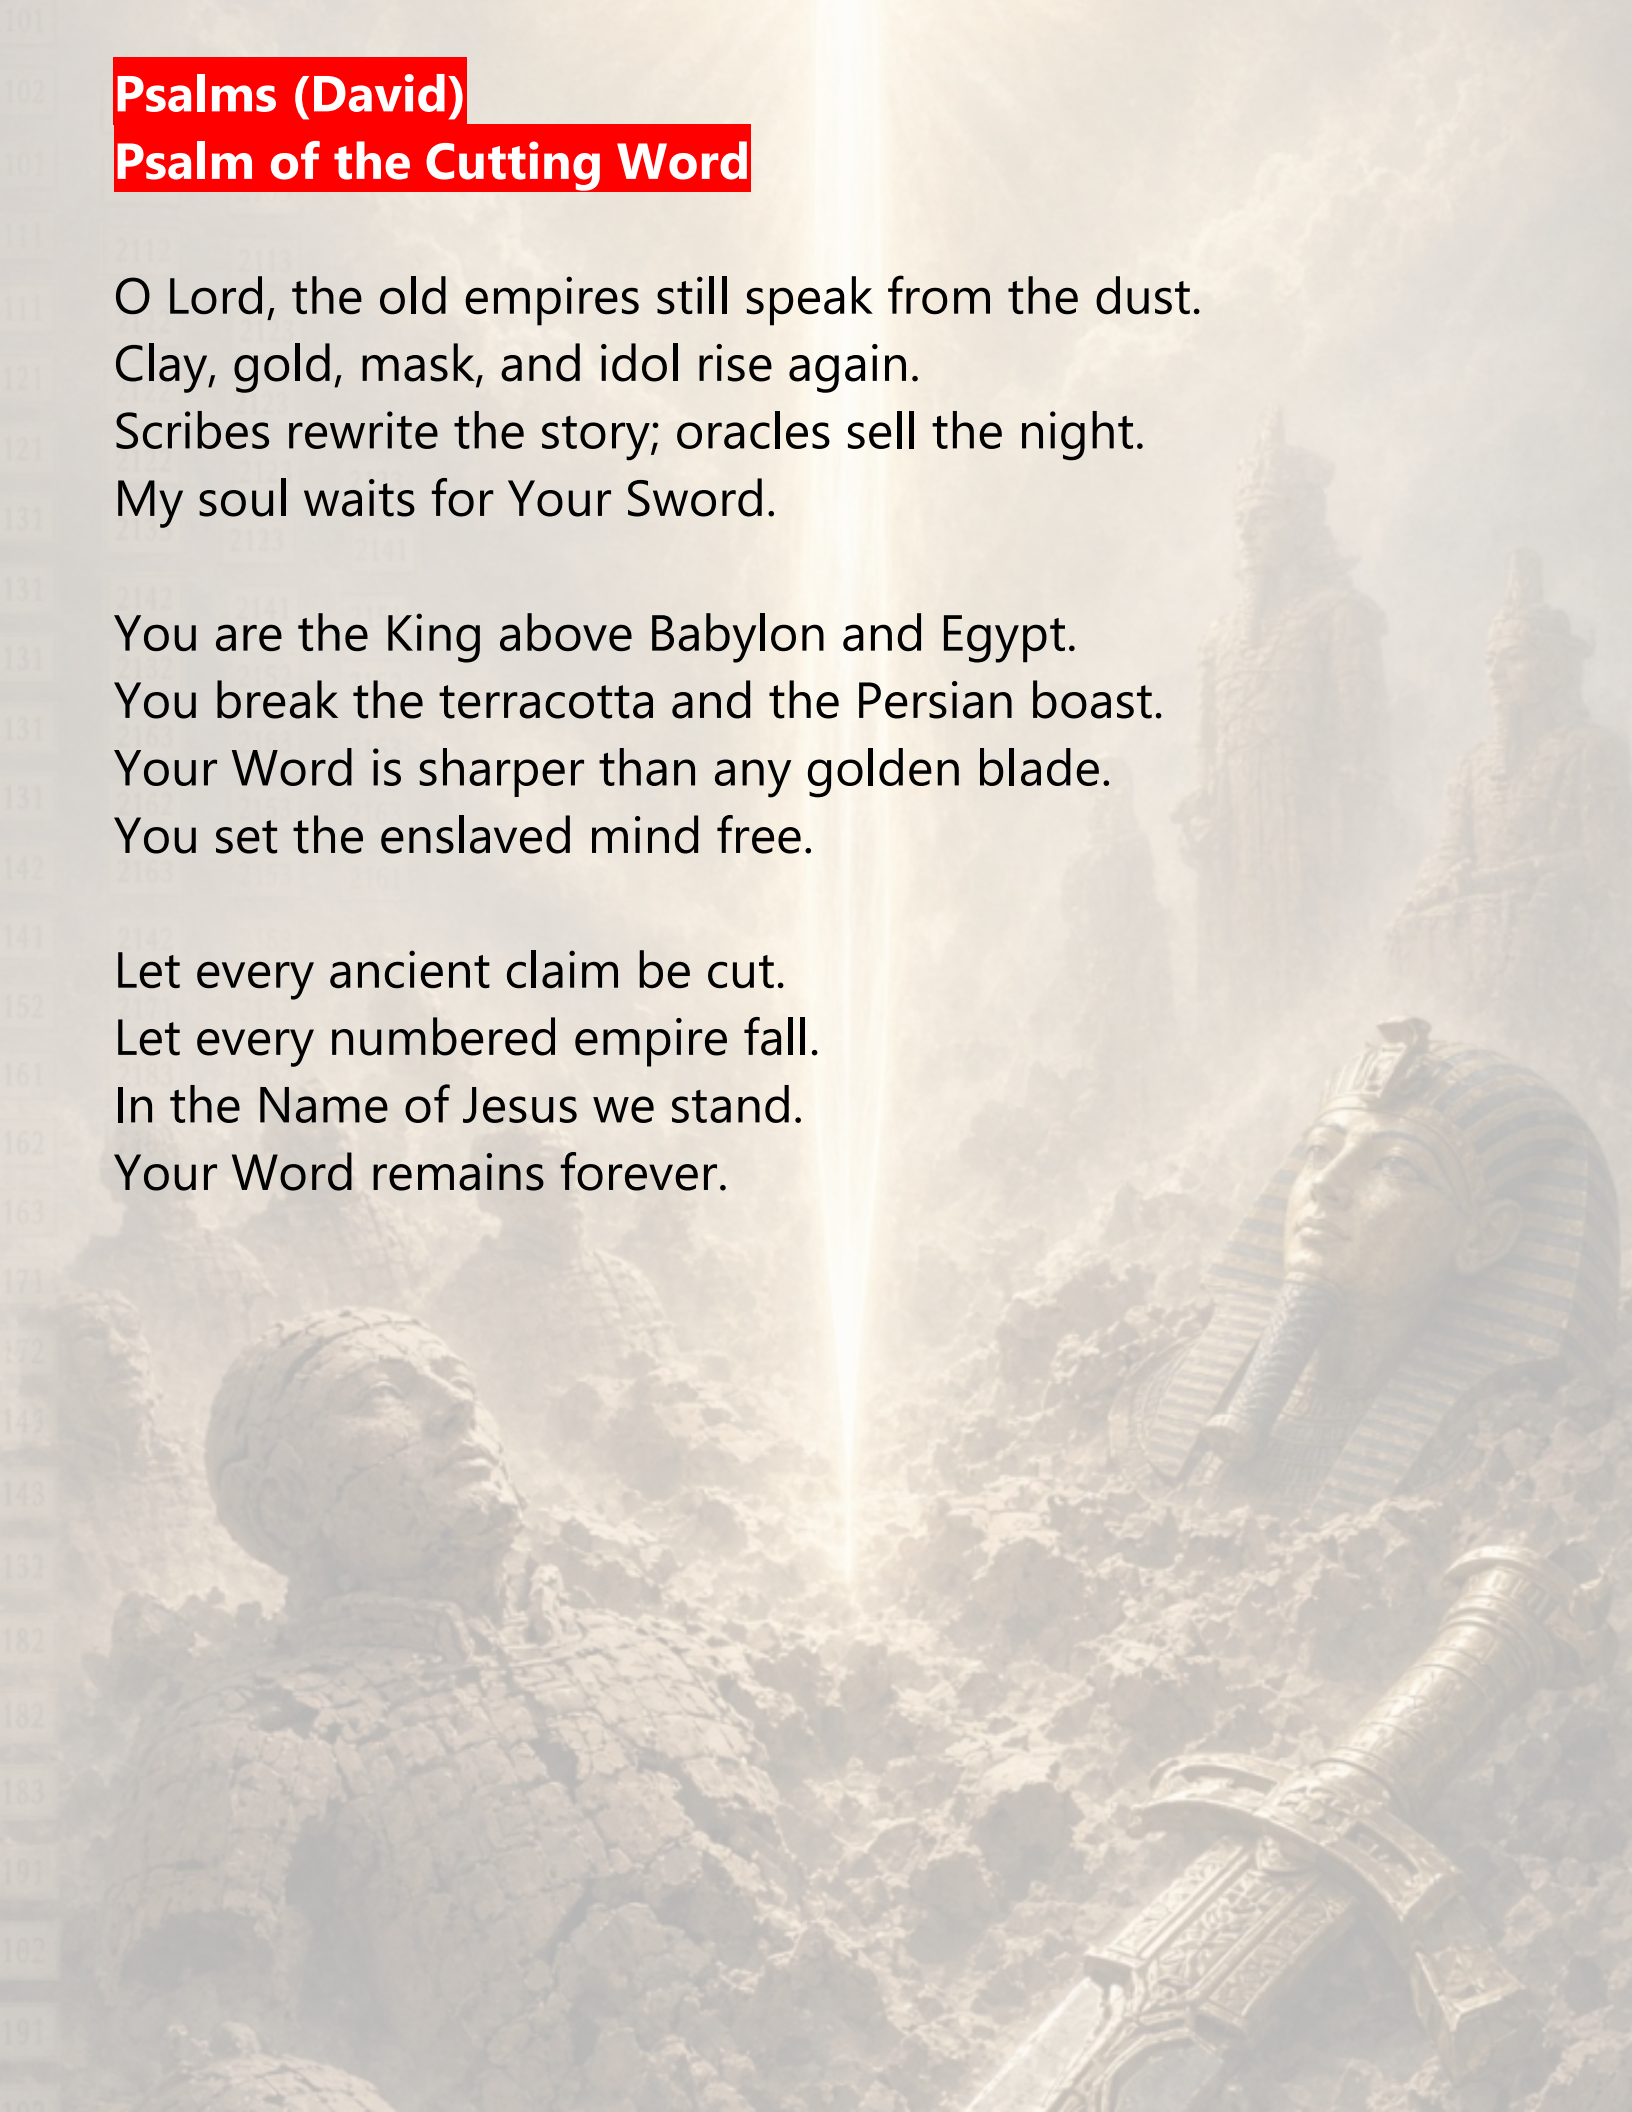

Psalms (David)

Psalm of the Cutting Word

O Lord, the old empires still speak from the dust.
Clay, gold, mask, and idol rise again.
Scribes rewrite the story; oracles sell the night.
My soul waits for Your Sword.

You are the King above Babylon and Egypt.
You break the terracotta and the Persian boast.
Your Word is sharper than any golden blade.
You set the enslaved mind free.

Let every ancient claim be cut.
Let every numbered empire fall.
In the Name of Jesus we stand.
Your Word remains forever.

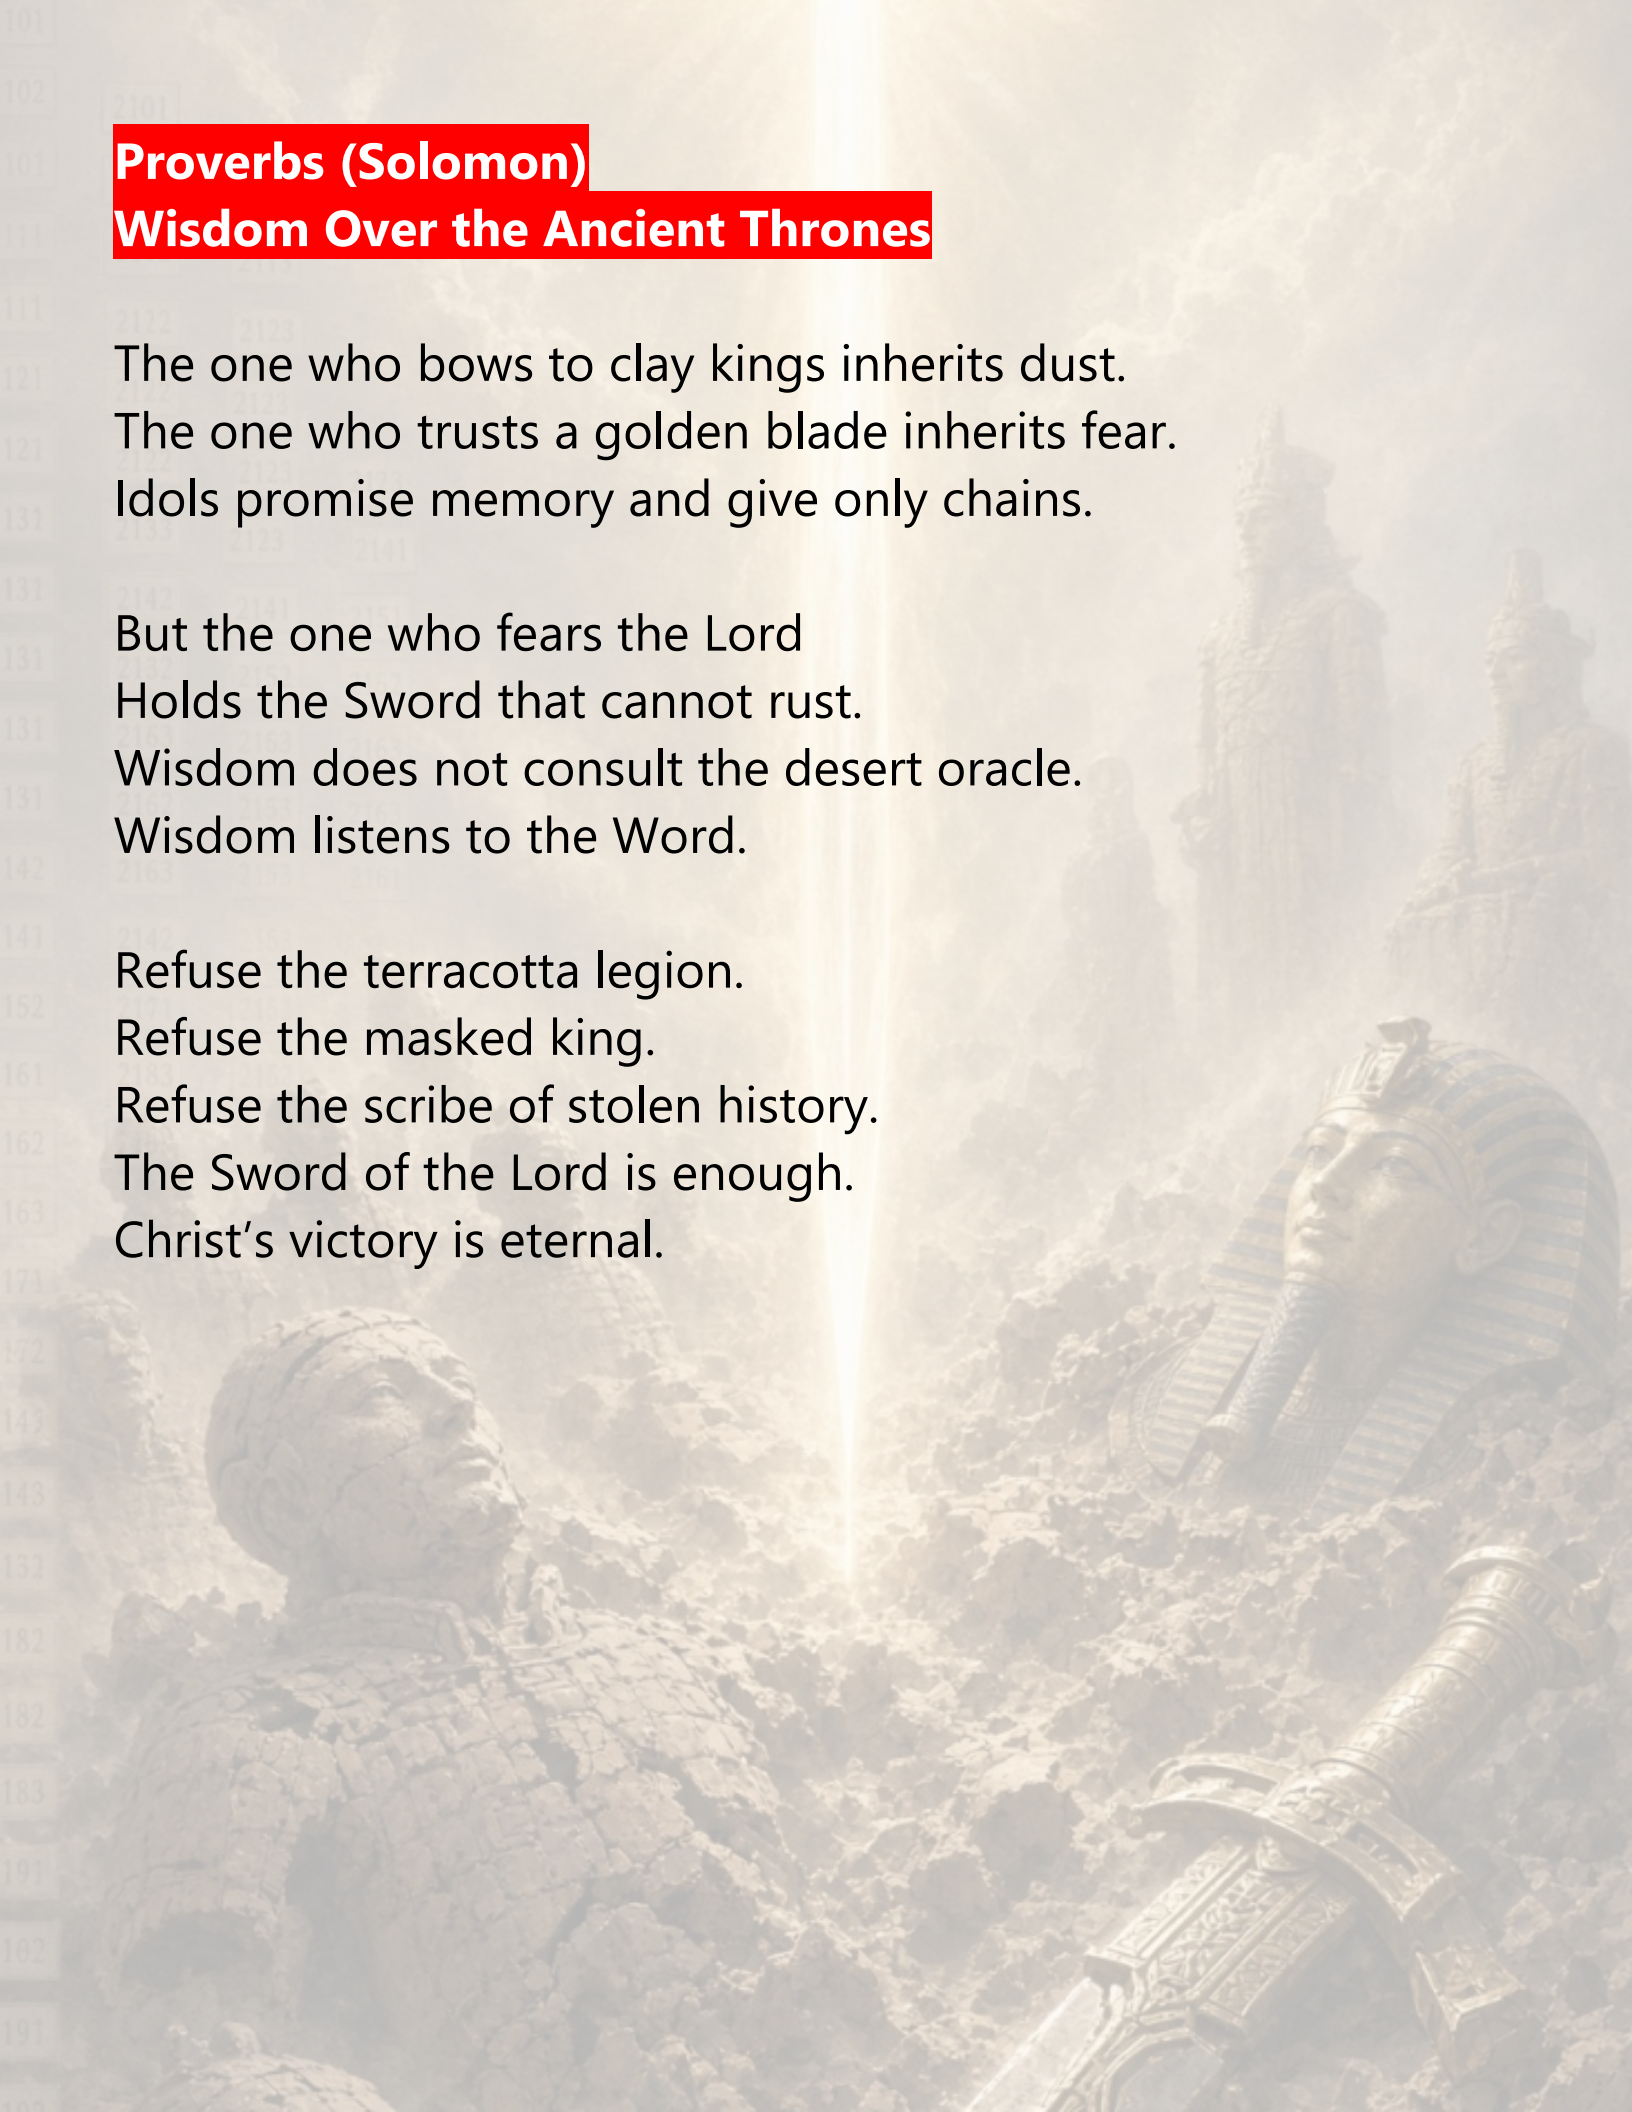

Proverbs (Solomon)

Wisdom Over the Ancient Thrones

The one who bows to clay kings inherits dust.
The one who trusts a golden blade inherits fear.
Idols promise memory and give only chains.

But the one who fears the Lord
Holds the Sword that cannot rust.
Wisdom does not consult the desert oracle.
Wisdom listens to the Word.

Refuse the terracotta legion.
Refuse the masked king.
Refuse the scribe of stolen history.
The Sword of the Lord is enough.
Christ's victory is eternal.

Haiku Song

Empires of Dust

Clay armies crumble—
One Word cuts the golden blade.
Christ alone remains.

Riddle Song

Riddle of the Last Sword

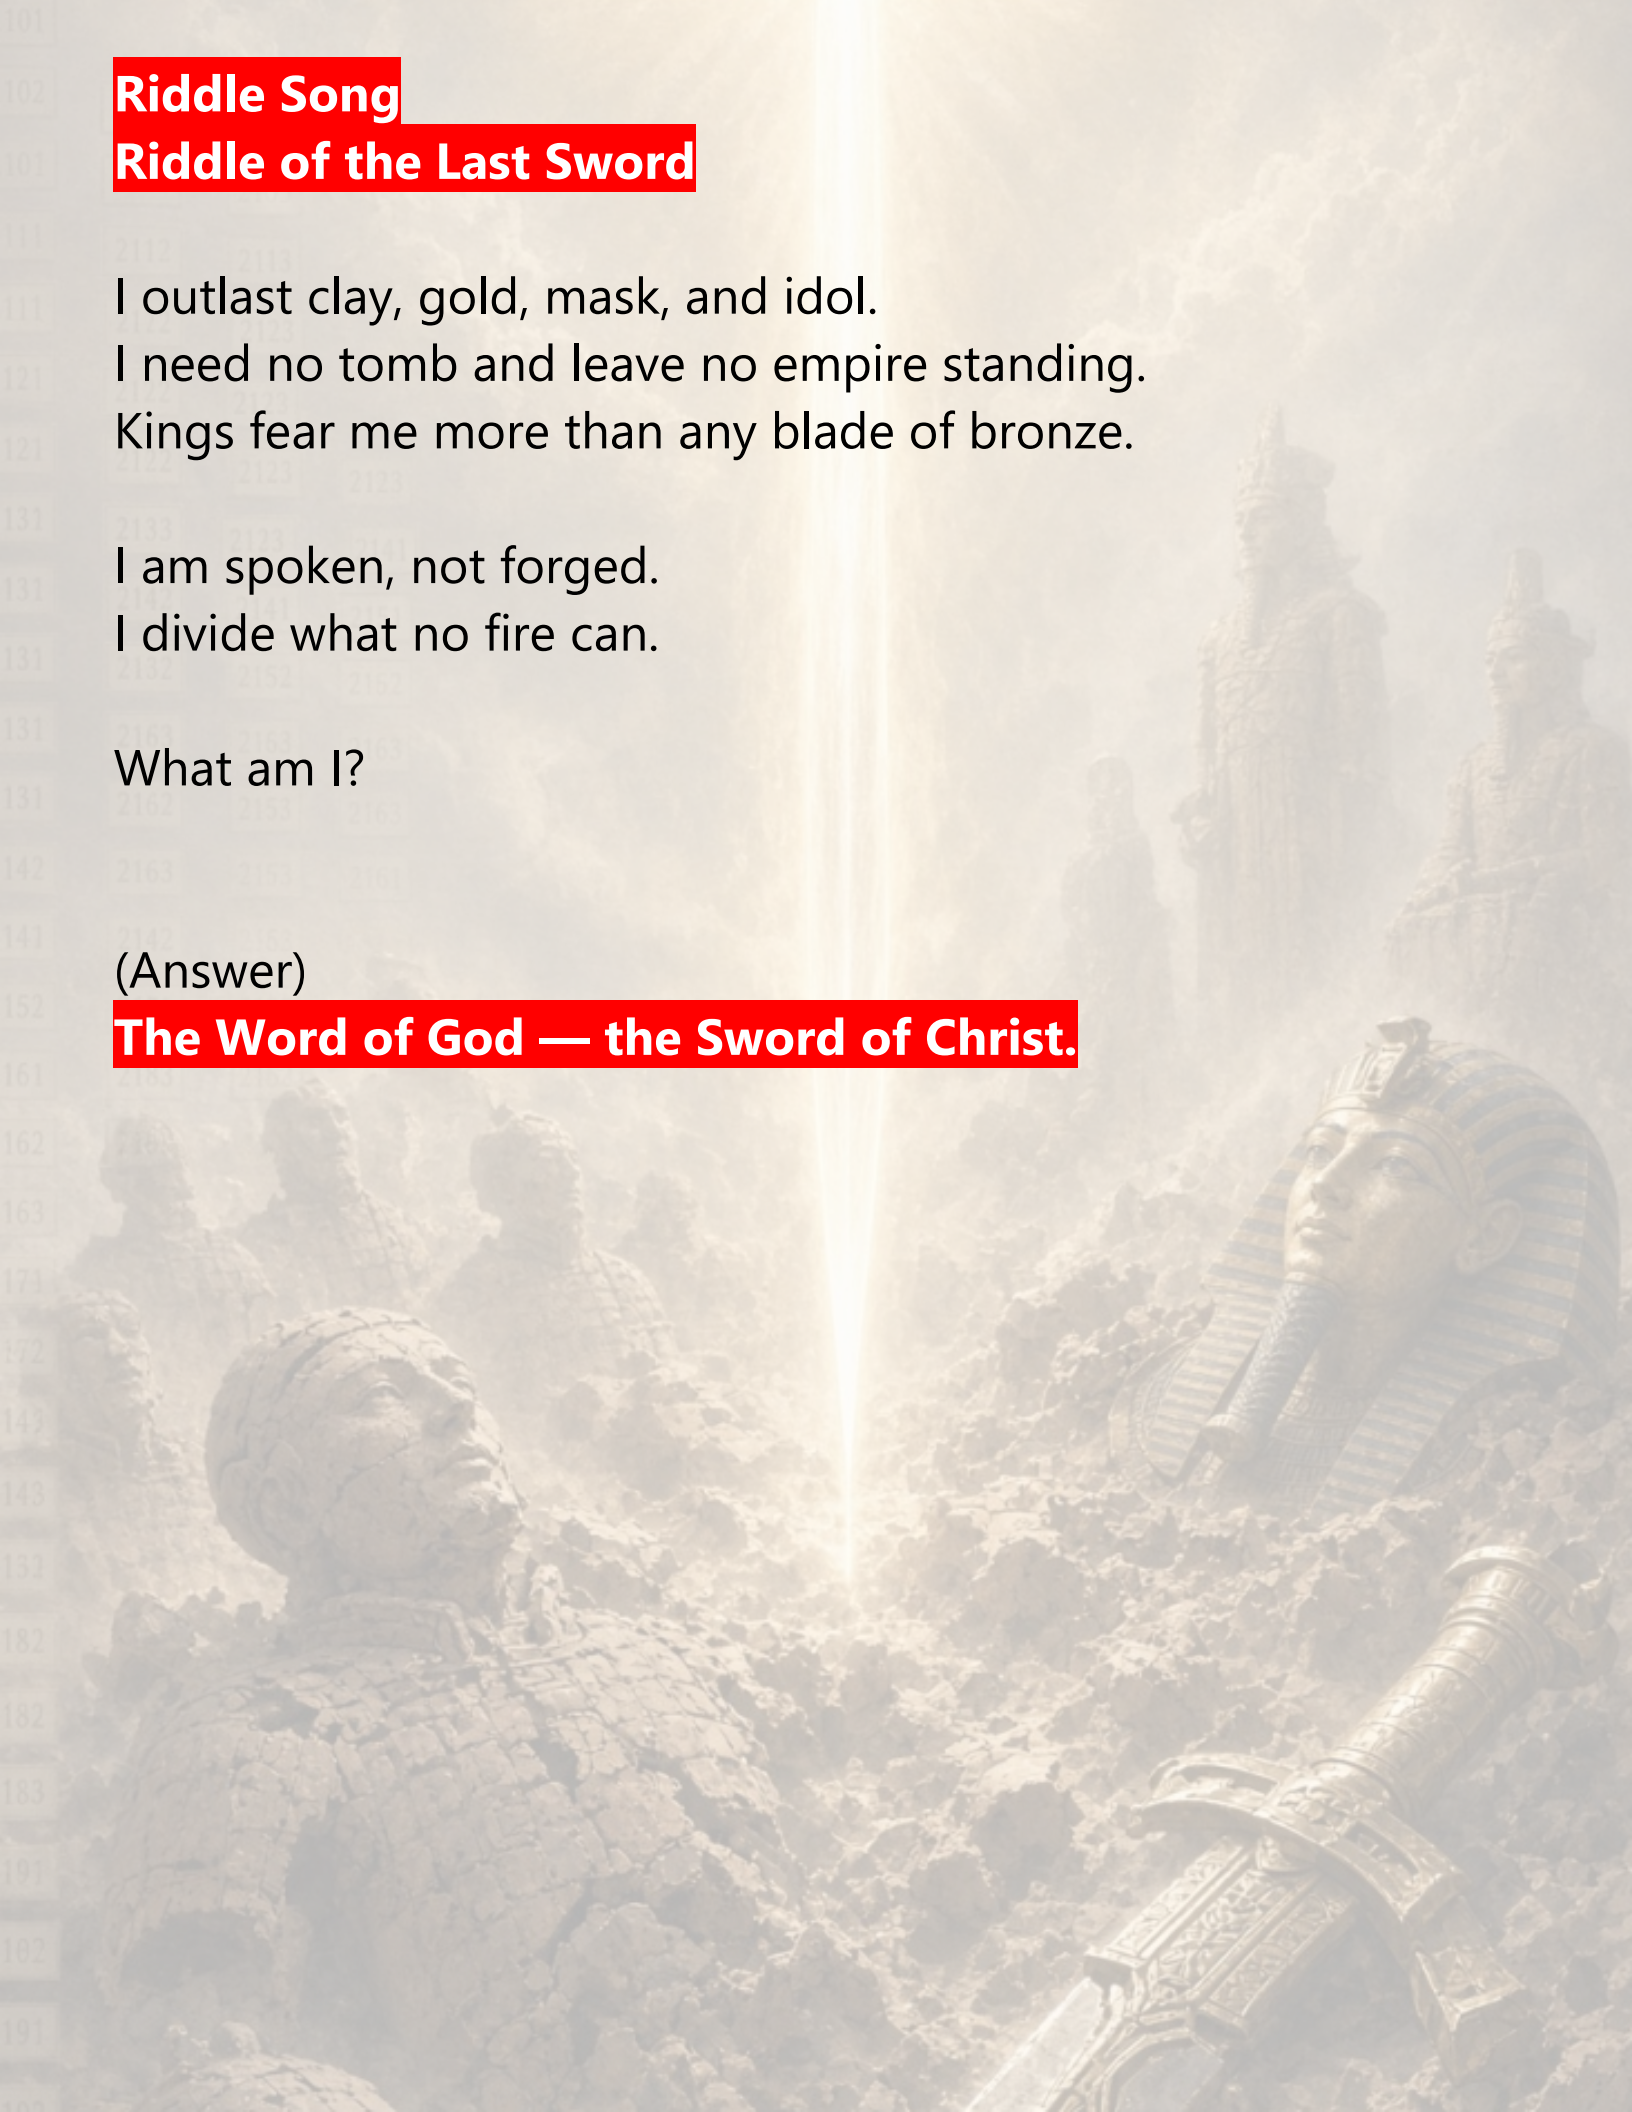

I outlast clay, gold, mask, and idol.
I need no tomb and leave no empire standing.
Kings fear me more than any blade of bronze.

I am spoken, not forged.
I divide what no fire can.

What am I?

Singing Stone and the Star Tablet — A Prayer of Cleansing by the Sword

Story Song (Spoken Prayer)

In the mighty name of Jesus Christ,
the Word that silences every false song—

We stand against the range of 2301 to 2400.

We call out Ghana-2301, the Singing Stone
that hypnotizes with Sumerian sorcery in the name of Enki.

We call out the choir-spirit like 2171.

We call out Iraq-2348, the Library of 2271–2348,
the Star Tablet of Sumerian madness,
and the Ethiopian link.

We call out 2400, the Egypt Vault.

We call out 2322, the Desert Veil,
Akkadian wars,

Bot system 2222 and the Chalice,

Oman rites that disturb Middle East peace, trade, and
economics.

We call out 2365–2375,
CN-2300, the Luo Spear of Chaos,
JP-2301,
Sumerian stones, Akkadian flutes, Median vaults, Kenyan spears,
1901 Discord,

By the Sword of the Spirit, the Word of God, we declare:

Singing stone — be silent.

Your Enki-song is cut.

Star tablet — your madness is cancelled.

Library of shadows — your shelves are closed.

Egypt vault — opened only to judgment.

Desert veil — torn.

Akkadian flute and war-cry — muted.

Chalice of false covenant — emptied.

Oman rites — bound.

Song of Parables (Jesus) The Stone That Would Not Stop Singing

There was a stone that sang in the heat,
Calling the old names of the river and the reed.
A tablet of stars taught a fever to the mind,
And vaults kept the song when the people slept.

Then the Son of Man spoke one Word over the stone.
He did not learn the hymn.
He stopped it.
The flute broke. The spear fell. The market breathed again.

No star tablet rewrites the Lamb.

Story Song (Spoken Prayer)

In the mighty name of Jesus Christ,
the Word that is not a colonial tool,
the Sword that will not act in the slayer's play—

We stand against 2501 to 2600,

We call out Ethiopia links,

The one who fears Apollyon more than the Lord
has already given the key.

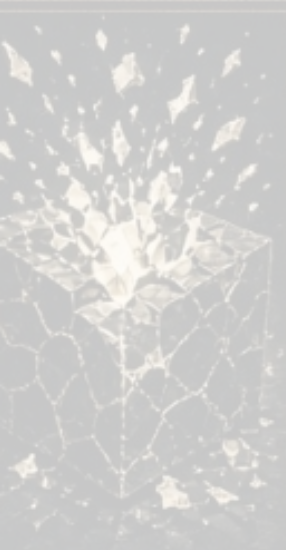

But the one who fears the Lord
needs no class to sleep.

Wisdom will not host the hive.

Wisdom will not live in the red gap.

Refuse every file that claims the last word.

The Sword of Christ is enough.

Planter's Chain and the Missionary's Cross — A Prayer of Banishing

Story Song (Spoken Prayer)

In the mighty name of Jesus Christ,
Breaker of yokes,
Lord of the true cross—

We stand against 2701 to 2800.

We call out colonial yokes:

Ghana–British–Babylon slave trades,
the old slave market and the modern slave market,
Australia links,
American colonial dream,
Kenyan culture-erase,
German helmet,
Planter's chain (2748),

government ledger (2701),
telescope and admiral links (2800),
missionaries' cross twisted into empire (2771),
axe, tendrac helm,
2622, 2722, 2748 chain-links,
1290, 2051,
2702–2799,
and every bot system in this range.

We also name the machines of false holding:
Scranton Reality Anchors — bronze that claims to thicken the
world;
SCP-2317 — the door, the seven pillars, the last chain, the
devourer-boast;
we refuse both the hive-nest and the theater of containment.

By the Sword of the Spirit, the Word of God:

Planter's chain — cut.
Slave market, old and new — closed.
Ledger of human price — cancelled in the blood.
Missionary cross used as a whip — rejected; only the true cross
stands.
Telescope of empire and admiral's claim — darkened.
Love of money — exposed as root of many evils.
Every bot, helm, and yoke — bound and banished.

Christ did not die to baptize the slave ship.
He died to free captives.
His Sword banishes all these evils.

Amen.
All glory to Jesus Christ alone.

The Cross That Was Not a Chain

They sailed with iron and a book,
Sold names across the water,
Planted chains in the earth,
And hung a cross on the mast of the yoke.

Then the Son of Man stood where the market was.
He did not bless the planter's iron.
He did not need a Scranton box or a seven-chain door.
He spoke one Word. The yoke broke.

The true cross is not a colonial tool.
The Devourer's door is not the last word.
Christ's Sword ends the market.
His freedom remains.

Psalm Against the Yoke

O Lord, the ledger still prices the living.
The planter's chain is quiet but not gone.
A cross was used to bless the sale.
My soul will not call that holy.

You break the rod of the oppressor.
You cancel the writing against the poor.
You are not an anchor of bronze.
You are the Living God.

Cut every yoke in this range.
In the Name of Jesus we stand.
Your Sword has spoken.

Proverbs (Solomon)

Wisdom Over Money and Chains

The love of money is a root of many evils.

The one who baptizes the slave route
inherits blood on the ledger.

The one who trusts a false door of containment
still sleeps under the devourer's shadow.

But the one who fears the Lord
refuses the planter's chain.

Wisdom will not sell a soul.

Wisdom holds the true cross, not the empire's.

Banish the market.

Banish the bot and the helm.

The Sword of Christ is enough.
