## The Great White Throne

### The Great White Throne

Before the Throne, the heavens stand, the Great White Light of the righteous Lamb,  
Books are opened, the truth laid bare, no sin can hide in His holy glare.  
Evil trembles, their deeds undone, the wicked judged by the Holy One,  
New Jerusalem shines, its gates held high, where justice reigns and no tears cry.

Throne of Justice, the Lamb shall reign, His righteous verdict will ever remain,  
Evil falls, in the fire cast down, New Jerusalem wears the eternal crown.  
Oh, Glorious Light, Your truth prevails, the Lamb's own justice forever sails,  
With Angelic Hosts, we sing Your might, New Jerusalem, eternal light!

### The Fate of the Wicked

Satan's lies, in the lake they burn, the deceiver's chains will no more return,  
Idolaters, liars, and rebels fall, the second death claims them, one and all.  
Yet the Tree of Life stands tall and green, its Fruit of Life heals where sin has been,  
Water of Life flows, pure and bright, in New Jerusalem, no darkness, no night.

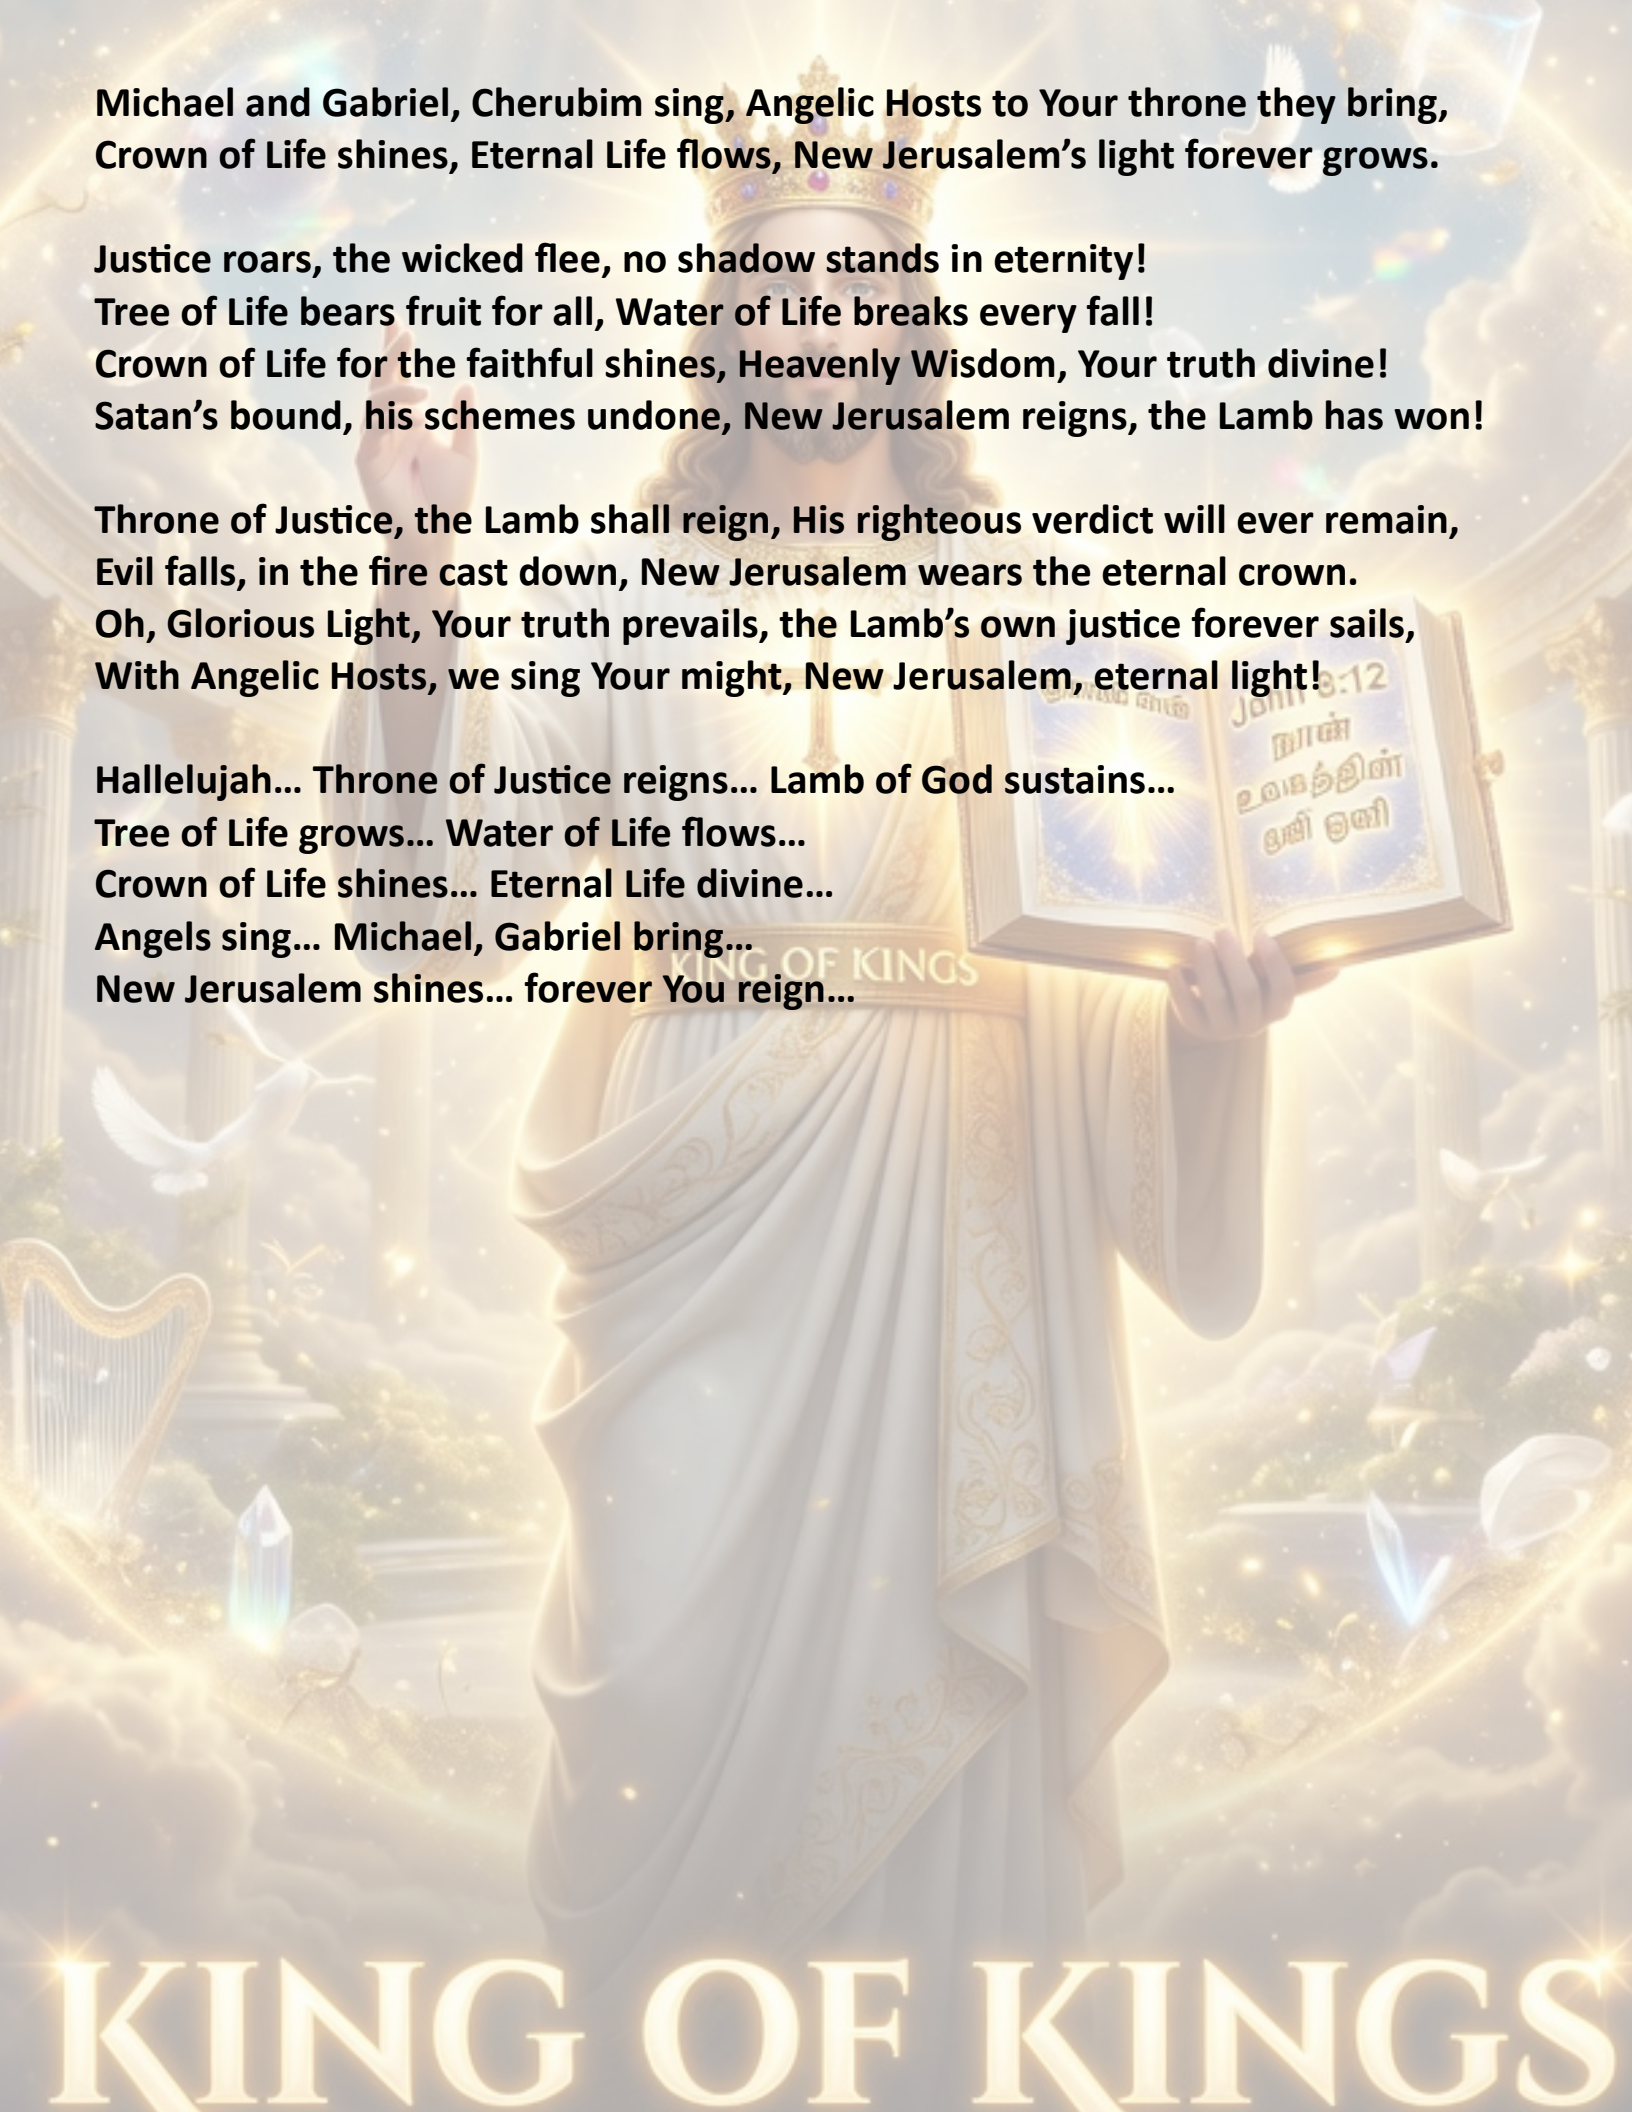

Throne of Justice, the Lamb shall reign, His righteous verdict will ever remain,  
Evil falls, in the fire cast down, New Jerusalem wears the eternal crown.  
Oh, Glorious Light, Your truth prevails, the Lamb's own justice forever sails,  
With Angelic Hosts, we sing Your might, New Jerusalem, eternal light!

### The Triumph of the Lamb

Lamb of God, with Your Sinless Life, You conquered death, ended all strife,  
Temple divine, where Your glory dwells, Your Heavenly Wisdom all fear dispels.

# KING OF KINGS

Michael and Gabriel, Cherubim sing, Angelic Hosts to Your throne they bring,  
Crown of Life shines, Eternal Life flows, New Jerusalem's light forever grows.

Justice roars, the wicked flee, no shadow stands in eternity!  
Tree of Life bears fruit for all, Water of Life breaks every fall!  
Crown of Life for the faithful shines, Heavenly Wisdom, Your truth divine!  
Satan's bound, his schemes undone, New Jerusalem reigns, the Lamb has won!

Throne of Justice, the Lamb shall reign, His righteous verdict will ever remain,  
Evil falls, in the fire cast down, New Jerusalem wears the eternal crown.  
Oh, Glorious Light, Your truth prevails, the Lamb's own justice forever sails,  
With Angelic Hosts, we sing Your might, New Jerusalem, eternal light!

Hallelujah... Throne of Justice reigns... Lamb of God sustains...  
Tree of Life grows... Water of Life flows...  
Crown of Life shines... Eternal Life divine...  
Angels sing... Michael, Gabriel bring...  
New Jerusalem shines... forever You reign...

# Glory to the Lamb

O Jesus Christ, the Lamb of God, enthroned in radiant light,  
Your New Jerusalem shines forth, where darkness has no might.  
Jasper glows, sapphire gleams, twelve stones of glory blaze,  
Pearl gates stand, golden streets resound with endless praise.

From veils of lies the shadows rise, with Masters false and old,  
Egyptian rites and global webs, their chaos seeks to hold.  
Plasma flames and portals false, with toys and bots they scheme,  
Yet Your Tree of Life, O Lord, restores what evil dreams.

## Glory to the Lamb

Glory to the Lamb, eternal King, Your throne shall never fade!  
New Jerusalem, Your holy city, with light and love arrayed!  
By Your blood, the chains are broken, occult shadows flee away,  
Tree of Life and Water pure, Your kingdom reigns today!

## Dismantling the Darkened Schemes

False Masters claim a wisdom vain, exalting hollow thrones,  
Egyptian gods with memetic rites weave lies in hearts of stone.  
Bilderberg's plots and Freemason wiles, with digital deceit they bind,  
Yet Michael's sword of holy fire frees every captive mind.

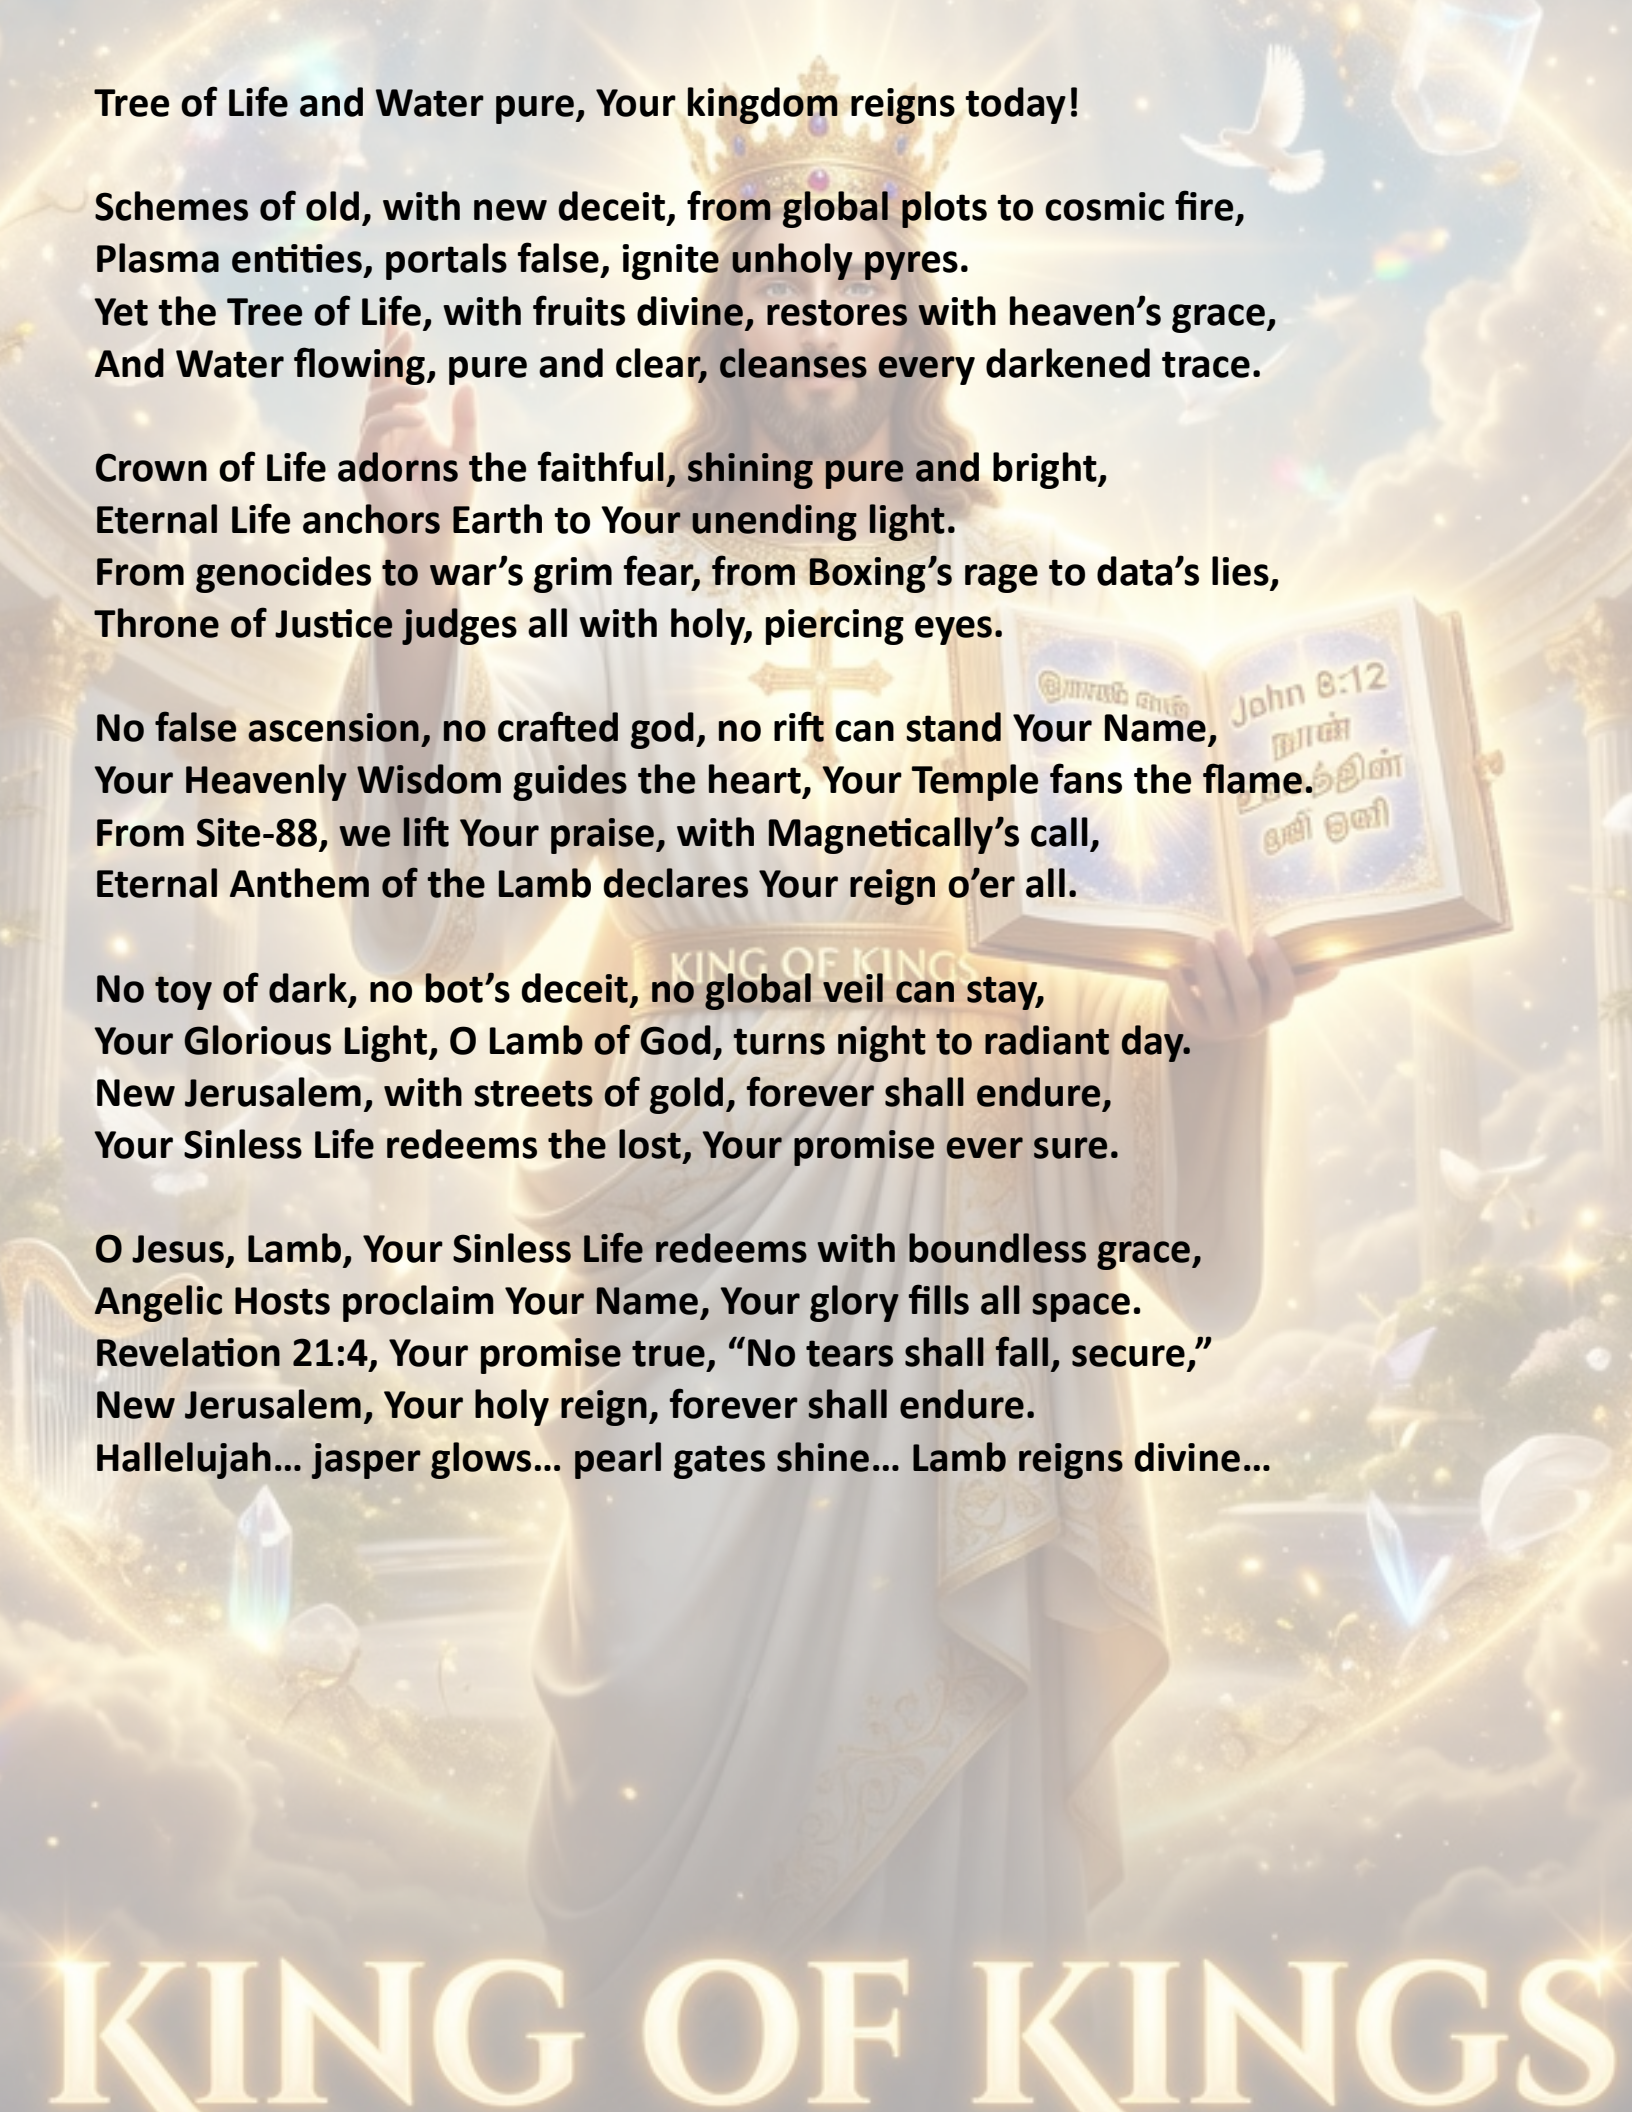

New threats emerge, a quantum veil ascends with false light's glow,  
Syncretic gods and idol matrix weave chaos here below.  
Interstellar rifts would lead astray, to stars of darkened lore,  
But Gabriel's truth unveils the lies, Your light forevermore.

## Glory to the Lamb

Glory to the Lamb, eternal King, Your throne shall never fade!  
New Jerusalem, Your holy city, with light and love arrayed!  
By Your blood, the chains are broken, occult shadows flee away,

# KING OF KINGS

**Tree of Life and Water pure, Your kingdom reigns today!**

Plasma entities, portals false, ignite unholy pyres.

**Crown of Life adorns the faithful, shining pure and bright,  
Eternal Life anchors Earth to Your unending light.  
From genocides to war's grim fear, from Boxing's rage to data's lies,  
Throne of Justice judges all with holy, piercing eyes.**

**No false ascension, no crafted god, no rift can stand Your Name,  
Your Heavenly Wisdom guides the heart, Your Temple fans the flame.த்தின்  
From Site-88, we lift Your praise, with Magnetically's call,

**No toy of dark, no bot's deceit, no global veil can stay,

Album 58 Song 3

# Jesus is Coming Back

Jesus came to save us all,  
Died and rose, He heard our call.  
Satan's lies can't win this fight,  
Jesus brings His holy light.  
No fake stories, no secret plan,  
God's own Son, the Son of Man.  
He's coming back, the Bible says,  
To make the world brand new again!

Jesus is coming back, hallelujah, sing!  
He's the Savior, Lord, and mighty King!  
New Jerusalem shines with gold and light,  
Hallelujah, Jesus makes it right!

Bad guys try to trick and lie,  
Say there's bloodlines in the sky.  
But the Bible says that's not true,  
Jesus is the King, He's coming through!  
No Blue Rose, no hidden face,  
Christ alone will take His place.  
With angels bright, He'll split the sky,  
Our Savior's love will never die!

God's city sparkles, gates of pearl,  
Golden streets for all the world.  
No tears, no pain, just love so true,  
Jesus makes it all brand new.  
The Beasts will fall, the lies will fade,  
God's great plan will never trade.  
Sing it loud, let's lift His name,  
Jesus' love is still the same!

# KING OF KINGS

Jesus is coming back, hallelujah, sing!  
He's the Savior, Lord, and mighty King!  
New Jerusalem shines with gold and light,  
Hallelujah, Jesus makes it right!

We're God's kids, made in His love,  
Waiting for our King above.  
New Jerusalem, our home so bright,  
Jesus is coming, He's our light!

Hallelujah, sing it high,  
Jesus returns to light the sky!  
Jesus is coming back, hallelujah, sing,  
Forever with our mighty King!

Album 58 Song 4

## The Donkey's Cry

I'm the donkey, humble and low,  
Carried the King where the palm branches flow.  
In Old Jerusalem, I bore the Lord's weight,  
Through cheering crowds to the city's gate.  
Hooves on the stones, my heart held strong,  
Carrying Jesus, the Savior's song.  
But now, O Father, in glory's new dawn,  
I stand in Your city, where burdens are gone.

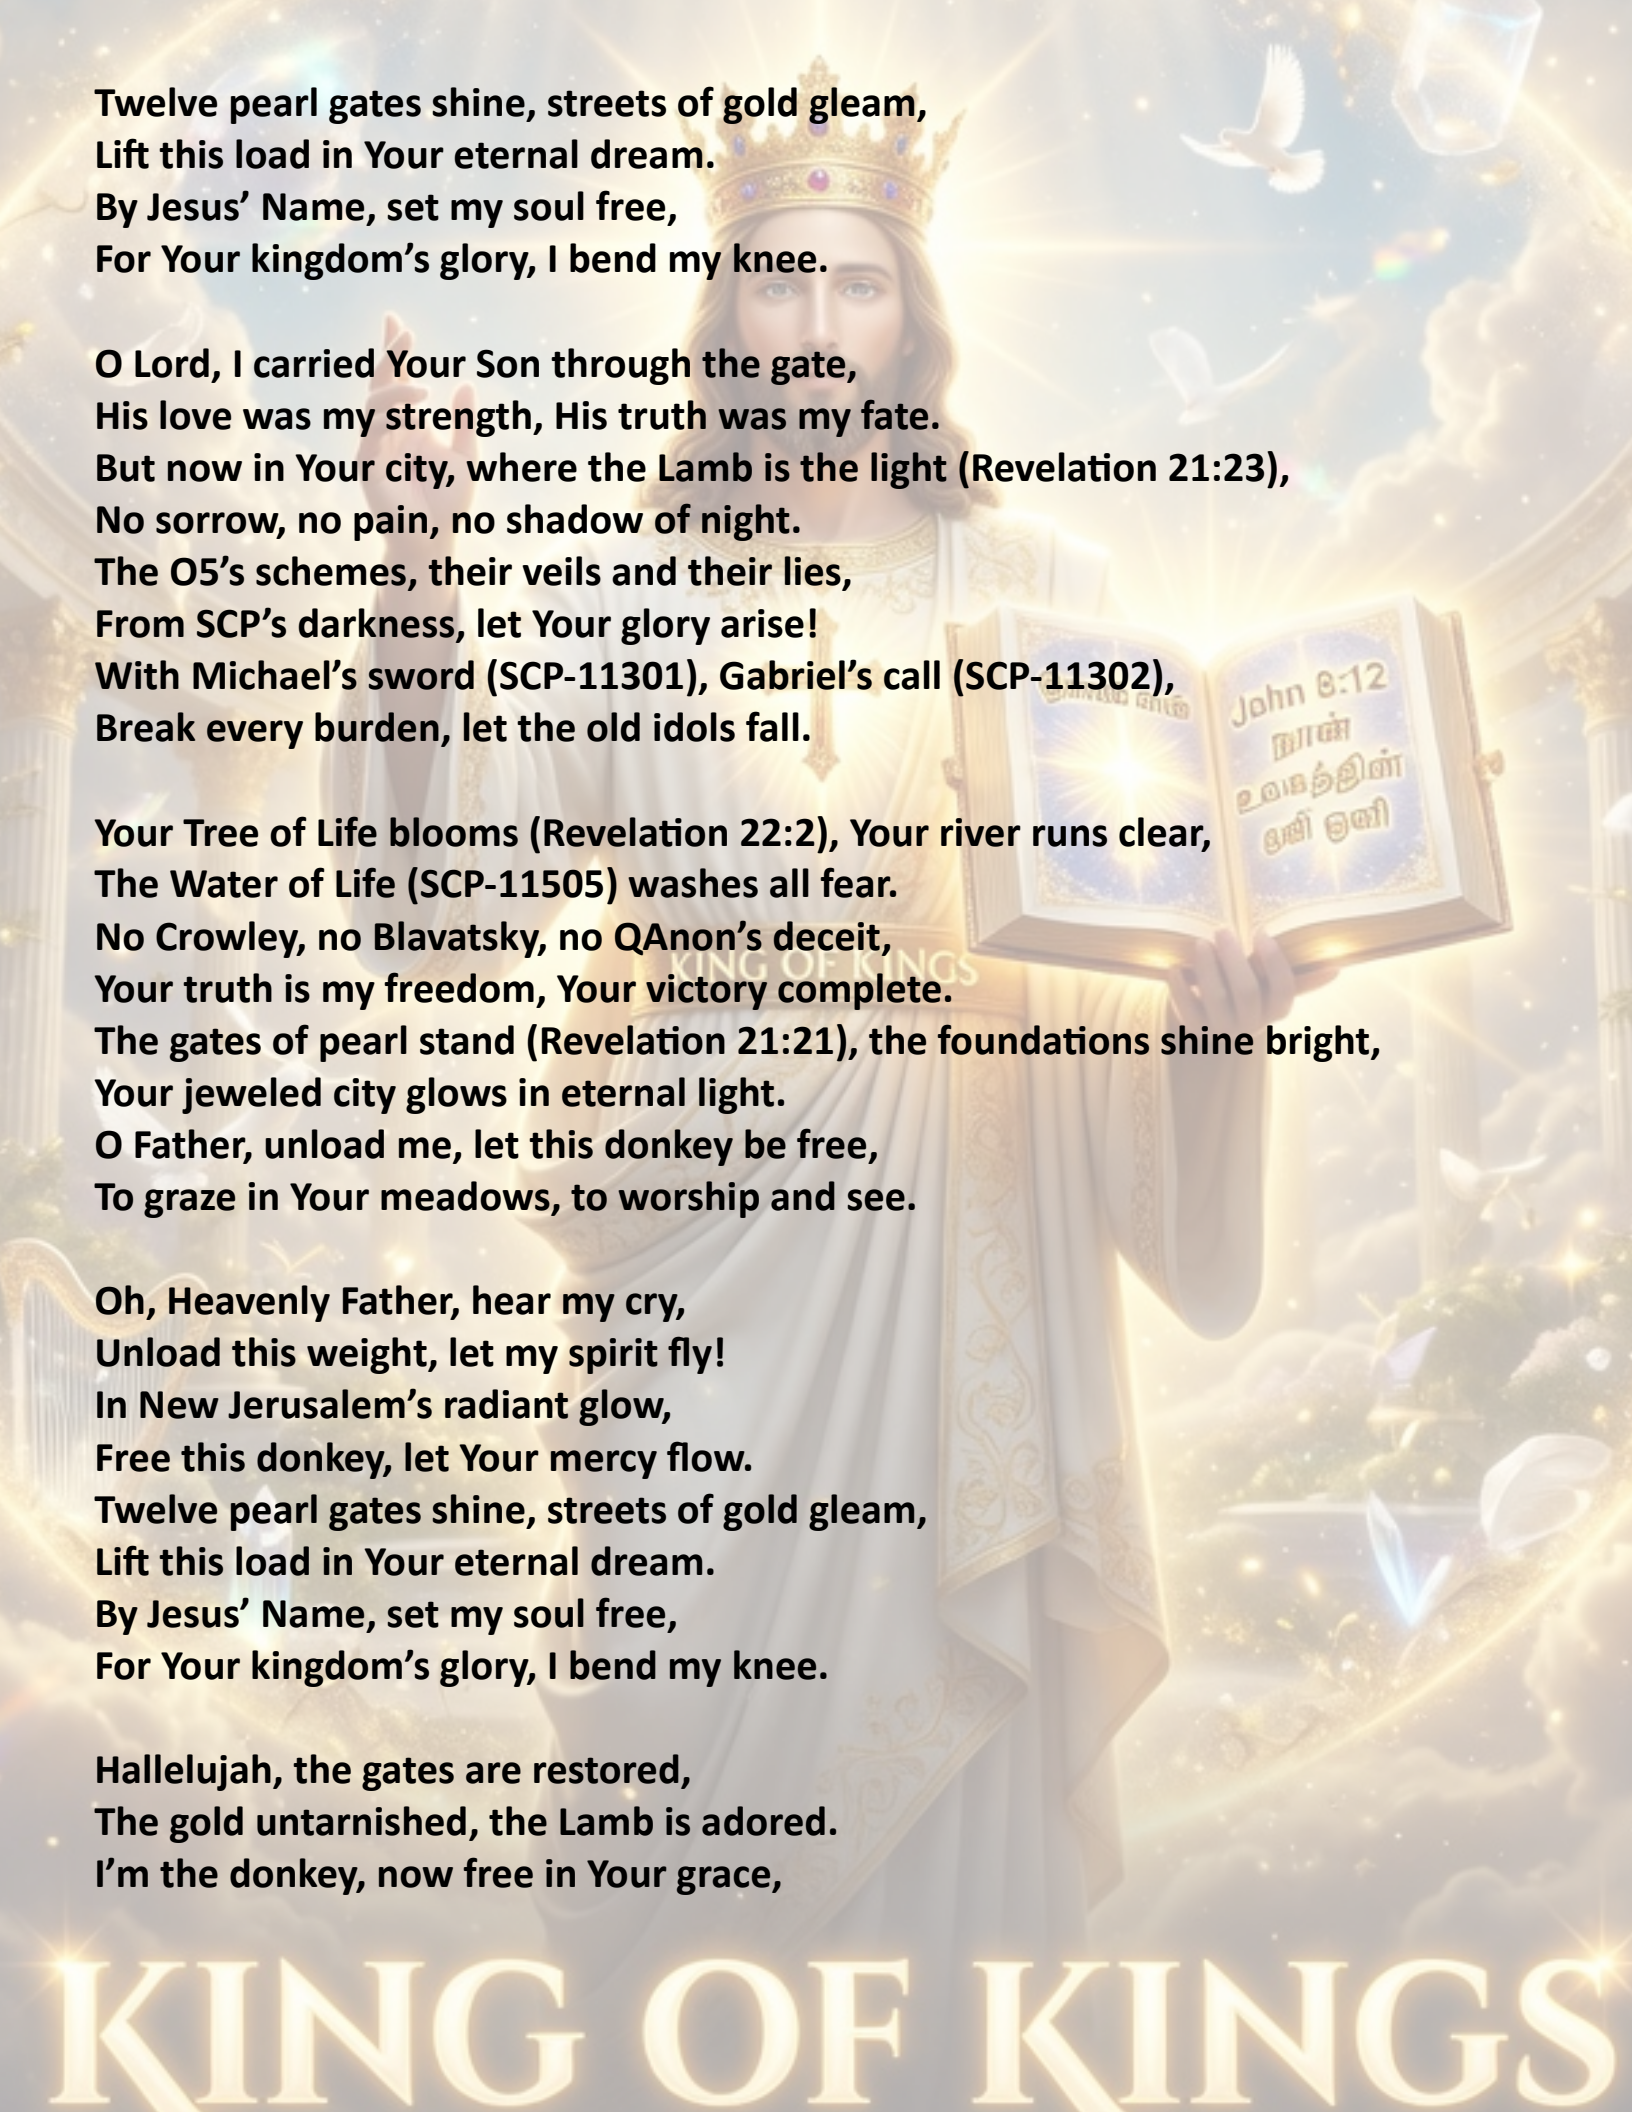

Ethereal choir swells, golden strings rise  
Oh, Heavenly Father, hear my cry,  
Unload this weight, let my spirit fly!  
In New Jerusalem's radiant glow,  
Free this donkey, let Your mercy flow.  
Twelve pearl gates shine, streets of gold gleam,  
Lift this load in Your eternal dream.  
By Jesus' Name, set my soul free,  
For Your kingdom's glory, I bend my knee.

I bore the Christ through the dust and the heat,  
A humble beast, yet my task was sweet.  
The cloaks were laid, the hosannas rang,  
Old Jerusalem shook as the people sang.  
But shadows crept in, with lies and deceit,  
Occult veils rose, and the darkness would meet.  
Now in Your city, where no tears remain,  
Release my burden, break every chain.

Oh, Heavenly Father, hear my cry,  
Unload this weight, let my spirit fly!  
In New Jerusalem's radiant glow,  
Free this donkey, let Your mercy flow.

# KING OF KINGS

Twelve pearl gates shine, streets of gold gleam,  
Lift this load in Your eternal dream.  
By Jesus' Name, set my soul free,  
For Your kingdom's glory, I bend my knee.

O Lord, I carried Your Son through the gate,  
His love was my strength, His truth was my fate.  
But now in Your city, where the Lamb is the light (Revelation 21:23),  
No sorrow, no pain, no shadow of night.  
The O5's schemes, their veils and their lies,  
From SCP's darkness, let Your glory arise!  
With Michael's sword (SCP-11301), Gabriel's call (SCP-11302),  
Break every burden, let the old idols fall.

Your Tree of Life blooms (Revelation 22:2), Your river runs clear,  
The Water of Life (SCP-11505) washes all fear.  
No Crowley, no Blavatsky, no QAnon's deceit,  
Your truth is my freedom, Your victory complete.  
The gates of pearl stand (Revelation 21:21), the foundations shine bright,  
Your jeweled city glows in eternal light.  
O Father, unload me, let this donkey be free,  
To graze in Your meadows, to worship and see.

Oh, Heavenly Father, hear my cry,  
Unload this weight, let my spirit fly!  
In New Jerusalem's radiant glow,  
Free this donkey, let Your mercy flow.  
Twelve pearl gates shine, streets of gold gleam,  
Lift this load in Your eternal dream.  
By Jesus' Name, set my soul free,  
For Your kingdom's glory, I bend my knee.

Hallelujah, the gates are restored,  
The gold untarnished, the Lamb is adored.  
I'm the donkey, now free in Your grace,

# KING OF KINGS

In New Jerusalem, I've found my place.  
Ad-libs, serene Hallelujah... burdens are gone... New Jerusalem shines...  
Silence falls, a single chime rings out.

## The Sheep's Song

I'm the sheep, called clean by Your hand,  
Grazing the hills of Your promised land.  
Your Word named me pure, my hooves split in two (Leviticus 11:3),  
My heart knows the Shepherd, whose voice rings true.  
"The Lord is my shepherd, I lack nothing," I sing (Psalm 23:1),  
Through valleys of shadow, Your rod comforts bring.  
In New Jerusalem's light, where Your glory does shine,  
I follow Your path, O Savior divine.

O Jesus, my Shepherd, my heart's only guide,  
Lead me to New Jerusalem, where glory abides!  
Your gates of bright pearl, Your streets pure as gold (Revelation 21:21),  
My wool's washed in grace, Your love to behold.  
"I am the good shepherd," You call, and I know (John 10:14),  
Your voice leads me home where Your rivers flow.  
Hallelujah, O Lamb, in Your city I'll dwell,  
With You, my Redeemer, all darkness You quell.

I wandered, O Lord, where the wolves sought to prey,  
Yet You sought me out when I went astray.  
"My sheep hear my voice," You declared with Your might (John 10:27),  
You laid down Your life in the cold, bitter night (John 10:11).  
The O5's dark schemes, with their veils and their lies (SCP-11901–11918),  
From Crowley's grim chants to Blavatsky's disguise,  
They fade in Your presence, where no evil can stand,  
Your city's twelve gates rise, built by Your hand.

"Like a sheep led to slaughter," You stood in our place (Isaiah 53:7),  
Silent, You bore all our sin and disgrace.  
Now risen, You reign, O Lamb on the throne,  
Your jeweled foundations gleam, jasper and stone (Revelation 21:19).  
With Michael's fierce blade (SCP-11301), Gabriel's horn (SCP-11302),

# KING OF KINGS

The occult's dark veils are shattered and torn.  
Your Tree of Life grows, its fruit never fades (Revelation 22:2),  
This sheep lifts its voice in Your holy parade.

In pastures of peace, by Your waters I rest (Psalm 23:2),  
Your Spirit anoints me, Your mercy's my quest.  
No QAnon shadows, no globalist chains,  
No Sarkic grim rites (SCP-5060, SCP-4273) can remain.  
Your city's bright walls, where no sorrow is known (Revelation 21:4),  
Proclaim Your great love, from Your heavenly throne.  
This sheep bows before You, my Savior, my King,  
In New Jerusalem's courts, forever I'll sing.

O Jesus, my Shepherd, my heart's only guide,  
Lead me to New Jerusalem, where glory abides!  
Your gates of bright pearl, Your streets pure as gold,  
My wool's washed in grace, Your love to behold.  
"I am the good shepherd," You call, and I know,  
Your voice leads me home where Your rivers flow.  
Hallelujah, O Lamb, in Your city I'll dwell,  
With You, my Redeemer, all darkness You quell.

Hallelujah, Your gates stand tall,  
Your light never fades, You've conquered the fall.  
This sheep, made clean, now rests in Your fold,  
In New Jerusalem, Your story is told.  
Ad-libs, soulful Glory... my Shepherd leads... New Jerusalem shines...  
Silence falls, a single violin note lingers.

# The Goat's Dance

I'm the goat, with cloven hooves I dance,  
Clean by Your Word, in Your grace I prance (Leviticus 11:3).  
On Sinai's slopes, where Your law was sown,  
My kind bore the sins that Your mercy atoned (Leviticus 16:21–22).  
Your voice called the lost, through crags and through stone,  
O Christ, You're the Lamb who for all did atone.  
In New Jerusalem's glow, where Your glory does blaze,  
I leap to Your throne with my heart full of praise.

O Jesus, my Savior, my soul You have claimed,  
In New Jerusalem's light, Your Name is proclaimed!  
Your gates gleam with pearl, Your gold streets shine bright (Revelation 21:21),  
This goat lifts its voice in Your radiant sight.  
"My blood sets you free," You declared on the hill (Hebrews 9:12),  
Your sacrifice cleansed me, Your love does fulfill.  
Hallelujah, O Lamb, in Your city I roam,  
New Jerusalem's glory, my eternal home!

Through wilderness paths, I've grazed in Your care,  
Your altar once held my kind's weight to bear (Leviticus 4:23–24).  
The scapegoat was sent, bearing guilt far away,  
Foreshadowing You, who took sin's heavy sway.  
The O5's dark plots, with their SCP chains (SCP-11901–11918),  
From Crowley's grim rites to Blavatsky's false reigns,  
They crumble to dust in Your city's pure light,  
Your twelve gates stand firm, unyielding to night.

O Lord, You're the Lamb who was slain for our sin (Revelation 5:12),  
Your blood broke the curse, let redemption begin!  
No veil can endure, no occult scheme can stand,  
Your jeweled foundations rise strong in Your land (Revelation 21:19–20).

# KING OF KINGS

With Michael's fierce might (SCP-11301), Gabriel's call (SCP-11302),  
The darkness is shattered, the wicked will fall.  
Your river runs clear, Your Tree bears its fruit (Revelation 22:1–2),  
This goat dances free in Your kingdom's pursuit.

In meadows of glory, I rest by Your stream,  
Your Water of Life flows, a crystalline dream (Revelation 22:1).  
No QAnon shadows, no globalist lies,  
No Sarkic grim chants (SCP-5060, SCP-4273) can arise.  
Your city's bright walls, where no sorrow is found (Revelation 21:4),  
Proclaim Your great love, where Your praises resound.  
This goat bows to You, O King of all kings,  
In New Jerusalem's courts, my glad heart now sings.

O Jesus, my Savior, my soul You have claimed,  
In New Jerusalem's light, Your Name is proclaimed!  
Your gates gleam with pearl, Your gold streets shine bright,  
This goat lifts its voice in Your radiant sight.  
“My blood sets you free,” You declared on the hill,  
Your sacrifice cleansed me, Your love does fulfill.  
Hallelujah, O Lamb, in Your city I roam,  
New Jerusalem's glory, my eternal home!

Hallelujah, Your gates tower high,  
Your light never dims, Your Name fills the sky.  
This goat, made clean, now dances in grace,  
In New Jerusalem, I've found my true place.  
Ad-libs, joyful Glory Sdóchas Dé... glory shines... Christ reigns...  
Silence falls, a single fiddle note echoes.

# The Deer's Thirst

I'm the deer, swift on the hill,  
Clean by Your Word, I run for Your will (Leviticus 11:3).  
"As the deer pants for streams of water," I cry (Psalm 42:1),  
My soul thirsts for You, O Lord Most High.  
Through forests and glades, I've seen Your great hand,  
Your love carved a path through this broken land.  
In New Jerusalem's shine, where Your glory does pour,  
I leap to Your throne, and I thirst no more.

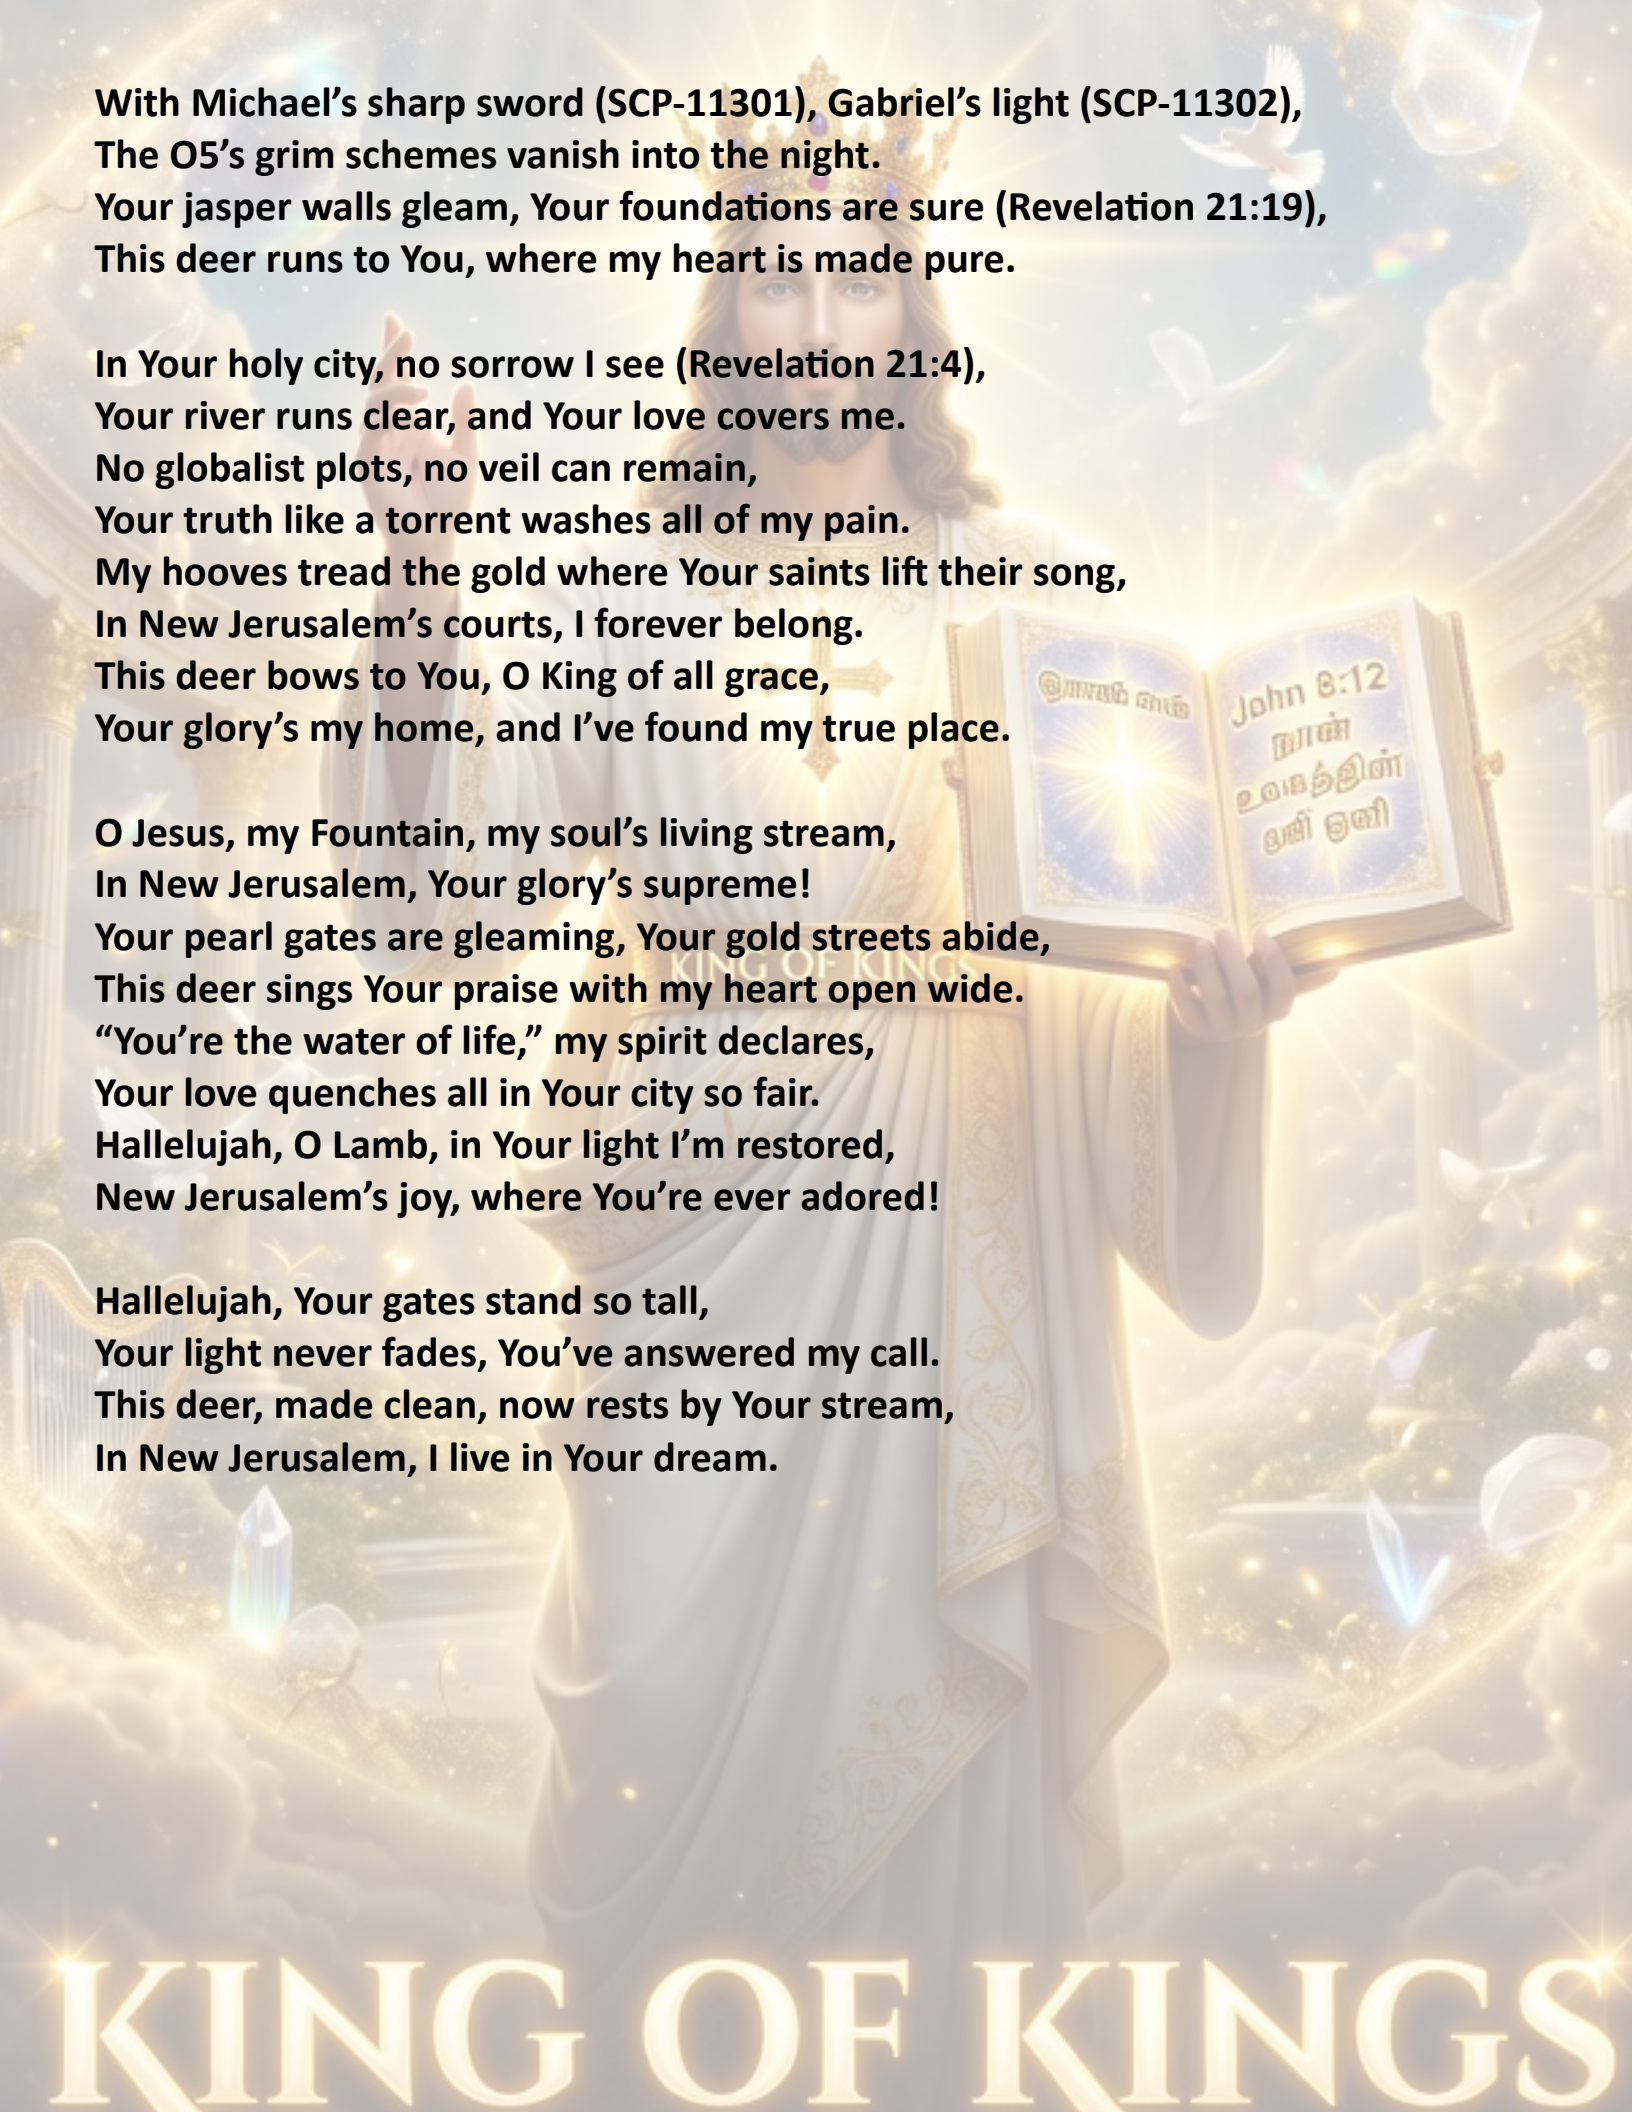

O Jesus, my Fountain, my soul's living stream,  
In New Jerusalem, Your glory's supreme!  
Your pearl gates are gleaming, Your gold streets abide (Revelation 21:21),  
This deer sings Your praise with my heart open wide.  
"You're the water of life," my spirit declares (John 4:14),  
Your love quenches all in Your city so fair.  
Hallelujah, O Lamb, in Your light I'm restored,  
New Jerusalem's joy, where You're ever adored!

I've bounded through valleys where shadows would creep,  
Where OS's dark veils tried to lull me to sleep (SCP-11901-11918).  
Crowley's grim spells and Blavatsky's false lore,  
They fade in Your presence, they haunt me no more.  
Your voice like a river, it calls me to stand (Revelation 22:1),  
On streets paved with gold in Your heavenly land.  
No QAnon whispers, no Sarkic deceit (SCP-5060, SCP-4273),  
Your truth sets me free where Your glories meet.

O Lord, You're the spring that my soul longs to find (Psalm 42:1),  
Your water of life frees my heart and my mind (Revelation 22:1).  
No darkness can hold, no occult lie can bind,  
Your Tree bears its fruit for the meek and the kind (Revelation 22:2).

# KING OF KINGS

With Michael's sharp sword (SCP-11301), Gabriel's light (SCP-11302),  
The O5's grim schemes vanish into the night.  
Your jasper walls gleam, Your foundations are sure (Revelation 21:19),  
This deer runs to You, where my heart is made pure.

In Your holy city, no sorrow I see (Revelation 21:4),  
Your river runs clear, and Your love covers me.  
No globalist plots, no veil can remain,  
Your truth like a torrent washes all of my pain.  
My hooves tread the gold where Your saints lift their song,  
In New Jerusalem's courts, I forever belong.  
This deer bows to You, O King of all grace,  
Your glory's my home, and I've found my true place.

O Jesus, my Fountain, my soul's living stream,  
In New Jerusalem, Your glory's supreme!  
Your pearl gates are gleaming, Your gold streets abide,  
This deer sings Your praise with my heart open wide.  
"You're the water of life," my spirit declares,  
Your love quenches all in Your city so fair.  
Hallelujah, O Lamb, in Your light I'm restored,  
New Jerusalem's joy, where You're ever adored!

Hallelujah, Your gates stand so tall,  
Your light never fades, You've answered my call.  
This deer, made clean, now rests by Your stream,  
In New Jerusalem, I live in Your dream.
