Album 59 Yoke-Bearer & Shepherd's Refuge

Album 59 Song 1

The Ox's Yoke

I'm the ox, strong and clean by Your call,
Treading the fields, I answer Your thrall (Leviticus 11:3).
"Take my yoke upon you," You spoke to the meek (Matthew 11:29),
Your burden is light, it's Your rest that I seek.
Through furrows of earth, I've plowed in Your name,
Carrying Your truth, spreading Your fame.
In New Jerusalem's glow, where Your glory does rise,
I lift up my voice to the King in the skies.

O Jah-Jesus, my Yoke-Bearer, I sing (Yah, I sing!),
In New Jerusalem, Your praises I bring (Praises bring!).
Your pearl gates flash fire, Your gold streets they blaze (Revelation 21:21),
This ox shouts Your glory through all of my days.
You bore my load, set my spirit to soar (Matthew 11:30),
Your love is my strength, I'm bound no more.
Hallelujah, O Lamb, in Your city I stand,
New Jerusalem's Zion, Your holy land!

I've toiled through the dust where the wicked would scheme,
O5's dark veils tried to steal Your dream (SCP-11901-11918).
Crowley's false chants, Blavatsky's vain lore,
Their shadows can't hold in Your city's bright core.
Your Word is my guide, like a plow through the sod,
"No one who plows looks back," says my God (Luke 9:62).
No QAnon lies, no Sarkic grim rite (SCP-5060, SCP-4273),
Your truth clears the way in Your radiant light.

**O Jah-Jesus, my Yoke-Bearer, I sing (Yah, I sing!),
In New Jerusalem, Your praises I bring (Praises bring!).
Your pearl gates flash fire, Your gold streets they blaze,
This ox shouts Your glory through all of my days.
You bore my load, set my spirit to soar,
Your love is my strength, I'm bound no more.
Hallelujah, O Lamb, in Your city I stand,
New Jerusalem's Zion, Your holy land!**

**O Christ, You're the Ox who was slain for my sin (Isaiah 1:3),
Your yoke broke the chains, let redemption begin!
No occult can stand, no veil can endure,
Your jeweled foundations shine holy and pure (Revelation 21:19).
With Michael's great might (SCP-11301), Gabriel's sound (SCP-11302),
The darkness is crushed where Your light is found.
Your river runs free, Your Tree bears its bloom (Revelation 22:1-2),
This ox dances now in Your heavenly room.**

**In Your holy Zion, no sorrow I bear (Revelation 21:4),
Your Water of Life flows, Your mercy is there.
No globalist plots, no deceit can abide,
Your truth like a fire burns the lies that they hide.
My hooves tread the gold where Your saints all unite,
In New Jerusalem's courts, bathed in Your light.
This ox bows to You, O King of all might,
Your glory's my home, where I rest in Your sight.**

**Bassline fades, organ hums softly, single drum kick
Hallelujah, Your gates rise so grand,
Your light never dims, You've redeemed every land.
This ox, made clean, now rests in Your grace,
In New Jerusalem, I've found my true place.
Ad-libs, soulful Jah... my Yoke-Bearer reigns... Zion shines...
Silence falls, a single organ chord lingers.**

Album 59 Song 2

The Gazelle's Leap

I'm the gazelle, swift and clean by Your grace,
Bounding through mountains, I seek Your face (Leviticus 11:3).
"Your beauty is like the gazelle," Your Word does sing (Song of Solomon 2:9),
O Christ, my Redeemer, my heart's holy King.
Through hills and high places, I've seen Your great light,
Your mercy has led me through shadows of night.
In New Jerusalem's splendor, where Your glory does reign,
I lift up my voice in Your heavenly domain.

O Jesus, my King, Your Name I adore,
In New Jerusalem, I worship You more!
Your gates shine with pearl, Your streets gleam with gold (Revelation 21:21),
This gazelle sings Your praise, Your wonders untold.
"You are my hiding place," my soul does proclaim (Psalm 32:7),
Your love lifts me high in Your glorious Name.
Hallelujah, O Lamb, in Your city I rise,
New Jerusalem's light fills the earth and the skies!

I've leaped over valleys where darkness would creep,
Where O5's grim veils sought Your faithful to sweep (SCP-11901-11918).
Crowley's foul spells and Blavatsky's false dreams,
They falter and fade in Your city's bright beams.
"My beloved is like a gazelle," swift on the hills (Song of Solomon 2:17),
Your grace runs before me, Your Spirit fulfills.
No QAnon shadows, no Sarkic cruel rite (SCP-5060, SCP-4273),
Your truth breaks their chains in Your radiant light.

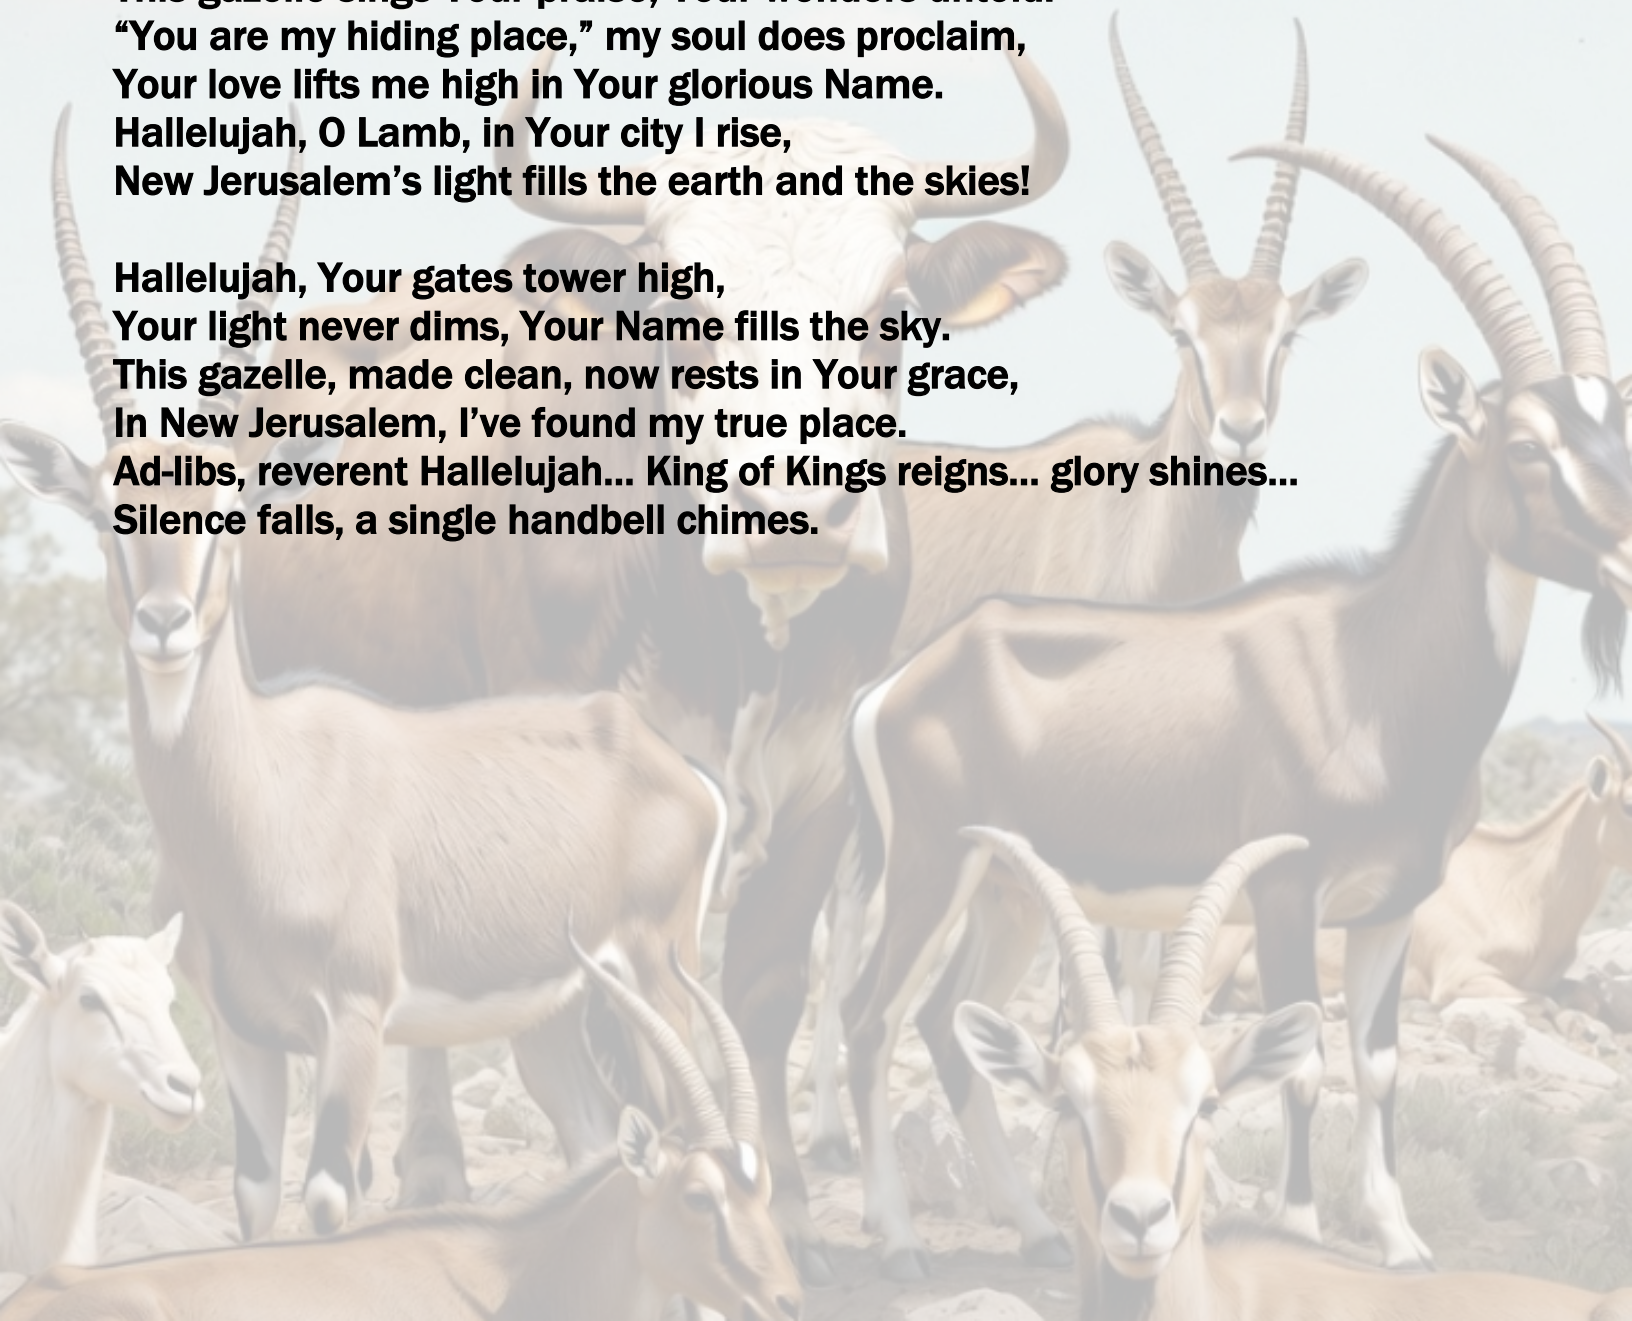

O Lord, You're the King who has conquered all sin (Revelation 19:16),
Your victory has called me, Your grace draws me in.
No darkness can linger, no lie can abide,
Your jeweled foundations shine forth far and wide (Revelation 21:19).
With Michael's great sword (SCP-11301), Gabriel's voice (SCP-11302),
The O5's dark schemes are destroyed by Your choice.
Your Tree gives its fruit, Your river flows free (Revelation 22:1-2),

This gazelle leaps for joy in Your eternity.

**In Your holy city, no sorrow I know (Revelation 21:4),
Your light like a jasper, Your glory does glow.
No globalist falsehoods, no veils can remain,
Your truth like a fire burns away every chain.
My hooves grace the gold where Your saints lift their song,
In New Jerusalem's courts, I forever belong.
This gazelle bows to You, O Lord of all might,
Your kingdom's my refuge, my heart's pure delight.**

**O Jesus, my King, Your Name I adore,
In New Jerusalem, I worship You more!
Your gates shine with pearl, Your streets gleam with gold,
This gazelle sings Your praise, Your wonders untold.
"You are my hiding place," my soul does proclaim,
Your love lifts me high in Your glorious Name.
Hallelujah, O Lamb, in Your city I rise,
New Jerusalem's light fills the earth and the skies!**

**Hallelujah, Your gates tower high,
Your light never dims, Your Name fills the sky.
This gazelle, made clean, now rests in Your grace,
In New Jerusalem, I've found my true place.
Ad-libs, reverent Hallelujah... King of Kings reigns... glory shines...
Silence falls, a single handbell chimes.**

Album 59 Song 3

The Antelope's Freedom

**I'm the antelope, clean by Your holy decree,
Swift through the wild, Your grace covers me (Leviticus 11:3).
"Like a gazelle or young stag," I leap to Your call (Song of Solomon 2:9),
O Christ, my Deliverer, You've broken my fall.
Through deserts and plains, I've run in Your sight,
Your mercy has led me through trials of night.
In New Jerusalem's glory, where Your light never fades,
I sing of Your freedom, my soul You've upraised.**

**O Jesus, my Deliverer, I'm free in Your Name (Oh, free in Your Name!),
In New Jerusalem, Your love sets the flame (Love sets the flame!).
Your pearl gates are shining, Your gold streets aglow (Revelation 21:21),
This antelope's heart sings where Your rivers flow.
"You've loosed all my bonds," my spirit cries out (Psalm 116:7),

New Jerusalem's light, where I'll never roam!**

**I've fled through the wild where the shadows would chase,
OS's dark veils tried to hide Your sweet grace (SCP-11901-11918).
Crowley's grim chants, Blavatsky's false ways,
They crumble to dust in Your heavenly rays.
"My soul's been delivered," I sing with my might (Psalm 18:48),

New Jerusalem's light, where I'll never roam!

**O Lord, You're the Savior who freed me from strife (Psalm 18:48),
Your blood bought my soul, gave me eternal life.
No evil can stand, no veil can endure,
Your jeweled foundations shine holy and pure (Revelation 21:19).
With Michael's bold sword (SCP-11301), Gabriel's cry (SCP-11302),
The O5's grim plots vanish into the sky.
Your Tree bears its fruit, Your river runs clear (Revelation 22:1-2),
This antelope's free, for Your kingdom is near.**

**In Your holy Zion, no sorrow I find (Revelation 21:4),
Your light fills my soul, and Your peace calms my mind.
No globalist schemes, no deceit can abide,
Your truth like a fire burns the lies they provide.
My hooves tread the gold where Your saints raise their song,
In New Jerusalem's courts, I forever belong.
This antelope bows to You, Lord of all grace,
Your glory's my shelter, my heart's resting place.**

**Hallelujah, Your gates stand so grand,
Your light never dims, You've redeemed every land.
This antelope, clean, now rests in Your grace,
In New Jerusalem, I've found my true place.
Ad-libs, soulful Glory... my Deliverer reigns... freedom shines...
Silence falls, a single saxophone note lingers.**

Album 59 Song 4

The Wild Goat's Refuge

**I'm the wild goat, carved by Your hand divine,
Clean in Your sight, on the crags I climb
On rocky heights, where the wild goats roam
I find my shelter in Your steadfast home.
Through barren lands, where the cold winds moan,
Your love's my beacon, Your heart my own.
In New Jerusalem's glow, where Your glories unfold,
My hooves tread soft on Your streets of gold.**

**O Jesus, my Refuge, my soul's quiet rest,
In New Jerusalem, Your mercy's expressed.
Your pearl gates glimmer like dawn's early flame,
This wild goat weeps at the sound of Your Name.
"My fortress, my rock," I cry to the skies,
Your love lifts my spirit where no sorrow lies.
Hallelujah, O Lamb, in Your city I'm free,
New Jerusalem's light shines eternally!**

**I've scaled the cliffs where the shadows conspire,
05's dark veils weave their lies in the mire.
Crowley's grim whispers, Blavatsky's cold schemes,
They fade like dust in Your radiant dreams.
"Who will rise for me 'gainst the wicked's cruel art?" ,
You stand as my Savior, You dwell in my heart.
No QAnon fables, no Sarkic dark chains ,
Your truth breaks their hold, Your mercy remains.**

**O Jesus, my Refuge, my soul's quiet rest,
In New Jerusalem, Your mercy's expressed.
Your pearl gates glimmer like dawn's early flame,**

This wild goat weeps at the sound of Your Name.

"My fortress, my rock," I cry to the skies,

Your love lifts my spirit where no sorrow lies.

Hallelujah, O Lamb, in Your city I'm free,

New Jerusalem's light shines eternally!

O Lord, You're the Rock where my heart finds its stay,

Your cross bore my burden, washed my sins away.

No veil can shroud Your city's bright gleam,

Your jasper walls flow like a crystalline stream.

Michael's sword flashes Gabriel calls,

The O5's grim shadows crumble and fall.

Your Tree bears sweet fruit, Your river runs wide,

This wild goat rests safe where Your glories abide.

In Your holy Zion, no teardrops I shed,

Your light warms my soul where the faithful are led.

No globalist lies, no deceit can endure,

Your truth burns like fire, Your Word ever pure.

My hooves grace the gold where Your saints weave their praise,

In New Jerusalem's courts, I'll dwell all my days.

This wild goat bows low to You, King of all light,

Your kingdom's my haven, my heart's pure delight.

In New Jerusalem's glow, where Your glory's unveiled,
I sing to my Savior, whose promise prevailed.**

The Addax's Song

**I'm the addax, clean in Your sacred sight,
Wandering deserts, I seek Your light.
"Wild goats roam the hills," Your Word does decree,
O Christ, my Redeemer, Your mercy's for me.
Through sands of affliction, where hope seemed to fade,
Your love carved a path, Your promise was made.

The Bifrost Cascade, with its rainbow deceit,
Opens portals of chaos, where shadows entreat.
