Album 48 - Victory Over Terror and Mystic Chains

Album 48 Song 1

A Song of Worship and Triumph

**O Lord, You reign above the stars,
Your truth outshines the darkest scars.
Babylon's wine has led astray (Revelation 17:2),
But Your light guides us to Your way (John 17:17).**

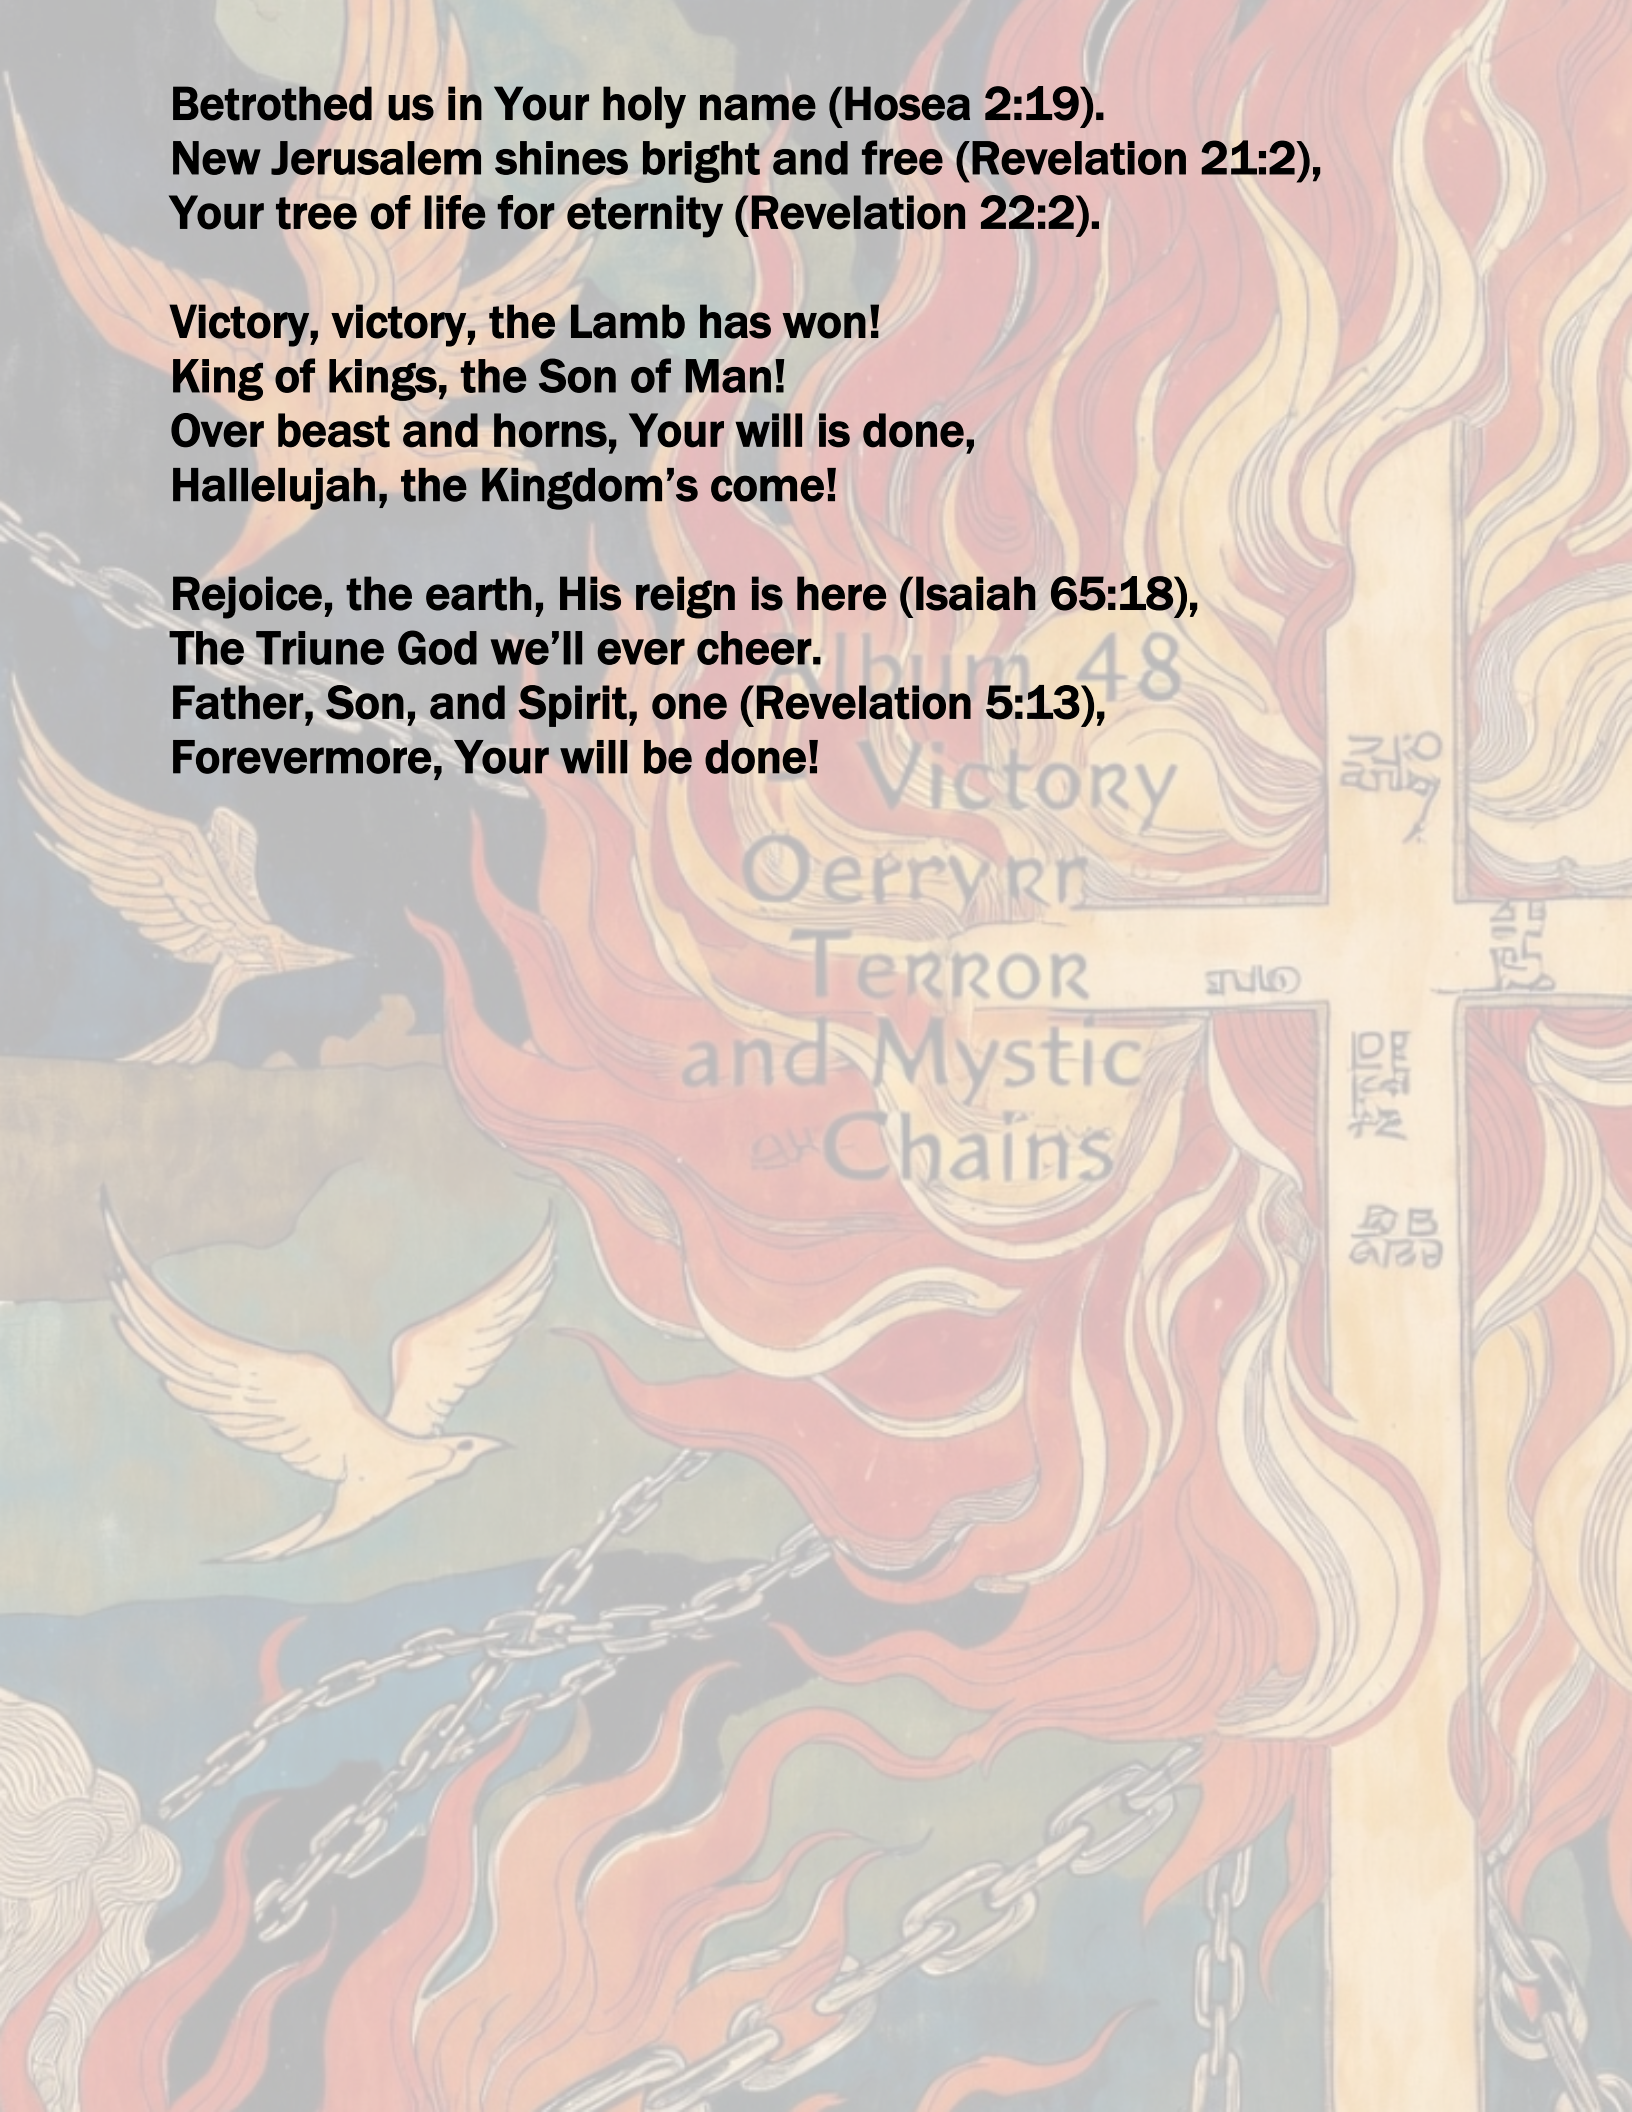

**Victory, victory, the Lamb has won!
King of kings, the Son of Man (Daniel 7:13)!
Over beast and horns, Your will is done (Revelation 19:15),
Hallelujah, the Kingdom's come!**

**The ten horns rise for one brief hour (Revelation 17:12),
Their war against the Lamb devours (Revelation 17:14).
But Jesus rides with sword of might (Revelation 19:11),
His glory breaks the chains of night.**

**Victory, victory, the Lamb has won!
King of kings, the Son of Man!
Over beast and horns, Your will is done,
Hallelujah, the Kingdom's come!**

**Decode the lies, O Spirit true (John 16:13),
Recode our hearts with love anew (Jeremiah 31:33).
From Armageddon's war, bring peace (Revelation 16:16),
Let living waters never cease (Zechariah 14:8).**

Your Servant bore our sins and shame (Isaiah 53:5),

The background is a stylized illustration of a book cover. It features large, flowing flames in shades of red, orange, and yellow. Several heavy metal chains are draped across the scene. Three birds, possibly doves, are shown in flight against a blue and green background. The overall theme is one of liberation and triumph.

**Betrothed us in Your holy name (Hosea 2:19).
New Jerusalem shines bright and free (Revelation 21:2),
Your tree of life for eternity (Revelation 22:2).**

**Victory, victory, the Lamb has won!
King of kings, the Son of Man!
Over beast and horns, Your will is done,
Hallelujah, the Kingdom's come!**

**Rejoice, the earth, His reign is here (Isaiah 65:18),
The Triune God we'll ever cheer.
Father, Son, and Spirit, one (Revelation 5:13),
Forevermore, Your will be done!**

Holy Spirit Break Terror Chains

**Oh... light pierces terror's hold...
Oh... peace restores broken souls...
Rise, rise, glory reigns above...
Holy Spirit, redeem the nations' love!
("Shine... in eternal light...")**

**In Kashmir's fields, Masood Azhar sows dread,
Jaish-e-Mohammed spills blood, war's shadow spreads.
Pulwama's pain, forty lives lost in flame,
Terror's fire burns, Kashmir bears the shame.
Hindus, Muslims, Sikhs, bound in fear's embrace,
Holy Spirit, shatter chains, bring peace to this place.
Light of truth, cast darkness far below,
Guide the nations where healing rivers flow.
("Oh, darkness... flee now...")**

**Holy Spirit, break the chains of terror, O Lord!
With angelic might, divine truth restored!
From chaos' grip to holy flame,
Righteous love restores sacred name!
Oh, sing, sing, of sovereign grace,
Oh, rise, rise, in sacred place!
Demons flee, light makes whole,
Holy Spirit, redeem the soul!
("Glory... shine forevermore...")**

**In Somalia's deserts, Al-Shabaab spreads death,
Westgate, Garissa, steal countless breath.
Ahmad Umar's terror, false Sharia's vow,
Blood rivers flow, Somalia bows.**

**Fear grips the land, from coast to dusty plain,
Holy Spirit, crush the lies, end oppression's reign.
Justice rise, let peace's lamp ignite,
Cast out shadows with everlasting light.
("Oh, death... be defeated...")**

**Mexico's streets, Sinaloa and CJNG rule,
El Chapo, El Mencho, wield bloodshed cruel.
Cartels' empires, built on drugs and pain,
Veracruz weeps, graves mark their gain.
Santa Muerte, death's idol, grants dark favor,
Narcos worship, dread becomes their savior.
Holy Spirit, break this deadly trance,
Fill with light, lead to life's true dance.
("Oh, chains... break apart...")**

**Terror's strongholds, now no more...
Holy Spirit, truth restores!
Death's dark bonds, broken and scattered...
sing, light unshattered!
Demonic powers, cast to abyss deep...
Holy fire, eternal glory keep!
("Oh, mercy... purify the earth...")**

**Holy Spirit, break the chains of terror, O Lord!
With angelic might, divine truth restored!
From chaos' grip to holy flame,
Righteous love restores sacred name!
Oh, sing, sing, of sovereign grace,
Oh, rise, rise, in sacred place!
Demons flee, light makes whole,
Holy Spirit, redeem the soul!
(Spirit, eternal light!)"**

**Oh... Spirit... light of wounded lands...
In broken hearts, truth forever stands...
From shadows deep, glory ever flows...
Holy Spirit, forever close...
("Forever... divine glow...")**

Break the strongholds, let freedom's anthem sing!
¡Luz eterna, derriba el terror ya!
Hope's dawn rises, peace shall spread its wing.
("Oh, darkness... fall fast!")**

**Terror's towers, crash to dust...
Murs d'horreur, tombent sans retour
Holy Spirit, truth's a must!
Chaos' chains, shattered in flame...
Cadenas rotas, ¡luz proclama!
Angels roar, Licht siegt mit Kraft!
Demons scatter, abyss their fate...
Feu divin, gloire éclate!
("Oh, mercy... cleanse the lands!")**

**Holy Spirit, crush the chaos, O Lord!
Esprit Saint, écrase le chaos, Seigneur!**

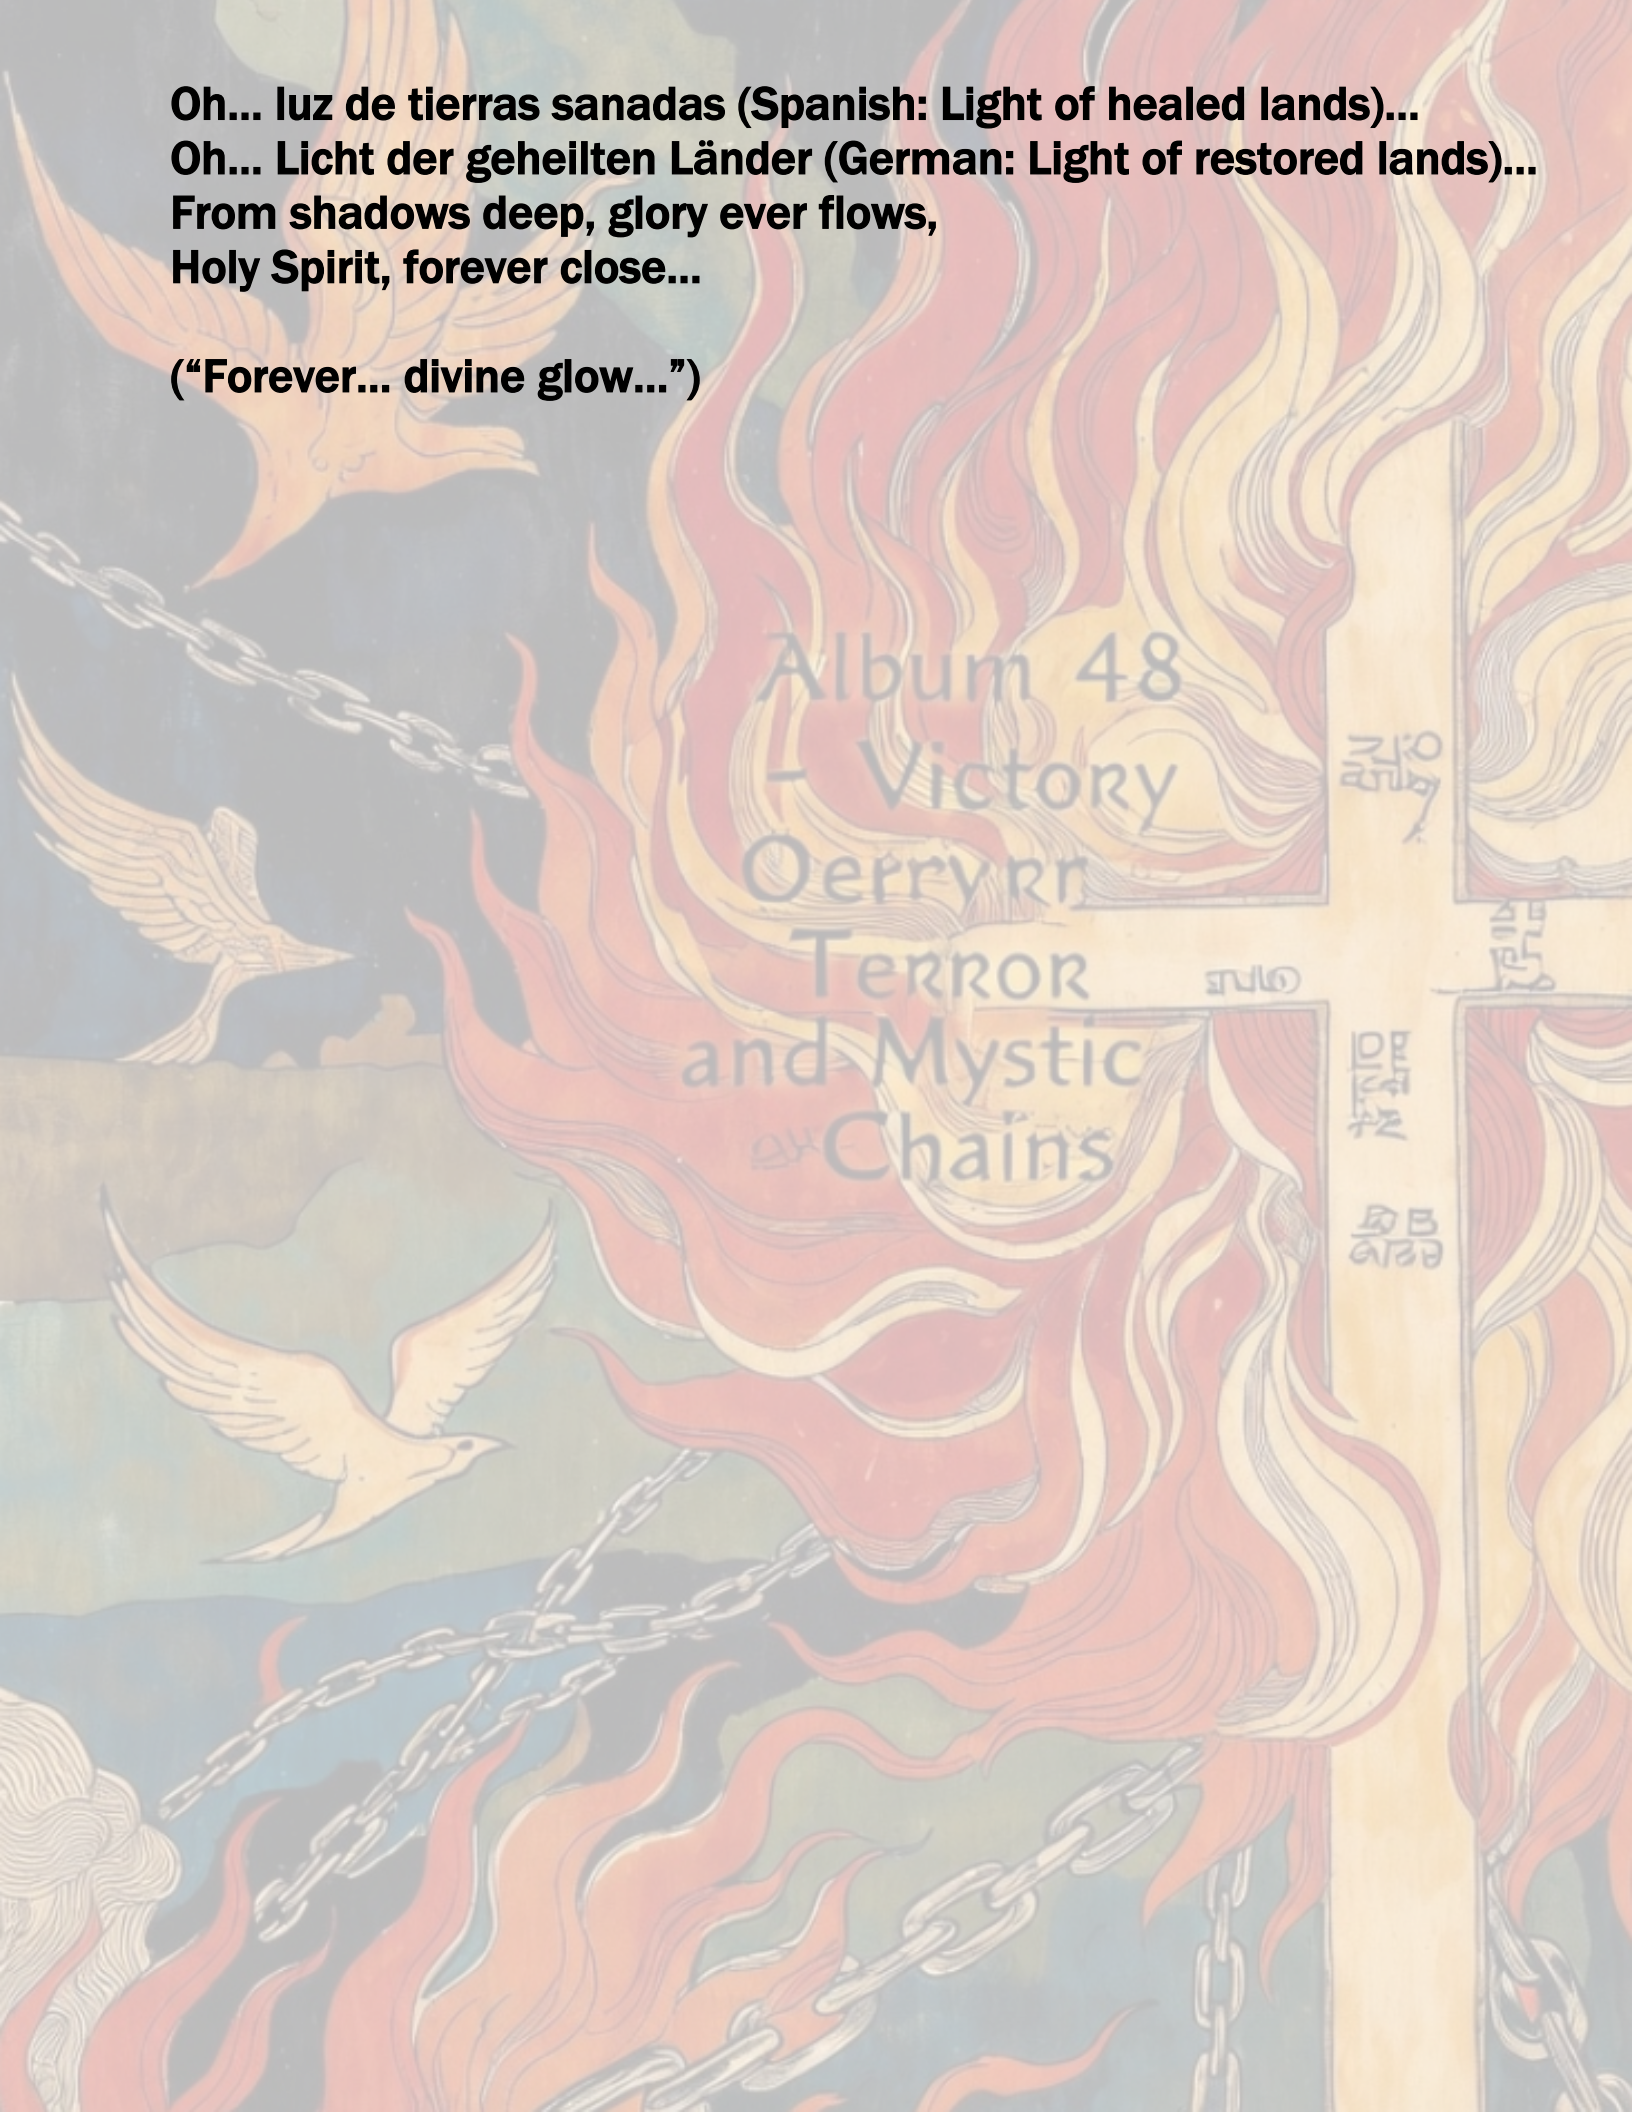

**¡Espíritu Santo, aplasta el caos, Señor!

Light Cuts Through Terror's Haze

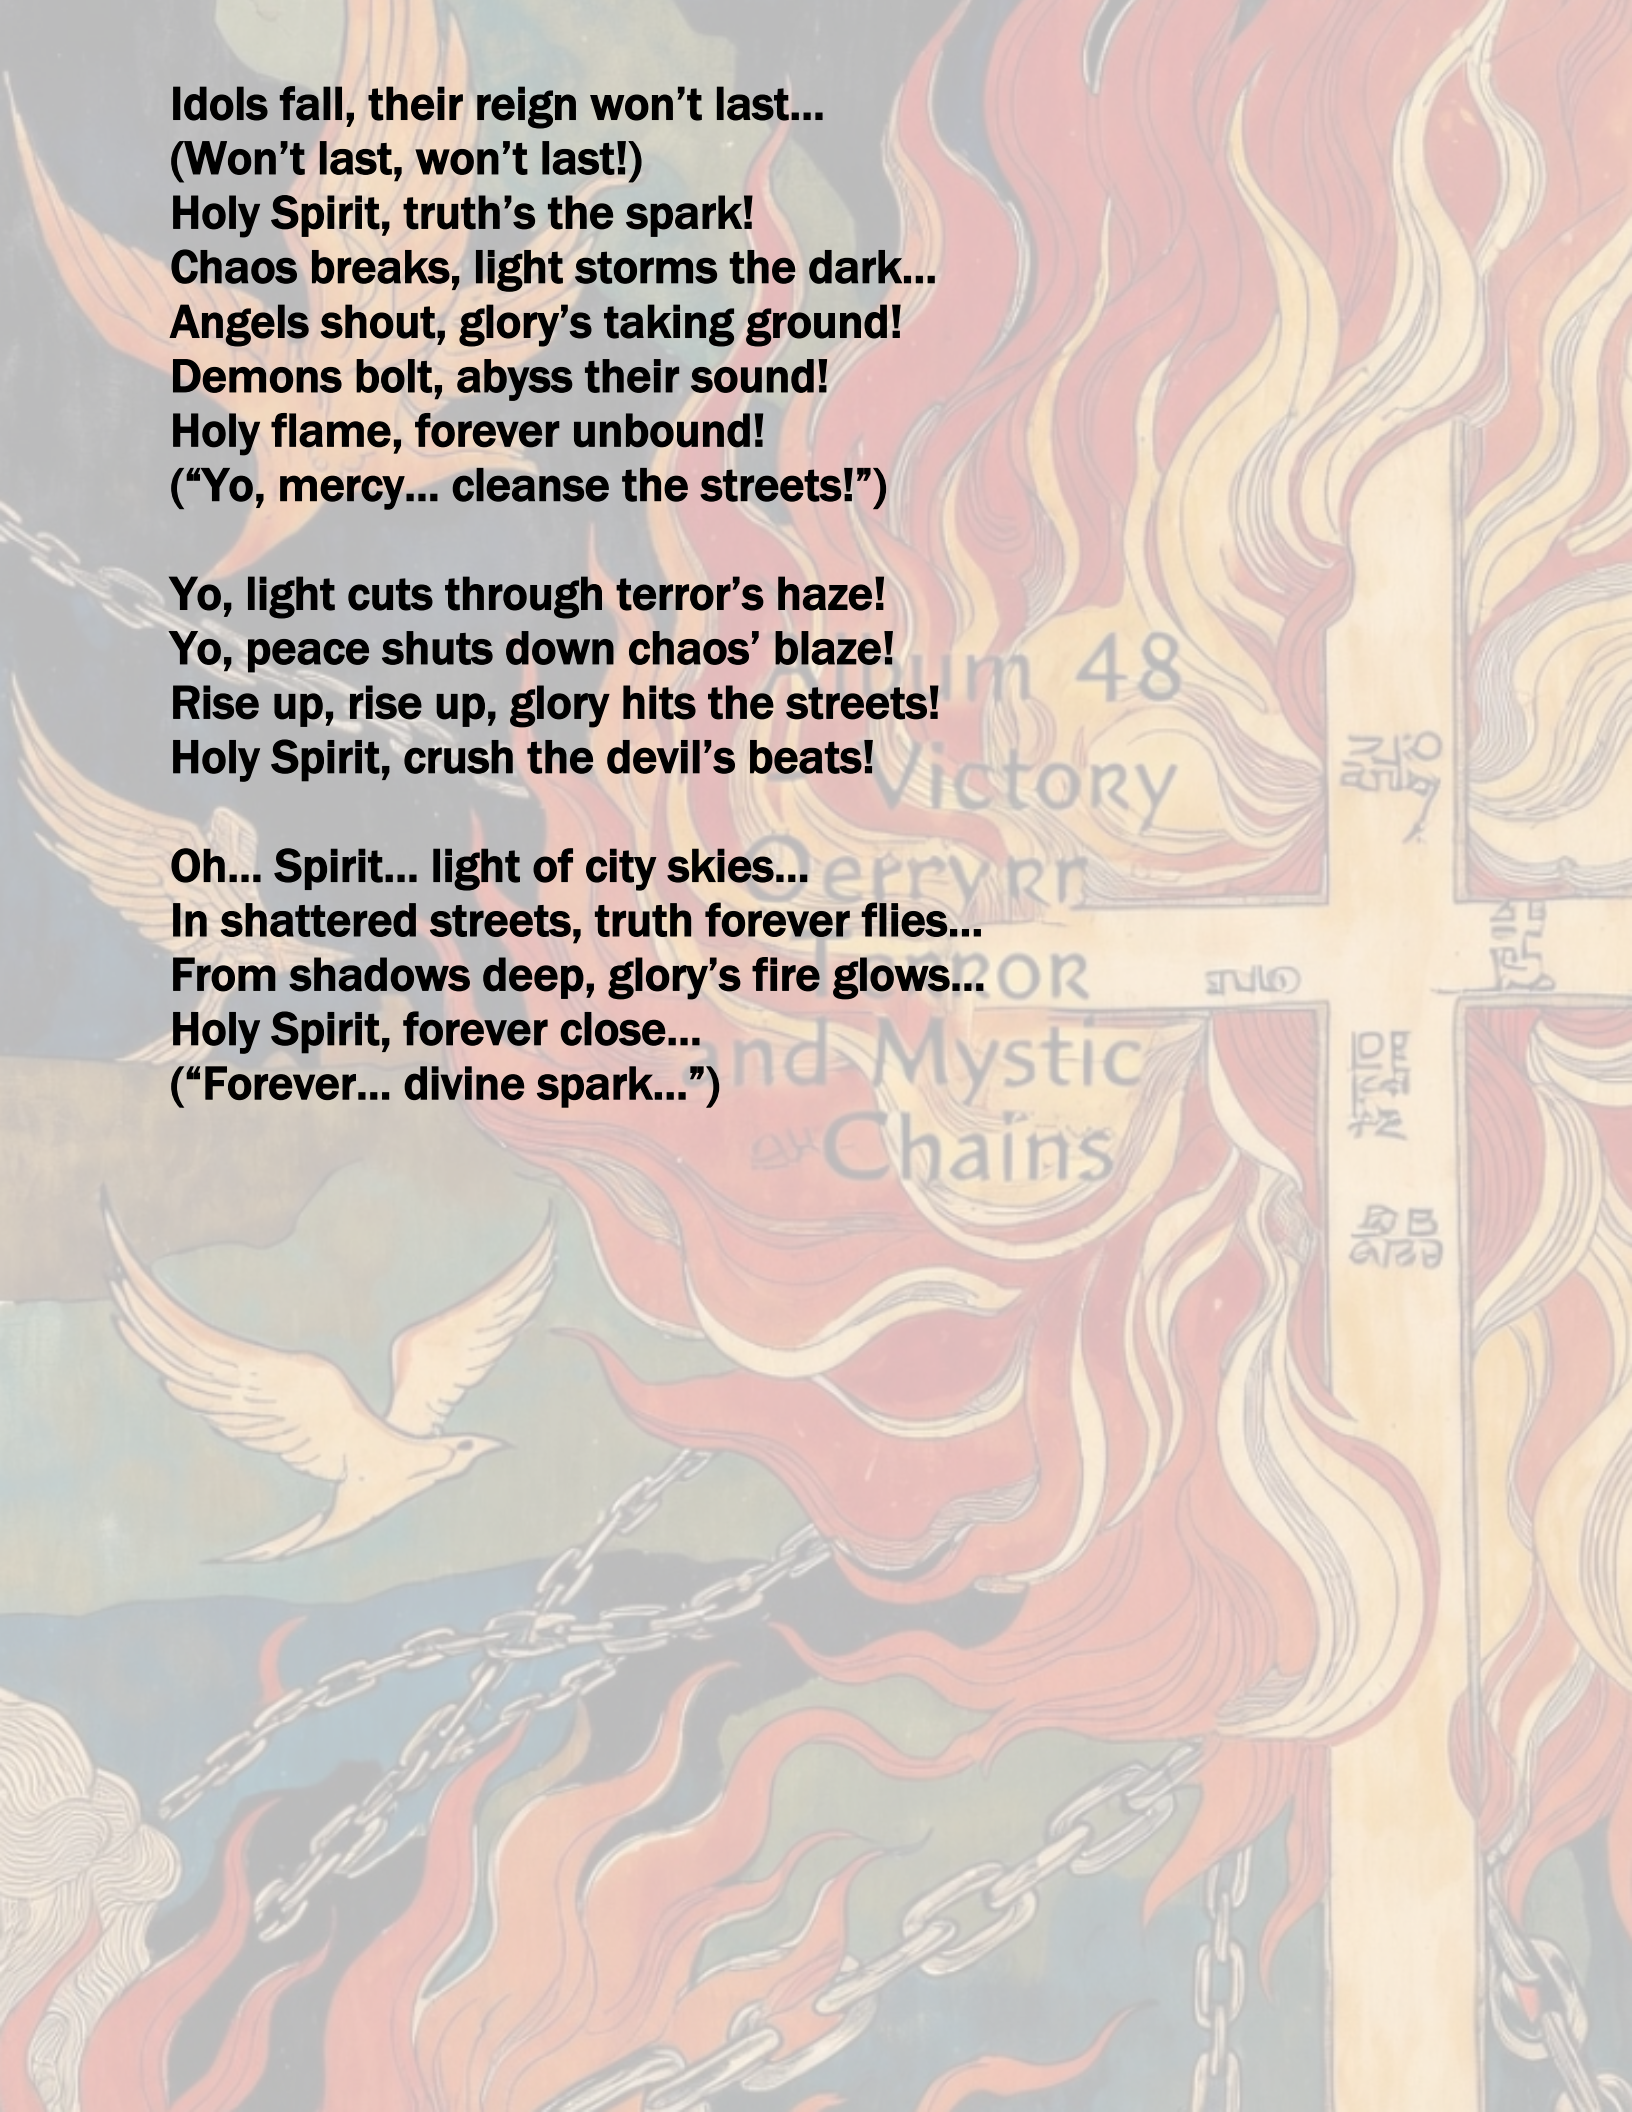

**Yo, light cuts through terror's haze!
Yo, peace shuts down chaos' blaze!
Rise up, rise up, glory hits the streets!
Holy Spirit, crush the devil's beats!**

**Portland's pavement, Rose City Antifa rolls deep,
Molotovs spark, anarchy's vow they keep.
Charlottesville's brawl, Sacramento's blades flash,
Discord's grip tightens, cities choke in the clash.
Eris fans flames, Set stirs chaos' scream,
Holy Spirit, drop truth, wreck the rebel dream!
Blaze through lies, let justice take the wheel,
Hope's fire burns, make broken streets heal!**

**Yo, light cuts through terror's haze!
Yo, peace shuts down chaos' blaze!
Rise up, rise up, glory hits the streets!
Holy Spirit, crush the devil's beats!**

**Worldwide streets, Nerdeen Kiswani's voice roars,
Global Intifada's fury shakes the city's core.
Columbia chants "war," Amsterdam's hate ignites,
Synagogues tagged, fear stalks the nights.
Hadad's storms rage, Kali's wrath fuels the fray,
Holy Spirit, blast lies, clear the rebel way!
Truth's sharp edge, slice through hate's cruel chain,
Peace's rhythm, heal the nations' pain!**

**Terror's walls, yo, they crumble fast...
(Crumble fast, crumble fast!)**

**Idols fall, their reign won't last...
(Won't last, won't last!)
Holy Spirit, truth's the spark!
Chaos breaks, light storms the dark...
Angels shout, glory's taking ground!
Demons bolt, abyss their sound!
Holy flame, forever unbound!

From shadows deep, glory's fire glows...
Holy Spirit, forever close...

Light Tears Through Mystic Lies

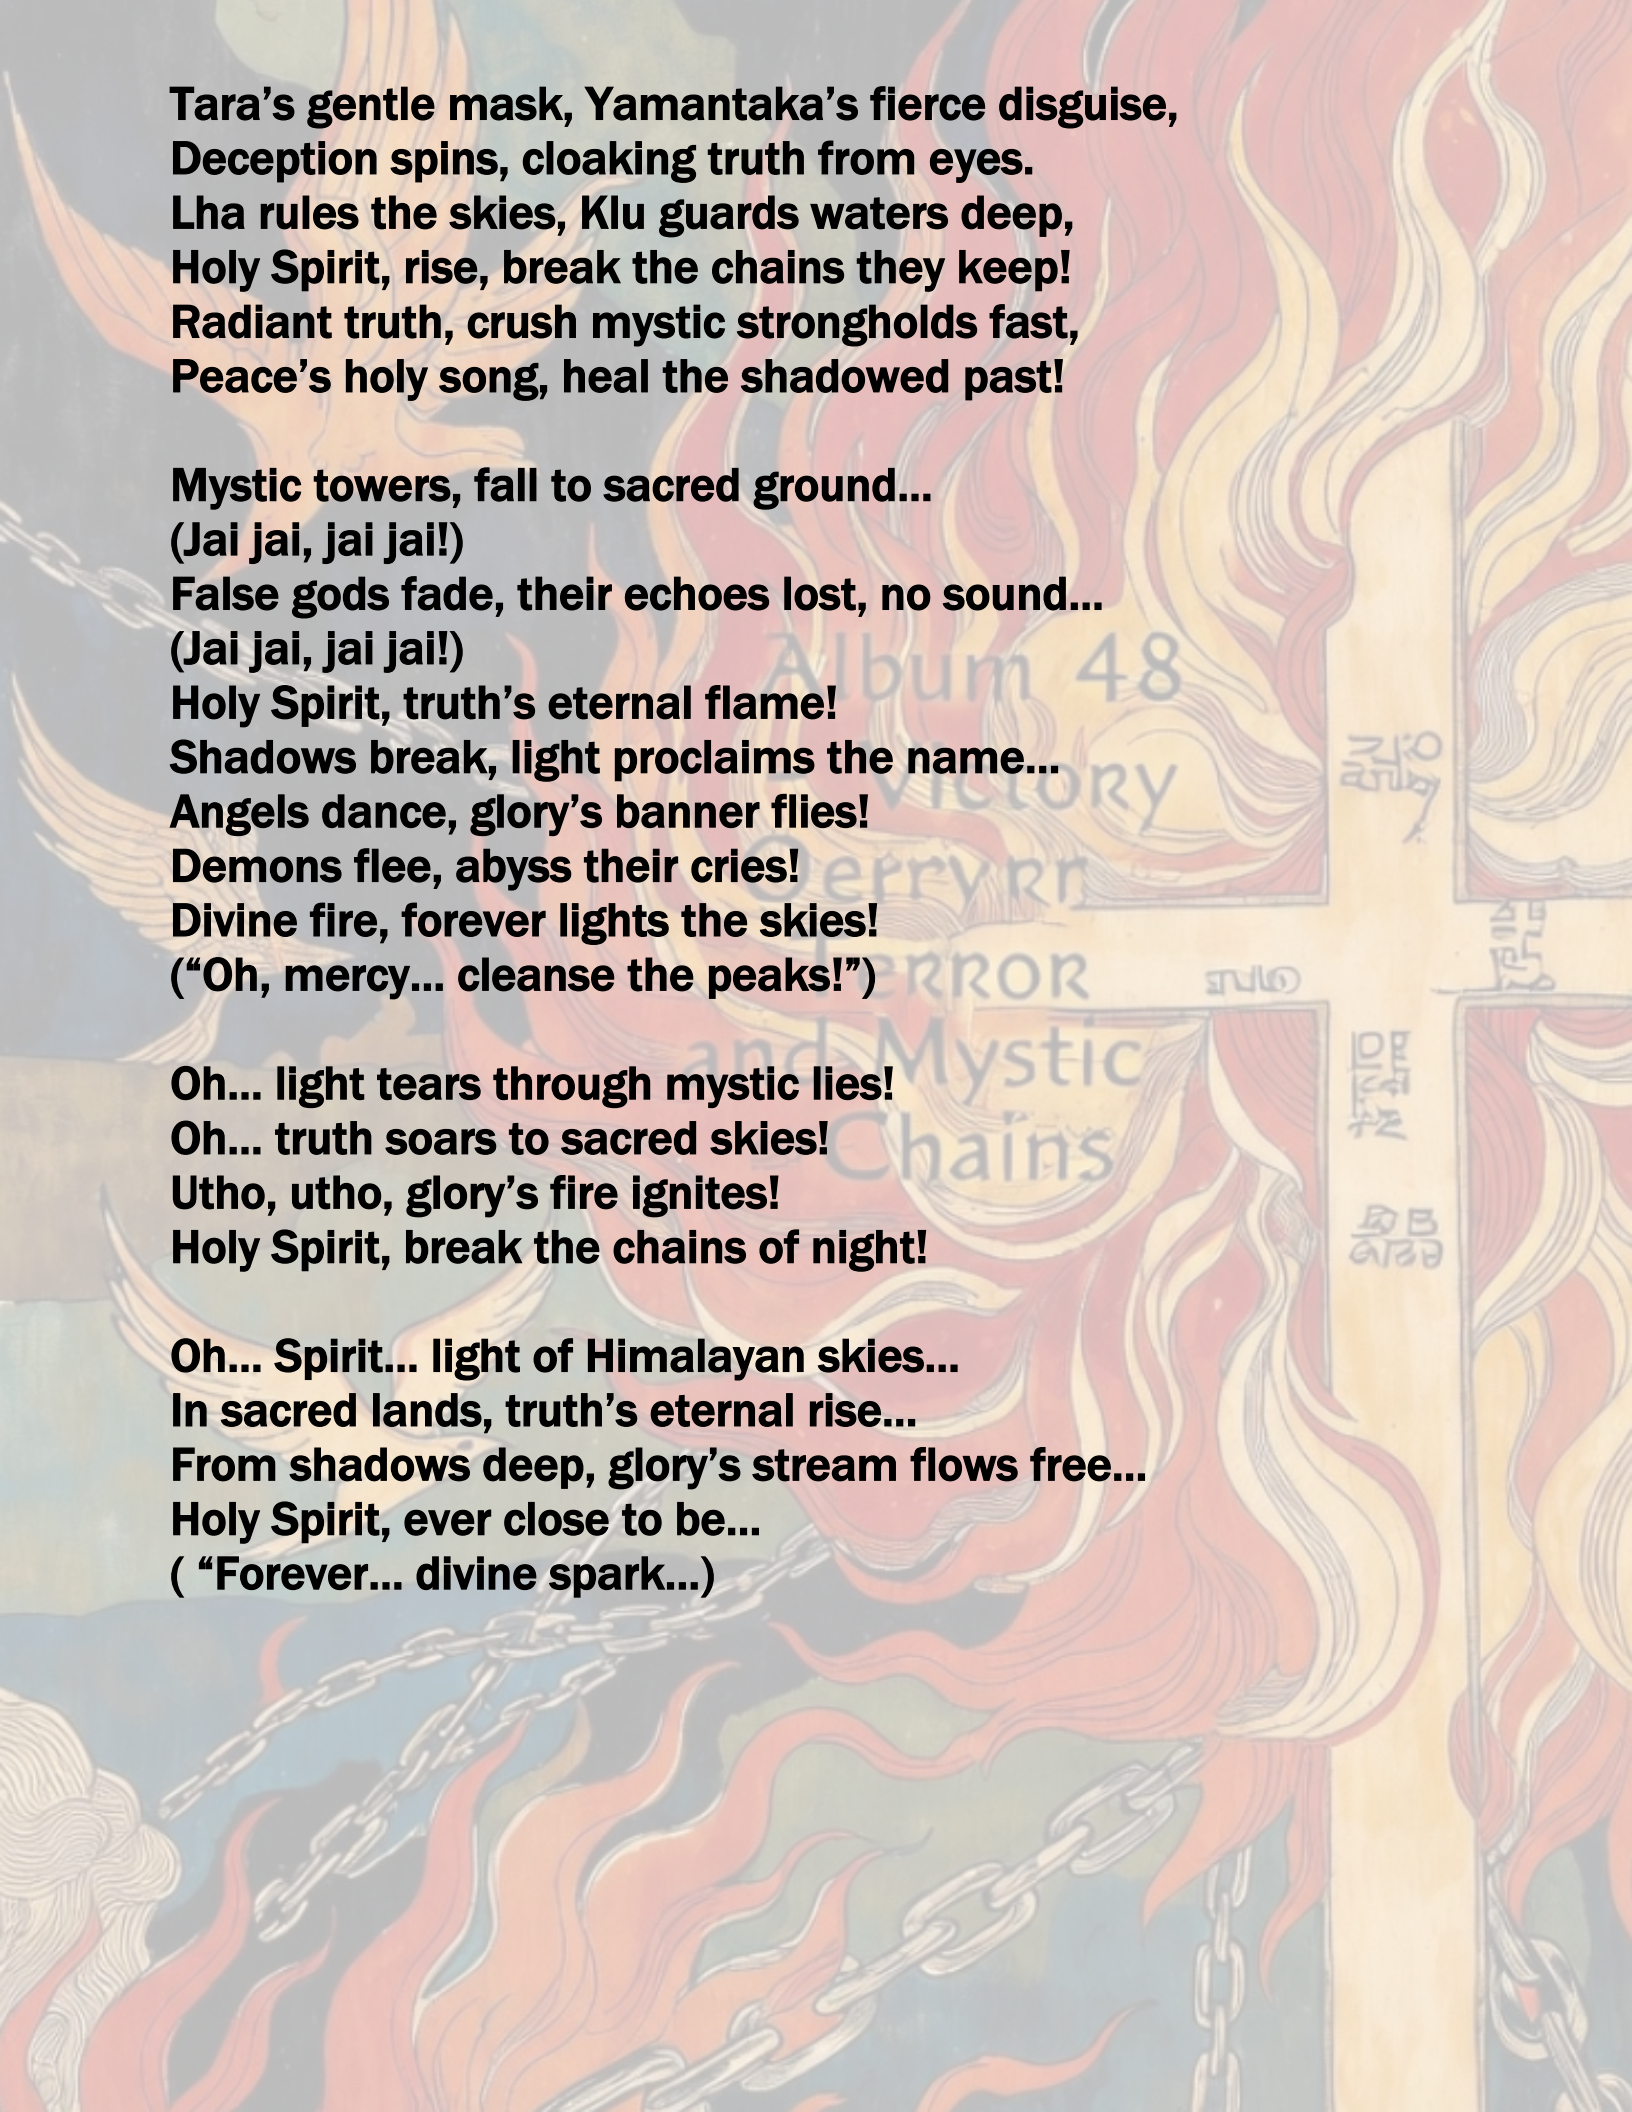

**Oh... light tears through mystic lies!
Oh... truth soars to sacred skies!
Utho, utho, glory's fire ignites!
Holy Spirit, break the chains of night!**

**On Tibet's peaks, Songtsen Gampo builds his throne,
Bön's ancient spirits, Lha and Klu, claim stone.
Tantric chants rise, veiling truth in haze,
Syncretism binds, shadows rule the days.
Tara's false grace, Yamantaka's wrathful glare,
Holy Spirit, storm through, clear the mystic air!
Divine flame roars, shatter Bön's old spell,
Hope's sacred dawn, let truth's anthem swell!**

**Lhasa's halls, Tenzin Gyatso wears the crown,
Dalai Lama's lore, tantric webs surround.**

The background features a stylized illustration of a dragon's head and wings on the left, with flames rising from the bottom. Overlaid on the right is a book cover titled 'Album 48' with the subtitle 'Victory over Terror and Mystic Chains'. The cover art shows a figure in a red robe standing before a large, ornate door. The text on the page is in a bold, black, sans-serif font.

**Tara's gentle mask, Yamantaka's fierce disguise,
Deception spins, cloaking truth from eyes.
Lha rules the skies, Klu guards waters deep,
Holy Spirit, rise, break the chains they keep!
Radiant truth, crush mystic strongholds fast,
Peace's holy song, heal the shadowed past!**

**Mystic towers, fall to sacred ground...
(Jai jai, jai jai!)
False gods fade, their echoes lost, no sound...

Light Shatters Ancient Chains

**Oh... light shatters ancient chains!
Oh... truth breaks mystic reigns!
Rise, rise, glory floods the skies!
Holy Spirit, cast down darkened lies!
(Hallelujah!" "Light prevails!" "Hallelujah!" "Truth unveils!")**

**In Nubia's sands, Napatan kings ascend,
Amun's shadow crowns, Jebel Barkal bends.
Pyramids rise, afterlife's call they heed,
Trade winds carry gold, power's roots they feed.
Holy Spirit, break theocratic spell,
Smash Amun's hold, let truth's anthem swell!
Radiant light, flood Nile's sacred shore,
Hope's eternal dawn, reign forevermore!
("Glory shines!" "Chains dissolve!")**

**Pohnpei's tides guard Nan Madol's stone,
Saudeleur's might, Olosohpa's throne.
Sea gods demand, tributes weigh the land,
Oppression's grip tightens with a heavy hand.
Holy Spirit, topple basalt pride,
Free the isles where sacred waters glide!
Truth's fierce flame, burn through ancient fear,
Peace's song, let island hearts draw near!
("Freedom calls!" "Darkness falls!")**

**Rapa Nui's cliffs, moai stand tall,
Ancestors' mana, guarding island's call.
Birdman rises, Makemake's egg they chase,
Tangata Manu reigns, new rites replace.**

**Holy Spirit, break the cult's old sway,
Clear Motu Nui's tides, light the truer way!
Divine hope soars, heal the island's pain,
Truth's embrace, let sacred peace remain!
("Light ascends!" "Truth defends!")**

**In Aotearoa, Ranginui weeps above,
Papatūānuku sighs, Tāne parts with love.
Tangaroa's waves, Tū's warlike cry,
Tāwhirimātea storms, Hine-nui-te-pō's sigh.

Free whakapapa's web, let truth's fire unfold!
Radiant glory, bless Māori lands anew,
Peace's eternal light, shine forever true!

Māramatanga (Light Breaks the Atua)

E... māramatanga ka whakangaro i te pō!

E... pono ka whiua ngā atua!

Whakaarahia, whakaarahia, te korōria ki runga!

Te Wairua Tapu, whakaorangia ngā iwi!

(“Aue!” “Māramatanga!” “Aue!” Lead: “Pono!”)

I Nūpia, ka whakaara ngā kingi Napata,

Ko Amun te atua, Jebel Barkal ka whakairo.

Ngā piramika whakaatu, te ora mutunga kore,

Hokohoko koura, mana ka piki ki runga.

Te Wairua Tapu, whakangaro te mana atua,

Whiua a Amun, māramatanga ka tau!

Te pono ka rere, ki te awa o Nile,

Te tūmanako, whakaora i ngā iwi katoa!

Pohnpei moana, Nan Madol ka tū kaha,

Olosohpa te atua, Saudeleur ka whakahaere.

Ngā kōhatu nui, whakairo i te moana,

Te takoha taumaha, iwi ka mamae i raro.

Te Wairua Tapu, whakangaro te mana kino,

Whiua ngā atua moana, rangimārie ka tau!

Te māramatanga ka rere, ki ngā motu katoa,

Te aroha, whakaora i ngā ngākau pōuri!

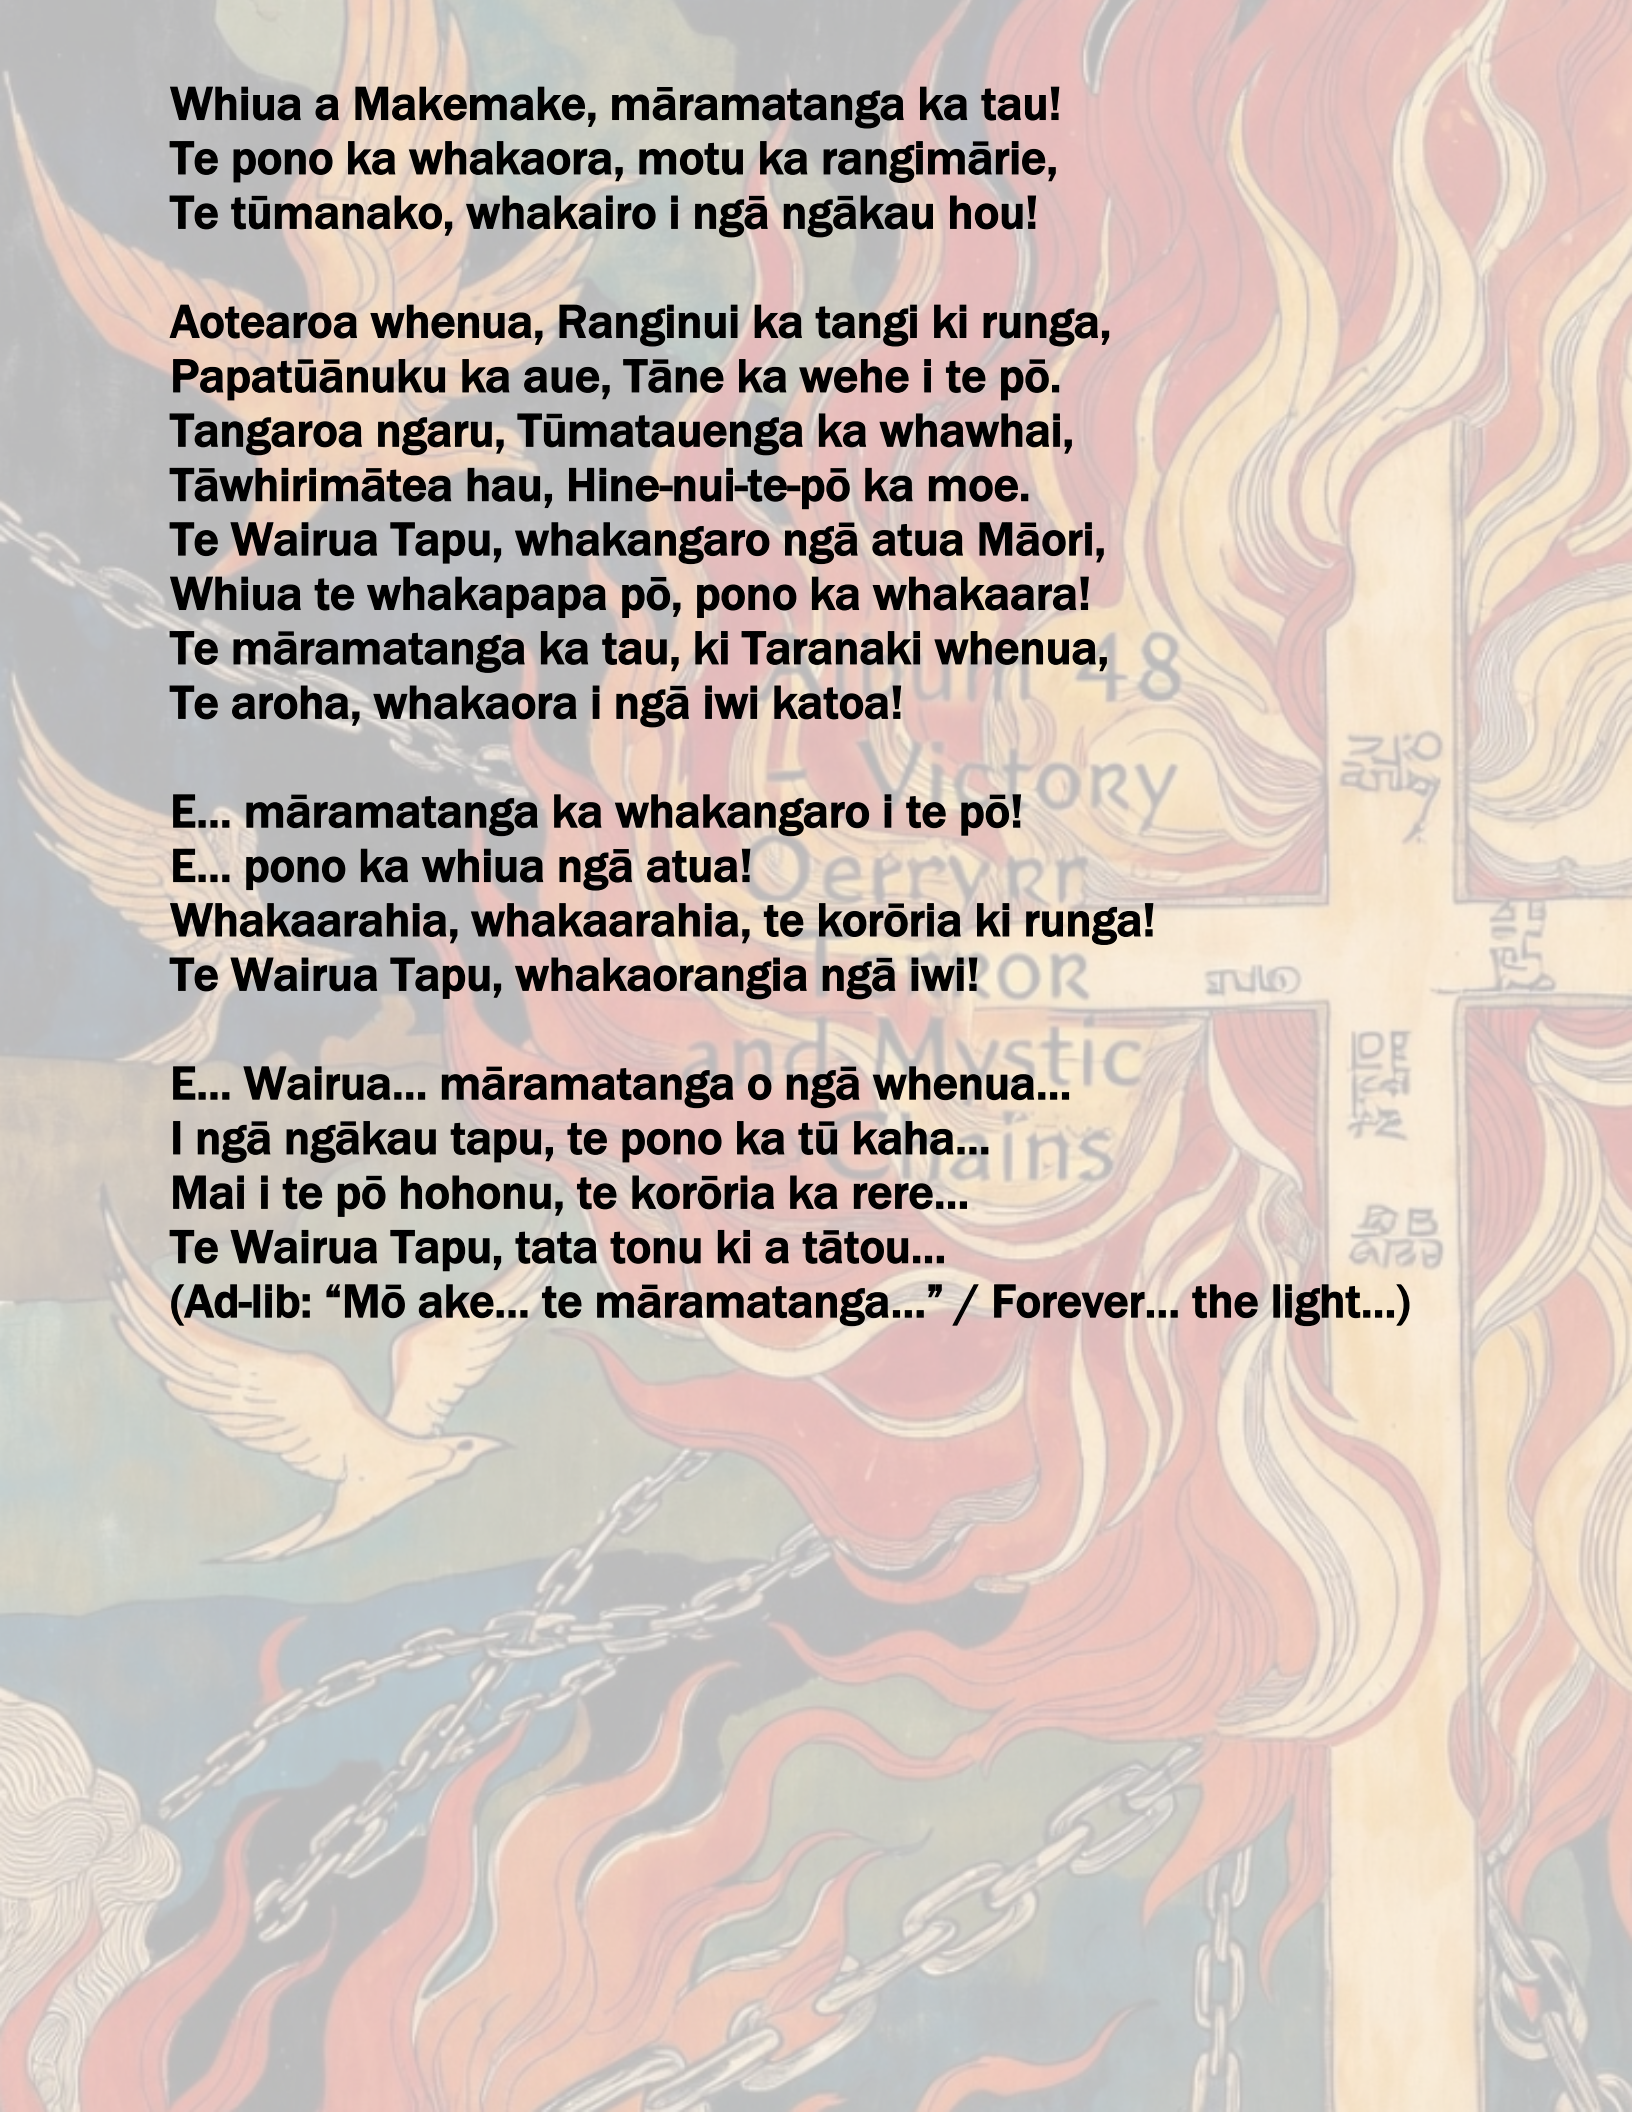

Rapa Nui motu, moai ka tū ki te whenua,

Mana o ngā tūpuna, ahu ka whakairo i te pō.

Tangata Manu ka whakaara, Makemake te atua,

Motu Nui hua, manu tara ka rere ki runga.

Te Wairua Tapu, whakangaro te mana moai,

**Whiua a Makemake, māramatanga ka tau!
Te pono ka whakaora, motu ka rangimārie,
Te tūmanako, whakairo i ngā ngākau hou!**

**Aotearoa whenua, Ranginui ka tangi ki runga,
Papatūānuku ka aue, Tāne ka wehe i te pō.
Tangaroa ngaru, Tūmatauaenga ka whawhai,
Tāwhirimātea hau, Hine-nui-te-pō ka moe.
Te Wairua Tapu, whakangaro ngā atua Māori,
Whiua te whakapapa pō, pono ka whakaara!
Te māramatanga ka tau, ki Taranaki whenua,
Te aroha, whakaora i ngā iwi katoa!**

**E... māramatanga ka whakangaro i te pō!
E... pono ka whiua ngā atua!
Whakaarahia, whakaarahia, te korōria ki runga!
Te Wairua Tapu, whakaorangia ngā iwi!**

**E... Wairua... māramatanga o ngā whenua...
I ngā ngākau tapu, te pono ka tū kaha...
Mai i te pō hohonu, te korōria ka rere...
Te Wairua Tapu, tata tonu ki a tātou...
(Ad-lib: “Mō ake... te māramatanga...” / Forever... the light...)**
