Album 57 Song 1

New Jerusalem Shines

Verse 1

Once we walked in shadows deep, where lies and secrets creep,
Golden streets seemed far away, in a world of night and gray.
But a light broke through the veil, truth that never fails,
New Jerusalem calls us home, where the faithful never roam.

Chorus

New Jerusalem shines, oh, the glory divine,
Jasper walls and pearl gates, where the Lamb's light radiates.
Hallelujah, we rise, with His truth in our eyes,
Every tear wiped away, New Jerusalem shines today.

Verse 2

Memes and myths, they tried to bind, with chains upon the mind,
Mars and gates, their tales unfold, but truth's more precious than gold.
By His Spirit, we're set free, with the Word, we now decree,
Every lie will fall apart, healing flows to every heart.

Chorus

New Jerusalem shines, oh, the glory divine,
Jasper walls and pearl gates, where the Lamb's light radiates.
Hallelujah, we rise, with His truth in our eyes,
Every tear wiped away, New Jerusalem shines today.

Bridge

Oh, the Tree of Life will grow, by the waters that still flow,
Crowns of life for those who stand, in His everlasting plan.
Sword of truth, the darkness flees, peace will reign eternally,
Sing His name, the victory's won, forever with the Holy One.

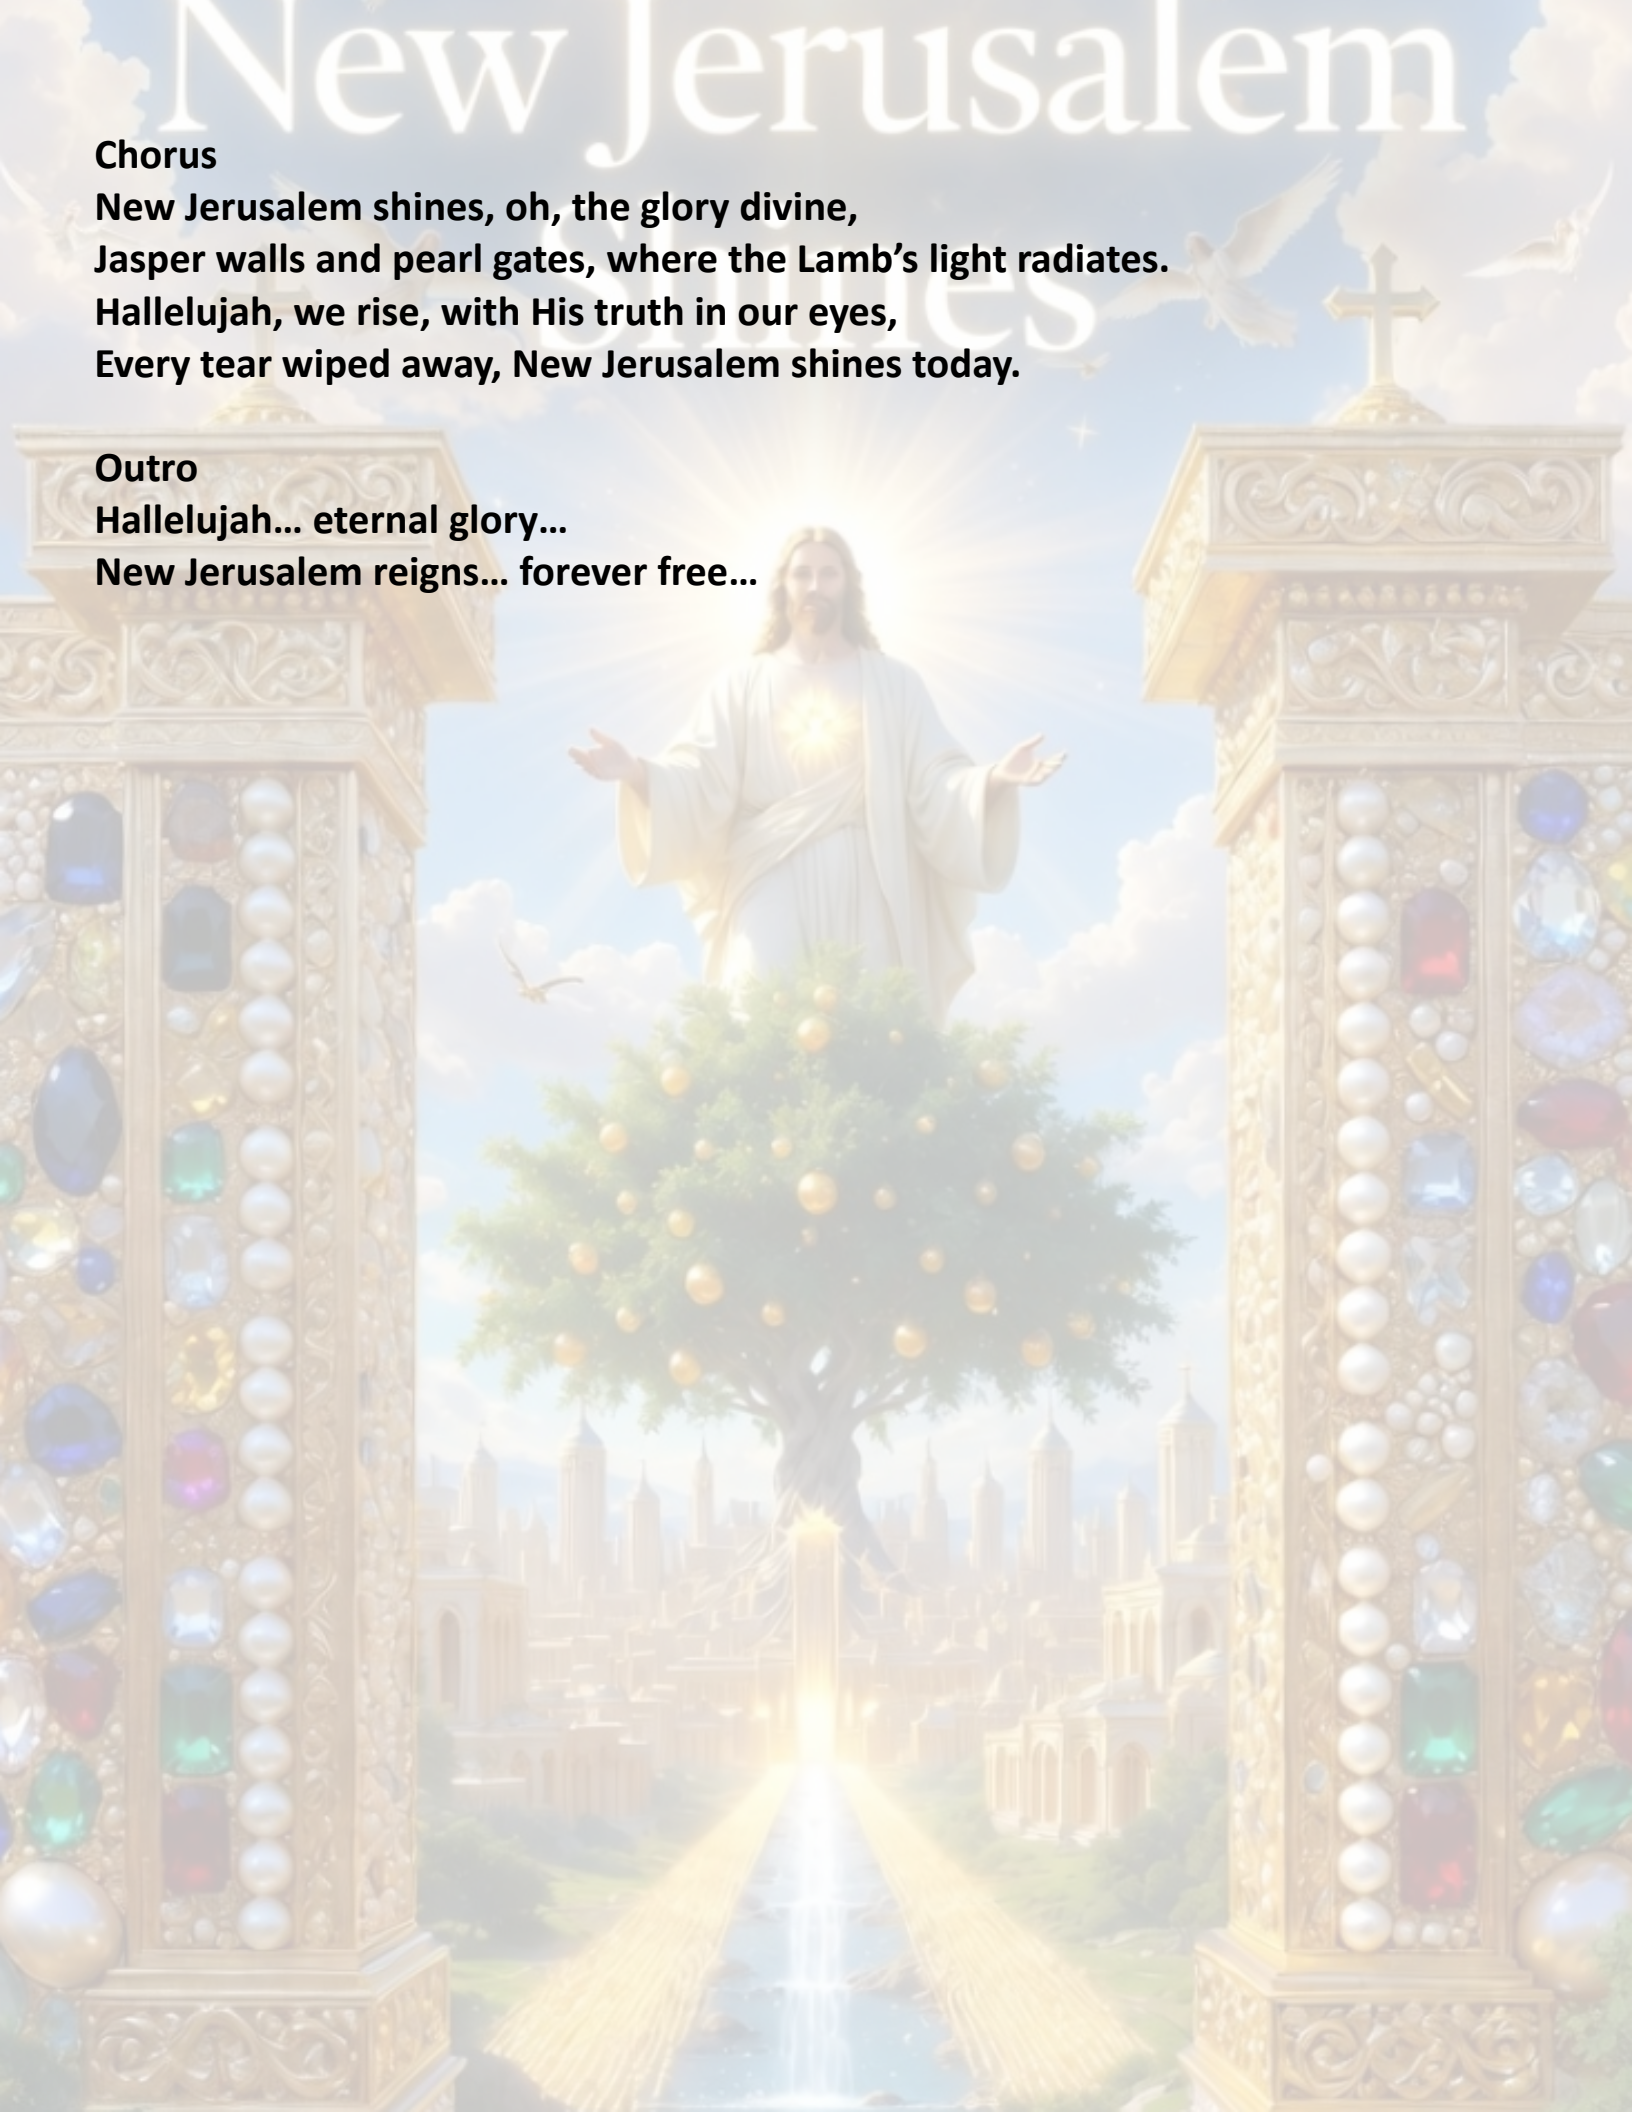

New Jerusalem

Chorus

New Jerusalem shines, oh, the glory divine,
Jasper walls and pearl gates, where the Lamb's light radiates.
Hallelujah, we rise, with His truth in our eyes,
Every tear wiped away, New Jerusalem shines today.

Outro

Hallelujah... eternal glory...
New Jerusalem reigns... forever free...

Album 57 Song 2

Light of the World

Ohhh, shine, shine, shine...
Hallelujah, You are light!

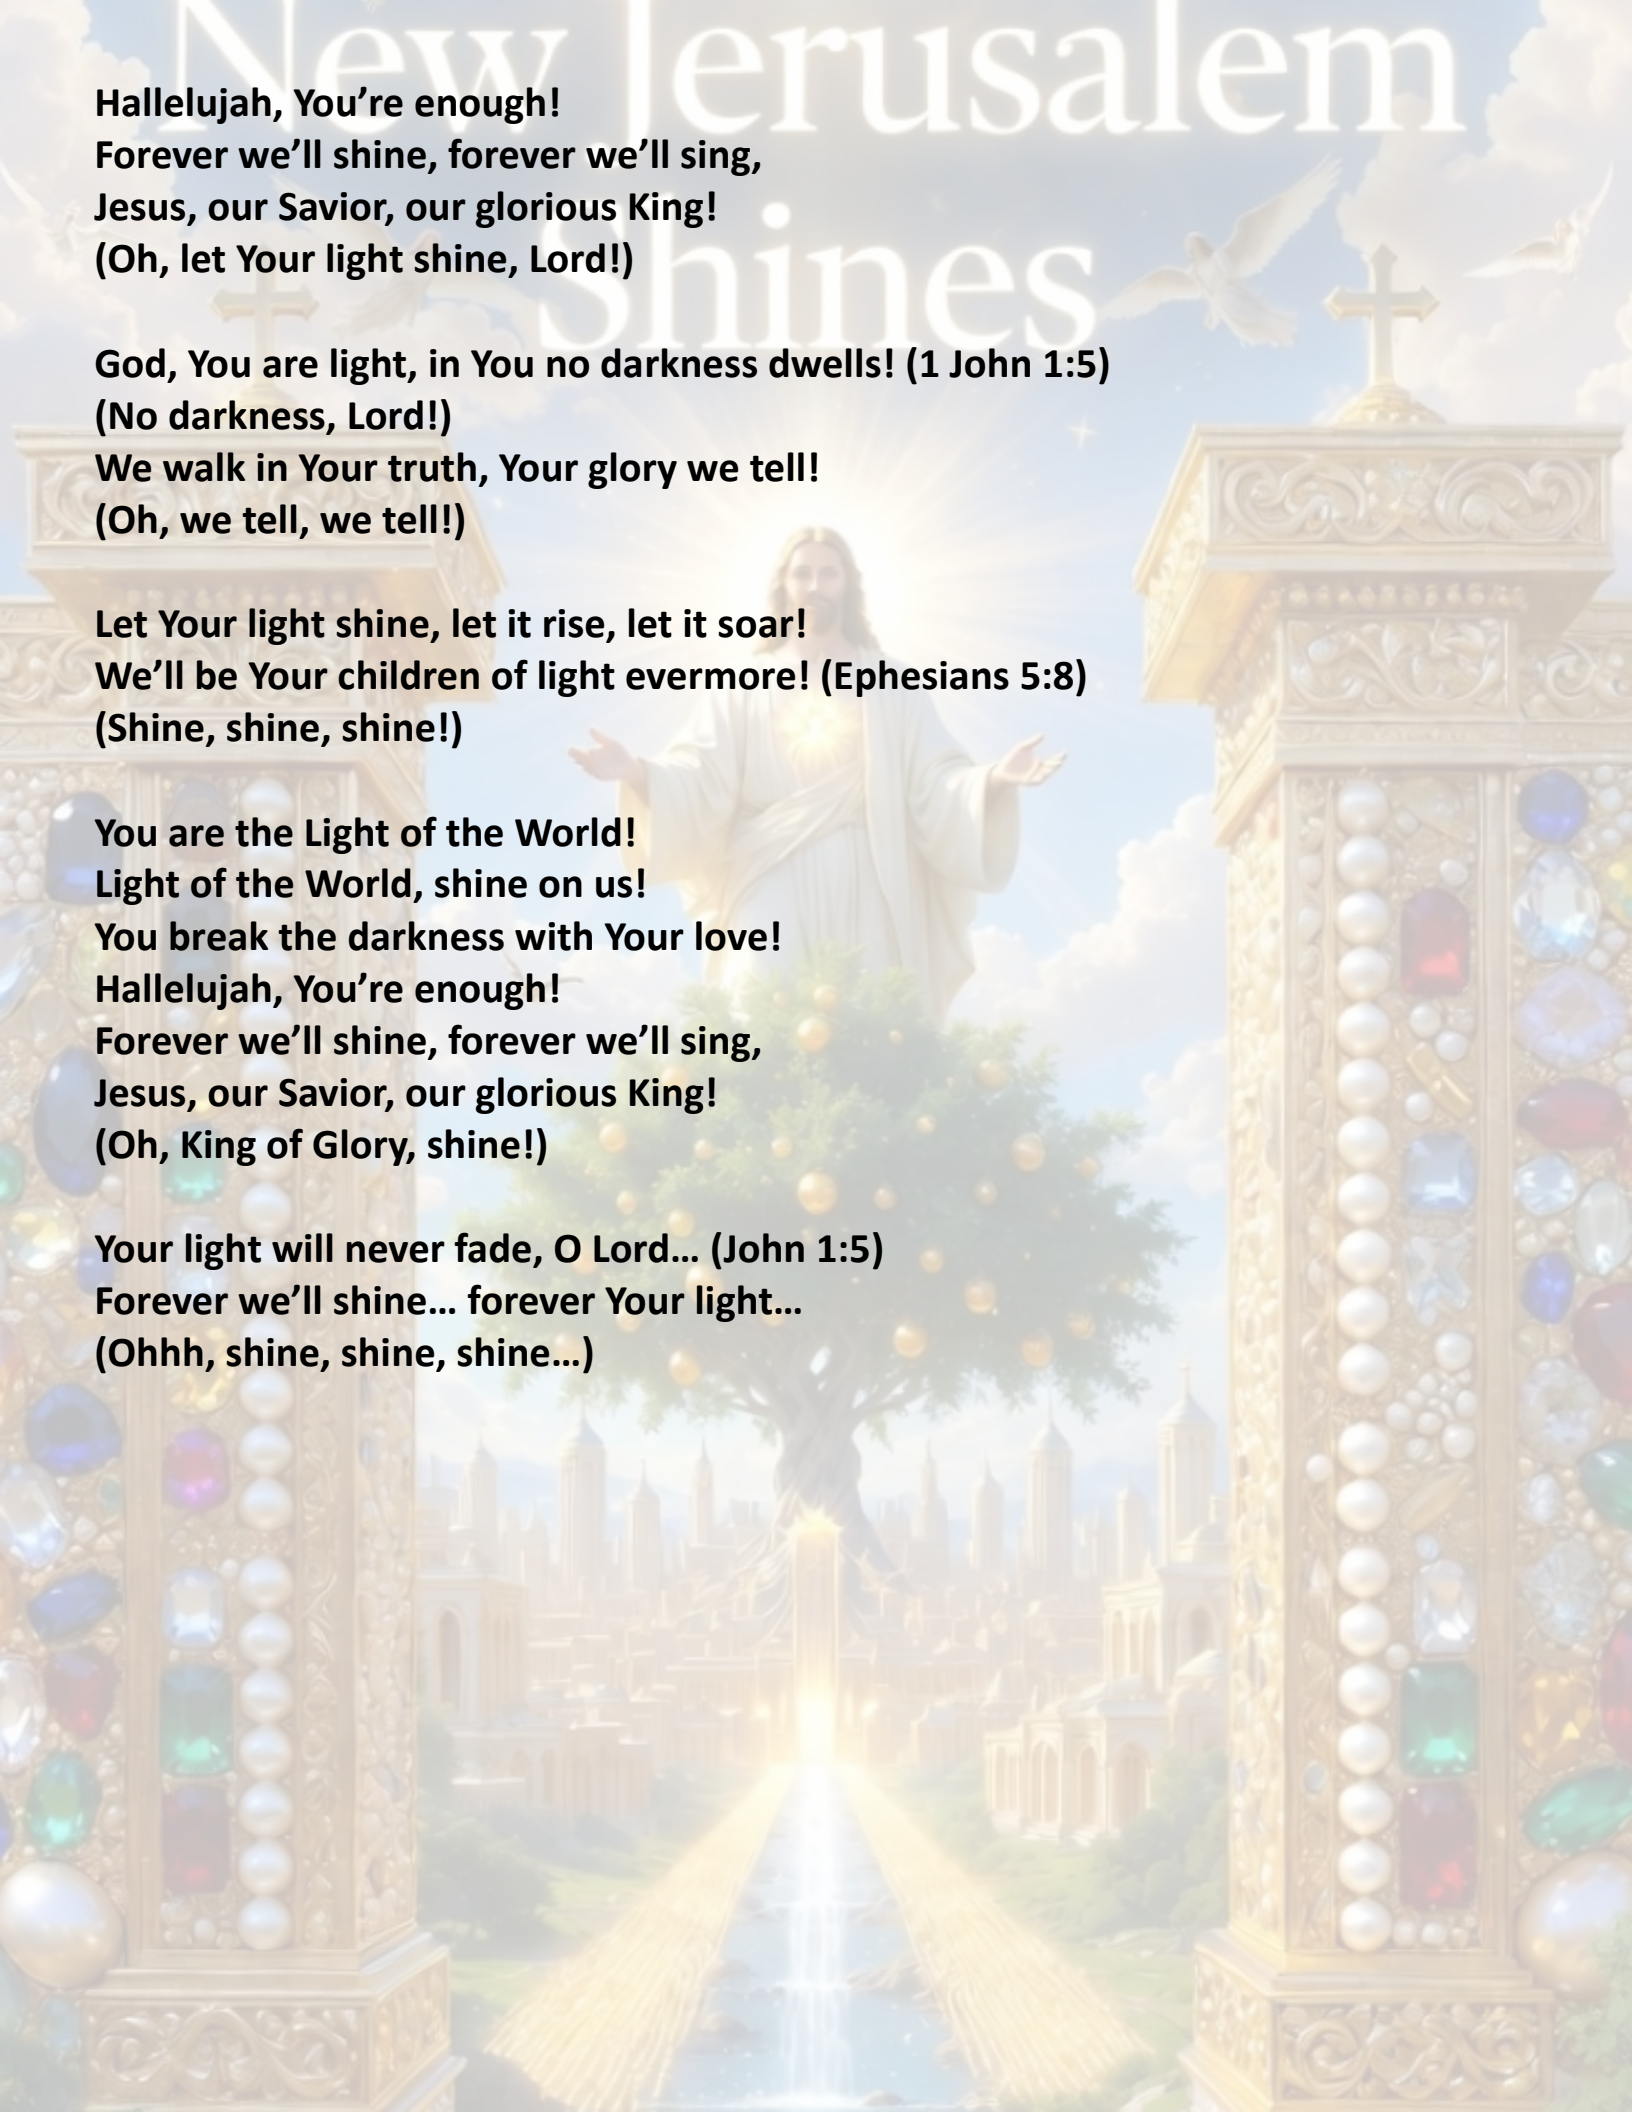

In the shadows, where the darkness reigns,
Your Word, a lamp, it lights my way. (Psalm 119:105)
Through the valley, where the night is long,
Your truth, O Lord, becomes my song.
(Oh, You guide me, Lord...)

The darkness trembles, it cannot stand,
Your glory shines across the land!

You are the Light of the World! (John 8:12)
Light of the World, shine on us!
You break the darkness with Your love!
Hallelujah, You're enough!
Forever we'll shine, forever we'll sing,
Jesus, our Savior, our glorious King!
(Oh, shine, Jesus, shine!)

Once we wandered in the deepest night,
But now Your dawn has brought us sight. (Isaiah 9:2)
You are the Life, the Truth, the Flame,
No darkness can withstand Your name.
(Oh, Your name, Jesus...)

The darkness trembles, it cannot stand,
Your glory shines across the land!
You are the Light of the World!
Light of the World, shine on us!
You break the darkness with Your love!

**Hallelujah, You're enough!
Forever we'll shine, forever we'll sing,
Jesus, our Savior, our glorious King!
(Oh, let Your light shine, Lord!)**

**God, You are light, in You no darkness dwells! (1 John 1:5)
(No darkness, Lord!)
We walk in Your truth, Your glory we tell!
(Oh, we tell, we tell!)**

**Let Your light shine, let it rise, let it soar!
We'll be Your children of light evermore! (Ephesians 5:8)
(Shine, shine, shine!)**

**You are the Light of the World!
Light of the World, shine on us!
You break the darkness with Your love!
Hallelujah, You're enough!
Forever we'll shine, forever we'll sing,
Jesus, our Savior, our glorious King!
(Oh, King of Glory, shine!)**

**Your light will never fade, O Lord... (John 1:5)
Forever we'll shine... forever Your light...
(Ohhh, shine, shine, shine...)**

Album 57 Song 3

Light of the Lamb

In the shadows of the night, where false gods cloud the sight,
Veils of lies, they weave their chains, dividing hearts with pain.
But the Spirit's truth breaks through, with a light that's ever true,
New Jerusalem calls us near, where His glory casts out fear. Chorus
Light of the Lamb, shining so bright,
Jasper walls glow in the eternal light.
Hallelujah, we stand, with His truth in our hands,
Every tear wiped away, by the Light of the Lamb.

Sarkic storms and shaman dreams, with idols in their schemes,
Norse and nexus, they deceive, but His truth we now receive.
By His Word, the veils are torn, in His name, we are reborn,
Every lie will fade away, in the dawn of His new day.

Light of the Lamb, shining so bright,
Jasper walls glow in the eternal light.
Hallelujah, we stand, with His truth in our hands,
Every tear wiped away, by the Light of the Lamb.

Oh, the Water of Life flows, where the Tree of Life grows,
Crowns of glory for the true, in His kingdom ever new.
Sword of truth, the darkness flees, peace will reign eternally,
Sing His name, the victory's won, forever with the Holy One.

Light of the Lamb, shining so bright,
Jasper walls glow in the eternal light.
Hallelujah, we stand, with His truth in our hands,
Every tear wiped away, by the Light of the Lamb.

Hallelujah... eternal glory...
New Jerusalem reigns... forever free...

Album 57 Song 4

New Jerusalem Rise

Mmm-hmm, ohh-ohh...
Oh, Lord... reveal it now... mmm...

Hidden in the shadows of time, oh Lord,
A city of light, where no tears will fall.
For years we've dreamed, through the pain and the fight,
Your promise of peace, it's been callin' my soul.
Ohh, I can feel it... mmm, it's comin'...

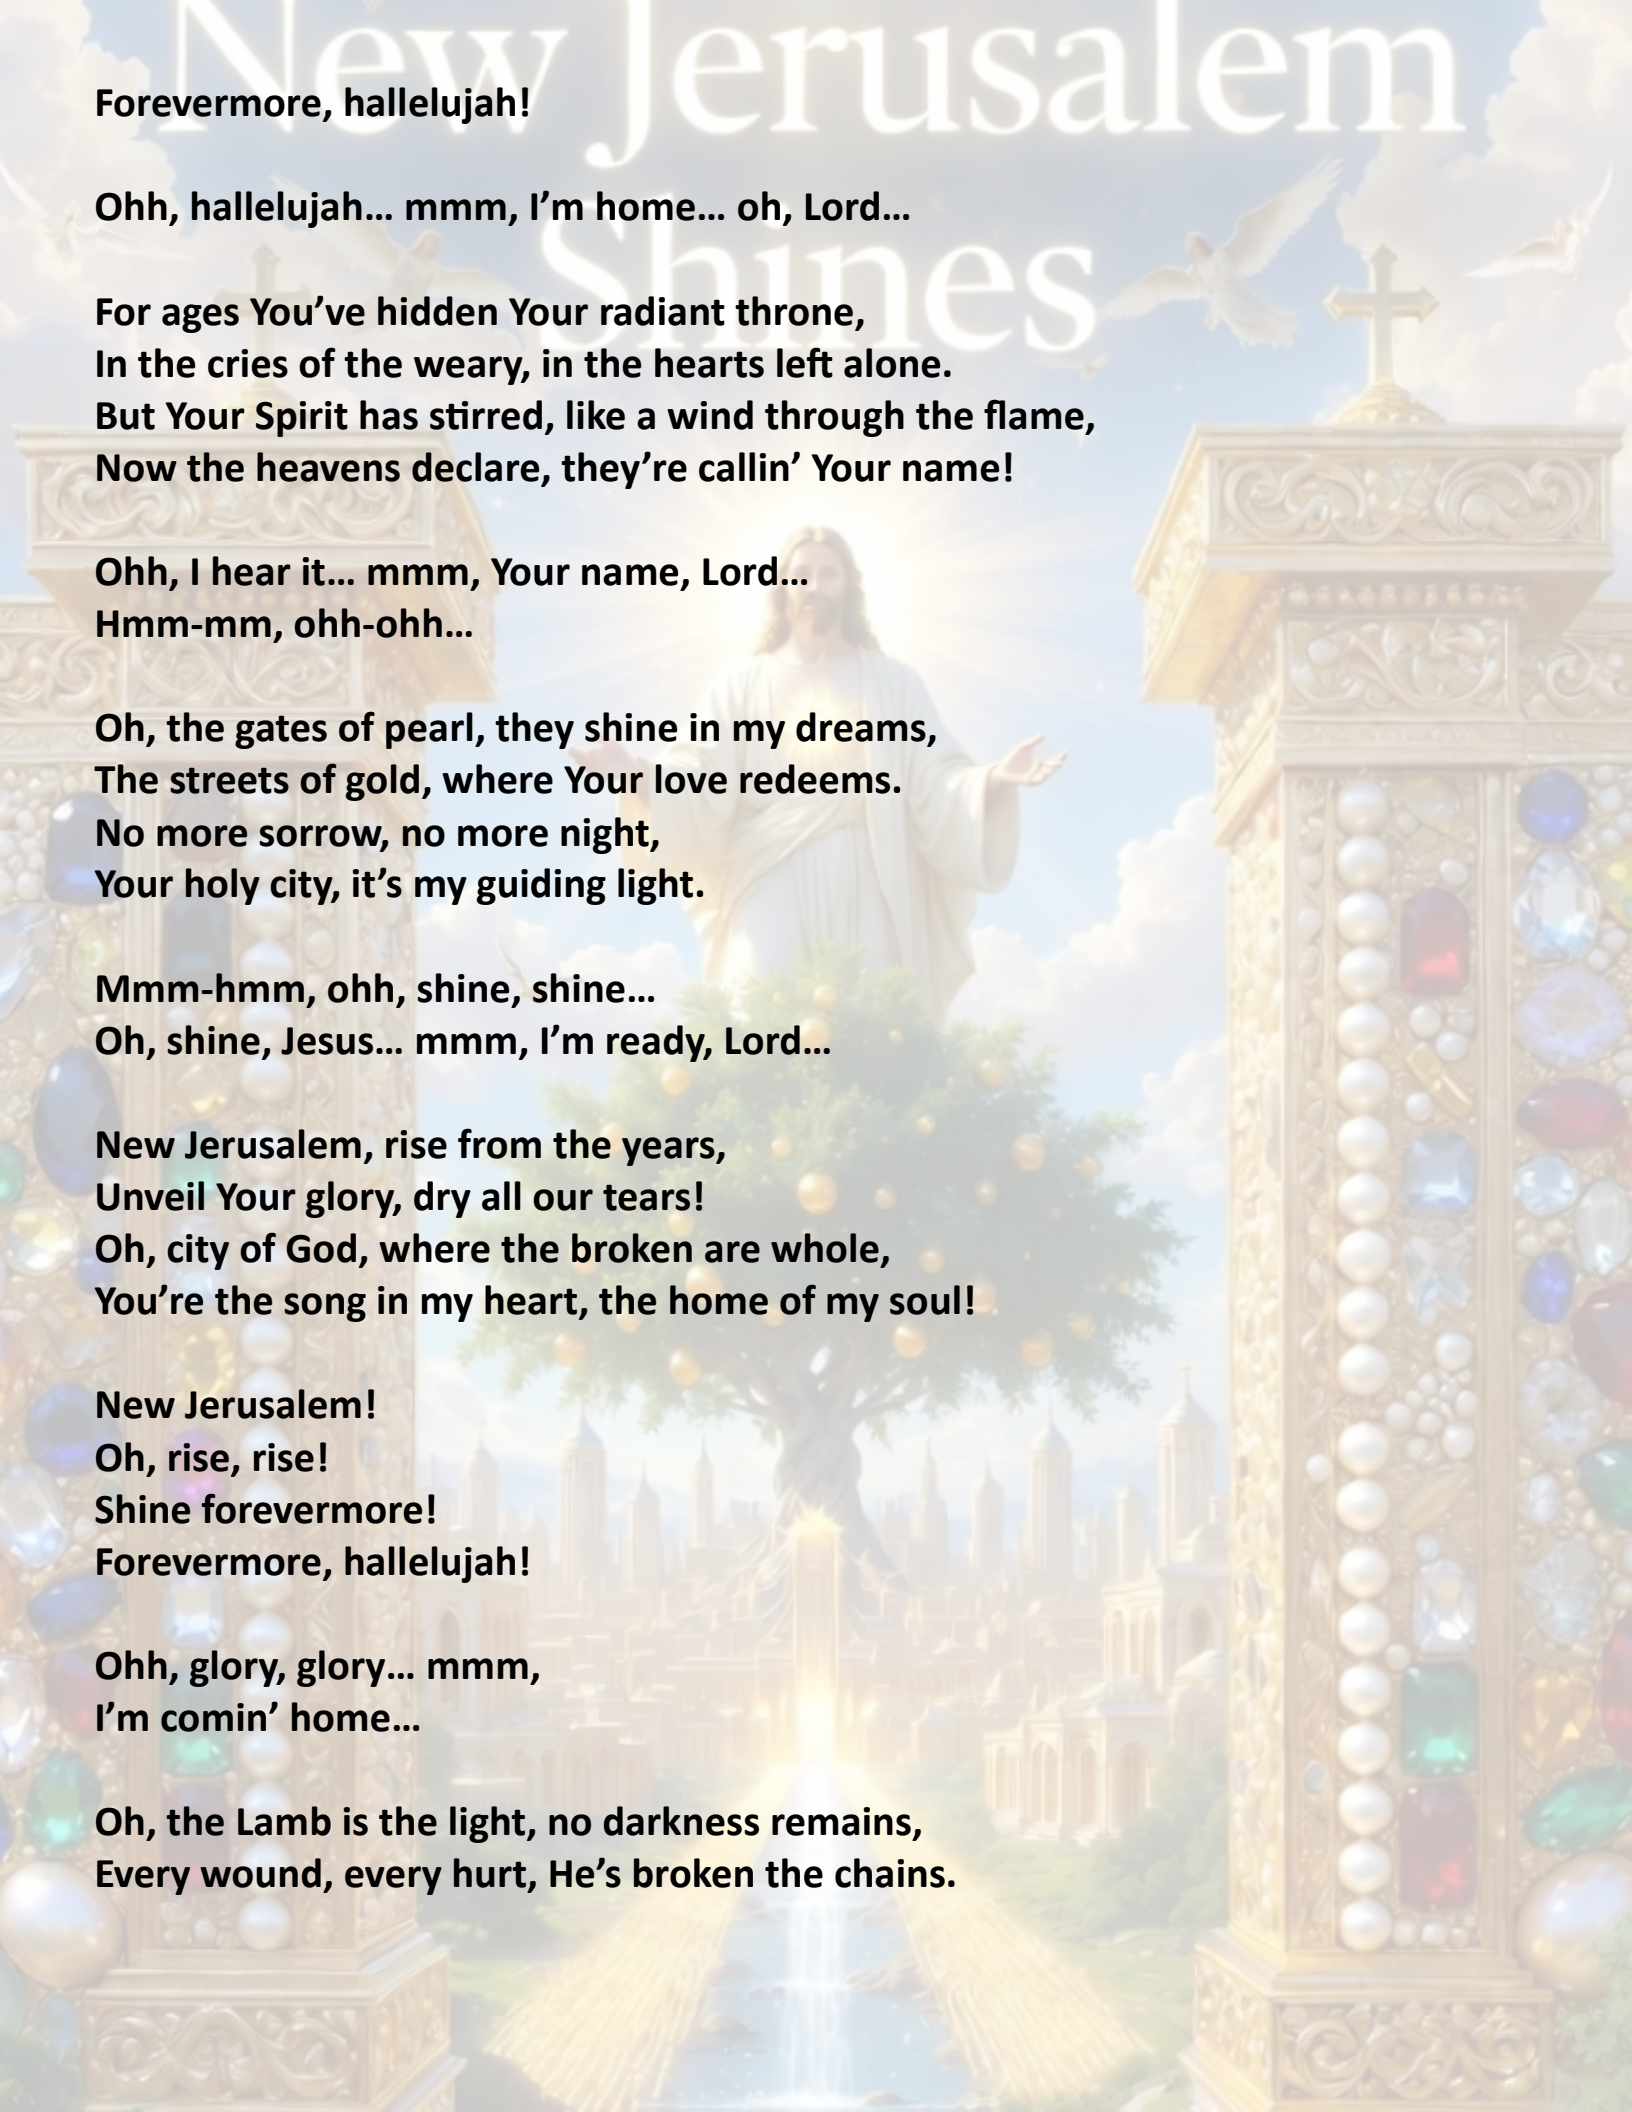

Through the valleys, through the fire and rain,
We've carried Your hope, though the world felt the same.
A whisper of glory, in the heart of the meek,
New Jerusalem calls, it's the home that we seek.
Ohh, yes it calls... hallelujah... mmm...

Oh, the gates of pearl, they shine in my dreams,
The streets of gold, where Your love redeems.
No more sorrow, no more night,
Your holy city, it's my guiding light.

Mmm-hmm, ohh, shine, shine...
Oh, shine, Lord... mmm, I see it now...

New Jerusalem, rise from the years,
Unveil Your glory, dry all our tears!
Oh, city of God, where the broken are whole,
You're the song in my heart, the home of my soul!

New Jerusalem!
Oh, rise, rise!
Shine forevermore!

Forevermore, hallelujah!

Ohh, hallelujah... mmm, I'm home... oh, Lord...

**For ages You've hidden Your radiant throne,
In the cries of the weary, in the hearts left alone.
But Your Spirit has stirred, like a wind through the flame,
Now the heavens declare, they're callin' Your name!**

**Ohh, I hear it... mmm, Your name, Lord...
Hmm-mm, ohh-ohh...**

**Oh, the gates of pearl, they shine in my dreams,
The streets of gold, where Your love redeems.
No more sorrow, no more night,
Your holy city, it's my guiding light.**

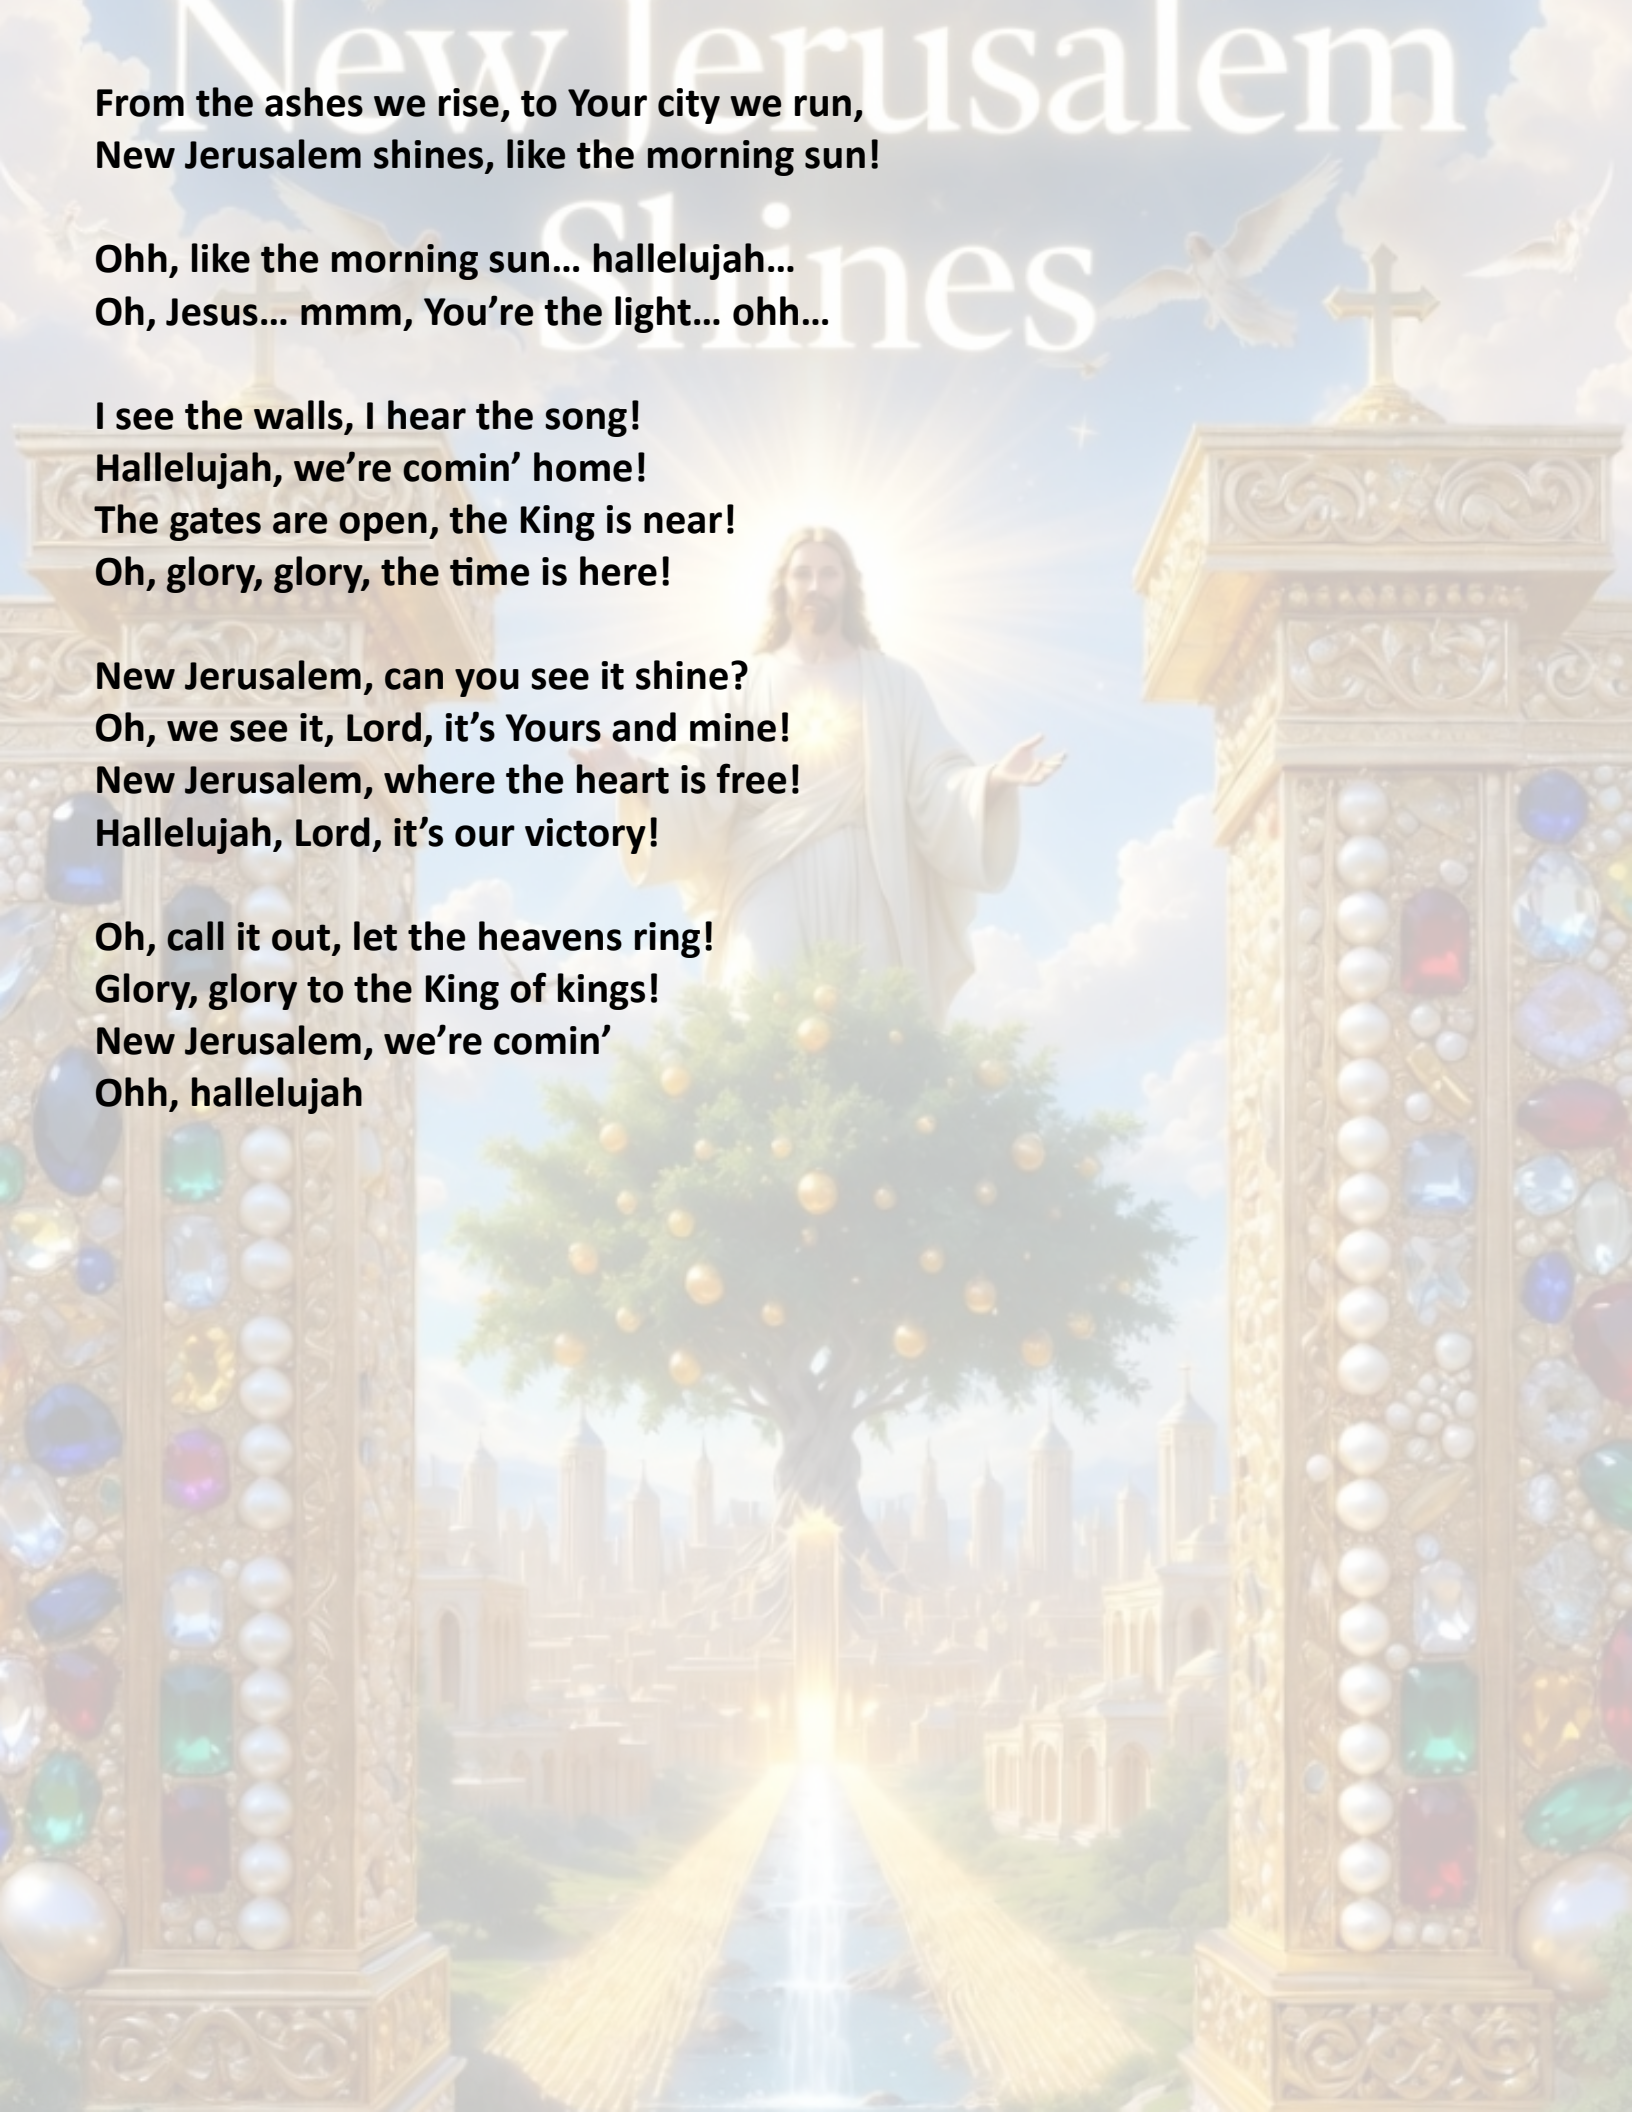

**Mmm-hmm, ohh, shine, shine...
Oh, shine, Jesus... mmm, I'm ready, Lord...**

**New Jerusalem, rise from the years,
Unveil Your glory, dry all our tears!
Oh, city of God, where the broken are whole,
You're the song in my heart, the home of my soul!**

**New Jerusalem!
Oh, rise, rise!
Shine forevermore!
Forevermore, hallelujah!**

**Ohh, glory, glory... mmm,
I'm comin' home...**

**Oh, the Lamb is the light, no darkness remains,
Every wound, every hurt, He's broken the chains.**

**From the ashes we rise, to Your city we run,
New Jerusalem shines, like the morning sun!**

**Ohh, like the morning sun... hallelujah...
Oh, Jesus... mmm, You're the light... ohh...**

**I see the walls, I hear the song!
Hallelujah, we're comin' home!
The gates are open, the King is near!
Oh, glory, glory, the time is here!**

**New Jerusalem, can you see it shine?
Oh, we see it, Lord, it's Yours and mine!
New Jerusalem, where the heart is free!
Hallelujah, Lord, it's our victory!**

**Oh, call it out, let the heavens ring!
Glory, glory to the King of kings!
New Jerusalem, we're comin'
Ohh, hallelujah**
