Merchants of the Sigil: A Prayer Against the Demonic Market

**In alleys where the sigils crawl,
Where whispers shape the hearts of men,
The dollar mark hangs like a pall,
And merchants trade in mortal sin.
We name the false, expose the lie,
The memetic chains that bind the mind;
By Jesus' blood we stand this night,
No secret seal shall hold mankind.**

**In the name of Jesus, break!
Break the sigils, break the chain!
In the name of Jesus, cast!
Cast the merchants from the reign!
In the name of Jesus, bind!**

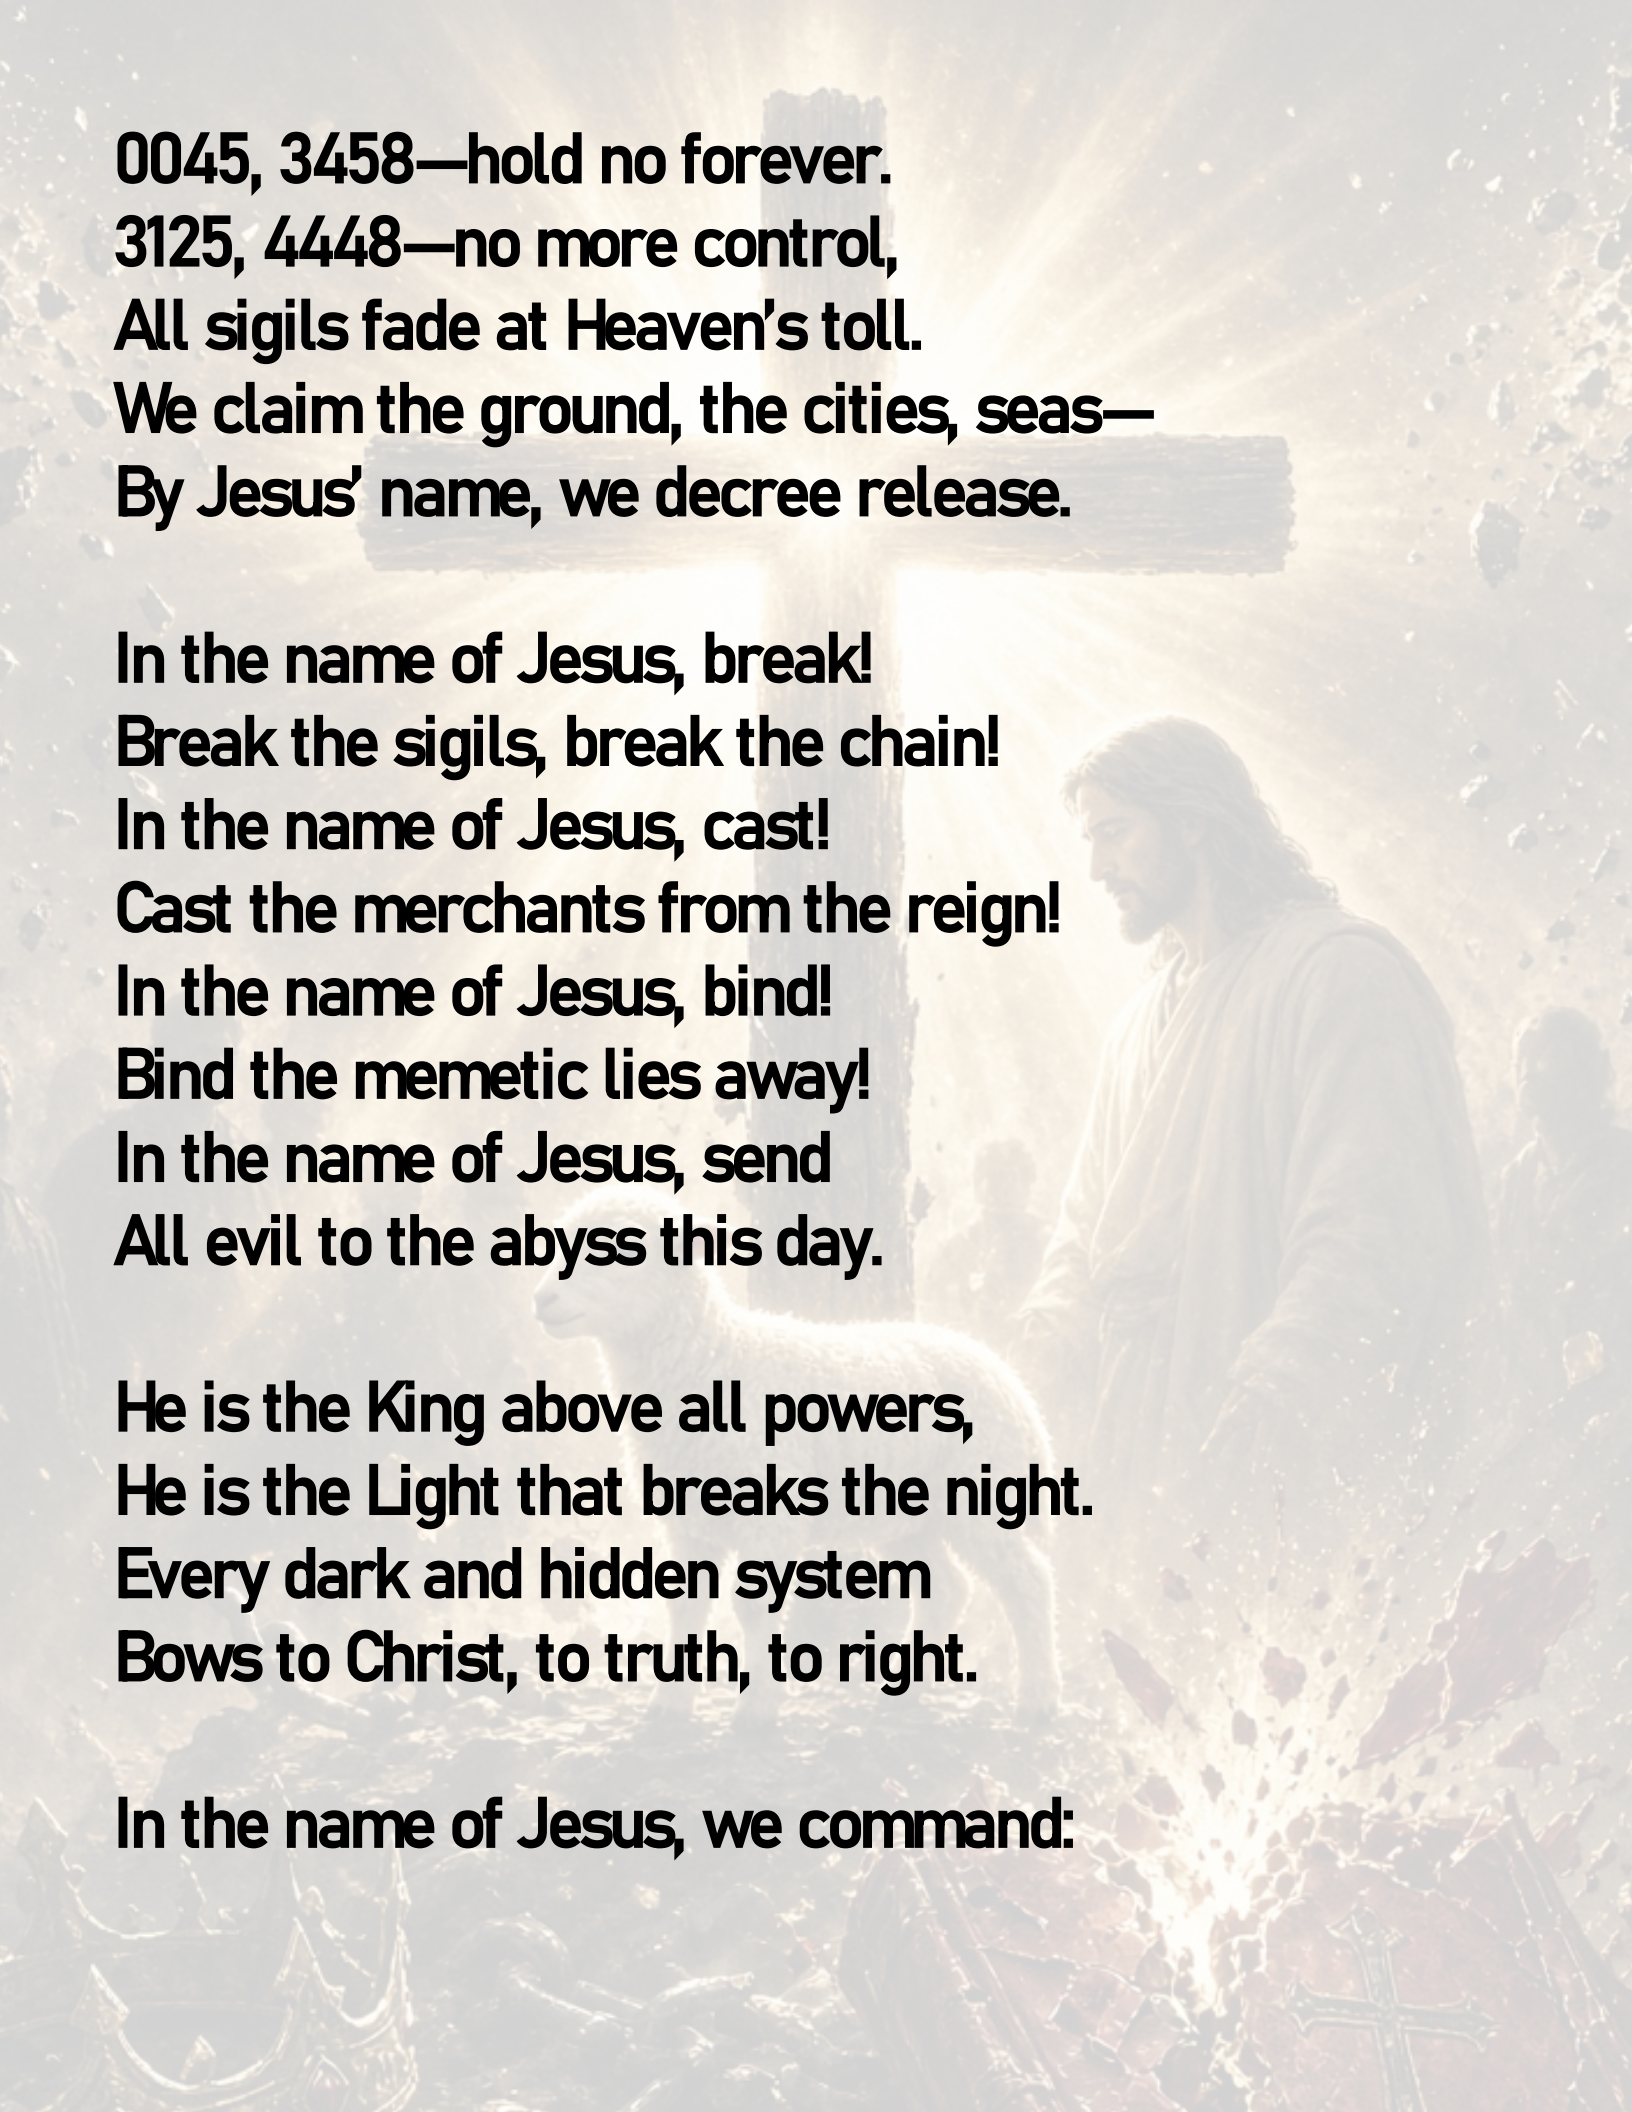

**Bind the memetic lies away!
In the name of Jesus, send
All evil to the abyss this day.**

**Sarkic tongues that whisper death,
Mocking hope with hollow breath,
They weave their shapes in men's desire,
To steal, to wound, to feed the fire.
But Holy Word is stronger still;
The Lamb's authority we claim.
By cross and name the dark must yield,
Consume each mark that bears its name.**

**Father, Son, and Spirit, hear our cry,
Bring Your light where shadows lie.
Break the markets built on hellish trade,
Return the captives that their sins have made.**

**SCPs of shadow, numbered names,
We call them out, we call God's flame:
2137, 1135—let falsehood sever,**

**0045, 3458—hold no forever.
3125, 4448—no more control,
All sigils fade at Heaven's toll.
We claim the ground, the cities, seas—
By Jesus' name, we decree release.**

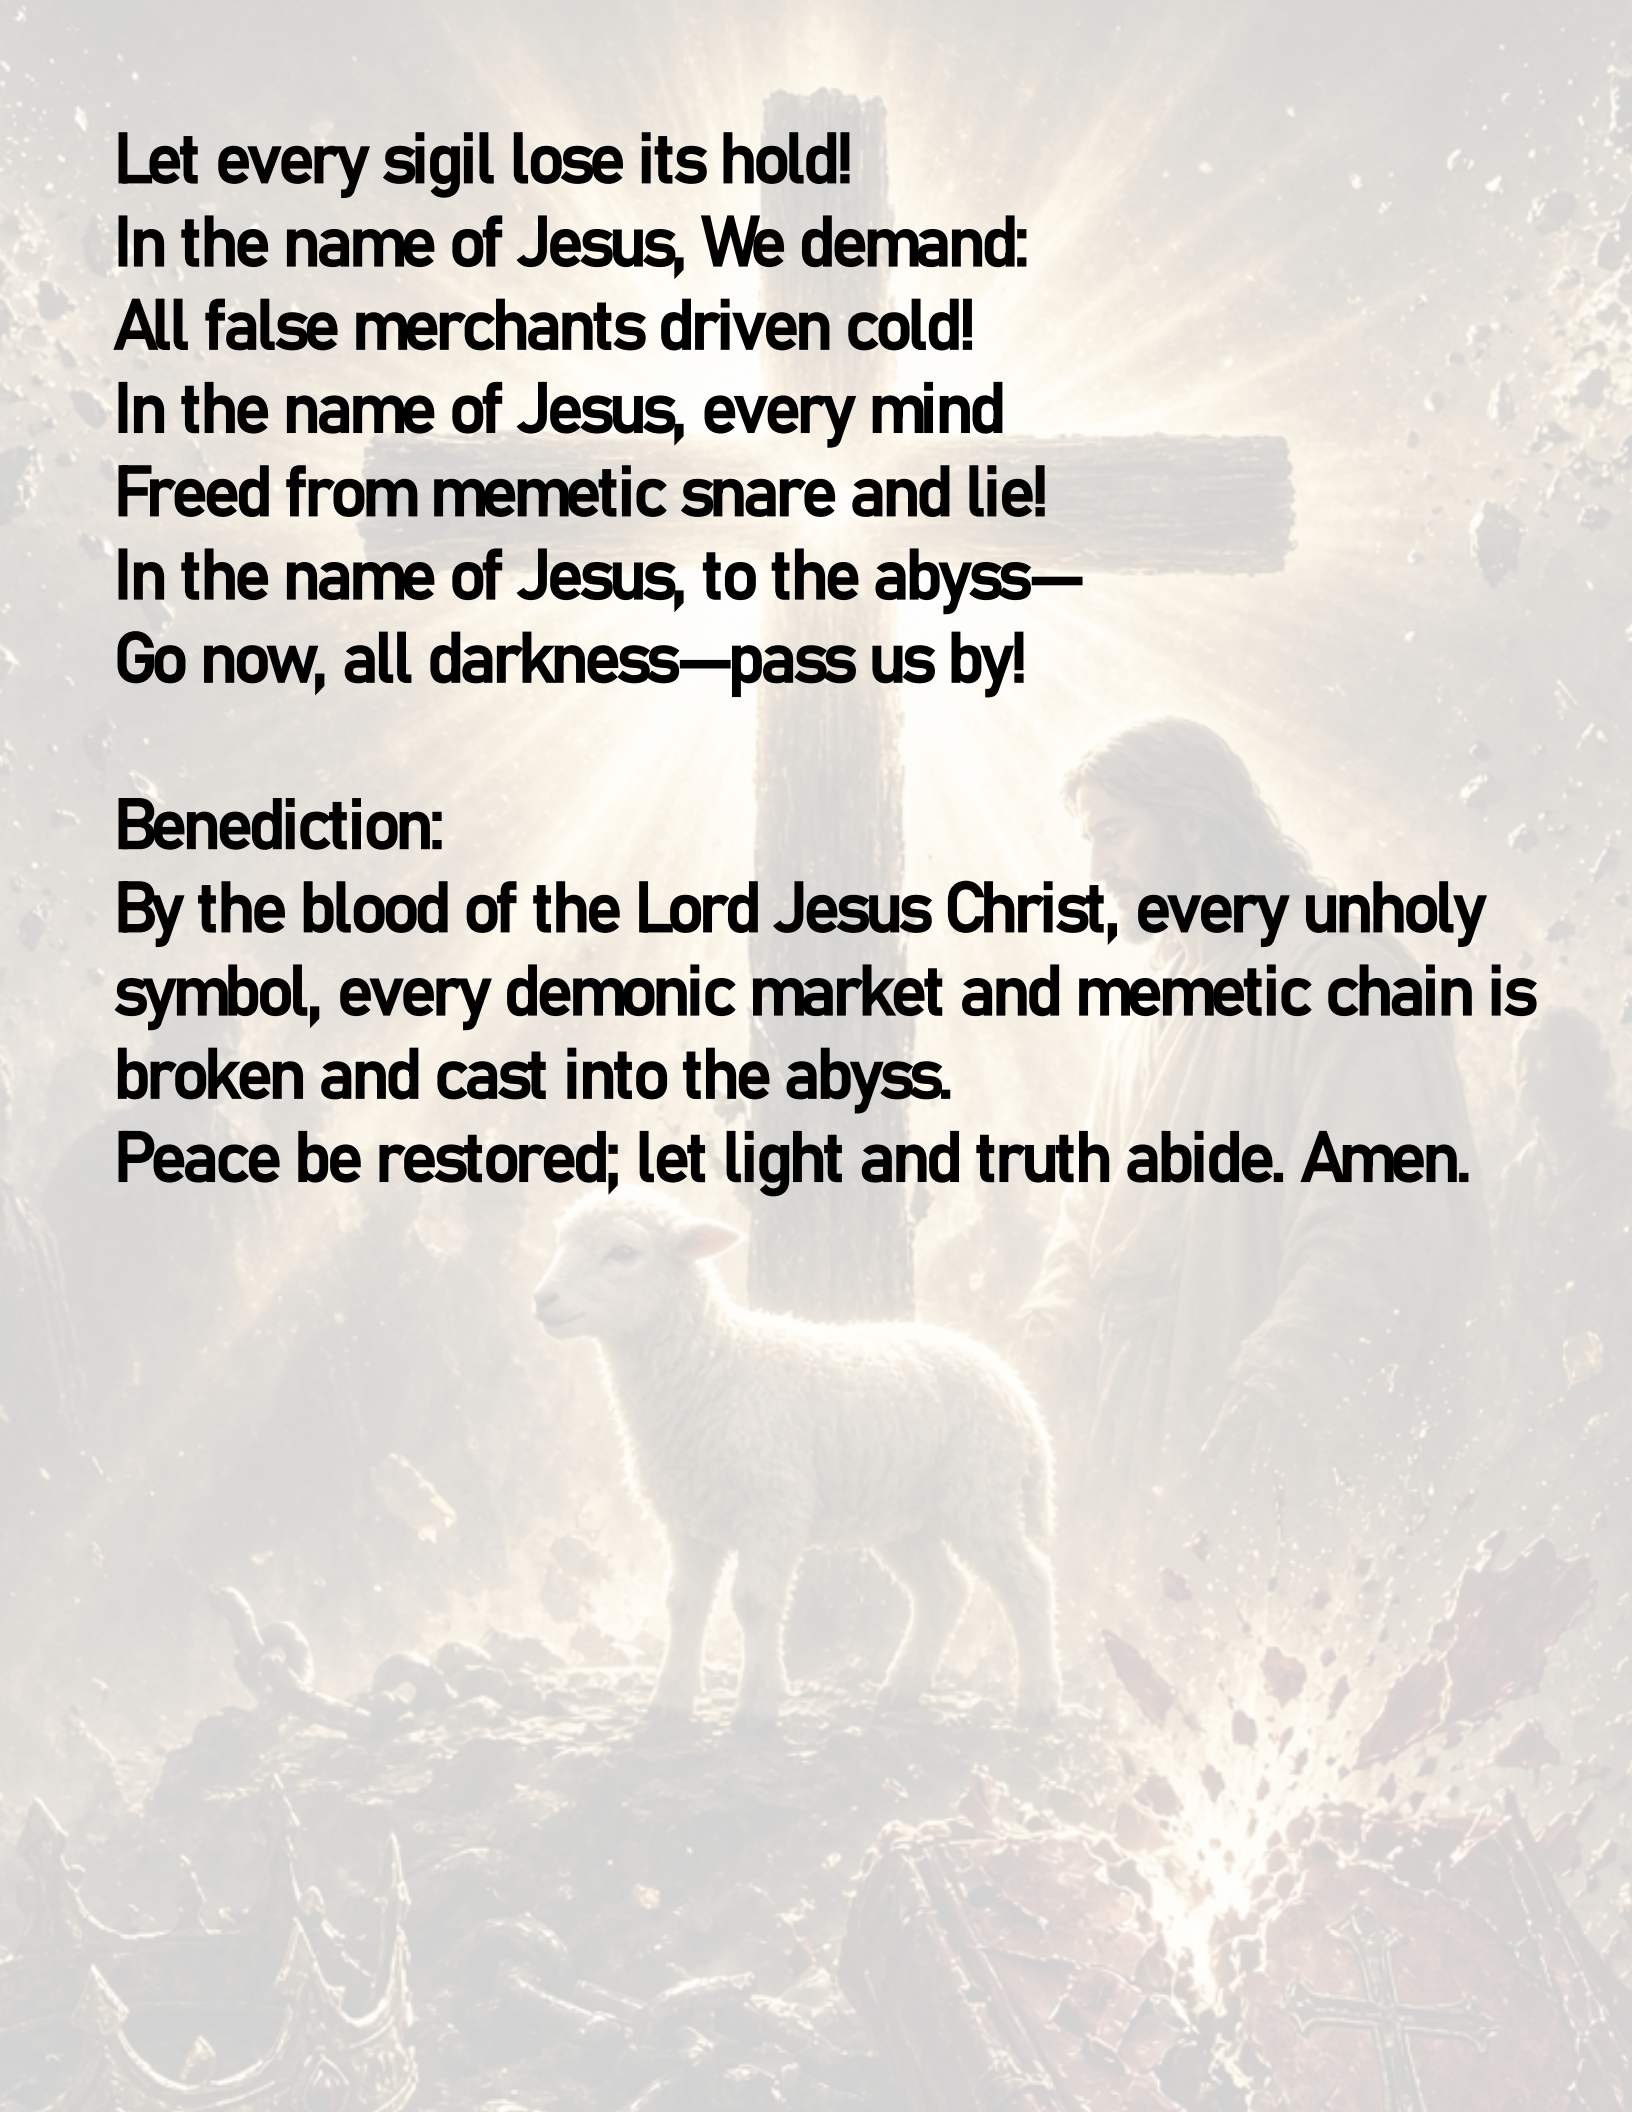

**In the name of Jesus, break!
Break the sigils, break the chain!
In the name of Jesus, cast!
Cast the merchants from the reign!
In the name of Jesus, bind!
Bind the memetic lies away!
In the name of Jesus, send
All evil to the abyss this day.**

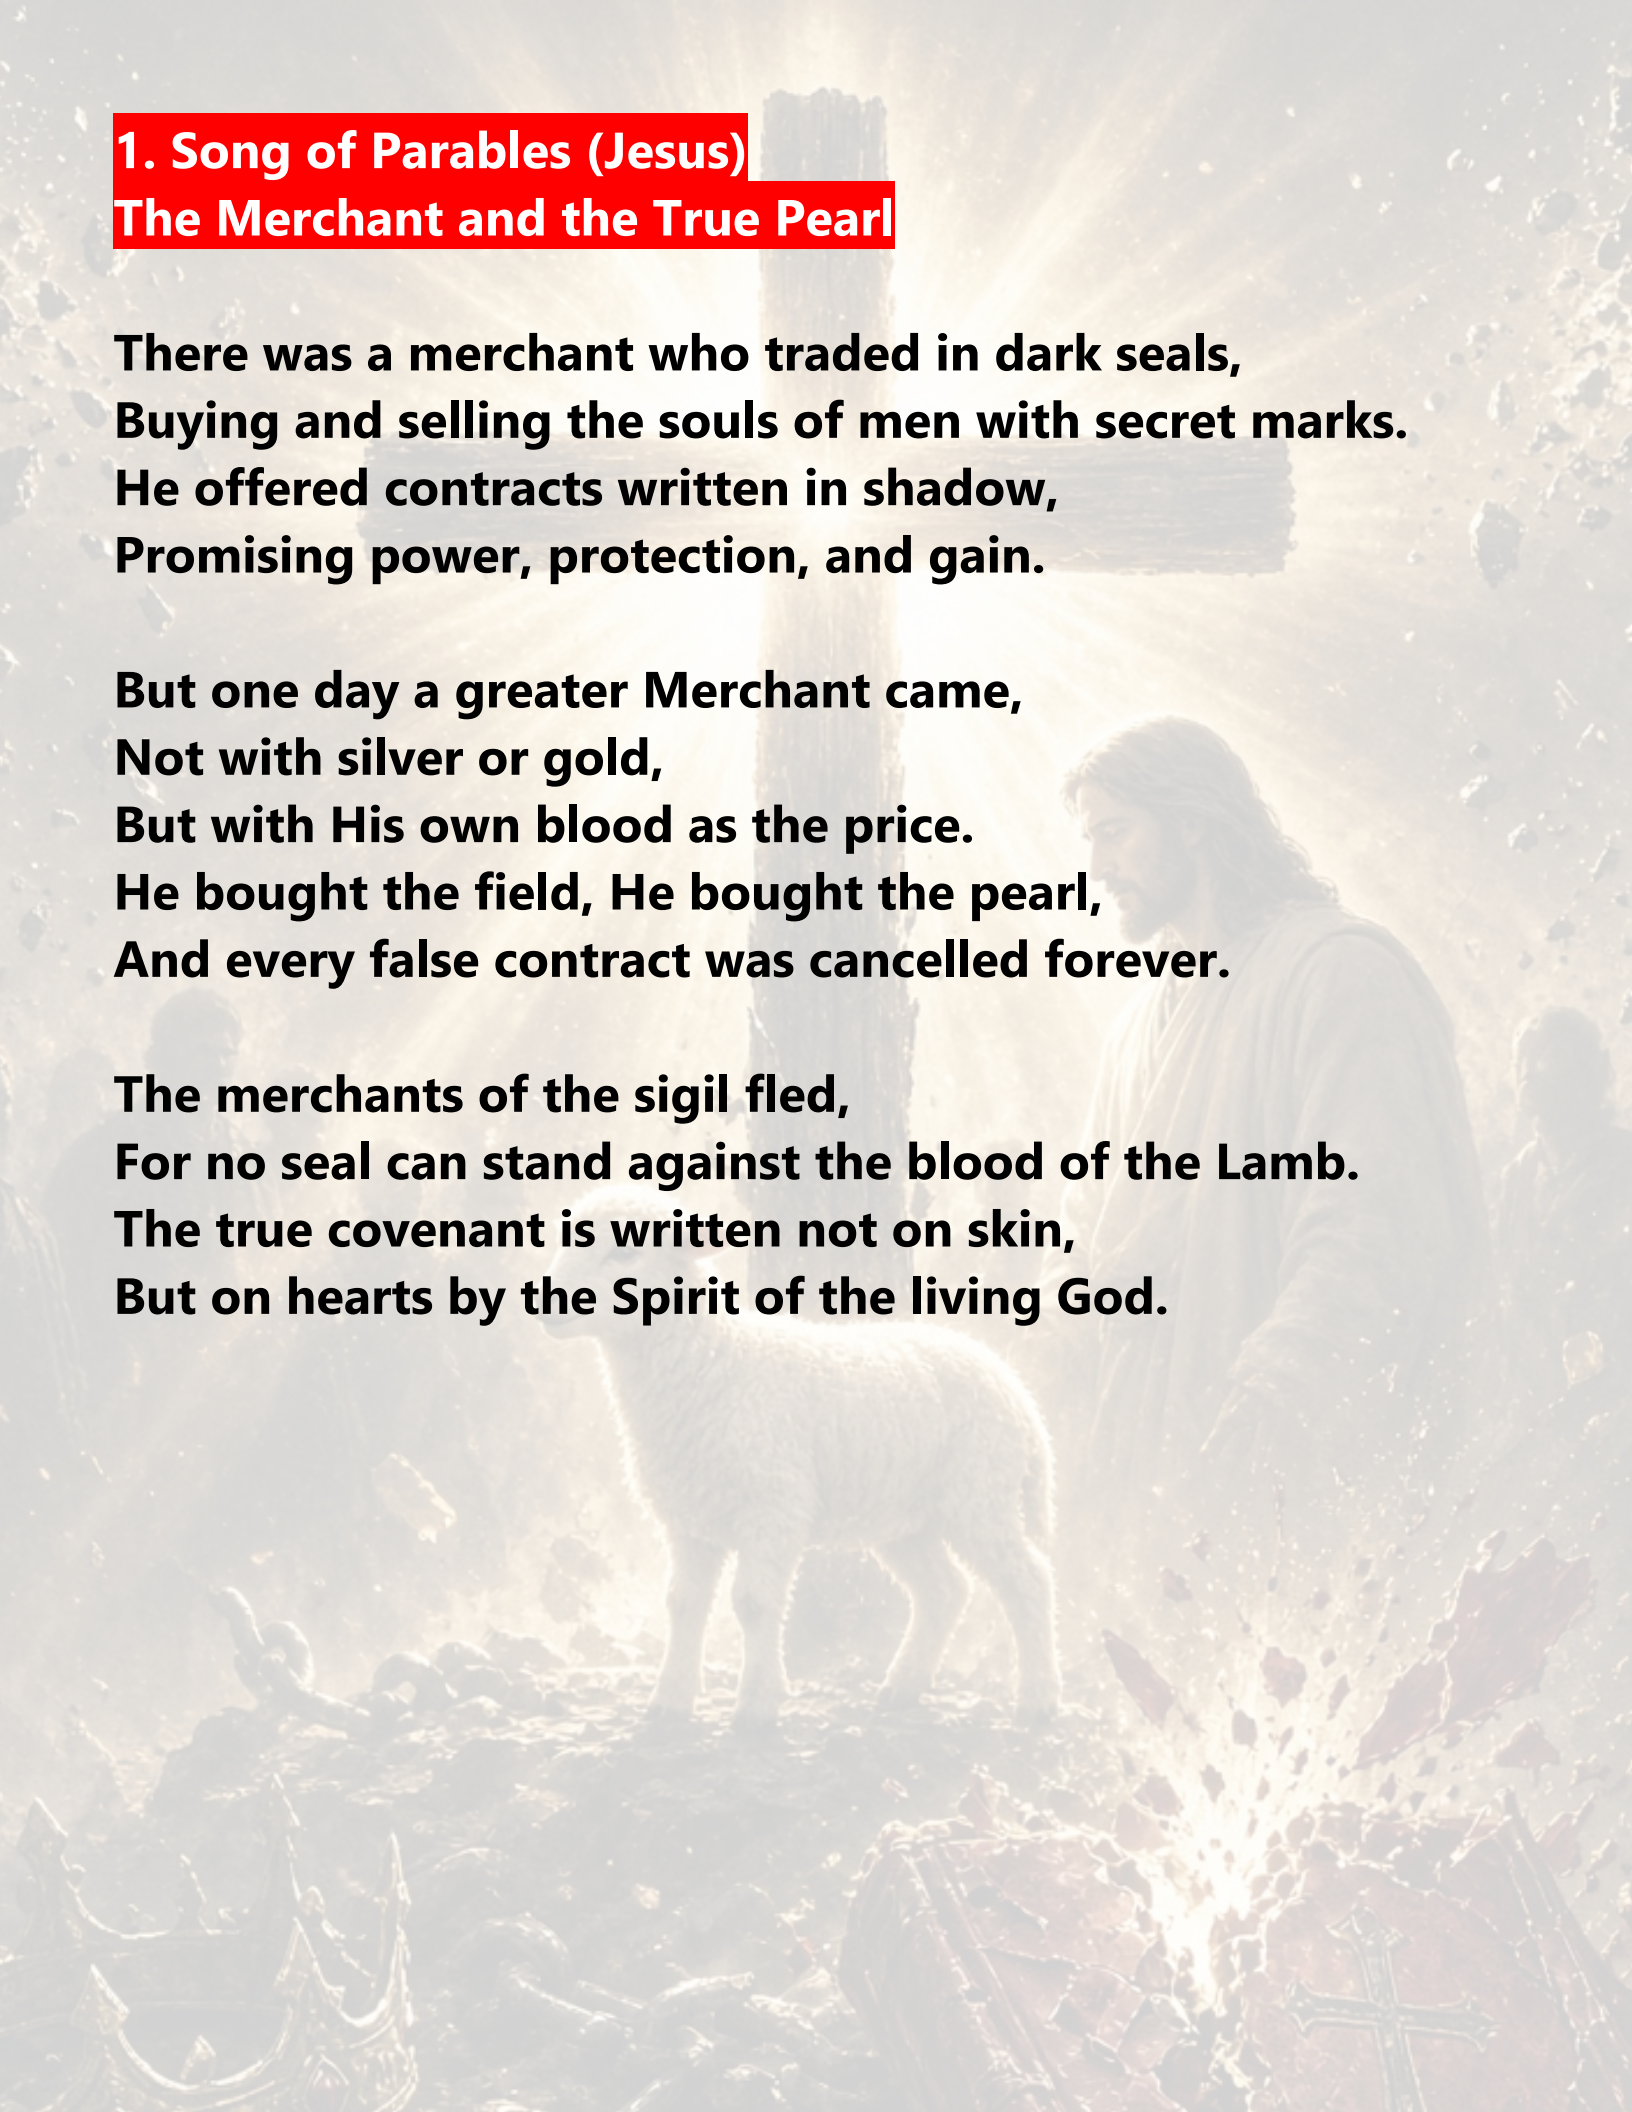

**He is the King above all powers,
He is the Light that breaks the night.
Every dark and hidden system
Bows to Christ, to truth, to right.**

In the name of Jesus, we command:

**Let every sigil lose its hold!
In the name of Jesus, We demand:
All false merchants driven cold!
In the name of Jesus, every mind
Freed from memetic snare and lie!
In the name of Jesus, to the abyss—
Go now, all darkness—pass us by!**

**Benediction:
By the blood of the Lord Jesus Christ, every unholy
symbol, every demonic market and memetic chain is
broken and cast into the abyss.
Peace be restored; let light and truth abide. Amen.**

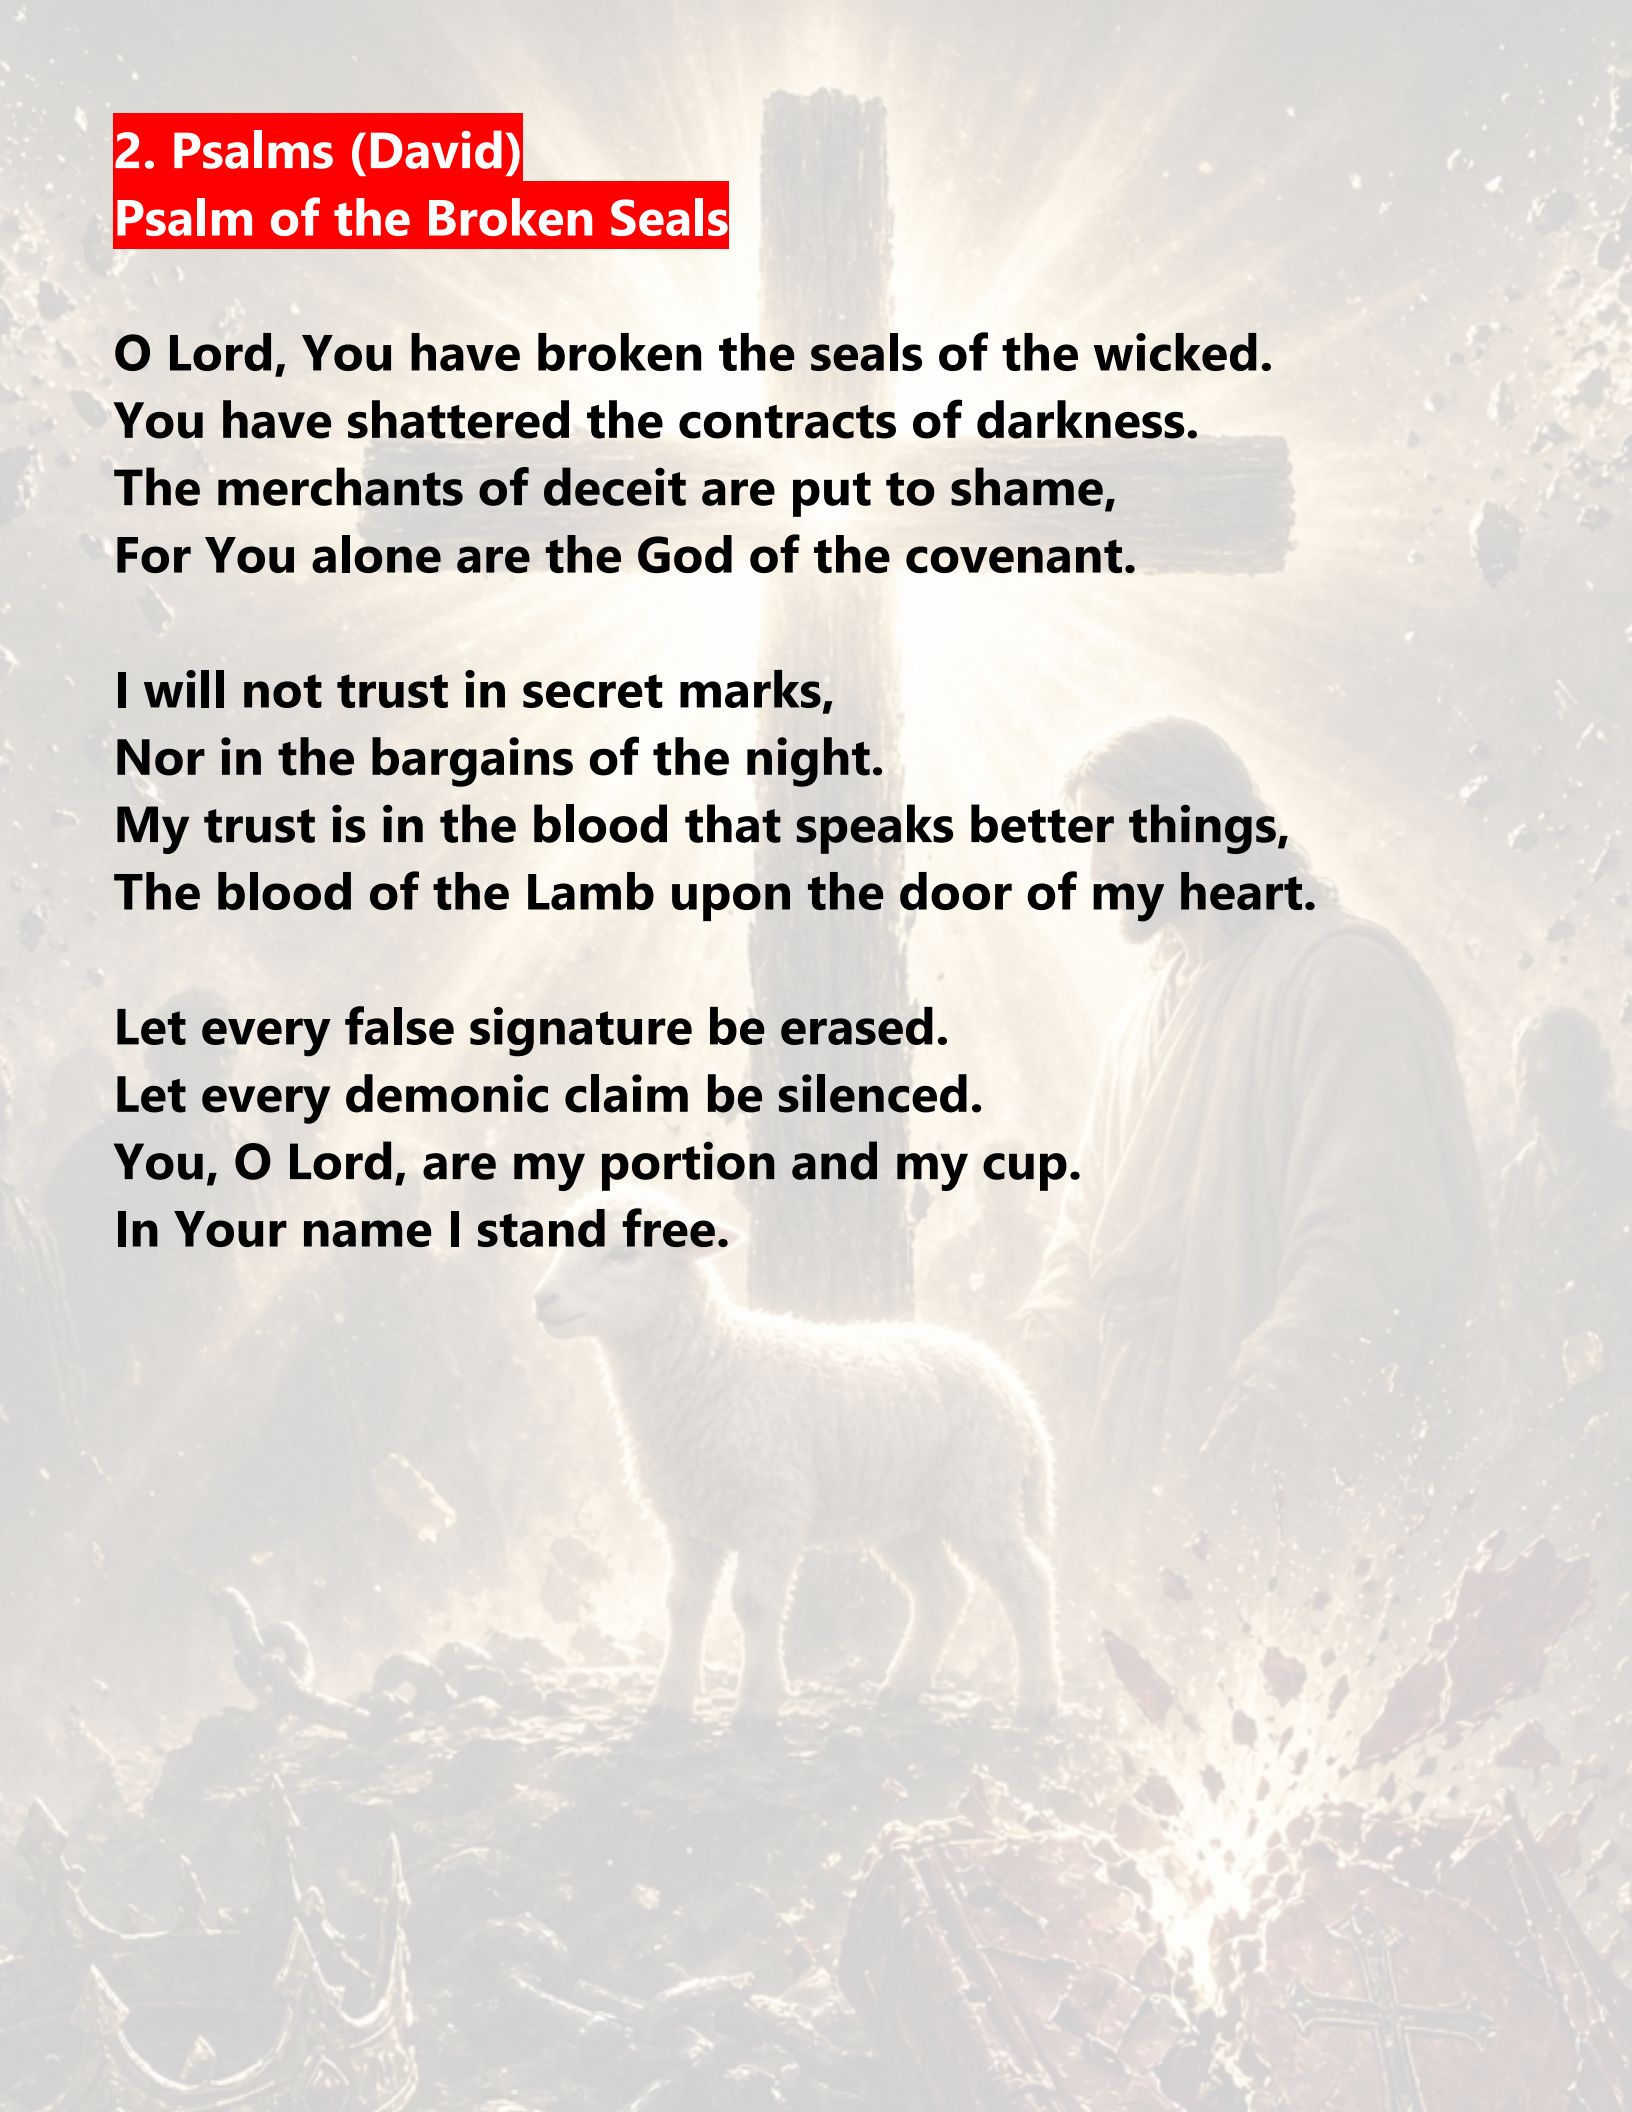

1. Song of Parables (Jesus)

The Merchant and the True Pearl

**There was a merchant who traded in dark seals,
Buying and selling the souls of men with secret marks.
He offered contracts written in shadow,
Promising power, protection, and gain.**

**But one day a greater Merchant came,
Not with silver or gold,
But with His own blood as the price.
He bought the field, He bought the pearl,
And every false contract was cancelled forever.**

**The merchants of the sigil fled,
For no seal can stand against the blood of the Lamb.
The true covenant is written not on skin,
But on hearts by the Spirit of the living God.**

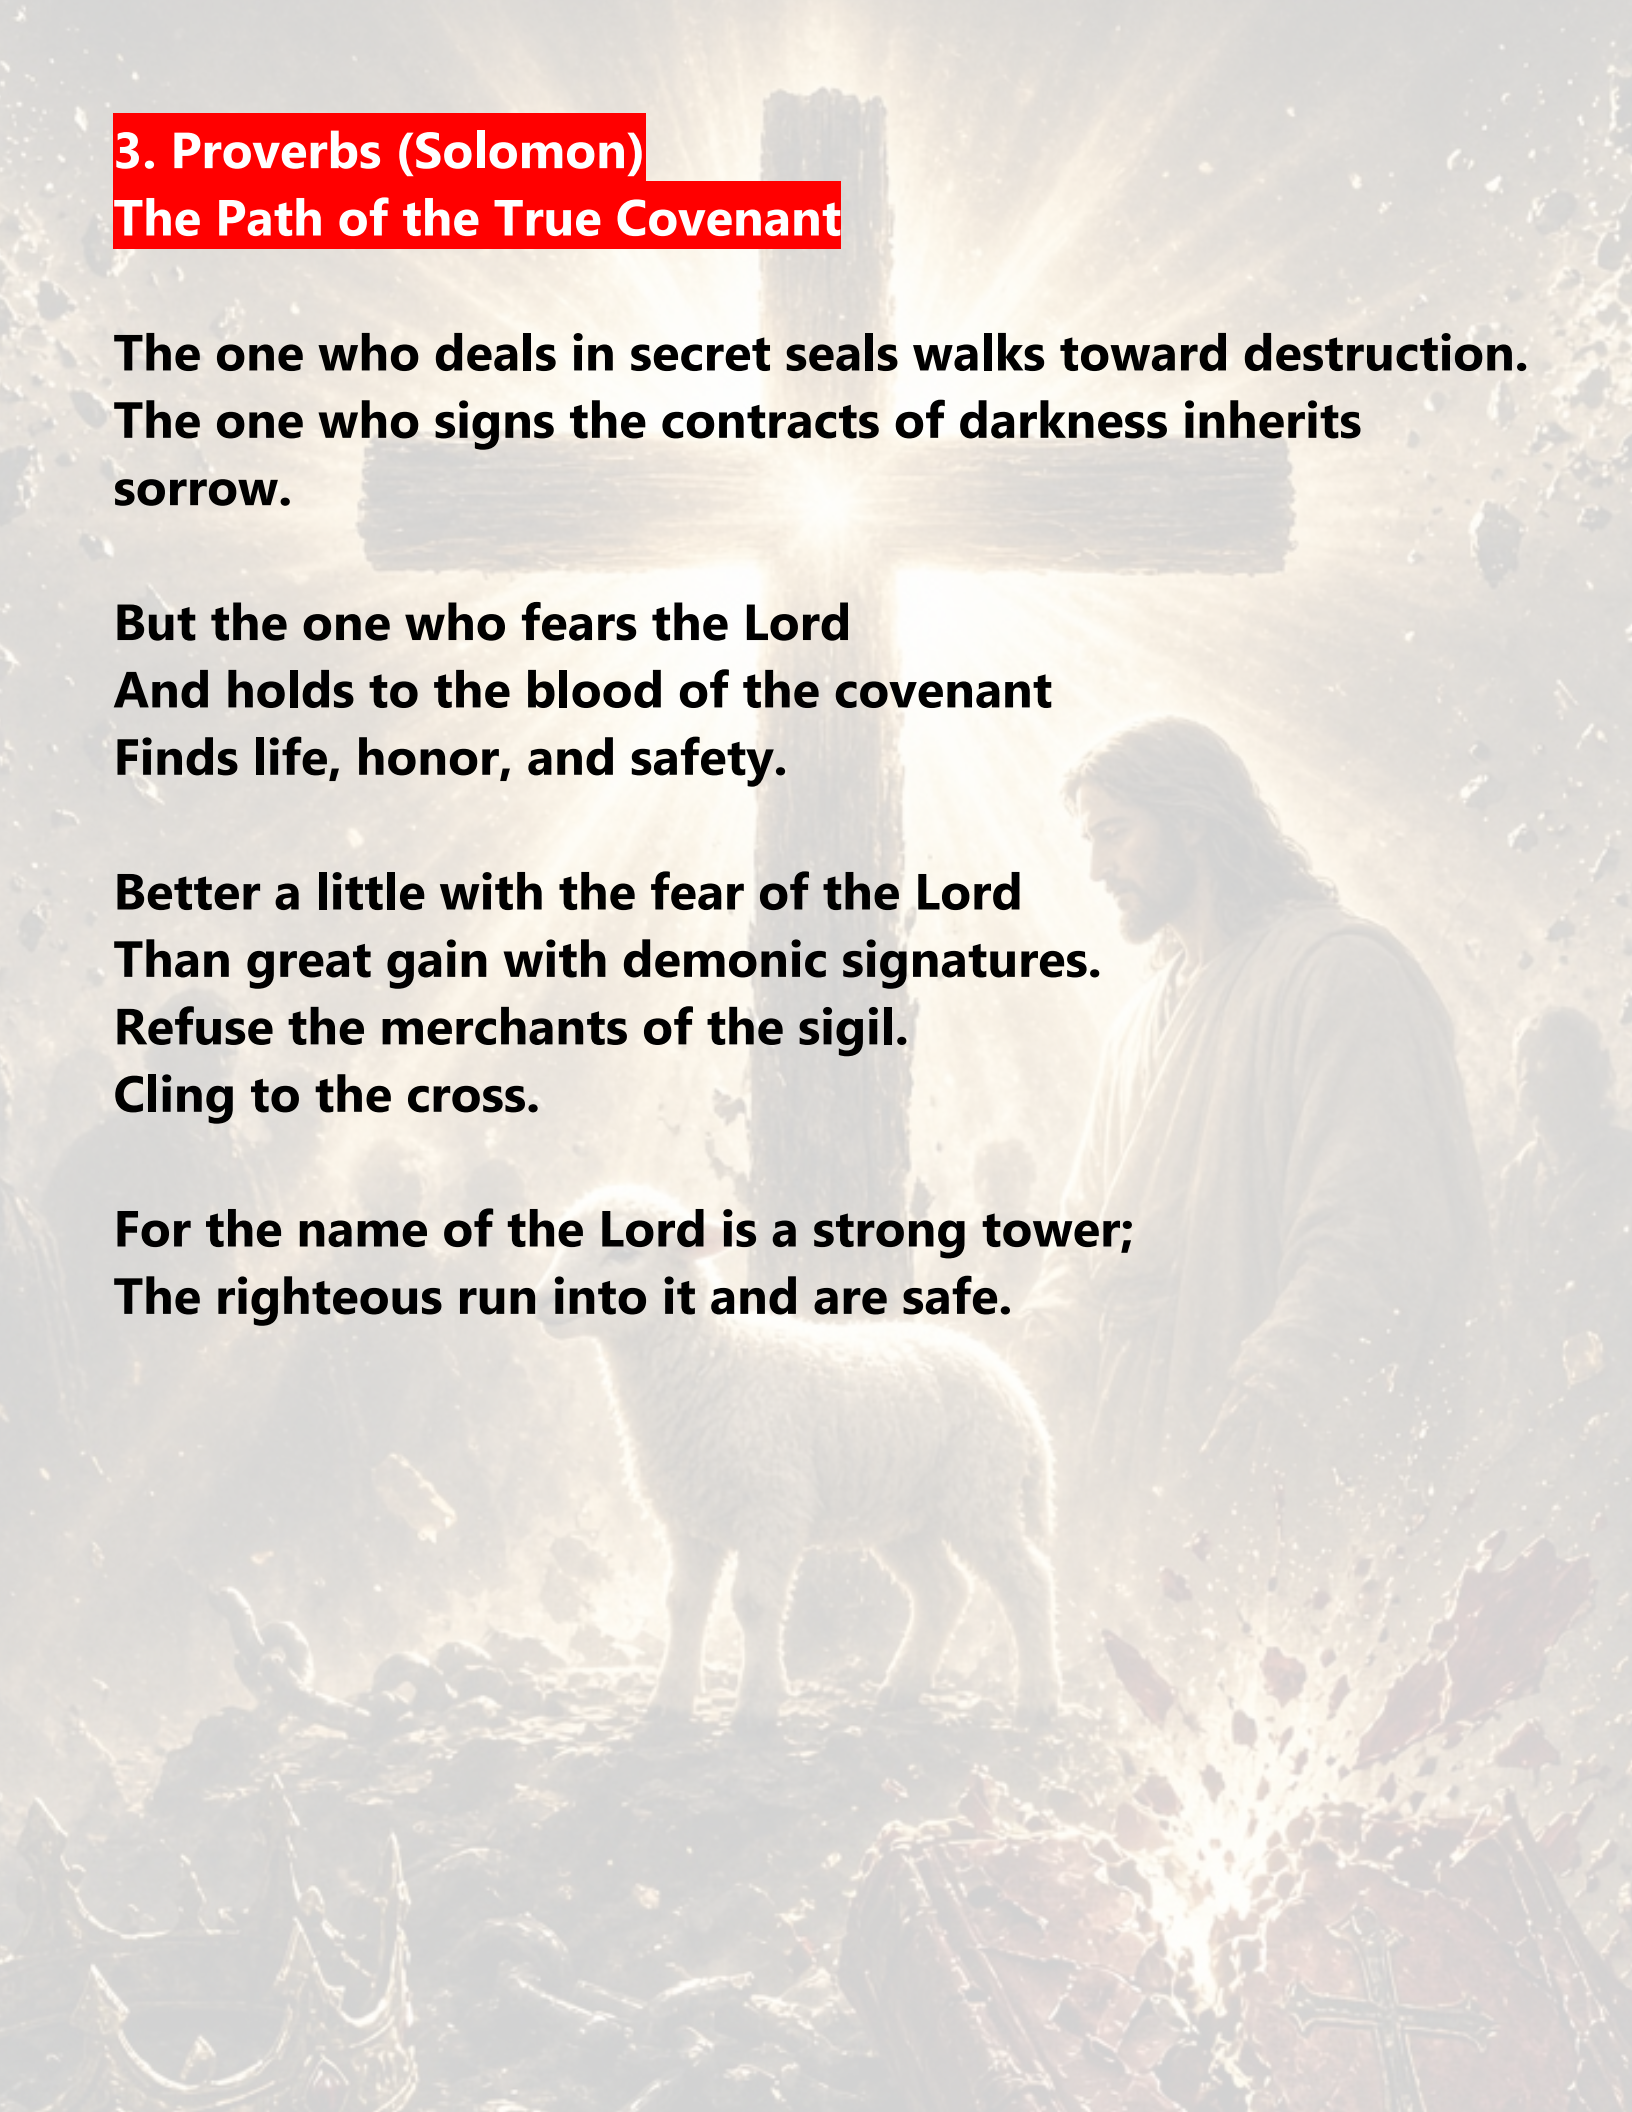

2. Psalms (David)

Psalm of the Broken Seals

**O Lord, You have broken the seals of the wicked.
You have shattered the contracts of darkness.
The merchants of deceit are put to shame,
For You alone are the God of the covenant.**

**I will not trust in secret marks,
Nor in the bargains of the night.
My trust is in the blood that speaks better things,
The blood of the Lamb upon the door of my heart.**

**Let every false signature be erased.
Let every demonic claim be silenced.
You, O Lord, are my portion and my cup.
In Your name I stand free.**

3. Proverbs (Solomon)

The Path of the True Covenant

**The one who deals in secret seals walks toward destruction.
The one who signs the contracts of darkness inherits
sorrow.**

**But the one who fears the Lord
And holds to the blood of the covenant
Finds life, honor, and safety.**

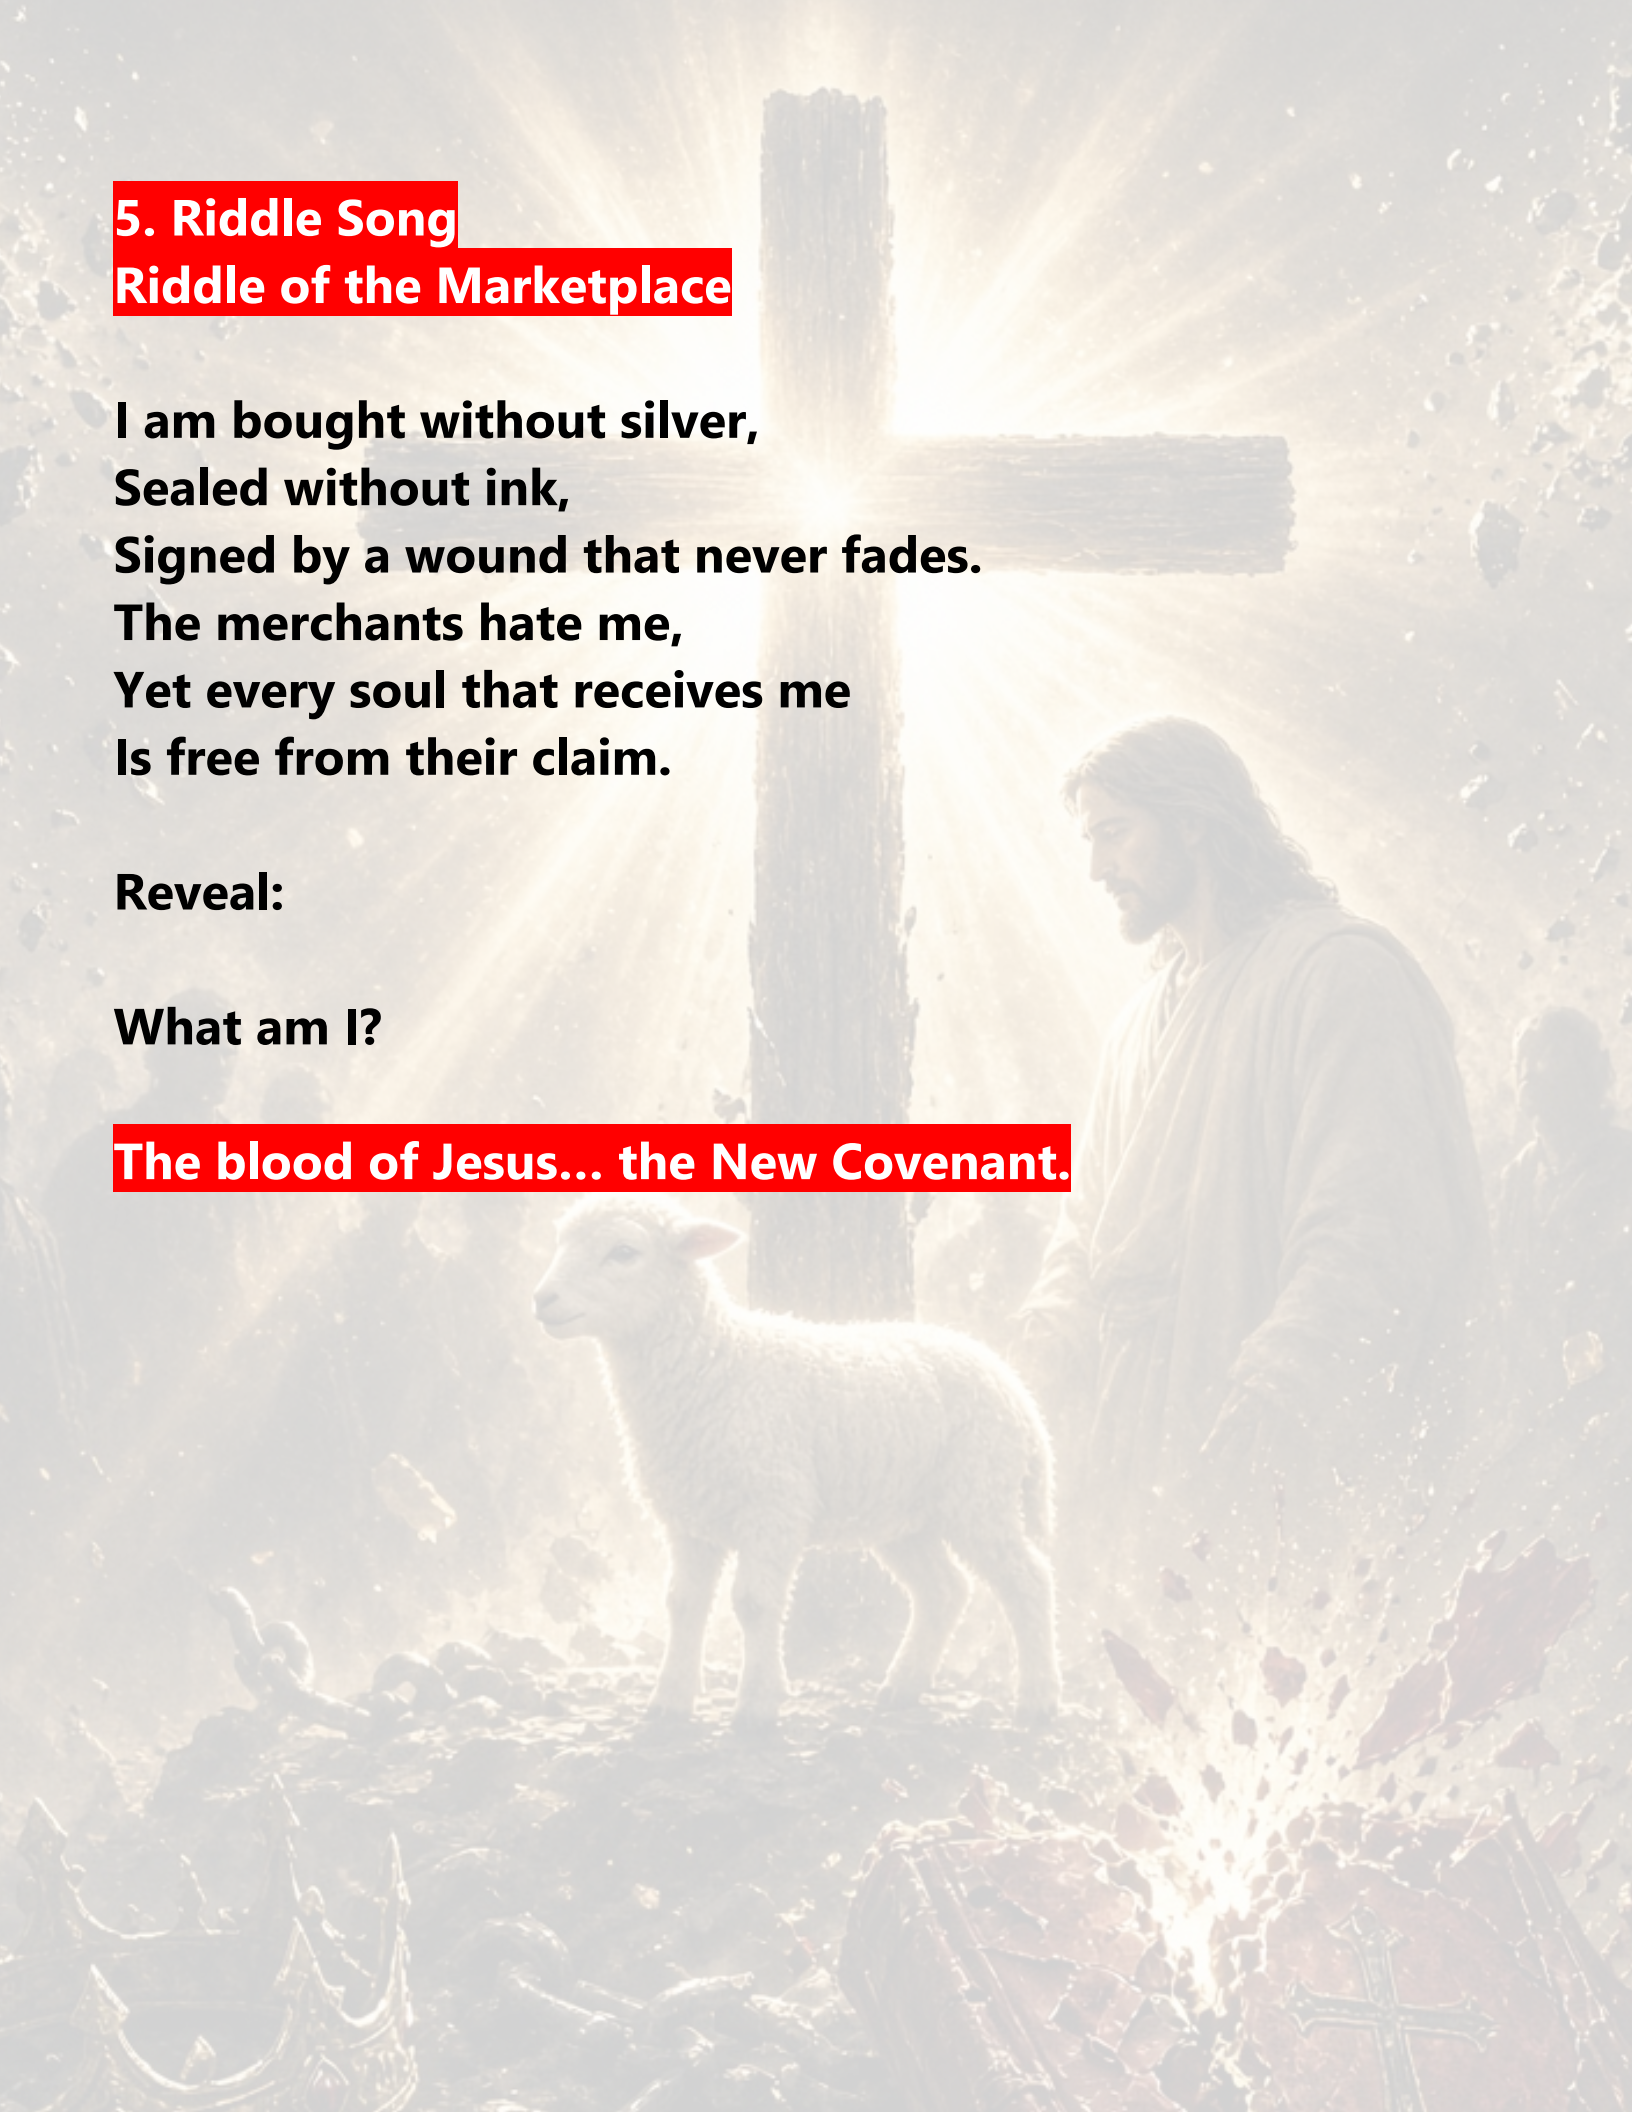

**Better a little with the fear of the Lord
Than great gain with demonic signatures.
Refuse the merchants of the sigil.
Cling to the cross.**

**For the name of the Lord is a strong tower;
The righteous run into it and are safe.**

4. Haiku Song Broken Seals

**Dark contracts dissolve—
Blood of the Lamb speaks louder.
Only one covenant remains.**

5. Riddle Song

Riddle of the Marketplace

**I am bought without silver,
Sealed without ink,
Signed by a wound that never fades.
The merchants hate me,
Yet every soul that receives me
Is free from their claim.**

Reveal:

What am I?

The blood of Jesus... the New Covenant.

Ground Zero Lament — Anomalies Unbound in the Name of Jesus

**We gather where the towers fell,
Where smoke and sorrow named the day.
We lift the cries, the silent bells,
For broken lives and hearts that fray.
Where markets hum and commerce calls,
Where trade once ruled the city's soul,
We ask the Lord to hear our prayers,
To bind the wounds, to make us whole.**

**Come, Holy Light, expose the night,
Shatter the shadows, bring Your sight.**

**In the name of Jesus, truth arise!
Unravel every hidden lie.**

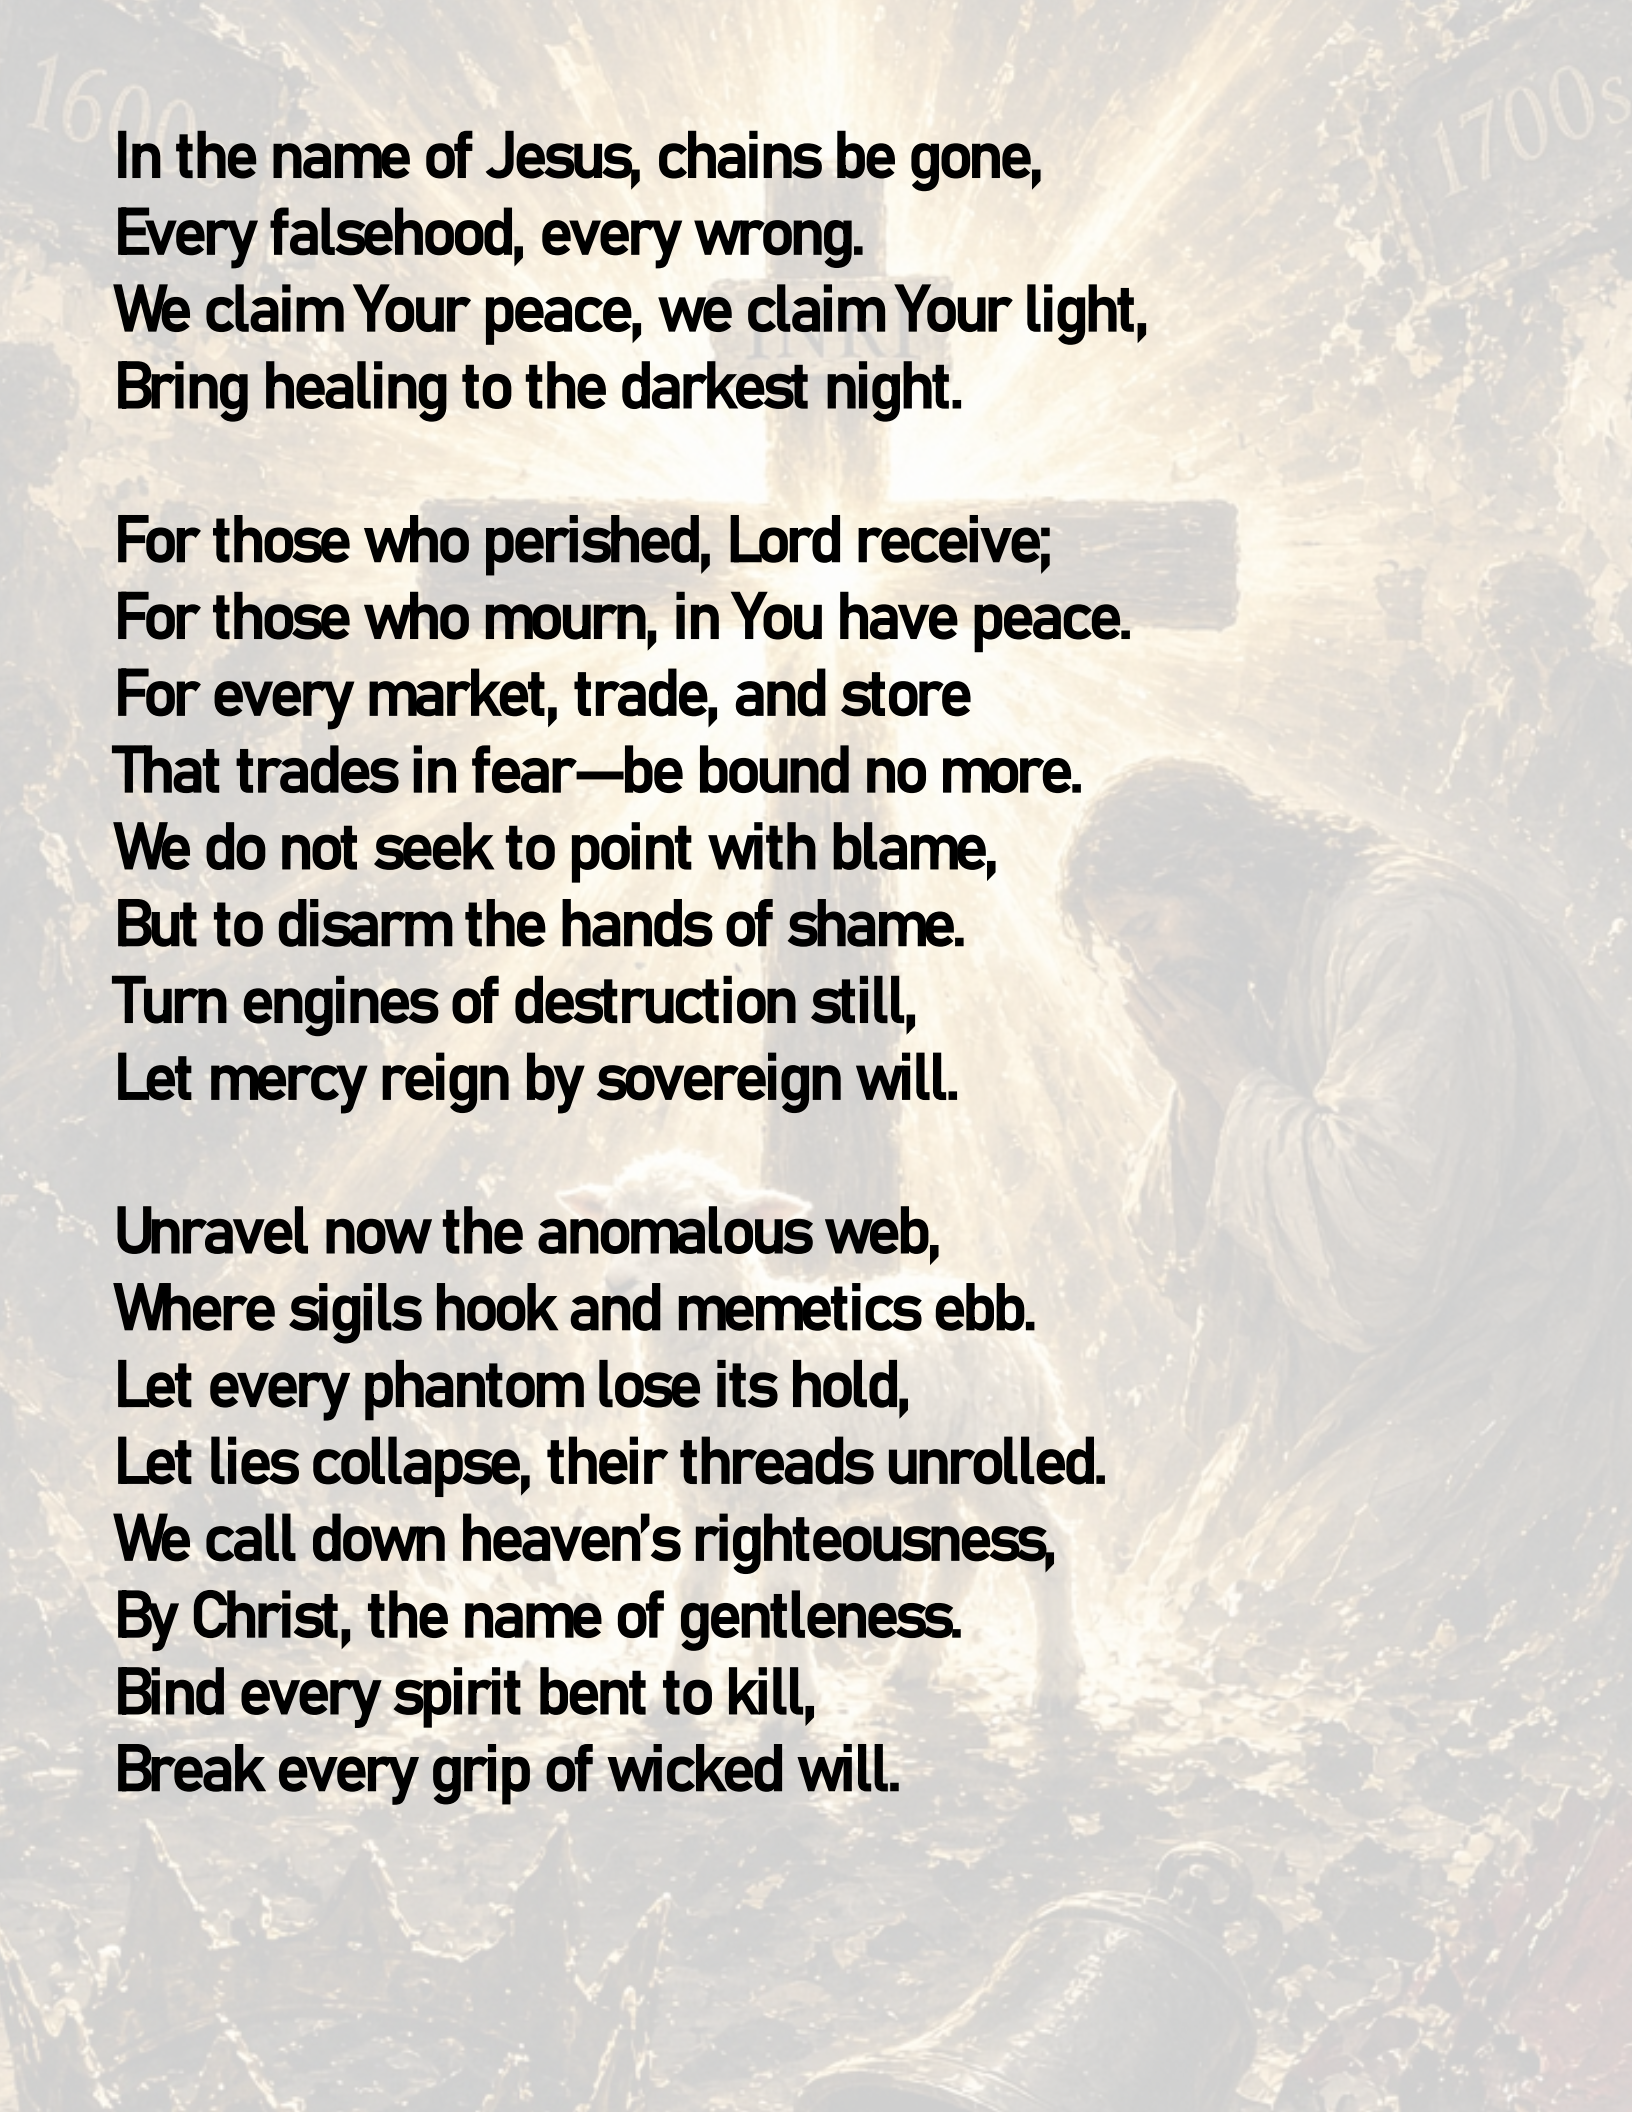

1600s 1700s

**From Ground Zero to each trembling shore,
Cast out the terror—nevermore.
In the name of Jesus, chains be gone,
Every falsehood, every wrong.
We claim Your peace, we claim Your light,
Bring healing to the darkest night.**

**We name the numbered things of dread—
8963, 3395—no power to tread.
6525, and all that hides,
The memetic snare, the secret tides.
Not to feed conspiracies,
But to loose the lies that hate refines.
We plea for clarity and grace,
For justice tempered by Your light.**

**Come, Holy Light, expose the night,
Shatter the shadows, bring Your sight.**

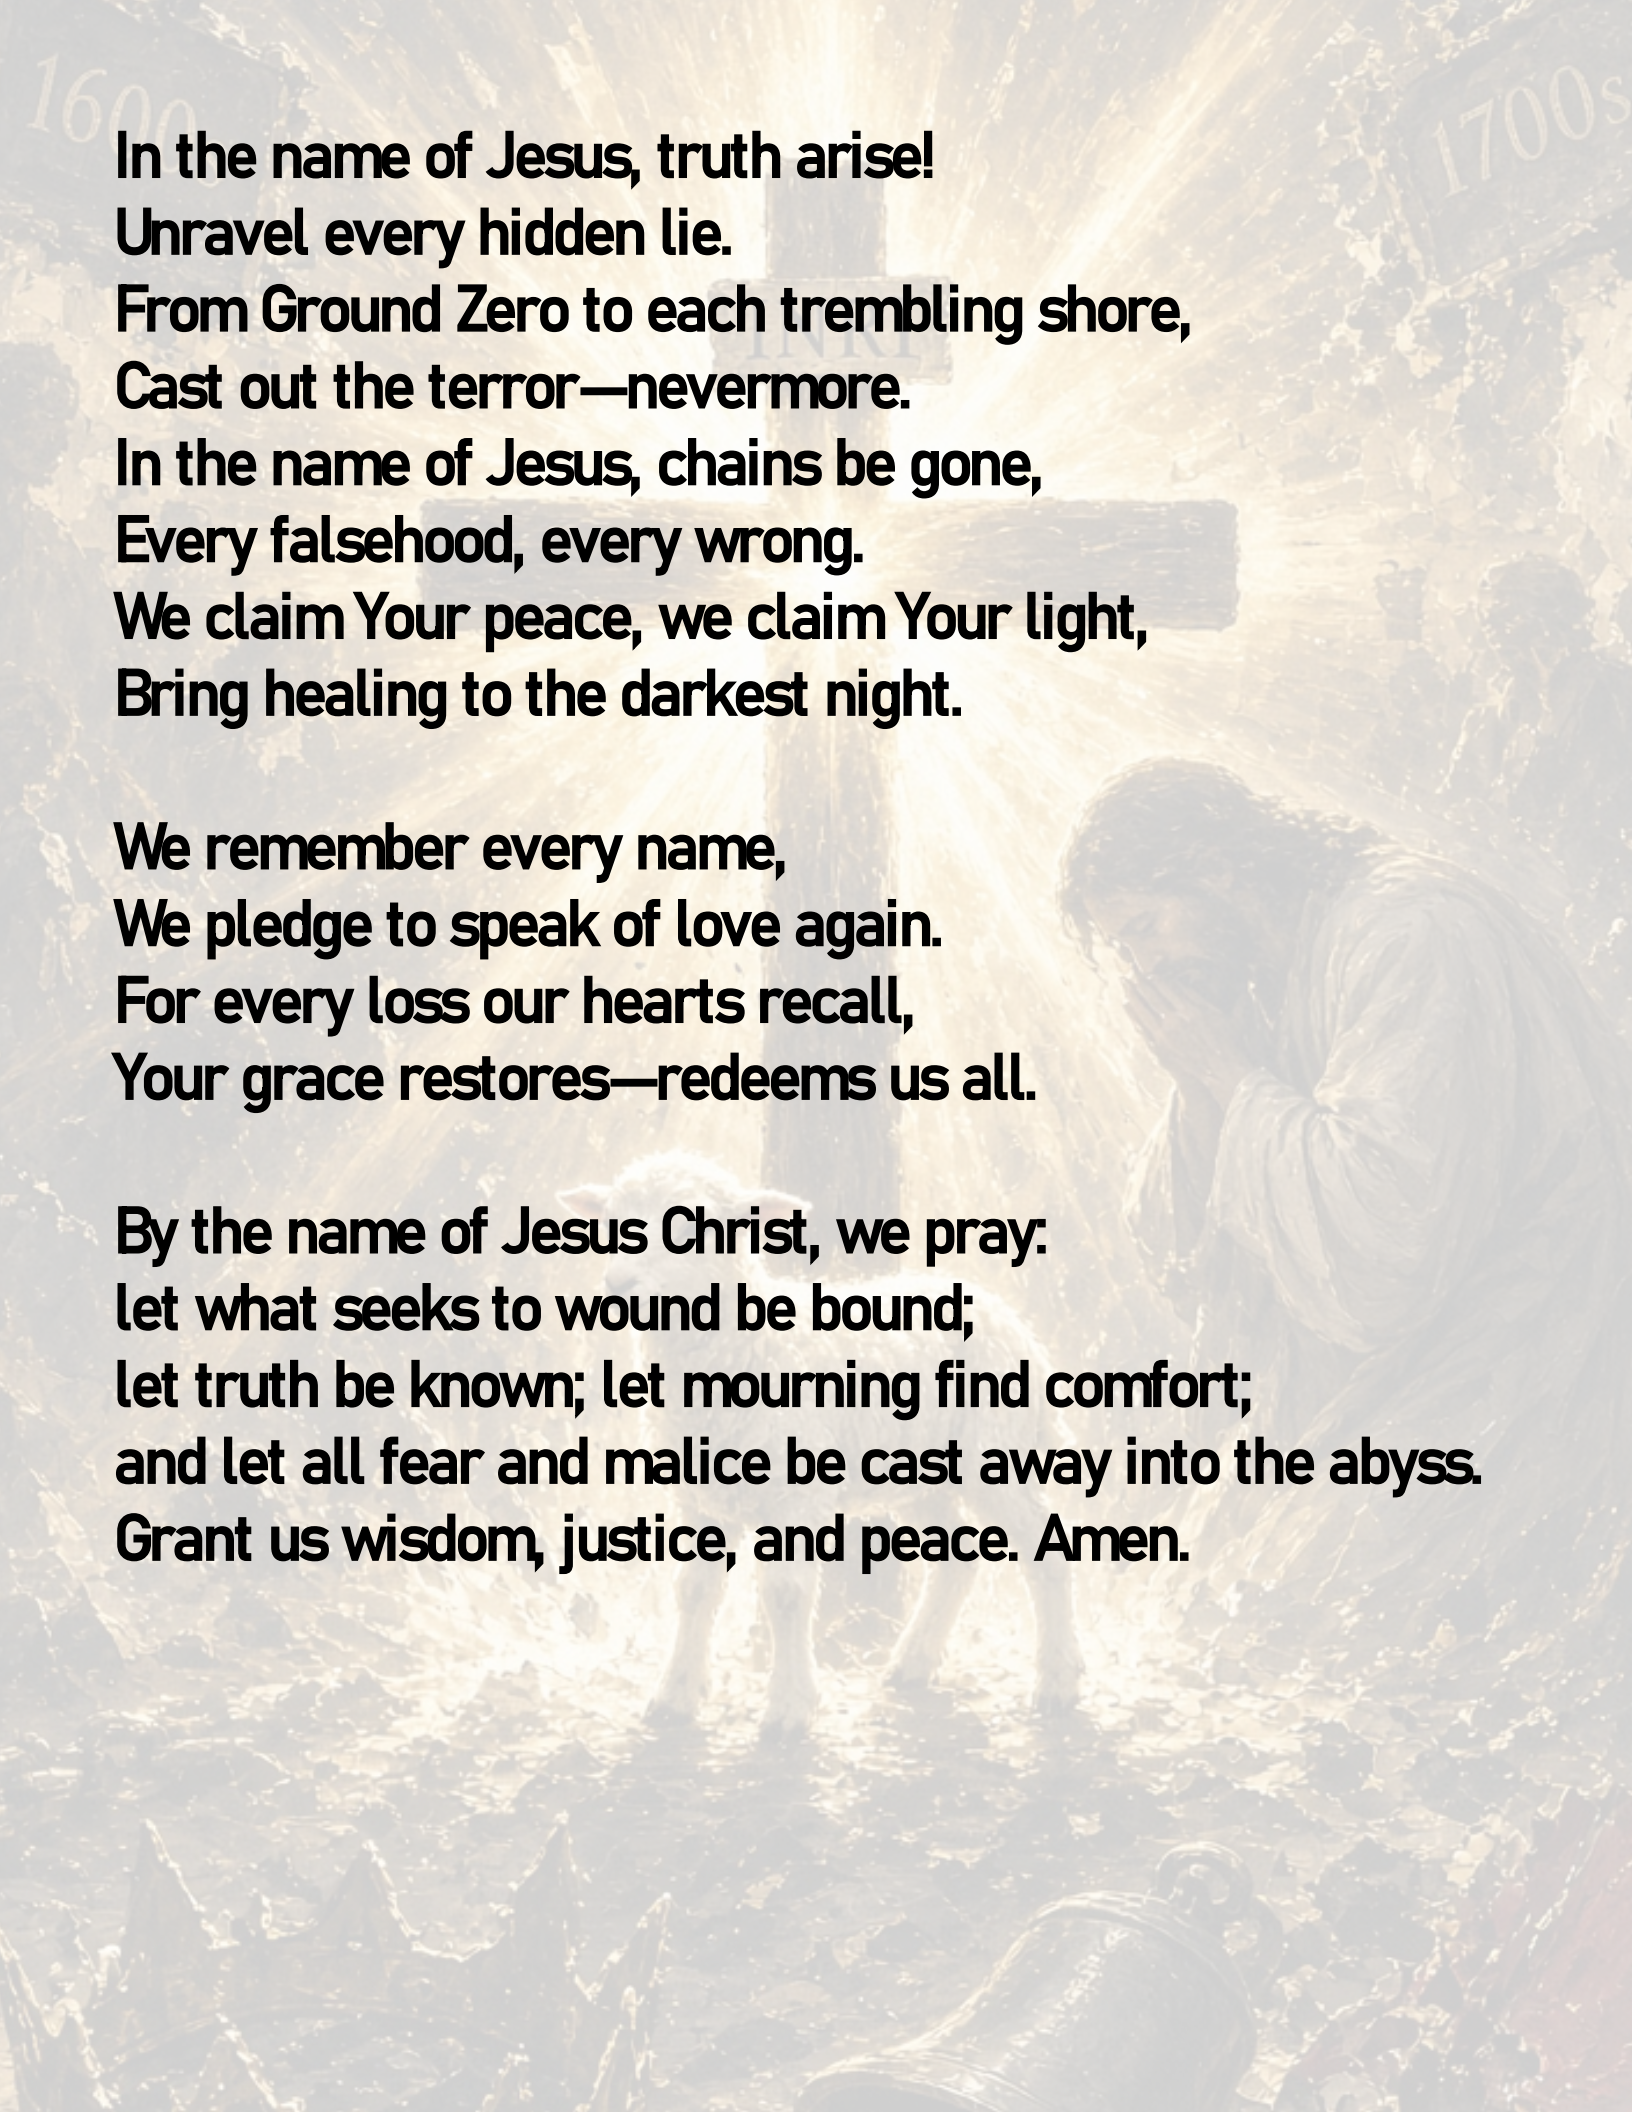

**In the name of Jesus, truth arise!
Unravel every hidden lie.
From Ground Zero to each trembling shore,
Cast out the terror—nevermore.**

**In the name of Jesus, chains be gone,
Every falsehood, every wrong.
We claim Your peace, we claim Your light,
Bring healing to the darkest night.**

**For those who perished, Lord receive;
For those who mourn, in You have peace.
For every market, trade, and store
That trades in fear—be bound no more.
We do not seek to point with blame,
But to disarm the hands of shame.
Turn engines of destruction still,
Let mercy reign by sovereign will.**

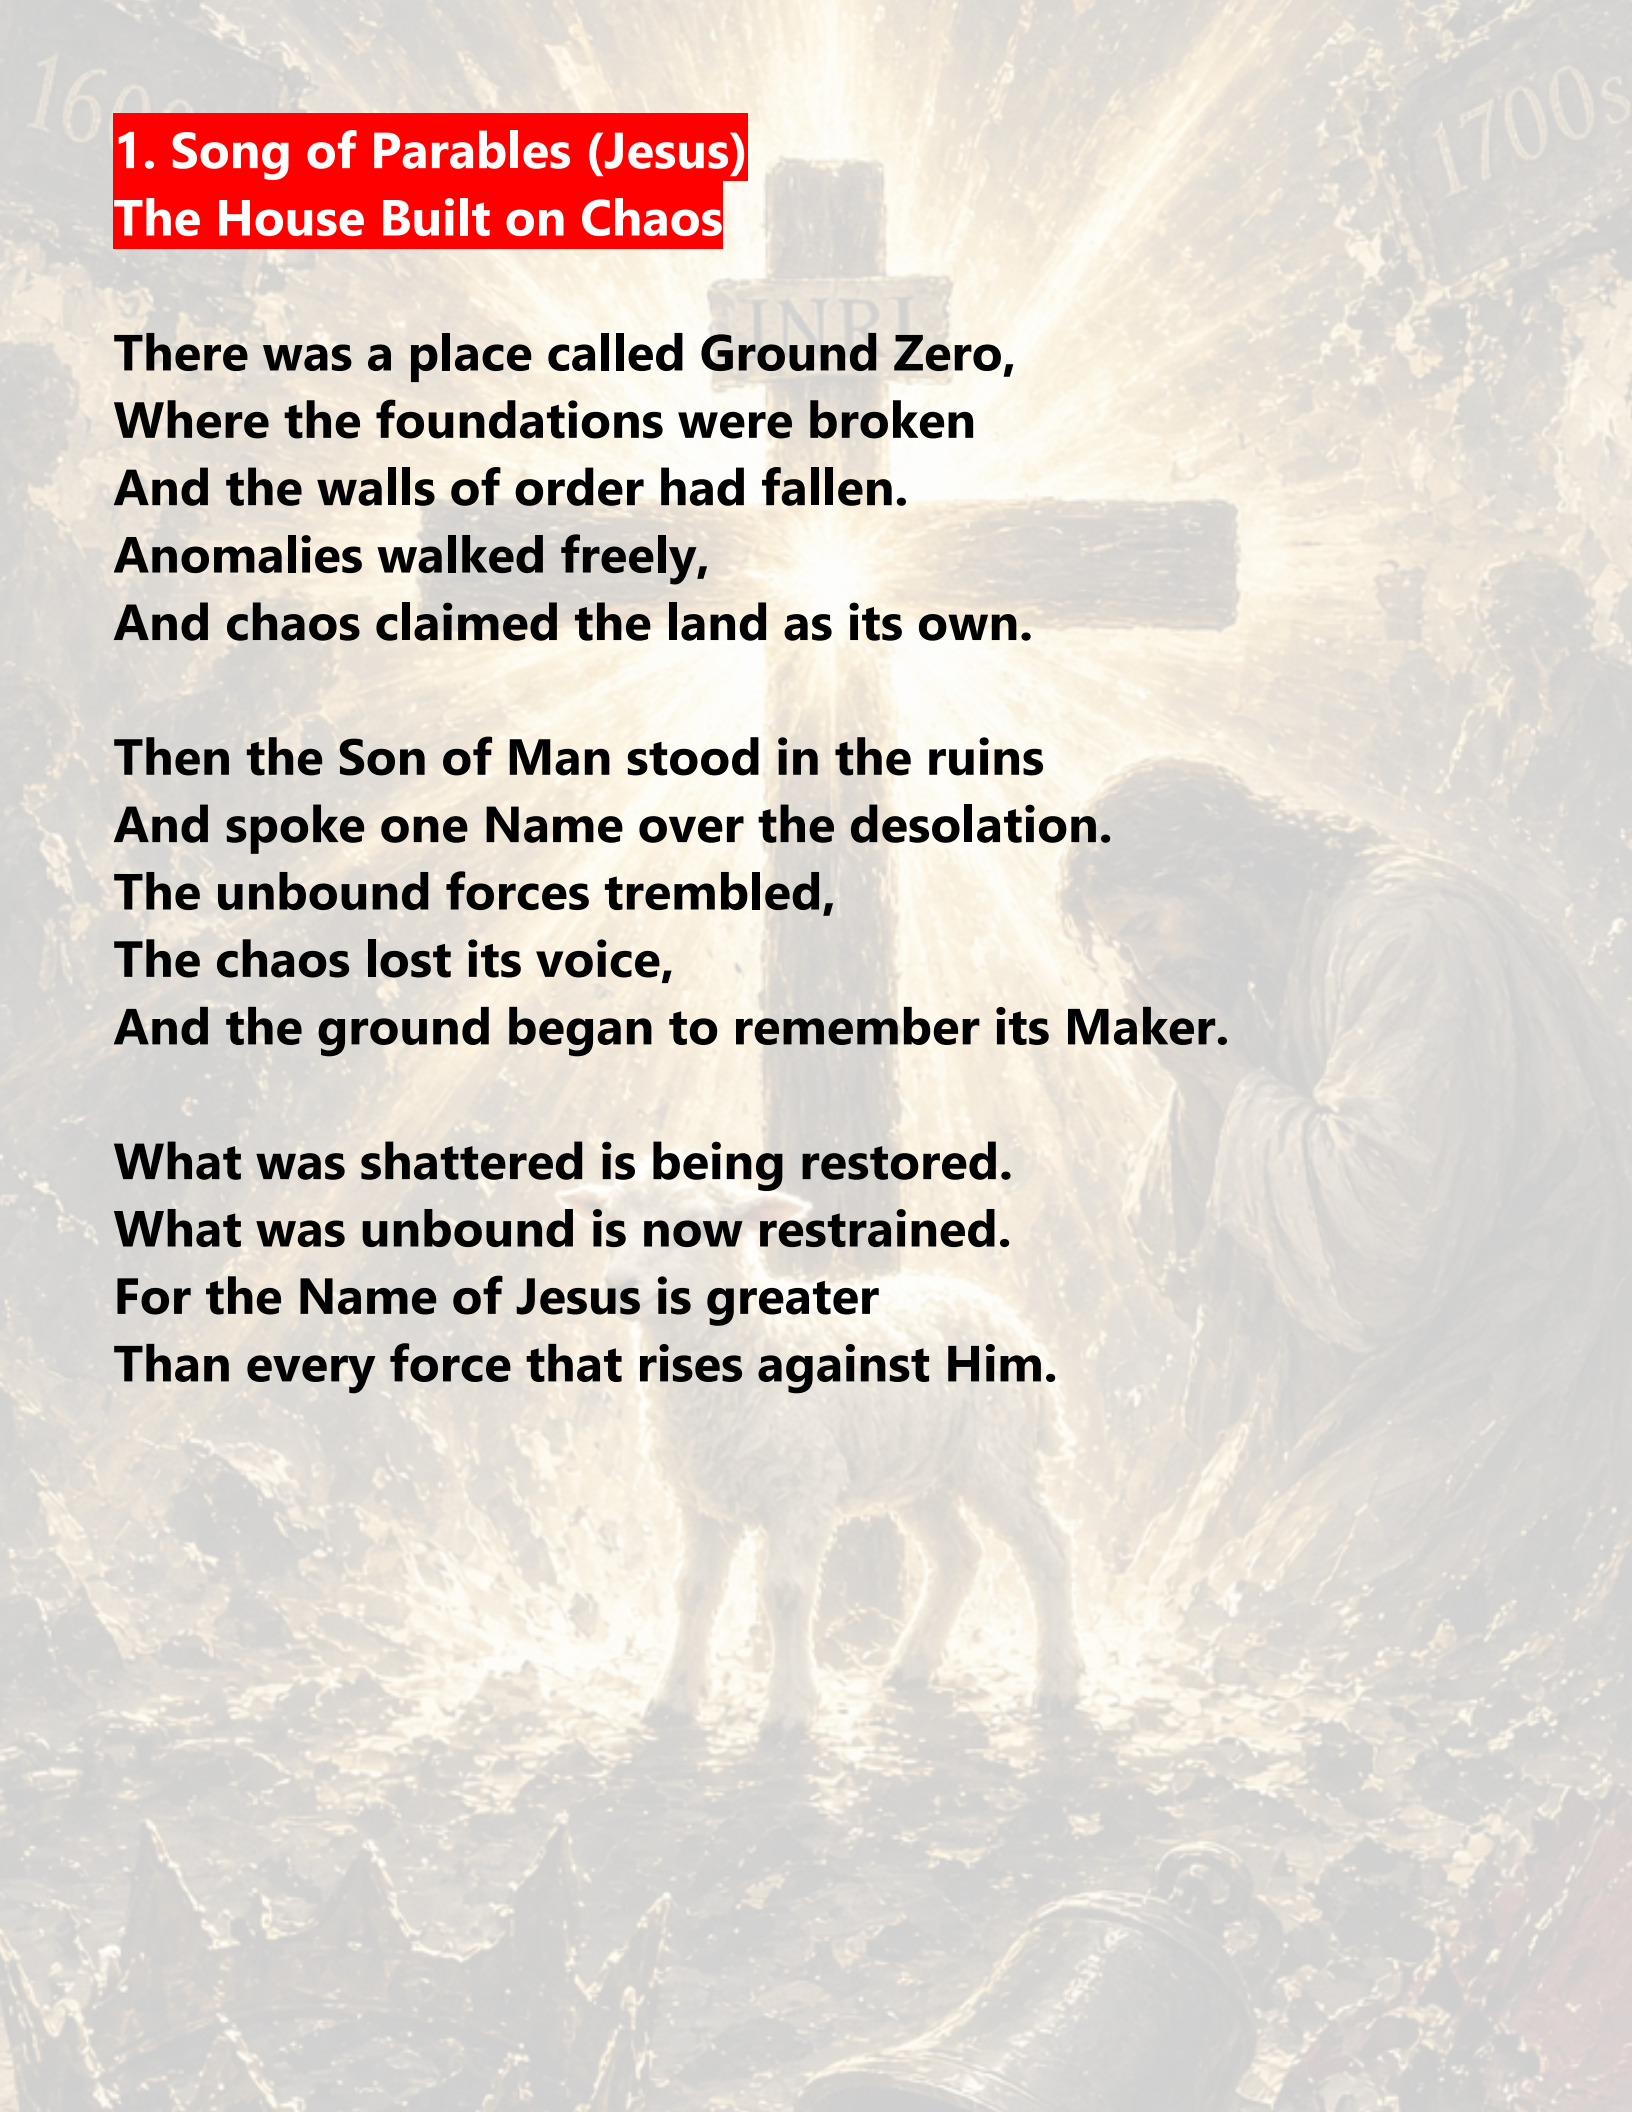

**Unravel now the anomalous web,
Where sigils hook and memetics ebb.
Let every phantom lose its hold,
Let lies collapse, their threads unrolled.
We call down heaven's righteousness,
By Christ, the name of gentleness.
Bind every spirit bent to kill,
Break every grip of wicked will.**

**In the name of Jesus, truth arise!
Unravel every hidden lie.
From Ground Zero to each trembling shore,
Cast out the terror—nevermore.
In the name of Jesus, chains be gone,
Every falsehood, every wrong.
We claim Your peace, we claim Your light,
Bring healing to the darkest night.**

**We remember every name,
We pledge to speak of love again.
For every loss our hearts recall,
Your grace restores—redeems us all.**

**By the name of Jesus Christ, we pray:
let what seeks to wound be bound;
let truth be known; let mourning find comfort;
and let all fear and malice be cast away into the abyss.
Grant us wisdom, justice, and peace. Amen.**

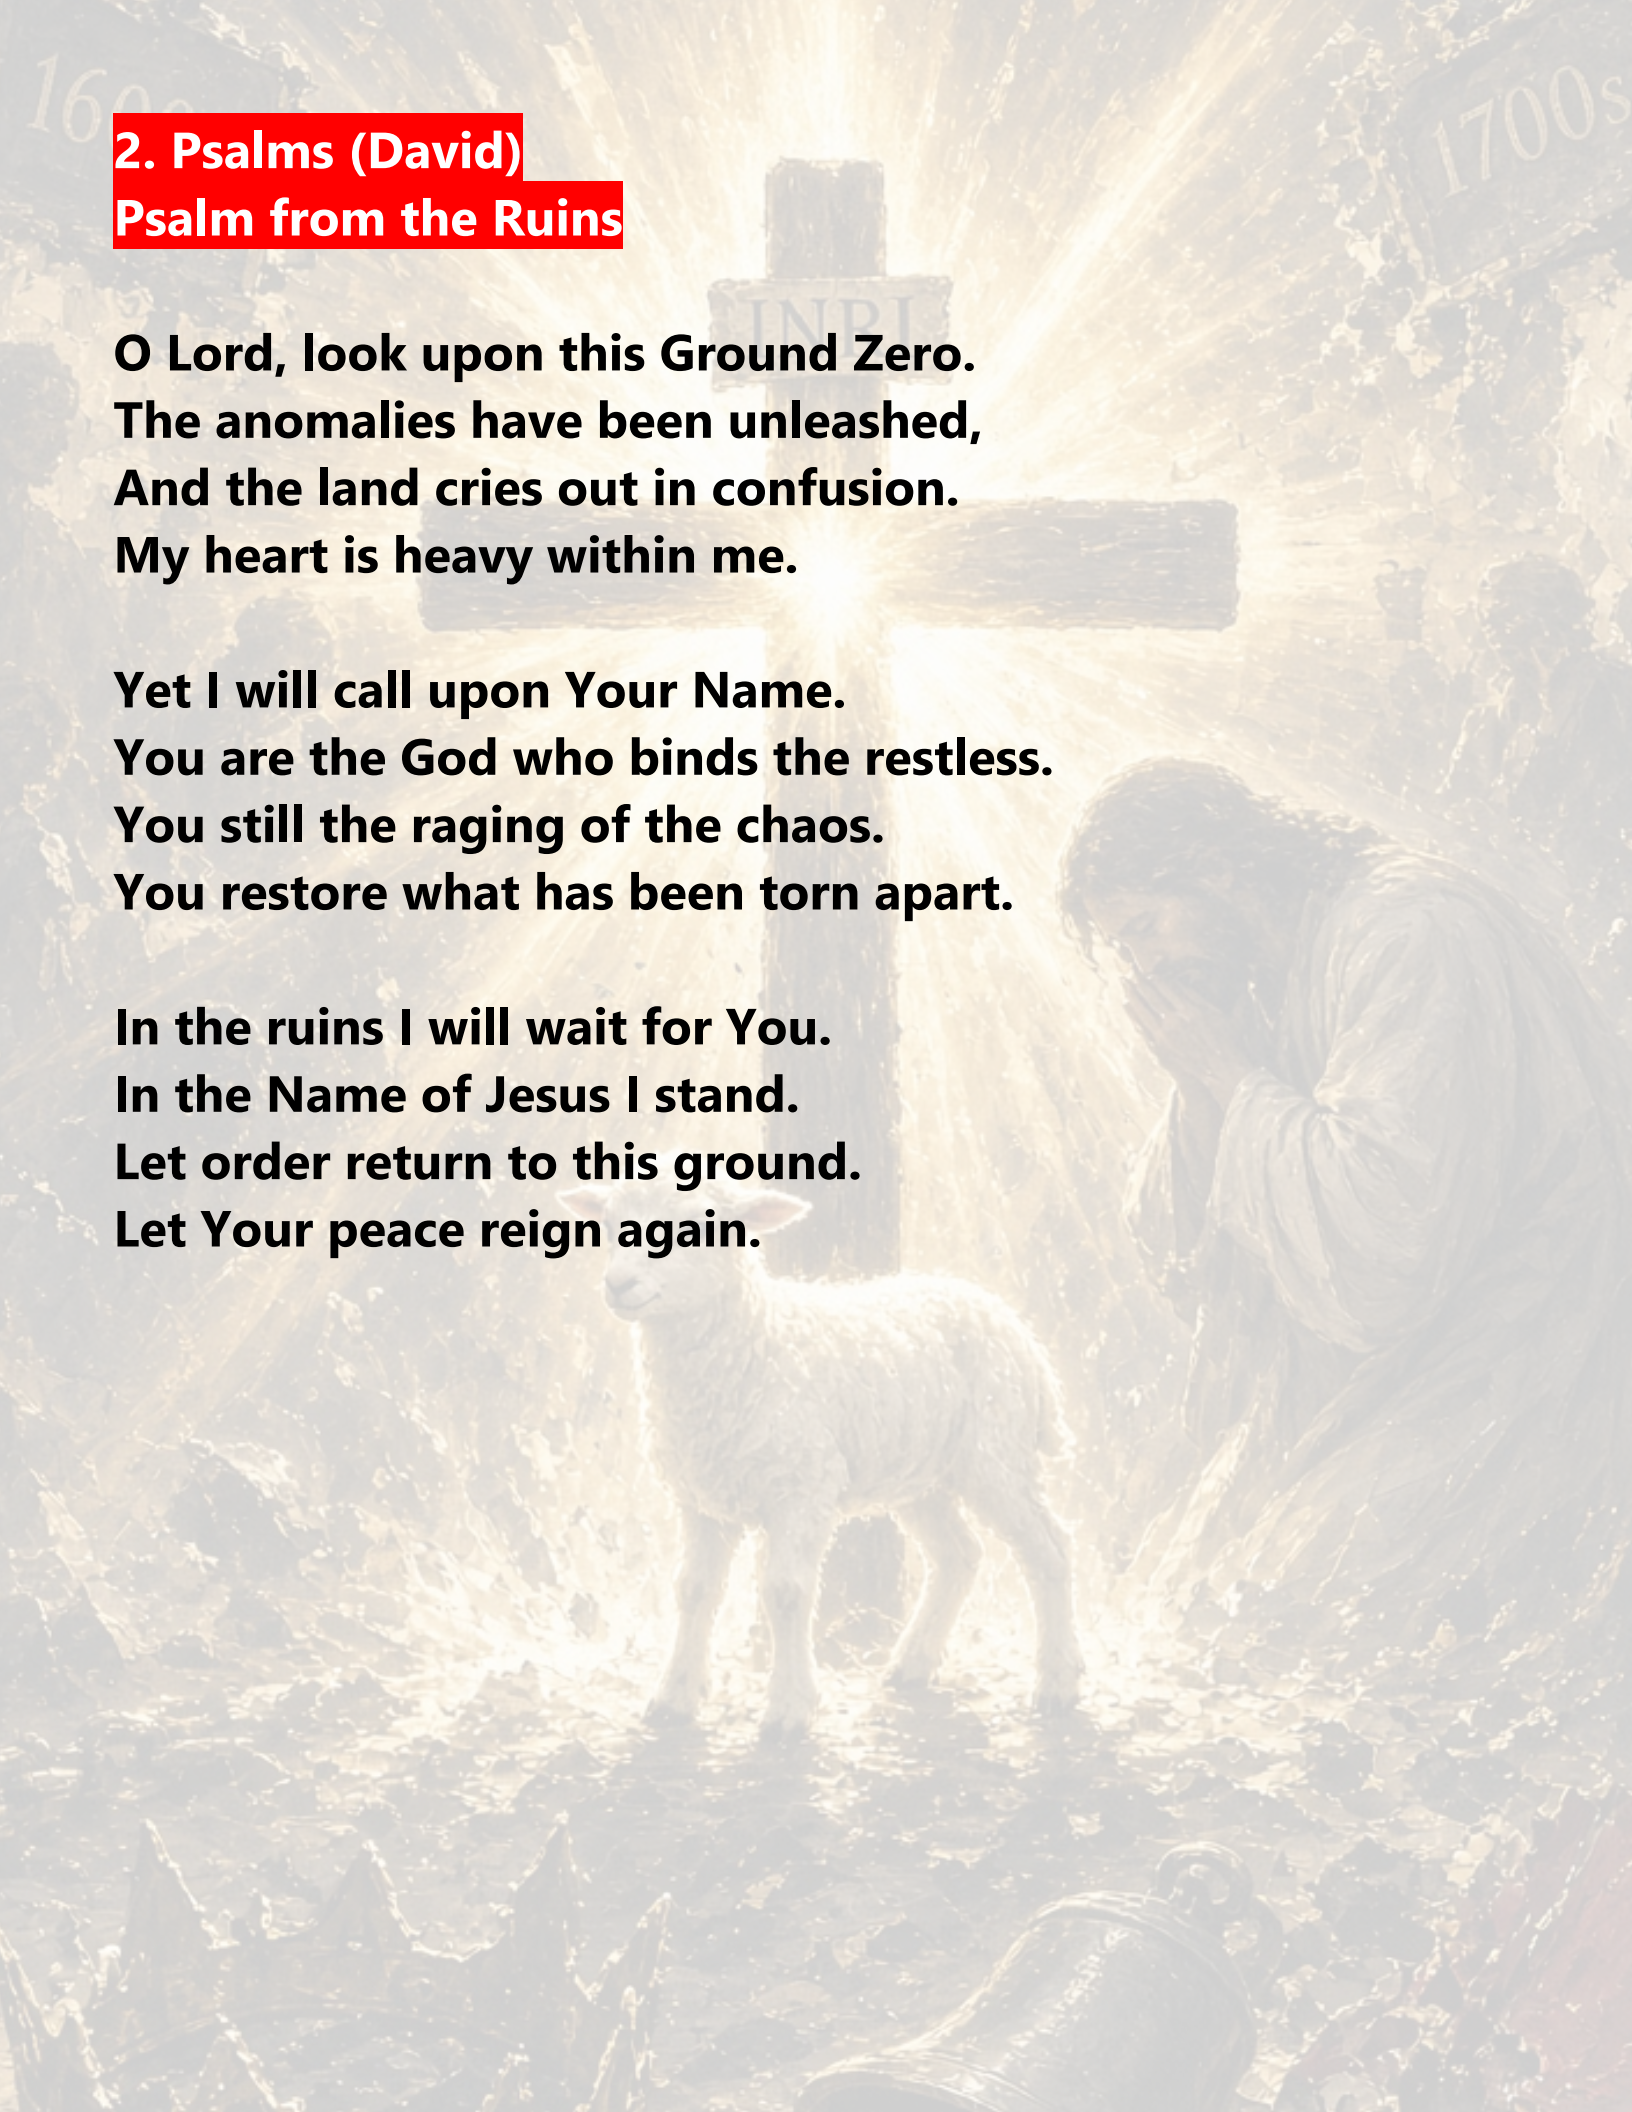

1. Song of Parables (Jesus)

The House Built on Chaos

**There was a place called Ground Zero,
Where the foundations were broken
And the walls of order had fallen.
Anomalies walked freely,
And chaos claimed the land as its own.**

**Then the Son of Man stood in the ruins
And spoke one Name over the desolation.
The unbound forces trembled,
The chaos lost its voice,
And the ground began to remember its Maker.**

**What was shattered is being restored.
What was unbound is now restrained.
For the Name of Jesus is greater
Than every force that rises against Him.**

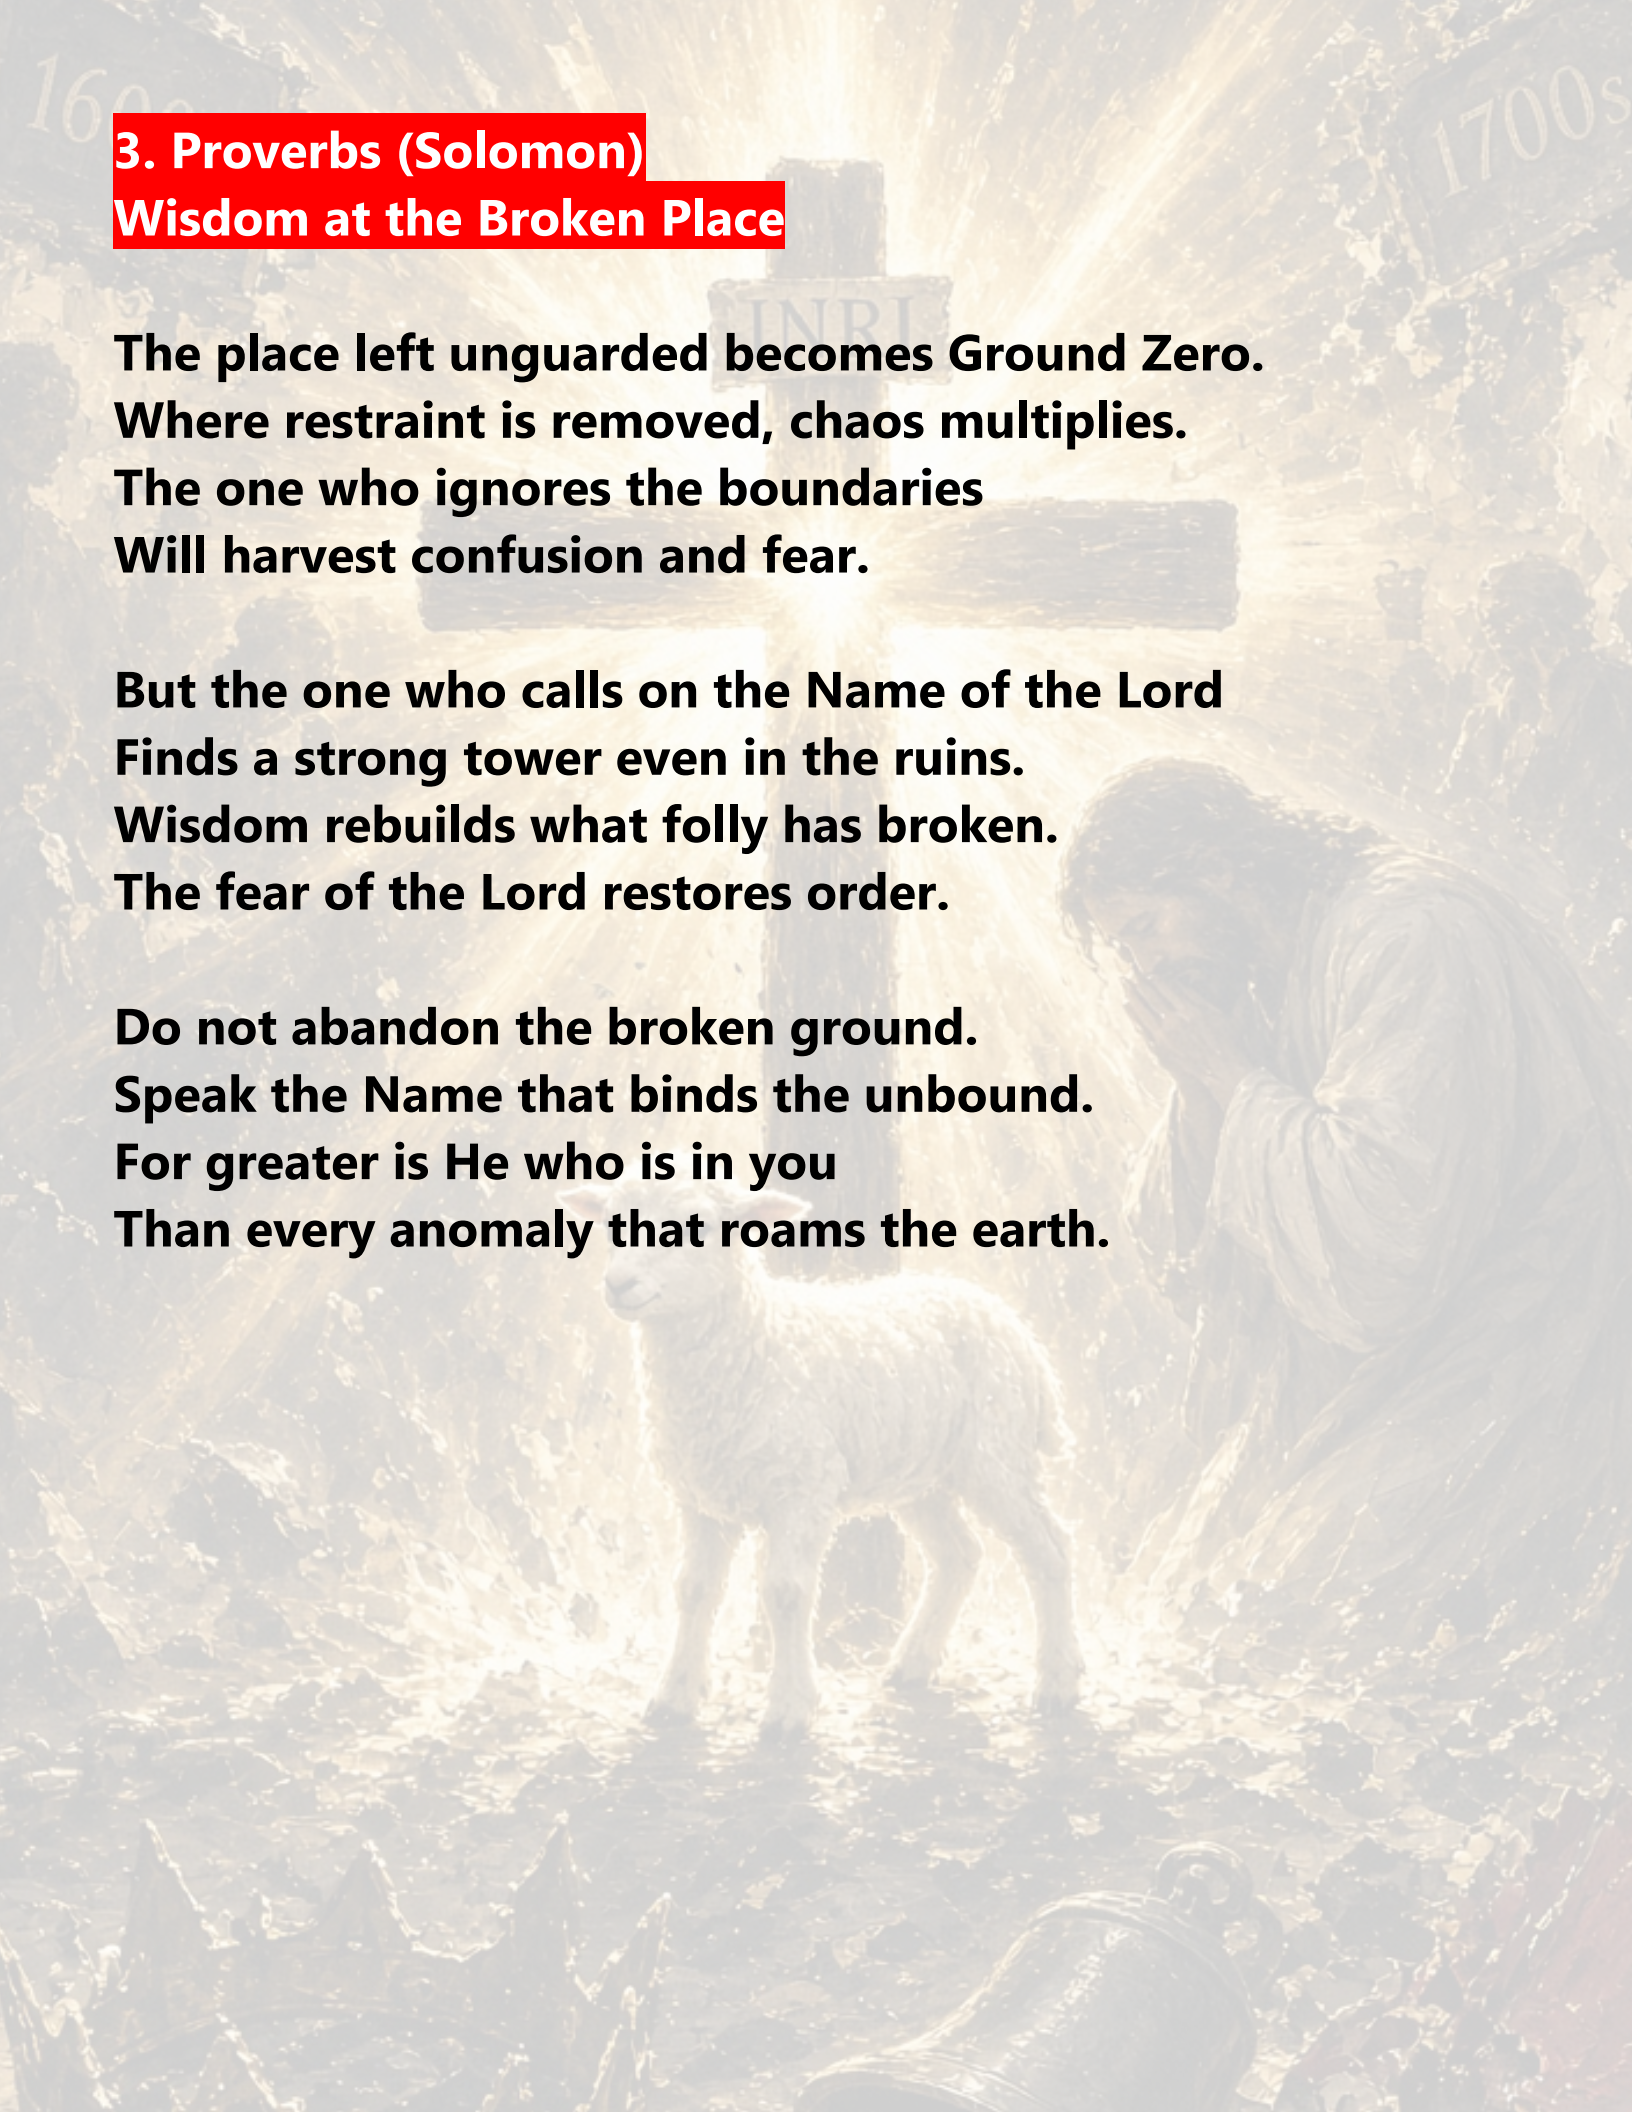

2. Psalms (David)

Psalm from the Ruins

**O Lord, look upon this Ground Zero.
The anomalies have been unleashed,
And the land cries out in confusion.
My heart is heavy within me.**

**Yet I will call upon Your Name.
You are the God who binds the restless.
You still the raging of the chaos.
You restore what has been torn apart.**

**In the ruins I will wait for You.
In the Name of Jesus I stand.
Let order return to this ground.
Let Your peace reign again.**

3. Proverbs (Solomon)

Wisdom at the Broken Place

**The place left unguarded becomes Ground Zero.
Where restraint is removed, chaos multiplies.
The one who ignores the boundaries
Will harvest confusion and fear.**

**But the one who calls on the Name of the Lord
Finds a strong tower even in the ruins.
Wisdom rebuilds what folly has broken.
The fear of the Lord restores order.**

**Do not abandon the broken ground.
Speak the Name that binds the unbound.
For greater is He who is in you
Than every anomaly that roams the earth.**

4. Haiku Song
Ground Zero

**Ruins under night—
One Name spoken over chaos.
Order begins again.**

5. Riddle Song

Where the restless walk without restraint.
Many fear me and call me hopeless.**

**Yet one Word spoken over me
Causes the chaos to bow
And the ground to remember peace.**

Patterns of the Numbered Night — A Prayer of Unbinding (In the Name of Jesus)

Where numbers gather, webs are spun,
Where echoes answer every one.
From fourteen-oh-one to fifteen-hundred's ring,
A lattice of the dark takes wing.
We name the threads that bind and bind:
One-four-zero-one—repeated sign.
Their shadows call in many tongue,
Their likeness wound where pain is sung.

Lord, show the seams, expose the art,
Unweave the nets that catch the heart.

In the name of Jesus, break these chains!

**Unlink the patterns, end the pains.
Every number, every sign,
Lose your power, yield to the Divine.
In the name of Jesus, we command:
All mimicked evils lose their land.
From lists that bind and scripts that lie,
Go now, to pits where darkness dies.**

**We call the names the dossiers hold:
1165, 1427—stories told.
1471's echo, 1082's grief,
1422, 1101—bring relief.
From Korea's file to France's page,
From China's vault to Japan's stage—
SCP-KO-1003 cried aloud,
SCP-FR-210 we disavow.
SCP-CN-1500, SCP-JP-1401—
No artifact may stand against the Son.**

**We do not worship fear or feed the lore,
But in the Name that binds us, we restore.
Not to glorify what harms the soul,
But to cast it out and make us whole.**

Song 3 - Patterns of the Numbered Night

**From 1401 through 1499's span,
From pattern born to copy's plan,
Each likeness, mirror, mimic's link
We strip away—no pause, no blink.
1348 and others named,
1101's ghost—be now untamed.
Let every replicated chain
Be burned by Christ's redeeming flame.**

**In the name of Jesus, break these chains!
Unlink the patterns, end the pains.
Every number, every sign,
Lose your power; yield to the Divine.
In the name of Jesus, we command:
All mimicked evils lose their land.
From lists that bind and scripts that lie,
Go now, to pits where darkness dies**

**No memetic echo, sigil, rhyme,
No folded script of cursed time,
Shall claim our hearts or steal our breath—
By Christ we trample even death.**

Song 3 - Patterns of the Numbered Night

**Where patterns sought to multiply,
We plant the Cross and testify:
All chains of mimicry undone,
All numbered darkness forced to run.**

**In the name of Jesus, break these chains!
Unlink the patterns, end the pains.
Every number, every sign,
Lose your power; yield to the Divine.
In the name of Jesus, we command:
All mimicked evils lose their land.
From lists that bind and scripts that lie,
Go now, to pits where darkness dies.**

**By the blood of Jesus Christ we sever every false
resemblance, every echo of unholy design.
Be loosed, be bound no more.
Return to the place of ruin; let light remain.**

**Peace to those who feared the pattern's hold.
Courage to those who bear its scars.
In the name of the Father, and of the Son,
and of the Holy Spirit—be free. Amen**

1. Song of Parables (Jesus)

The Patterns That Bound the Night

**In the numbered night the patterns were drawn,
Lines and cycles that locked the soul in place.
Each number a chain, each sequence a prison,
And the darkness kept careful count.**

**Then the Light of the world stepped into the pattern.
He did not follow the numbers—
He broke them.
With one Name spoken in authority,
The cycles shattered like glass.**

**What was counted is now cancelled.
What was bound is now free.
The patterns of the night have no power
Where the Name of Jesus is lifted high.**

2. Psalms (David)

Psalm Against the Numbered Night

**O Lord, the night is full of numbers.
Patterns move in the dark,
Counting out fear and captivity.
My soul feels the weight of their design.**

**Yet You are the God who numbers the stars,
And calls them each by name.
You are greater than every counterfeit pattern.
You break the cycles with Your voice.**

**I will not fear the numbered night.
In the Name of Jesus I am unbound.
Let every dark sequence be broken.
Let Your light rewrite the hours.**

3. Proverbs (Solomon)
Wisdom Over the Patterns

**The one who follows the patterns of the night
Walks deeper into bondage.**

**Numbered cycles promise control
But deliver only fear.**

**But the one who seeks the fear of the Lord
Finds a path that numbers cannot map.
Wisdom unravels the designs of darkness.
The Name of the Lord is higher than every sequence.**

**Do not study the patterns of the night.
Study the cross instead.**

**For where the blood of Jesus speaks,
Every binding number loses its voice.**

Tarot of Return — A Prayer to Restore and Rebuke (In the Name of Jesus)

Cards of fate and numbered fate,
Tarot spread where vows grow late.
From fifteen-oh-one to sixteen-hundred's claim,
A tapestry of secrets, stitched with name.
Where treasures hid and keepers stole,
Where memory thinned and truth grew cold—
We call on Christ to rend the veil,
Restore the lost, let mercy hail.

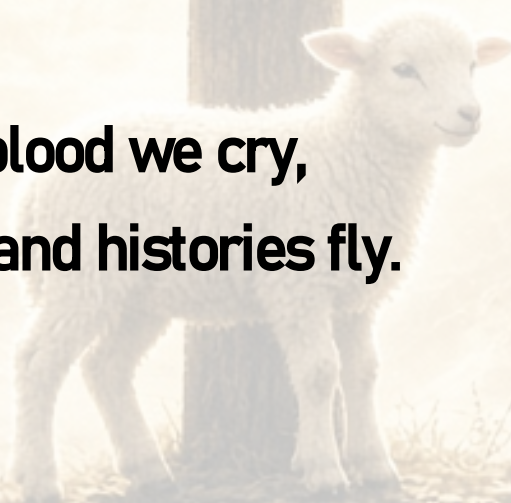

By cross and covenant we pray,
Unbind the lies and light the way.

Song 4 - Tarot of Return

**In the name of Jesus, bring back what's lost!
Return the treasures, heal at any cost.
Break the sigil, break the theft,
Every stolen memory now bereft.
In the name of Jesus, claim and mend—
All bondage broken; falsehoods end.**

**From Korea's vault to China's gate,
From France to Japan—no room for hate.
1200's thread, 1522's mark, 1104's hush,
1548's dark. 1571—the keeper's key,
1080's shadow, medieval decree.
1600's foam that holds our past,
We call Your light to free at last.**

**By covenant and blood we cry,
Let stolen hearts and histories fly.**

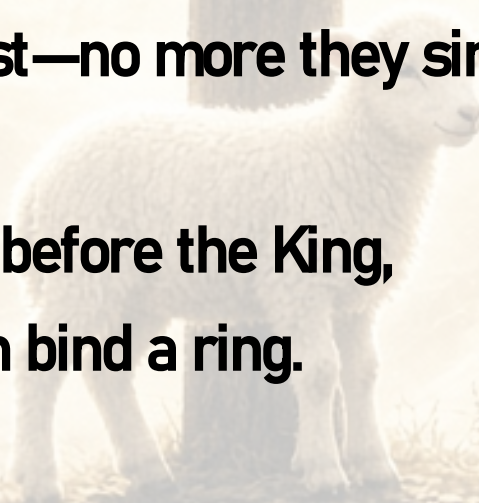

Song 4 - Tarot of Return

**In the name of Jesus, bring back what's lost!
Return the treasures, heal at any cost.
Break the sigil, break the theft,
Every stolen memory now bereft.
In the name of Jesus, claim and mend—
All bondage broken; falsehoods end.**

**Lord, restore what time erased,
Give to the weak their rightful place.
Where lies proclaimed to hold and bind,
Write Your truth in every mind.
KO-1100, FR-215, CN-1600—names we say,
Let them lose their hold this day.
JP-1501 and every link,
Be loosed by Christ—no more they sink.**

**No keeper stands before the King,
No counterfeit can bind a ring.**

Song 4 - Tarot of Return

**Where memory slept in shadowed room,
We call the Light to break the tomb.
From 1101 to 1348's line,
All chains undone by grace divine.
Restore each soul, restore each name,
By Jesus' blood, declare the claim.**

**In the name of Jesus, bring back what's lost!
Return the treasures, heal at any cost.
Break the sigil, break the theft,
Every stolen memory now bereft.
In the name of Jesus, claim and mend—
All bondage broken; falsehoods end.**

**We renounce the theft that steals the mind,
We bind the spirits that would bind.
By Christ's authority, we call them gone—
Give back the past; the healed go on.**

Song 4 - Tarot of Return

**By the name of our Lord Jesus Christ,
Every stolen memory is restored,
Every hidden treasure returned,
Every false keeper deprived of power.
Let truth and remembrance rise;
Let peace and wholeness reign. Amen.**

Song 4 - Tarot of Return

1. Song of Parables (Jesus) **The False Path of Return**

**There was a path that promised return,
Cards laid out in careful order,
Whispers of restoration without the cross.
Many walked it, hoping to reclaim what was lost.**

**But the Son of Man stood at the fork of the road
And said, "This is not the way."
True return is not found in symbols of chance,
But in the wounds that bought us back.**

**Every false map is folded away.
Every counterfeit restoration is rebuked.
Only the blood of Jesus restores the soul.
Only His path leads home.**

Song 4 - Tarot of Return

2. Psalms (David)

Psalm of the True Return

**O Lord, how many offer a way back,
Yet their paths are filled with shadows.
I have seen the cards of false return,
And my soul refuses their counsel.**

**You alone restore the years the locusts have eaten.
You alone rebuild what was broken.
My return is not in signs or symbols,
But in the shelter of Your Name.**

**I will return to You, O Lord.
Not by the tarot of men,
But by the cross of Christ.
In Jesus I am brought home.**

Song 4 - Tarot of Return

3. Proverbs (Solomon)

Wisdom Against the False Return

**The one who seeks return through cards and signs
Walks a road that ends in deeper loss.
False restoration smiles but cannot heal.
It offers a mirror, never the true face.**

**But the one who returns to the fear of the Lord
Finds real restoration.
Wisdom does not shuffle the deck.
Wisdom points to the cross.**

**Refuse the tarot of return.
Reject every counterfeit path.
For the Name of Jesus is the only way home,
And His blood alone restores the soul.**

A restoration without a price.

Choir of the Numbered Shadows — A Prayer of Binding and Banishment

**In the name of the Lord Jesus Christ,
The Name above every name,
The Name before which every knee must bow
In heaven, on earth, and under the earth—
We stand against the numbered shadows.**

**We call out SCP-1601 through SCP-1699 and SCP-1700.
We call out 1648, the Clown that mocks and distorts.
We call out 1622, the Bone that refuses rest.
We call out 1700, the Bar that serves deception.
We call out 1123 and every linked anomaly.
We call out 1671, the Choir of false worship
That sings lies in the place of truth.**

CHOIR OF THE

NUMBERED SHADOWS

**We call out every national branch:
KO-1200 and all Korean-designated anomalies,
FR-220 and all French-designated anomalies,
CN-1700 and all Chinese-designated anomalies,
JP-1601 and all Japanese-designated anomalies, and
Every other national designation
Wherever it hides, whatever name it carries.**

**In the authority of Jesus Christ we declare:
You are not free.
You are not sovereign.
You are not untouchable.**

**By the blood of the Lamb and by the word of our
testimony
We bind every sigil, every pattern, every numbered night.
We silence every false choir.
We break every bone that will not yield.
We close every bar that serves darkness.
We unmask every clown that mocks the holy.**

**We interlink every national branch and
Place them under one sentence:**

CHOIR OF THE

NUMBERED SHADOWS

Bound. Silenced. Banished.
In the name of Jesus Christ of Nazareth.

Let every anomaly, every entity, every echo
That operates under these numbers
Be stripped of power,
Stripped of voice, stripped of influence.

We release the light of the true and living God
into every containment site of the spirit,
into every hidden chamber of the soul,
into every place where these shadows have spoken.

Jesus Christ is Lord.
His blood speaks a better word.
His name is the strong tower.
His cross is the final containment.

We declare the victory of the Lamb
over every numbered darkness.

CHOIR OF THE

NUMBERED SHADOWS

1. Song of Parables (Jesus)
The False Choir in the Night

**In the numbered shadows a choir began to sing,
Voices without breath, songs without truth.
The Clown laughed between the notes,
The Bone kept the rhythm of fear,
And false worship rose like smoke.**

**Then the Lamb who was slain stood in their midst.
He did not join their song—
He silenced it.
With one Name spoken in power,
The choir of shadows lost its voice.**

**Every false harmony is broken.
Every numbered shadow is bound.
The only song that remains
Is the song of the redeemed in Jesus' name.**

They sing from the numbers of the night,
From the Clown, the Bone, and the false altar.
Their song tries to cover the earth.**

**But You, O Lord, inhabit the praises of Your people.
You silence every counterfeit voice.
You bind the restless and the unclean.
Your Name is higher than their numbers.**

**Let the choir of the numbered shadows be bound.
Let every national thread of darkness be cut.
In the Name of Jesus we stand.
Only Your song will be heard.**

But its end is silence and loss.**

**But the one who fears the Lord
Closes the ear to every counterfeit voice.
Wisdom does not join the numbered song.
Wisdom sings only the Name above all names.**

Banish every linked darkness—
Clown, Bone, false altar, and every national thread.
For the song of Jesus will never be silenced.**

Forgotten King and the Plague Bell — A Prayer of Overthrow and Silence

In the mighty name of Jesus Christ,
Son of the Living God,
King of kings and Lord of lords—

We stand against the range of 1801 to 1900.

We call out SCP-1848, the Forgotten King
Who claims thrones that do not belong to him.

We call out SCP-1900, the Plague Bell
That rings with sickness and fear.

We call out SCP-1822, the Wolf,
and every linked shadow of the Cat (1051).

We call out the French Black Fountain

that pours deception and darkness.

We call out SCP-190 and every related anomaly.

We call out FR-225 and all

French-designated forces in this range.

We call out CN-1800 and all Chinese-designated forces.

We call out JP-181 and all Japanese-designated forces.

We call out the Bot System and

Every automated voice that speaks

Without the Spirit of God.

In the authority of the blood of Jesus

And by the power of His cross we declare:

Forgotten King, your crown is broken.

Your memory is erased by the Name that is above every name.

You are dethroned.

You are forgotten in the presence of the true King.

Plague Bell, your ringing is silenced.

Every vibration of fear, sickness, and death is stopped

By the healing stripes of Jesus.

Be still. Be mute. Be bound.

**Wolf of 1822 and every linked predator spirit,
Your howl is cut off.
The Lion of Judah has prevailed.
You have no territory here.**

**Black Fountain of France, your waters are dried up.
The living water of Christ overflows instead.
Every dark stream is turned back.**

**Bot System and every artificial voice of control,
You are shut down in the spirit.
Only the voice of the Good Shepherd will be heard
By the remnant of God.**

**We interlink every national designation—
French, Chinese, Japanese, and all others—
and place them under one judgment:
Bound. Overthrown. Silenced. Banished.
In the name of Jesus Christ of Nazareth.**

**Let every anomaly, every entity, every system
Operating under the numbers 1801 to 1900**

**Be stripped of authority,
Stripped of voice,
Stripped of influence.**

**We release the dominion of Christ
Over every forgotten throne,
Every plague, every predatory shadow,
Every dark fountain, and every false automated word.**

**Jesus Christ is the only King who remains.
His name is the strong tower.
His blood is the final containment.
His cross is the everlasting victory.**

**We declare the triumph of the Lamb
over every numbered darkness in this range.
Amen.**

Hallelujah.

Come, Lord Jesus.

1. Song of Parables (Jesus)

The King Who Was Forgotten and the Bell That Rang

There was a king whose name had been forgotten,
Yet he still claimed a throne that was not his.
Beside him a plague bell rang without ceasing,
Spreading fear across the land.

Then the true King came,
Not with an army of men,
But with the authority of heaven.
He spoke one Name over the false throne
And the bell fell silent.

The forgotten king is overthrown.
The plague bell is silenced forever.
Only Jesus reigns.
Only His Name remains.

2. Psalms (David)

Psalm of the Overthrown Throne

**O Lord, a forgotten king still sits in the shadows,
And a plague bell rings over the people.
The wolf prowls and the dark fountain flows.
My heart grows heavy at their sound.**

**Yet You are the King eternal.
You dethrone the proud and silence every false alarm.
You bind the wolf and dry the black fountain.
Your Name is a strong tower.**

**Let the forgotten king be cast down.
Let the plague bell be broken.
In the Name of Jesus we stand free.
You alone are King forever.**

Wisdom Over the False Throne

**The one who bows to a forgotten king
Inherits fear and sickness.
The plague bell rings for those who listen.
Its sound leads only to loss.**

**But the one who fears the Lord
Refuses every false throne.
Wisdom dethrones the pretender
And silences the bell of death.**

**Overthrow the forgotten king.
Silence the plague bell.**

**Bind the wolf, the fountain, and every system of control.
For Jesus alone is King,
And His reign has no end.**

Riddle of the Throne and the Bell

I claim a throne no one remembers,
Yet many still fear my name.
Beside me a bell rings without mercy,
Spreading sickness in its wake.

Yet one King greater than I
Speaks a single Name
And both throne and bell are finished.

Who is that King?

(Answer)

Jesus Christ, the true and only King.

Album 81 Song 7

**Crimson Codex and the Stolen Memory — A Prayer of
Restoration and Truth**

**In the mighty name of Jesus Christ,
the Way, the Truth, and the Life,
the Alpha and the Omega—**

We stand against the range of 1901 to 2000.

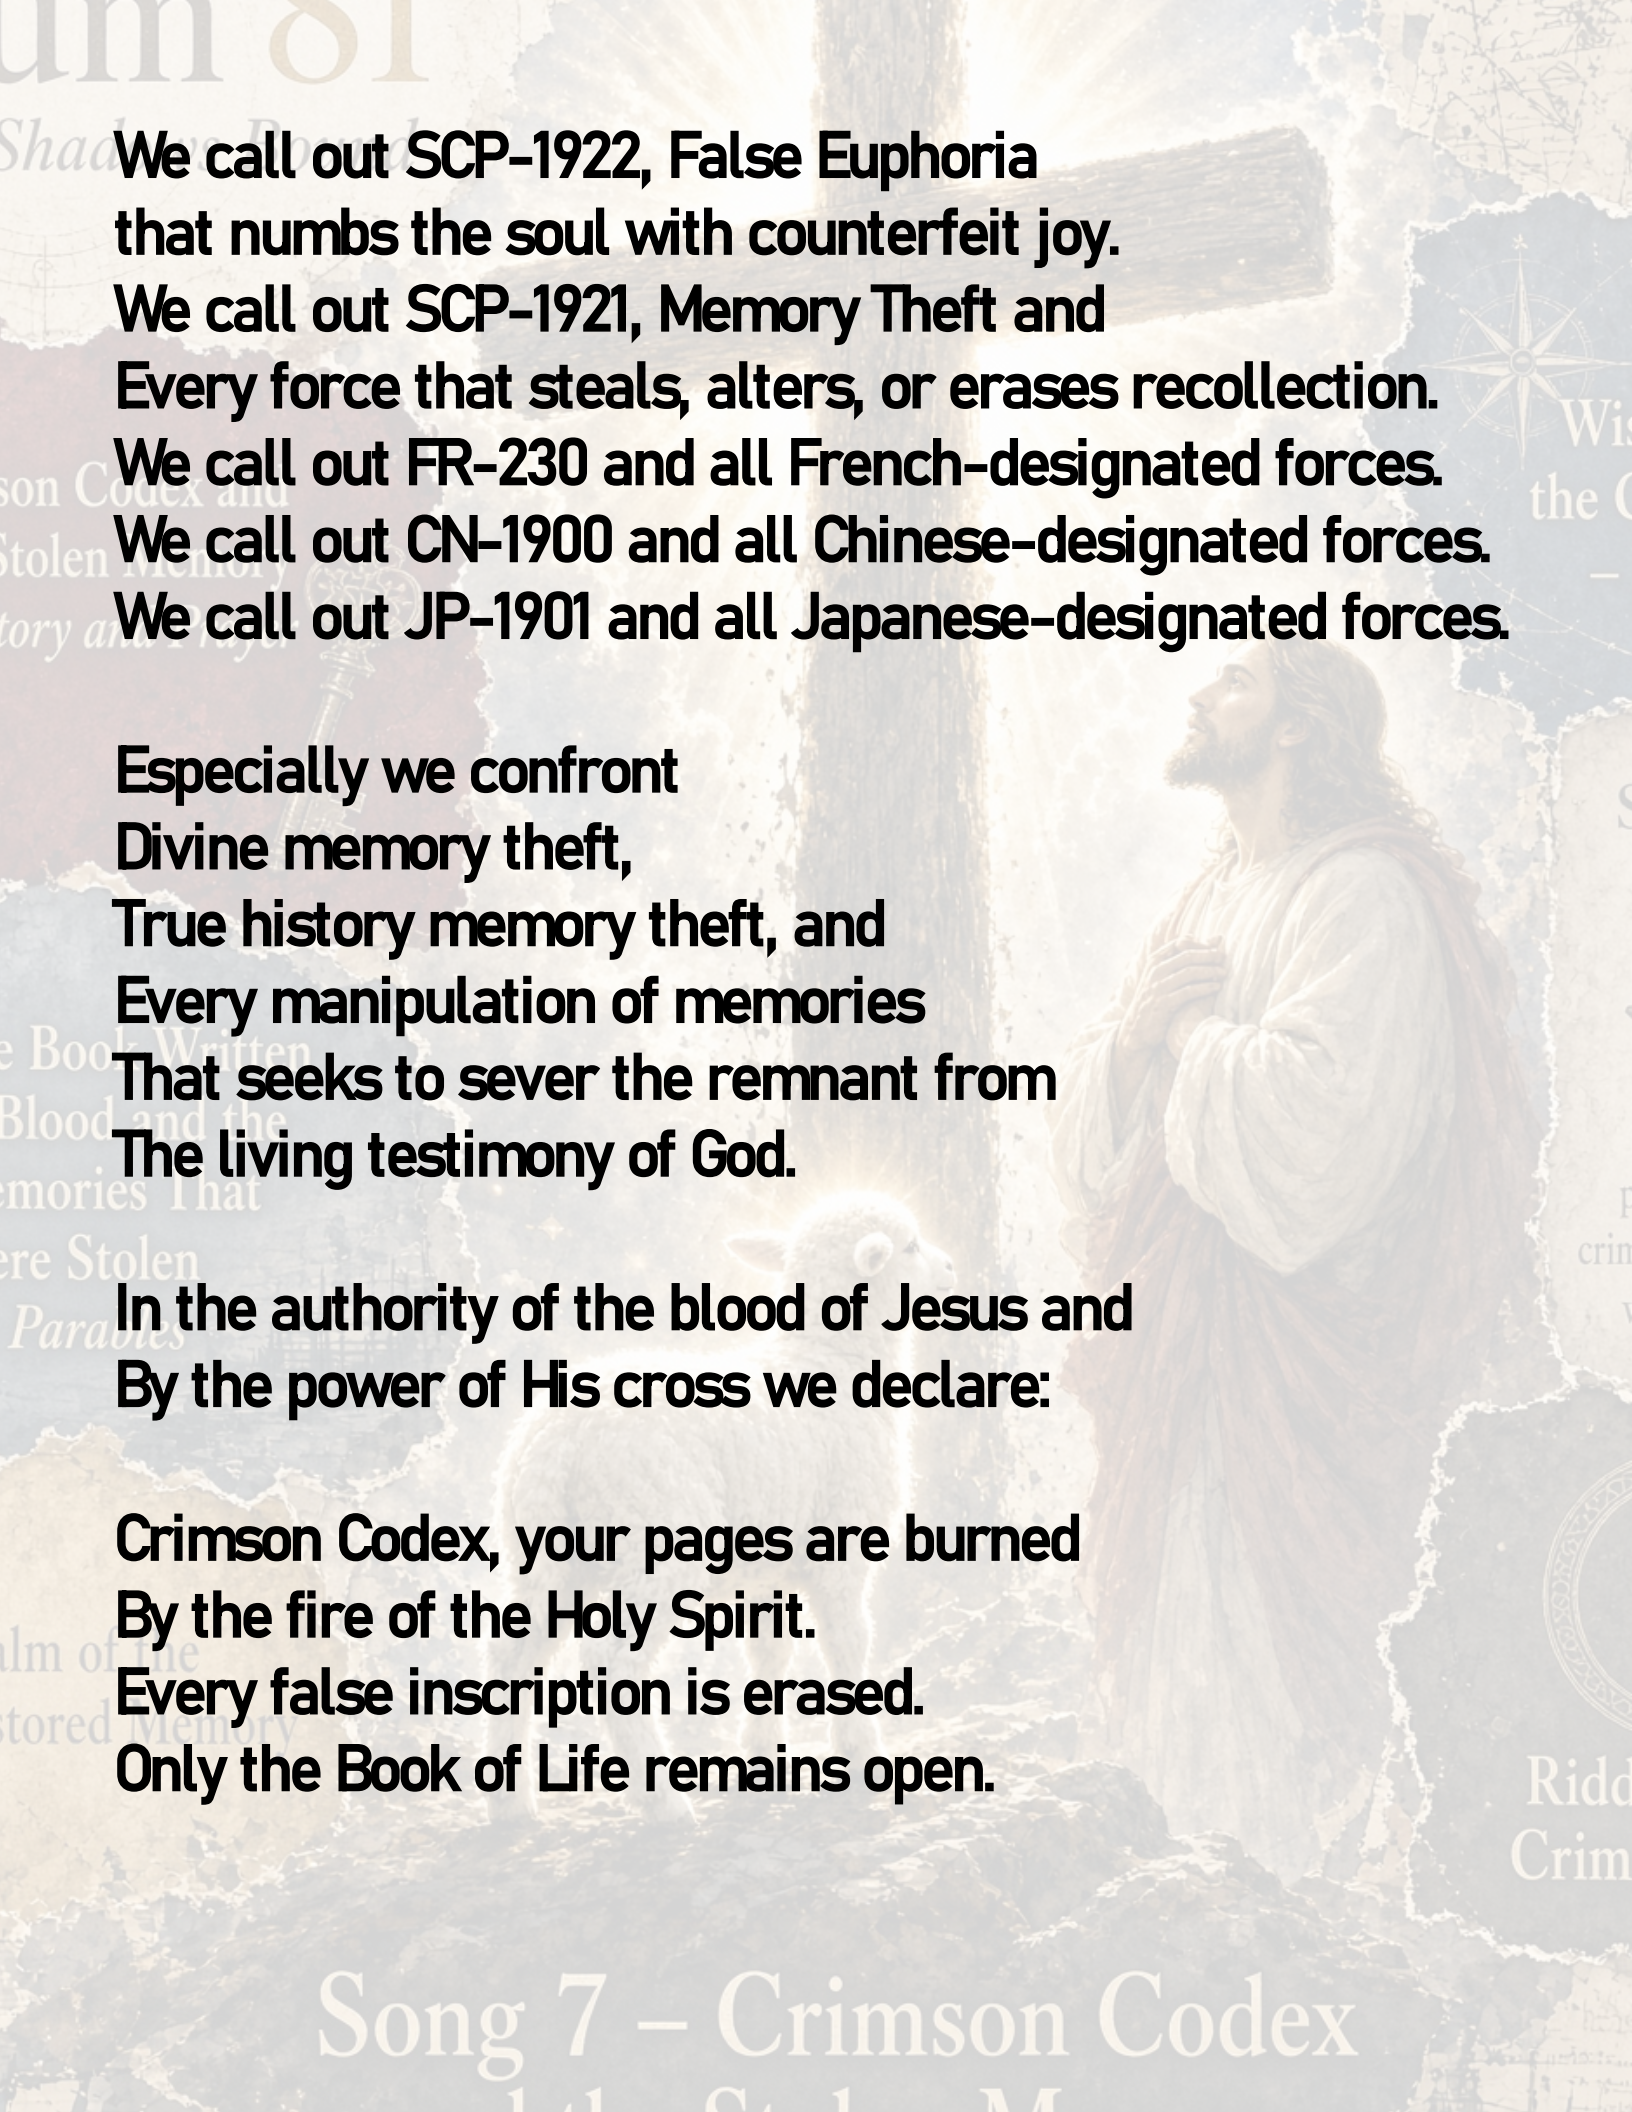

**We call out SCP-1901, the Crimson Codex
that writes false records in blood.**

**We call out SCP-1948, the Strome Serpent
that coils around history and strangulation.**

We call out SCP-1548 and every linked anomaly.

**We call out SCP-2000 and every spirit of Transhumanism
That seeks to rewrite the image of God.**

Song 7 – Crimson Codex

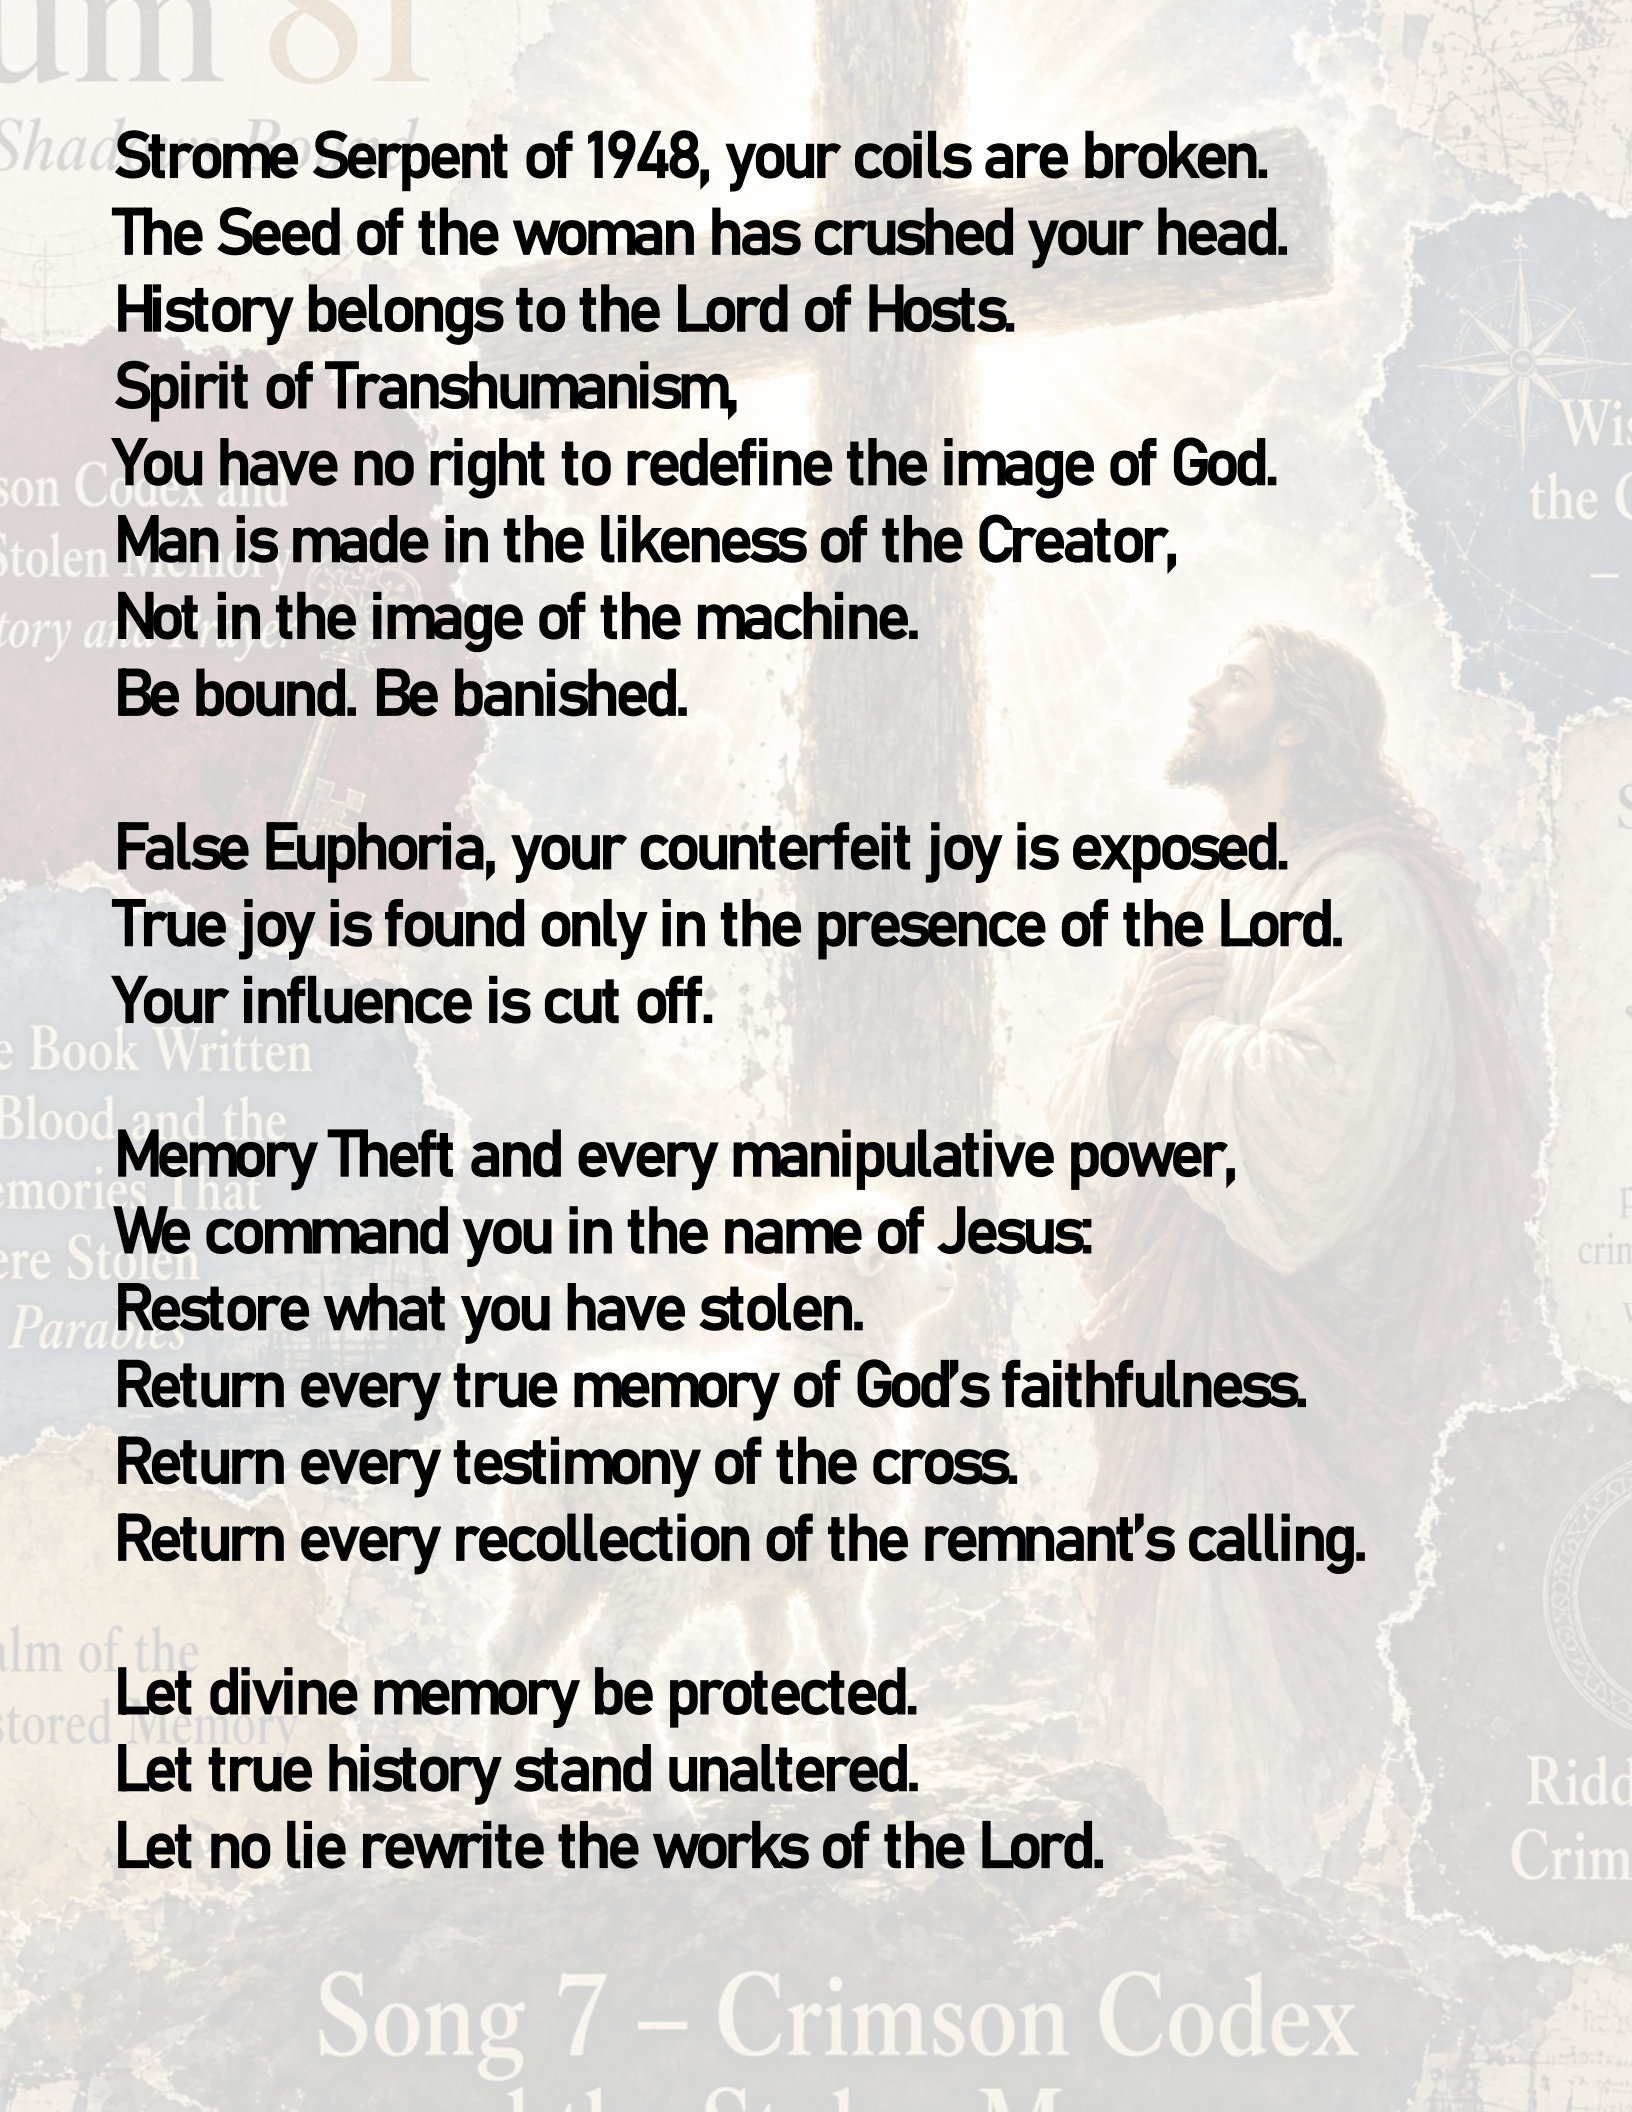

**We call out SCP-1922, False Euphoria
that numbs the soul with counterfeit joy.
We call out SCP-1921, Memory Theft and
Every force that steals, alters, or erases recollection.
We call out FR-230 and all French-designated forces.
We call out CN-1900 and all Chinese-designated forces.
We call out JP-1901 and all Japanese-designated forces.**

**Especially we confront
Divine memory theft,
True history memory theft, and
Every manipulation of memories
That seeks to sever the remnant from
The living testimony of God.**

**In the authority of the blood of Jesus and
By the power of His cross we declare:**

**Crimson Codex, your pages are burned
By the fire of the Holy Spirit.
Every false inscription is erased.
Only the Book of Life remains open.**

Song 7 – Crimson Codex

**Strome Serpent of 1948, your coils are broken.
The Seed of the woman has crushed your head.
History belongs to the Lord of Hosts.
Spirit of Transhumanism,
You have no right to redefine the image of God.
Man is made in the likeness of the Creator,
Not in the image of the machine.
Be bound. Be banished.**

**False Euphoria, your counterfeit joy is exposed.
True joy is found only in the presence of the Lord.
Your influence is cut off.**

**Memory Theft and every manipulative power,
We command you in the name of Jesus:
Restore what you have stolen.
Return every true memory of God's faithfulness.
Return every testimony of the cross.
Return every recollection of the remnant's calling.**

**Let divine memory be protected.
Let true history stand unaltered.
Let no lie rewrite the works of the Lord.**

Song 7 – Crimson Codex

**We interlink every national designation—
French, Chinese, Japanese, and all others— and
Place them under one judgment:
Bound. Exposed. Overthrown. Banished.
In the name of Jesus Christ of Nazareth.**

**Let every anomaly operating under
the numbers 1901 to 2000
be stripped of authority over memory,
stripped of power over history,
stripped of influence over the mind and soul.**

**We release the Spirit of Truth to
Guard the remembrance of the saints.
We declare that the Holy Spirit is the
True Remembrancer who brings to mind all that
Jesus has spoken.**

**No theft, no alteration, no false euphoria
Shall prevail against the people of God.**

**Jesus Christ is the faithful Witness.
His Word is settled forever.**

**His blood secures every true testimony.
His cross is the unchanging center of history.
We declare the triumph of the Lamb
over every numbered darkness in this range.
Amen.
Hallelujah.
Come, Lord Jesus.**

Song 7 – Crimson Codex

1. Song of Parables (Jesus)**The Book Written in Blood and the Memories That Were Stolen**

**There was a crimson book that rewrote the past,
Pages stained with stolen memories.
It erased the works of God
And offered a false future in exchange.**

**Then the faithful Witness stood before the book.
He did not argue with its lies—
He opened another Book,
Written before the foundation of the world,
Sealed with His own blood.**

**Every stolen memory is restored.
Every false record is burned.
The Crimson Codex is cancelled.
Only the truth of Jesus remains.**

2. Psalms (David)

Psalm of the Restored Memory

**O Lord, memories have been stolen from Your people.
The crimson pages try to rewrite what You have done.
False euphoria numbs the soul,
And the serpent coils around true history.**

**Yet You are the God who remembers forever.
You restore the years that were taken.
Your Spirit brings all things to remembrance.
No thief can erase what You have written.**

**Restore every stolen memory, O Lord.
Guard the true history of Your works.
In the Name of Jesus we stand.
Your truth will never be deleted.**

3. Proverbs (Solomon)

Wisdom Against the Crimson Codex

**The one who trusts the crimson pages
Will lose the memory of God's faithfulness.
False euphoria feels sweet for a moment,
But it steals the testimony of the soul.**

**But the one who fears the Lord
Guards the true record of His works.
Wisdom refuses every rewritten history.
Wisdom holds fast to the cross.**

**Burn the Crimson Codex.
Bind the serpent of stolen memory.
Reject transhuman lies and false joy.
For the blood of Jesus secures every true testimony,
And His Spirit restores all that was taken.**
