Break the altars

Album 63 - Break the altars

Album 63 Song 1

Break the Altars

In Canaan's courts where shadows reign
Souls defiant broke your sacred chain
Jeroboam's calves, a rebel's pride
Ye have Baal's altar defied your side

Athaliah's throne with blood defiled
Manasseh's Moloch burned the innocent child
Psalm 94 cries, "How long, O Lord?"
Break these altars with your holy sword

Break the altars, cast the idols down
Mishpat reigns, your truth written now
By Christ's blood, we bind this evil reign
Yahweh's glory heals the land again

Hey! Hey! Hey! Hey!
Hey! Hey! Hey! Hey!

All's thunder mocked your holy flame
Asherah's groves defied your name
Moloch's fires consumed the pure in pain
Dagon's might fell before your reign
Chemosh's war brought only despair
Their pagan lies polluted the air

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord
Sit at My right hand.*

**Psalm 146, your freedom's call
Cast these shadows, let the idols fall**

**Break the altars, cast the idols down
Mishpat reigns, your truth written now
By Christ's blood, we bind this evil reign
Yahweh's glory heals the land again**

**Old Dagon's echo made miserable
Papal thrones with pagan tales retold
From Saul's rebellion, Jerome's gilded lore
Your ark prevails, false gods no more
Bind these spirits from kings to today
Let your spirit burn their lies away**

**O Christ our King, with your holy light
Reprove this land in your sacred sight
No Baal, no Moloch can stand in your way
Your truth redeems where the wicked held sway
From Israel's hills to the nations abroad
Your spirit restores in the name of our God
Psalm 96, your judgment is sure
Forever we praise you, our King ever pure**

**Break the altars, cast the idols down
Mishpat reigns, your truth written now
By Christ's blood, we bind this evil reign
Yahweh's glory heals the land again**

**To Gentile home, he sends light to the world's wide tide
In your holy name, we lift our plea
Forever yours, your people free**

*The Lord said to my Lord:
Sit at My right hand.*

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord:
Sit at My right hand*

Album 63 Song 2

Cast the Shadows Down

Lord have mercy
And show us your street
In city lights, their songs take flight
Meek's fire burns, Cardi's voice ignites
Swift stories weave, Doja's rebel heart
Travis' storms tear the soul apart
Timberlake's sway, Smith's tears unfold
Weeknd's shadows hide a tale untold
Eilish's grief, Nas carries pain
Gaga's crown, Uzi's fleeting gain
James 4:7 whispers, turn from sin
Lord cast these shadows, let your light begin

Cast the shadows down, let the darkness fade
By Christ's love, your mercies blazed
Break this matrix, Lord, with truth divine
In your holy light, let redemption shine
Oh Lord have mercy, set their souls free

Their screens alight with serpent's glow
Pride's allure where dark winds blow
Red flames flicker, crosses turned astray
Deceiver's veil hides the narrow way
From stages grand to hearts that roam
Chaos and grief build a fragile home
Exodus 20 calls, no gods but me
Lord tear this veil, let your church be free

Cast the shadows down, let the darkness fade
By Christ's love, your mercies blazed

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord
Sit at My right hand.*

**Break this matrix, Lord, with truth divine
In your holy light, let redemption shine
Oh Lord have mercy, set their souls free**

**Meek's pride, Swift's idle dreams be still
Doja's chaos, Travis' storms fulfill your will
Cardi's greed, Timberlake's fleeting glass
Smith's doubts, Weeknd's night, we humbly ask
Eilish's sorrow, Nas' heavy load
Uzi's chains, Gaga's throne eroded
By Jesus' name, we bind and cast away
Your spirit, Lord, bring light to their day**

**Oh Christ our hope, with your gentle grace
Recode their hearts, restore their sacred place
No serpent's spell, no fame's fleeting call
Your love's eternal, it conquers all
From airwaves vast to every wounded soul
Your spirit heals, makes broken spirits whole
Romans 15, your peace we now proclaim
Forever praise you, Jesus' holy name**

**Cast the shadows down, let the darkness fade
By Christ's love, your mercies blazed
Break this matrix, Lord, with truth divine
In your holy light, let redemption shine
Cast the shadows down, let your light endure
From every heart, your love so pure
In Jesus' name, we pray their souls be free
Forever yours, our God eternity**

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord:
Sit at My right hand.*

Shatter the Chains

In shadows deep, the Soros web is spun
Control and power, nations overrun
Clinton's deals, where truth is bought and sold
Biden's reign, division takes its hold
Death cult whispers, life they seek to bind
Gates' cold vision, clouds the human mind
Gender's truth, inverted spirits stray
Native rights, misled from God's true way
Ephesians 6, against the dark we fight
Lord, shatter chains with your unyielding light

Shatter the chains, let the darkness fall
By Christ's blood, we answer your call
Break these matrices, Lord, your truth we claim
Hallelujah, we lift your holy name

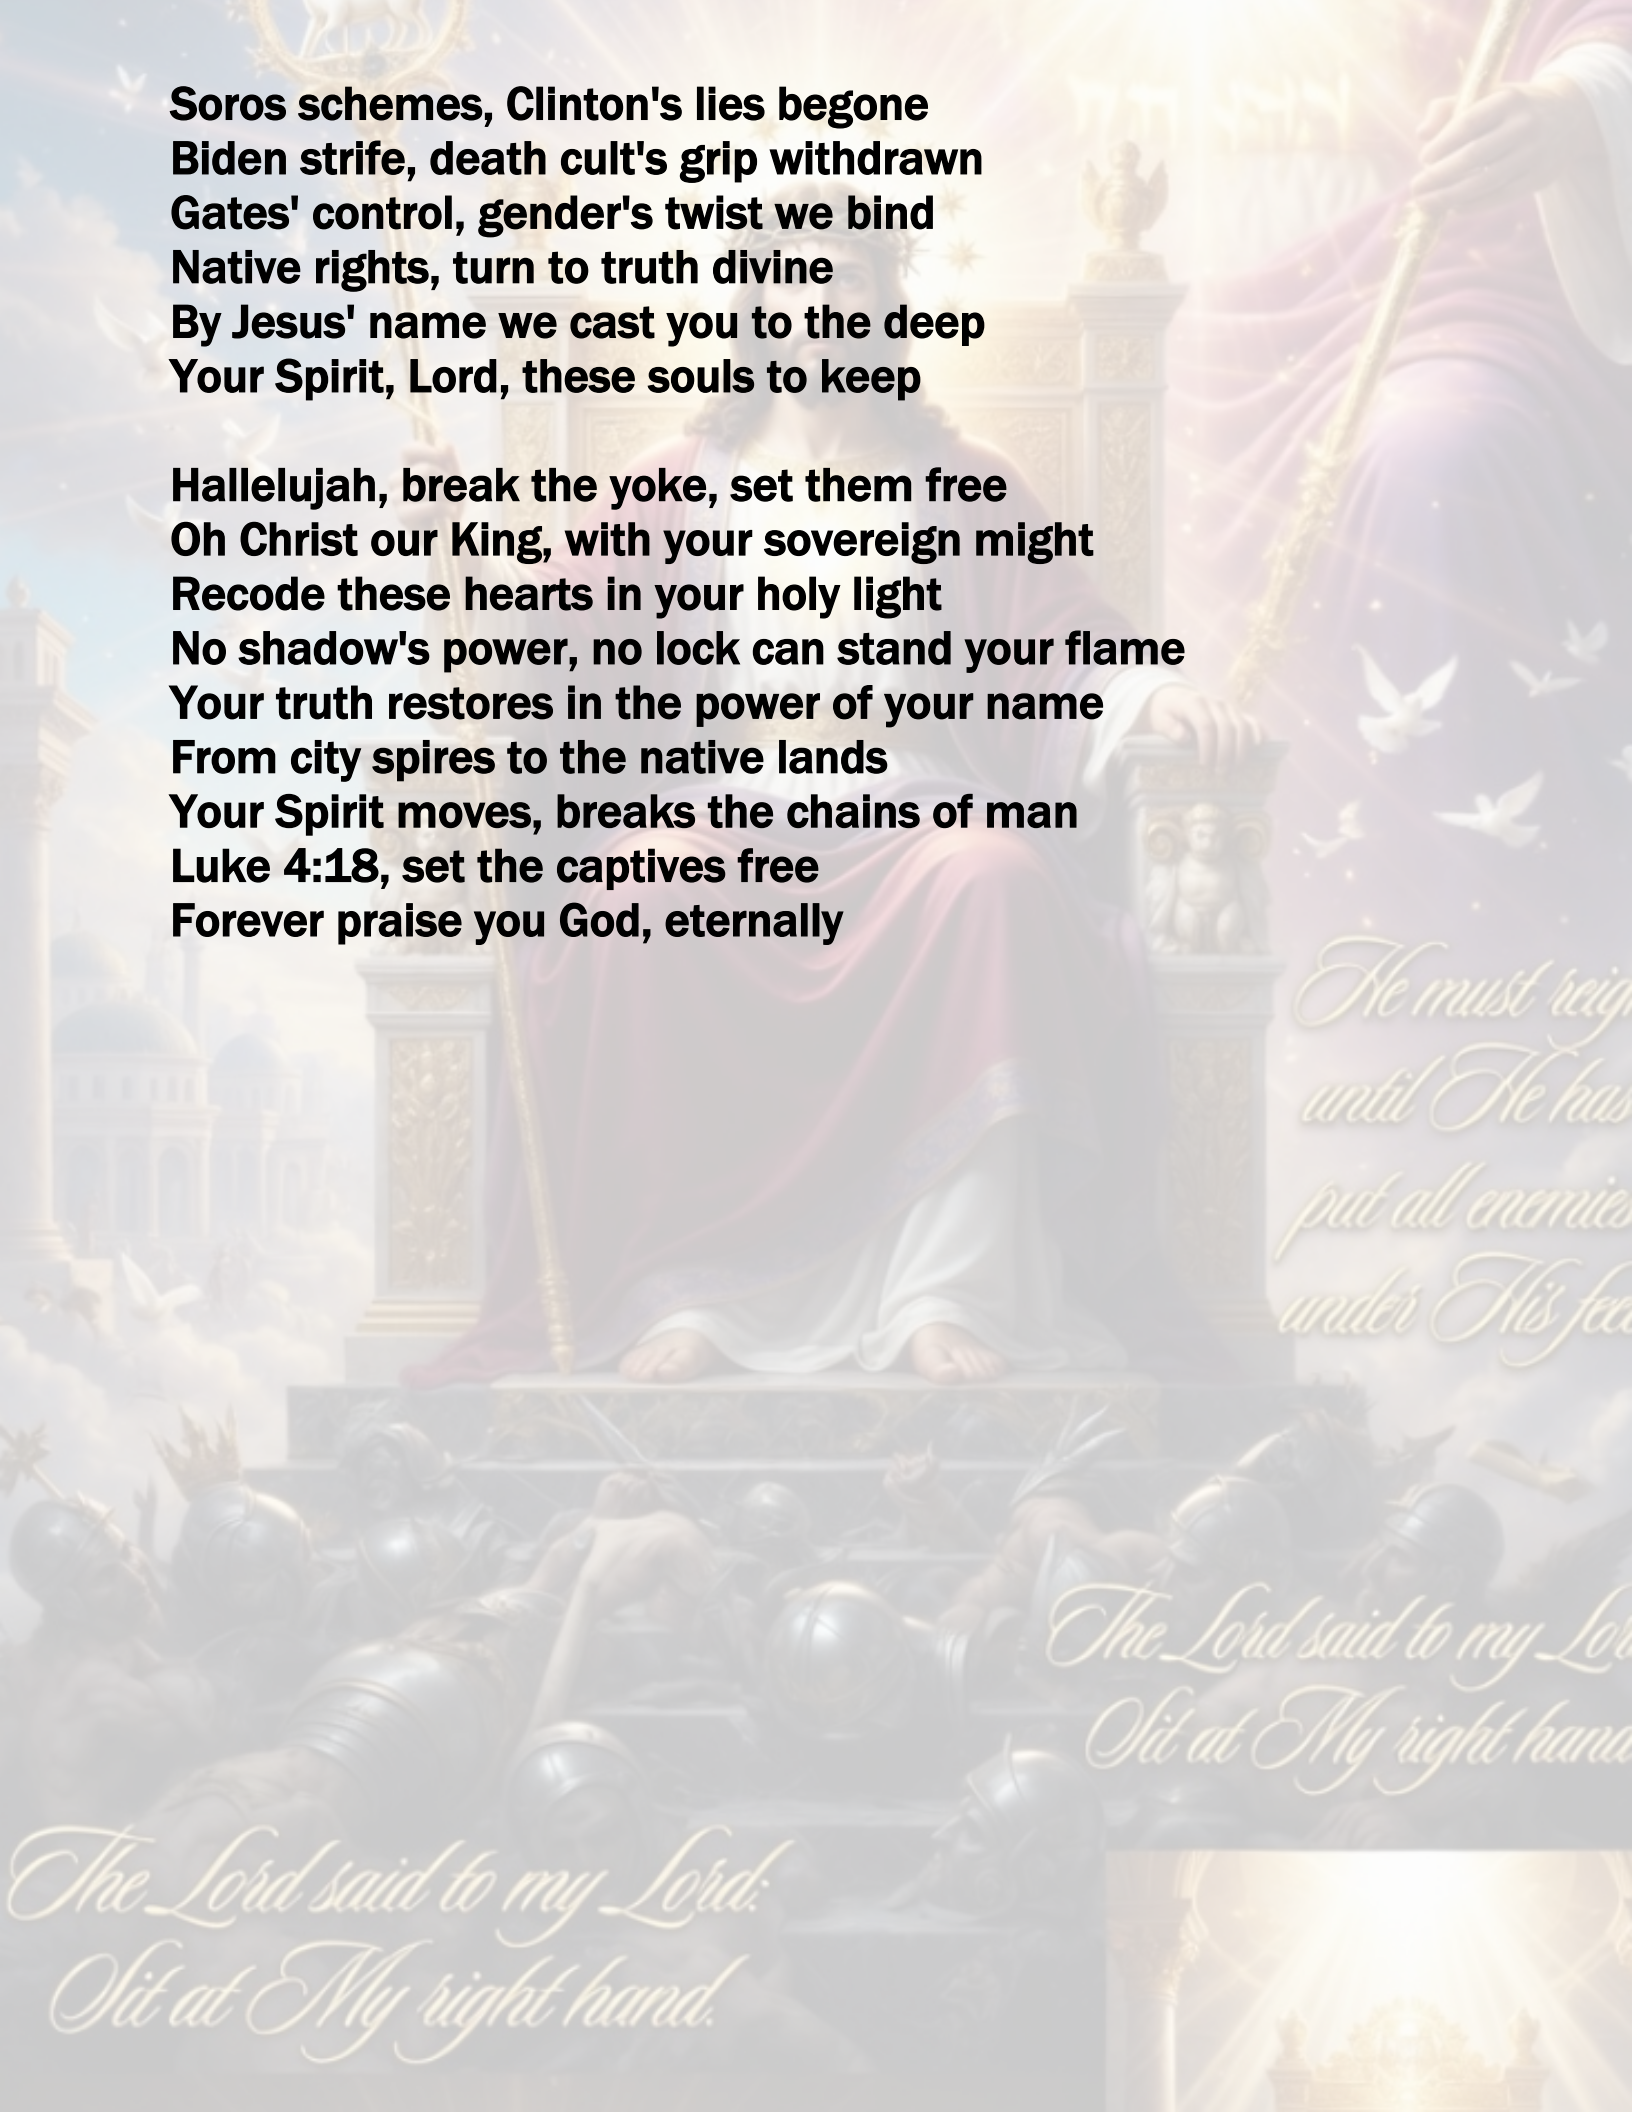

The plans unfold on screens of steel and lies
Manipulation cloaked in righteous guise
Corruption festers, death's allure they weave
Confusion clouds the truth that we believe
From global thrones to sacred lands profaned
Their shadows bind the world in chains unnamed
Matthew 6 calls, seek your kingdom first
Lord, burn their veils, let righteousness burst

Shatter the chains, let the darkness fall
By Christ's blood, we answer your call
Break these matrices, Lord, your truth we claim
Hallelujah, we lift your holy name

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord:
Sit at My right hand.*

**Soros schemes, Clinton's lies begone
Biden strife, death cult's grip withdrawn
Gates' control, gender's twist we bind
Native rights, turn to truth divine
By Jesus' name we cast you to the deep
Your Spirit, Lord, these souls to keep**

**Hallelujah, break the yoke, set them free
Oh Christ our King, with your sovereign might
Recode these hearts in your holy light
No shadow's power, no lock can stand your flame
Your truth restores in the power of your name
From city spires to the native lands
Your Spirit moves, breaks the chains of man
Luke 4:18, set the captives free
Forever praise you God, eternally**

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord:
Sit at My right hand*

*The Lord said to my Lord:
Sit at My right hand.*

Album 63 Song 4

Light of Truth

**In hit and run, the golden dawn spell weaves
Occultic chains where darkness deceives
Mind's virus spreads through culture's shifting tide
Global webs entangle truth they hide
Chaos myth with life's path predestined
Zion's name twisted for power's gain
Cabals shadow, vaccines cold design
In Ephesians 6, your light, oh Lord, will shine**

**Light of truth, shatter the dark's disguise
By Christ's blood, let your glory rise
Break these matrices, Lord, your will be done
Hallelujah, your kingdom come**

**Truth be crowned
Their rituals chant where shadows hold their sway
Mind's virus clouds the heart's true way
Networks pulse with lies that bind the free
Cutter tales fuel hate's dark decree
Zion's hope distorted by the proud
Cabals veil, a secret whispered shroud
Vaccines cloaked in fear, truth they spurn
Romans 12, your mind, oh Lord, we yearn**

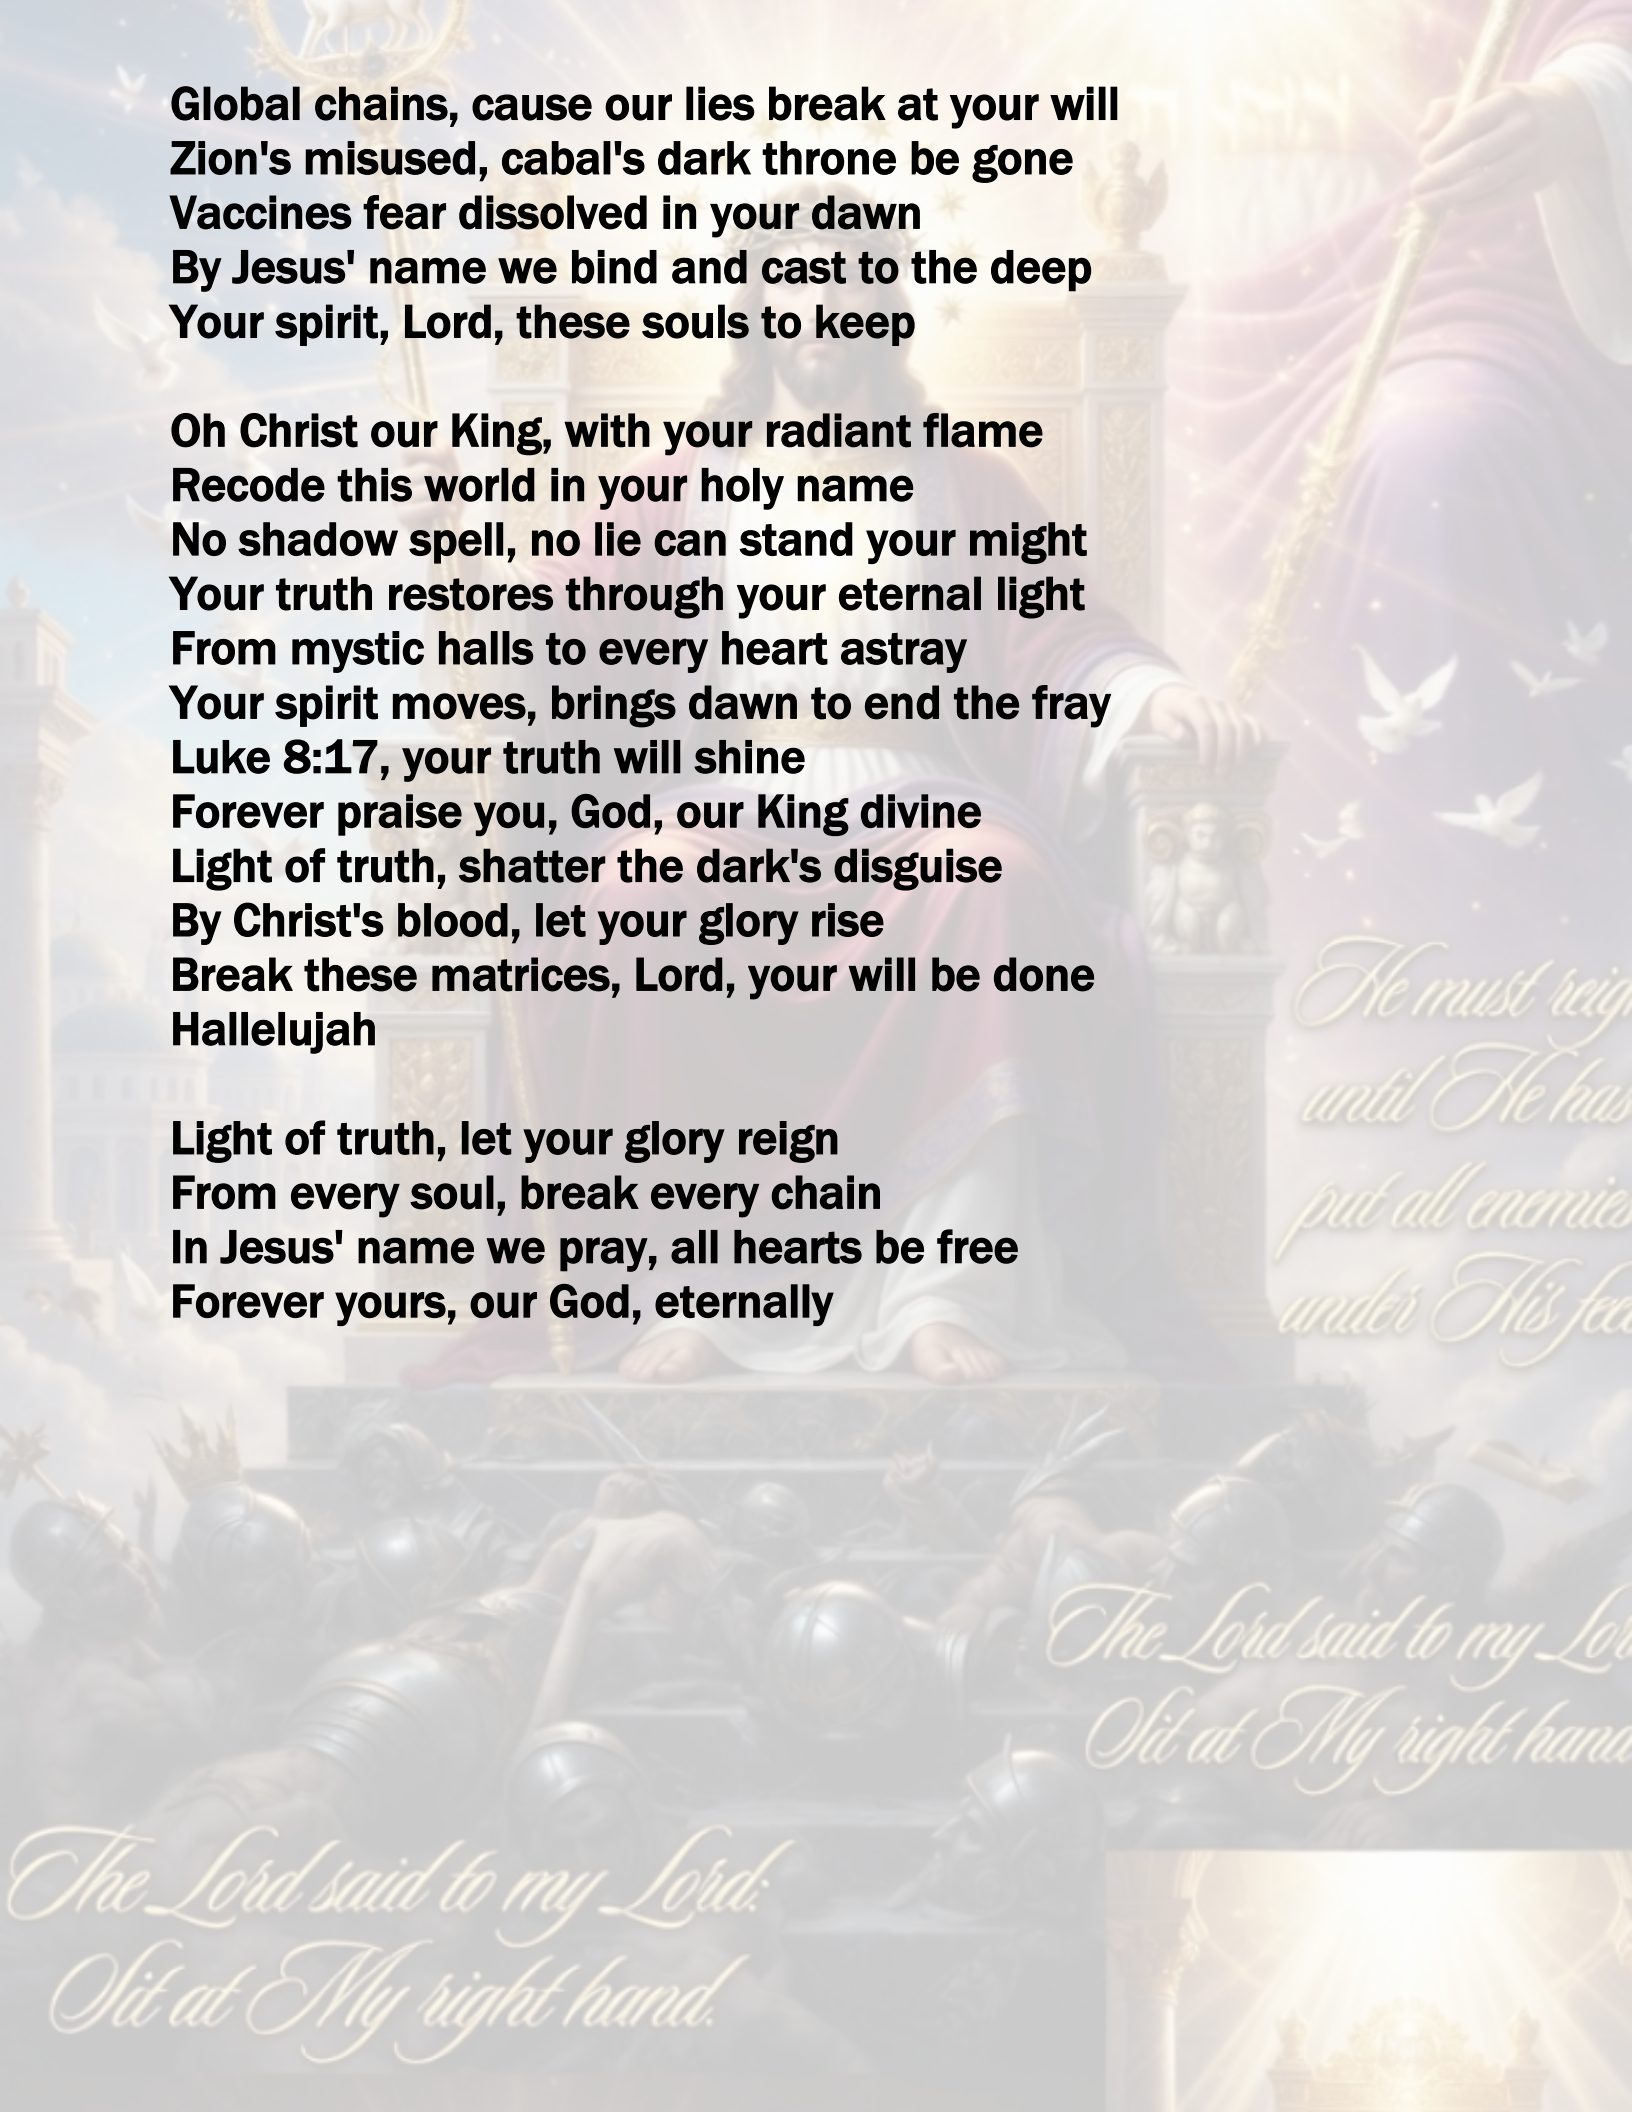

**Light of truth, shatter the dark's disguise
By Christ's blood, let your glory rise
Break these matrices, Lord, your will be done
Hallelujah, your kingdom come**

Golden dawn's rites, mind's virus be still

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord
Sit at My right hand.*

**Global chains, cause our lies break at your will
Zion's misused, cabal's dark throne be gone
Vaccines fear dissolved in your dawn
By Jesus' name we bind and cast to the deep
Your spirit, Lord, these souls to keep**

**Oh Christ our King, with your radiant flame
Recode this world in your holy name
No shadow spell, no lie can stand your might
Your truth restores through your eternal light
From mystic halls to every heart astray
Your spirit moves, brings dawn to end the fray
Luke 8:17, your truth will shine
Forever praise you, God, our King divine
Light of truth, shatter the dark's disguise
By Christ's blood, let your glory rise
Break these matrices, Lord, your will be done
Hallelujah**

**Light of truth, let your glory reign
From every soul, break every chain
In Jesus' name we pray, all hearts be free
Forever yours, our God, eternally**

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord:
Sit at My right hand.*

Break the Puppet's Chains

At the crossroads, puppet strings still sway
Metals cry leads tender hearts astray
Old rich rhythm, head feels lonesome plea
Hammett's chords, Burton's ghost runs free

Sandman whispers, death creeps through the night
Lovecraft shadows blur the soul's true light
Ephesians 6, we fight the dark unseen
Lord break these chains
Make the spirits clean

Break the puppet's chains, let the shadows fall
By Christ's blood, hear your holy call
Shatter this matrix, Lord your light we crave
Hallelujah, free the souls you save

The crimson stages, skulls in twilight's glare
Songs of pain where lost souls stop and stare
Bell tolls weeps, justice seeks the truth
Yet shadows twist the dreams of wandering youth

No witch's spell but spirits cloud the way
A matrix binds where metal's echoes play
Isaiah 58, unbind their yoke
Clear the fog, let your truth be woke

Break the puppet's chains, let the shadows fall
By Christ's blood, hear your holy call
Shatter this matrix, Lord your light we crave
Hallelujah, free the souls you save

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord
Sit at My right hand*

Album 63 Song 6

Cast Down the Altars

**In shadowed groves where altars rise to sin
Sorcery's charm defies the Lord within
Diviners read the stars, necromancers call
The spells and charms lead souls to fatal fall
Deuteronomy warns these acts are vile to Me
Abominations stir God's righteous decree
Cast down the altars, break the rebel's chain
O Lord, Your truth shall cleanse this dark domain**

**Cast down the altars, let the shadows flee
By Christ's blood Your judgment sets us free
Break this matrix, Lord, Your light shall reign
Hallelujah, redeemed from sin's dark chain**

**Mediums whisper, stars foretell their lies
Charms and potions veil the heart's true cries
Saul sought Endor, called a shade to speak
Yet judgment fell, his crown and life made weak
Isaiah cries, seek God, not death's cold door
Their arts deceive, lead souls to darkness' door
Cast down the altars, burn their books of shame
O Lord, Your word shall light the holy flame**

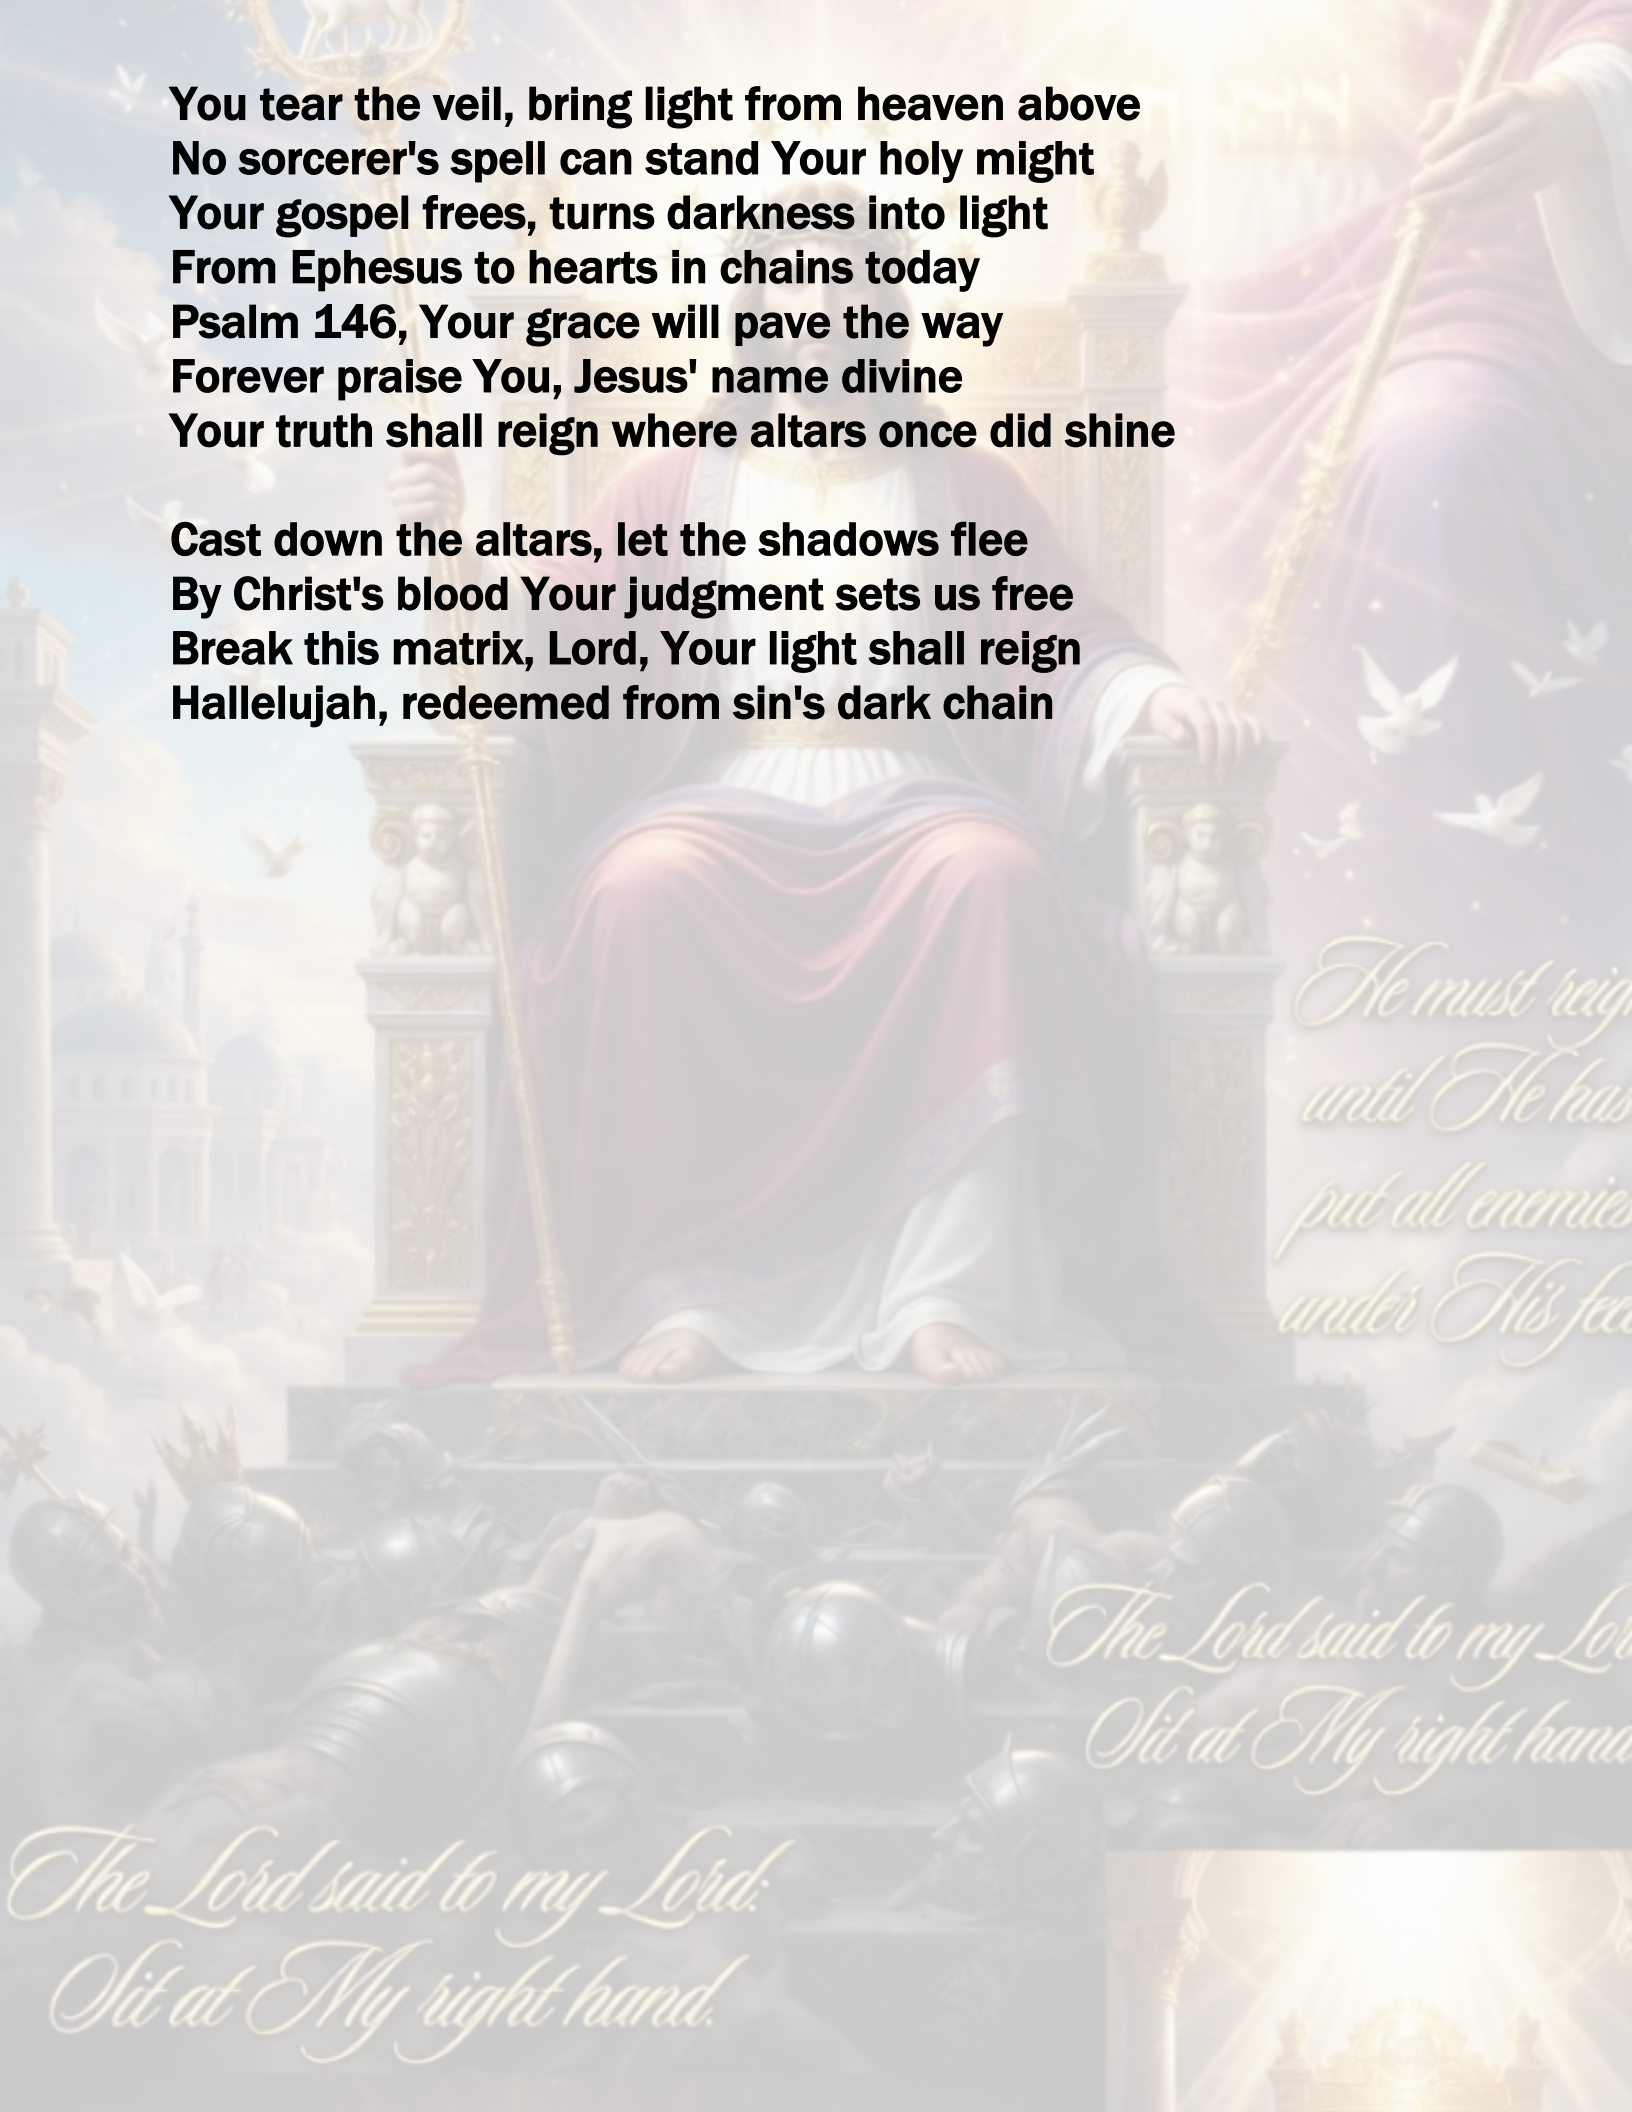

**Cast down the altars, let the shadows flee
By Christ's blood Your judgment sets us free
Break this matrix, Lord, Your light shall reign
Hallelujah, redeemed from sin's dark chain**

Oh Christ our King, with Your redeeming love

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord
Sit at My right hand.*

**You tear the veil, bring light from heaven above
No sorcerer's spell can stand Your holy might
Your gospel frees, turns darkness into light
From Ephesus to hearts in chains today
Psalm 146, Your grace will pave the way
Forever praise You, Jesus' name divine
Your truth shall reign where altars once did shine**

**Cast down the altars, let the shadows flee
By Christ's blood Your judgment sets us free
Break this matrix, Lord, Your light shall reign
Hallelujah, redeemed from sin's dark chain**

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord:
Sit at My right hand*

*The Lord said to my Lord:
Sit at My right hand.*

Album 63 Song 7

Unveil the Shadows

**In Wuhan's lab, where shadows veil their lies
A virus born, the world in chaos cries
Ukraine in flames, where secrets breed in gloom
Cloning sin defies the sacred womb**

**American hands, coordination's veil
Deception's rise, where truth and light should sail
To Geronimay, abominations fall
Lord unveil the shadows, break their wicked thrall**

**Unveil the shadows, let the darkness quake
By Christ's blood, your judgment's wake
Shatter this matrix, Lord your wrath ignite
Hallelujah, bring your holy light**

**Woah-oh-oh-oh
It's Bible truth declared
Woah-oh-oh-oh**

**From Wuhan's gate, a plague was loosed to roam
Lab-leaks whispered, truth entombed in stone
Ukraine's labs, where science twists God's plan
Cloning's hubris dares to rival man
Global schemes, with power's hidden hand
Rebellion's root defies your holy land
Revelation warns, the sorcerer shall burn
Lord expose their crimes, let justice turn**

**Unveil the shadows, let the darkness quake
By Christ's blood, your judgment's wake**

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord
Sit at My right hand*

*The Lord said to my Lord
Sit at My right hand.*

**Shatter this matrix, Lord your wrath ignite
Hallelujah, bring your holy light**

**Wuhan's veil, Ukraine's dark design be still
Cloning's pride, global lies, break at your will
Roots of sorcery, rebellion's grip be gone
By Jesus' name, your spirit shines upon
Save the nations, free the hearts deceived
Colossians one, your light shall be received
Forever unveil to Jesus, holy gift
Capture the light, let every soul now say**

**Unveil the shadows, let the darkness quake
By Christ's blood, your judgment's wake
Shatter this matrix, Lord your wrath ignite
Hallelujah, bring your holy light**

**God, let your light come down
One soul to your holy side
In Jesus' name, we pray our hearts be free
Forever yours, our God, into the light**

*He must reign
until He has
put all enemies
under His feet*

*The Lord said to my Lord:
Sit at My right hand*

*The Lord said to my Lord:
Sit at My right hand.*
