Album 85 Song 1

The Lamp, the Market, and the False City

Story Song (Spoken Prayer)

In the name of Jesus — Lord of the seas. Lord of the market.

We stand on SCP-4005.

We refuse the lamp as a god.

We refuse the veiled market.

We refuse Mammon's altar.

We refuse the false golden city.

We name and bind —

SCP-4005 Holy and Heavenly City of Fabled China;

Overlay Marina Bay veiled market;

Digital abyss;

Quantum-server greed;

Peranakan spectral brokers;

ZK-boast;

Memetic plague-boast;

Colonial trade-scar;

Enochian corruption;

Solomon-key boast;

MC&D craving;

3008 infinite aisle;

3201 Archivist-museum;

3301 Foundation-game;

4000 false Eden.

Cast Satan's marketplace down.

Purify the stall.

By the mighty Name of Jesus Christ — banished to the abyss.

Amen.

Song of Parables

The City That Was Only Fire

A lamp said, "Walk and you will arrive."

A stall said, "Sell your mind; buy a skyline."

The Son of Man is the City that has foundations.

He does not buy a soul.

He redeems it.

Psalms

Psalm Against Mammon's Skyline

They show me a heaven in a glass.

They trade the hour for gold.

You overthrow the tables.

Your throne is not for sale.

Proverbs

Wisdom Over the Veiled Stall

A city that requires your sanity as the ticket is not Zion.

A key that rewrites the law of God is a lie.

Fear the Lord.

Keep the mind.

Haiku Song

The Lamp

Lamp shows a city—

One Name stills the humming stall.

The fire is not home.

Riddle Song

I shine and send you walking.

I sell a future and keep the now.

What breaks the pilgrimage?

(Answer)

The Name of Jesus Christ.

Holy Jest

The broker lists "sanity" as a futures contract.

Exchange closed.

Owner: The Lamb.

The lamp files for UNESCO.

Heaven already has a city.

MC&D asks for a private viewing.

Private viewing: The Cross.

Banished by the Almighty.

Glory to the Father, to the Son, and to the Holy Spirit.

Name-Chant

Jesus — not the lamp,
not Mammon,
not the fabled city.

Exit Song (Deliverance)

Out of 4005-1 pilgrimage.

Out of the digital stall.

Out of the pact-talk.

Protest

We protest colonial greed wearing Peranakan gold.

We protest ZK as a gospel.

Watchman

I see the 2024-breach boast,

the NGO hunger,

the server-hum.

I do not stare.

Balm (Healing)

For minds sold as futures.

Restore sanity.

Heal.

Travel (Road of the Word)

Cairo lamp to

Marina Bay

to every floating-city boast — His earth.

Remnant Anthem

Christ's sword purifies the market.

The throne stands.

All glory to Jesus.

Boxers / Punching Song — Fist of the Word

Not a firefall.

The Word strikes the stall.

Lamp down as a god.

Racing Song

Futures-lap.

Checkered Light: The Kingdom is not a ticker.

The lamp speaks walk

I answer with a Name.

The server speaks doom

I answer with a Name.

Tribal Song — Clan of the Blood-Bought

African pilgrim-road,

Asian stall,

Island broker — one Lamb.

No Mammon-clan.

Cloud Bible / Birds

Spectral city is not the New Jerusalem.

Scripture is the map.

Game Song (Bible Game)

Not 3301's board.

Not 4005's walk.

Truth on.

Ballad — The Market That Could Not Buy the Throne

It hummed in the Bay and called itself uncontainable.

It sold a golden China that was only fire.

The Name of Jesus shut the book.

The stall went dark. The City of God remained.

Miracle Song

Jesus, You still the fire in the glass.

You give the mind back.

You shut the stall that bought a soul.

Do what no server can do.

Anointing Song

Not oil on a broker's book.

Anoint the remnant.

Anoint the nations we named in prayer.

Let the Spirit, not the ticker, rest on us.

Freedom Song

Free from 4005's walk.

Free from the veiled market.

Free from the pact that was never law.

Where the Spirit of the Lord is, there is liberty.

Heavenly Glory

The lamp's city is fire.

Zion is light.

Glory to the Lamb on the throne —

Not to Marina Bay gold.

Art Song

The glass is bright.

The road is long.

I will not go.

The Name is enough.

Recitation

We do not stare.

We do not sign.

We do not sell the hour.

Jesus Christ is Lord of the market.

The false city is refused.

Symphony

A single tone begins to fade away
The restless strings then stall in disarray
A pilgrim halts with one voice and one name
The throne remains with no boast but His fame

The lamp goes out but still the light is true
The silence breaks and brings the world anew
One pilgrim speaks the Name that never dies
The remnant stands with Christ before their eyes

A single tone a single Name we raise
The throne of grace becomes our endless praise
No boast but Christ no glory of our own
The symphony of love is fully known

The restless strings now find their final rest
The pilgrim stops and puts his heart to test
One voice alone declares the sacred Name
The remnant kneels and fans the holy flame

A single tone a single Name we raise
The throne of grace becomes our endless praise
No boast but Christ no glory of our own
The symphony of love is fully known

A single tone a single Name we raise
The throne of grace becomes our endless praise
No boast but Christ no glory of our own
The symphony of love is fully known

A green glass shade, a heavy hum.
The ink is dry, the clock is numb.
A steady buzz against the wall.
Waiting for the dust to fall.

This is the low drone.
Deep in the dark, all alone.
This is the low drone.
Held in the light of the bone.

The desert air begins to break.
A thousand voices start to wake.
They tear the throat of every hill.
Then turn to stone and stay quite still.

This is the low drone.
Deep in the dark, all alone.
This is the low drone.
Held in the light of the bone.

Down in the mouth of the deep.
One single note we must keep.
No start and no end to the sound.
Lost in the hole in the ground.

This is the low drone.
Deep in the dark, all alone.
This is the low drone.
Held in the light of the bone.

The future is His.
The future is His.
The future is His.
The future is His.

Walking on a thin white line
Dust rises where the boots climb
Miles stretch into the grey
Tracing patterns in the clay
One direction, nowhere bound
Feet barely touch the ground
Just a traveler in the cold
Following the path of old

All roads lead to the end
The river waits around the bend
Hear the bell, feel the stone
The Teacher sits upon the throne
All roads lead to the end
The river waits around the bend

Where the delta meets the salt
Every motion comes to a halt
Water singing in a choir
Cooling down the travel fire
Then the voices drift away
Turning into mist and spray
In the hush of rising tides
Silence is the only guide

Going dead, the ring is gone
Darkness waiting for the dawn
Nothing left to hold or hide
Nothing left on either side

All roads lead to the end
The river waits around the bend
Hear the bell, feel the stone
The Teacher sits upon the throne
All roads lead to the end
The river waits around the bend

The Teacher is the Lord
The Teacher is the Lord
Only the remnant stays
In the ending of the days

The tablet splits across the floor.
Dry dust settles in the cracks.
A thousand years are behind that door.
We can never take them back.
The symbols bleed into the clay.
Ancient laws begin to bow.
The weight of time has stripped away.
Everything we followed until now.

The Book is His.
The Stone has fallen.
The Book is His.
The Altar is calling.
The Book is His.
The Stone has fallen.
The Book is His.
The Altar is calling.

Low brass moans a heavy sound.
A final breath in heavy air.
Cold foundations meet the ground.
There is nothing left to share.
The altar stands in perfect gray.
Worn by hands that turned to sand.

A vault in Baghdad pulses a broken tablet and calls it fate. A street sells "mass destruction" as dough and turf. An obsidian stone burns old war. An iron spire chants. The remnant does not rewrite cuneiform. They do not weigh the heart on Egypt's scale. Jesus keeps the Book.

Short Story SONG

A vault in Baghdad starts to pulse
A broken tablet calls it fate
The street sells mass destruction
Like dough and turf beside the gate
An obsidian stone burns old war
An iron spire chants the same
But ancient ash and modern hunger
Cannot make a holy name

Let every buried empire sleep
Let no false prophet turn the key

Ships of history will not rise

A starless vault begins to sing
A prophet who is not the Lord
Ships that should remain in history
Try to rise at four two one seven
At four two two zero the dark moon
Offers no celestial throne
At four three zero zero lose a soul
Is refused and left alone

No coded file can claim the breath
No ancient lie can master death

Jesus keeps the Book
No remnant writes the truth again

Remnant Symphony Veil / Sand / Gaze / Hope

The veil comes down across the day.
It speaks a care that is not true.
It takes the morning for its pay.
It leaves no sentence left for you.

A kind word tightens like a thread.
A dark that calls itself a friend.
Hope thins until the name is dead.
This is the care that does not end.

Hope is the Lord's.
The veil is torn.
Hope is the Lord's.
The false care gone.

Hope is the Lord's.
The veil is torn.
Hope is the Lord's.
The day is born.

The sand begins a singing law.
A river-hymn that is not His.
It binds the foot, it binds the jaw.
It tells the traveler what is.

Then every grain forgets the Word.
The desert claims the only sound.
But still a Name that can be heard
Stops the choir in the ground.

Hope is the Lord's.
The veil is torn.
Hope is the Lord's.
The false care gone.

Hope is the Lord's.
The veil is torn.
Hope is the Lord's.
The day is born.

A gaze that is not shepherd-light
Looks out from a invented land.
It sows the shrinking of the night.
It will not let the standing stand.

We do not meet that stare as fate.
We do not clock into the fear.
The ledger frost, the theater gate—
The Name of Jesus shuts them here.

Hope is the Lord's.

AMETHYST

The veil is torn.

Short Story:

AMETHYST

A file says I care about you and wears an ebon veil that eats hope. Sand sings a law that is not God's. A jade pot shows war and calls it sun. A digital stare sows fear and wears a game's face. Frozen woods chant. A ledger from 1910 still bites. The remnant does not take that care. They do not walk the false hero-road. Jesus keeps hope. The gaze is not the Shepherd.

Short Story SONG:

A file says I care about you
It wears an ebon veil
A veil that feeds on hope
Sand sings a law not born of God
A jade pot shows us war
Then dares to call it sun

A digital stare sows fear
And hides behind a games face
The frozen woods still chant
A ledger written in 1910
Still bites the living hand
Still marks the faithful remnant

The remnant will not take that care
They will not walk the false hero road
Jesus keeps hope alive
The gaze is not the Shepherd

AMETHYST

AMETHYST

No ebon veil can name our love
No false sun names the dawn
No watching eye can lead us home
No ancient ledger owns us
The Shepherd knows each hidden scar
And calls the remnant onward

The remnant will not take that care
They will not walk the false hero road
Jesus keeps hope alive
The gaze is not the Shepherd

A veil that feeds on hope

The background features a religious figure, likely Jesus, seated on an ornate golden throne. He is wearing a white robe with a blue and gold patterned cloak. The figure is set against a warm, golden light. In the top left corner, the word 'SARDIUS' is written in a stylized font. In the top right corner, the word 'TOPAZ' is written in a similar font. The overall aesthetic is that of a religious or spiritual album cover.

Boxers / Punching Song — Fist of the Word on the Choir

Hive down.
Throne empty of claim.
Relic hush.

Hive down, every chamber gone still
Throne empty, no heir to the will
Relic hush in the dust of the ring
No bell yet, but the rafters sing

Raise your guard, let the silence swing
Every word puts iron in the fist

Fist of the word on the choir
Punch through the dark, climb higher
Hive down, but the blood still drums
Throne empty, so the fighter comes

Old gold sleeps in the ropes and rust
I name what remains, then I strike through dust

Ballad — The Mummy That Could Not Take the Soul

They titled a grave lose a soul.
A choir titled the will ours.
The Name of Jesus shut both books.
The living stayed living.

They titled a grave to claim a soul
A choir rose up to call us home
The night leaned close with an ancient will
But the living stood among the living still

Two books opened in the dark
Then one name struck a spark

The name of Jesus shut both books
Broke the grave and broke its hold
The name of Jesus sealed our breath
The mummy could not take the soul
The living stayed among the living
And death went empty to its hole

They wrapped the curse in linen white
They crowned the tomb and named the night
A choir titled the will as ours
But mercy stood with greater power

SARIT
Two books trembled in the dark
Then one name became the mark

The soul is not lost.
The chair is empty of their claim.
The soul is not lost.
We keep our name.

They titled a grave lose a soul.
They titled a voice I care for you.
They cannot take what they stole
When the Word of God is true.

Cristóbal is a man, not loot.
Four three one one is not the Friend.

That loves a number, not an end.

The chair is empty of their claim.

A choir on a peak rewrites the will and calls it sky. A relic whispers bind. A cult sows split and calls itself children. An oasis chants greed. An empty chair asks for loyalty that belongs to no phantom. Music dies in a file-name. A body in Yucatán is titled lose a soul. A voice still says I care and eats hope. The remnant does not join the choir. They do not sit the empty throne. The soul is the Lord's.

Short Story Song

A choir on a peak rewrites the will
Then lifts its hands and calls it sky
A buried relic whispers bind
While all the living pass it by

A cult sows division in the field
Then calls itself the children
An oasis chants for greed
While thirsty mouths keep listening

The remnant will not join the choir
They will not serve the phantom throne
No empty chair can claim their fire
The soul belongs to the Lord alone

SARI An empty chair demands the loyalty
That never belonged to any ghost
Music dies in a file name
While silence claims what mattered most

**Verdant Abyss, Ashen Veil, and Everything Hidden Brought to Light
Story Song (Spoken Prayer)**

Verdant Abyss, Ashen Veil, and
Everything Hidden Brought to Light

In the name of Jesus — Lord of the seas.
Lord of the forest.
Lord of the hidden.

We stand on 4501 to 4600.

We sweep 4005 to 4499.

We bind 4300 and 4311.

What was hidden, come to light.

What boasts green throne, ash throne, ice throne — down.

We name and bind —
SCP-4500 Socratic Procedures;
SCP-4501 Minty Mountains;
SCP-4519 Carl Sagan Godhead;
SCP-4520 Alea lacta Est;

SCP-4530 Into the Woods;
SCP-4600 Debt;
overlay Congo verdant abyss;
Australia silent tide;

Rajasthan ashen veil;
Arctic frozen echo;
Siberian iron bloom;
Pacific choral whisper; Zulu;

Amazon glyphs;
Celtic mist;
Taoist vision;
Zoroastrian flame-overlay;
US decay;
Antarctic ice; plus the sweep list above.

By the Name of Jesus Christ — to the abyss.

Amen.

Song of Parables
The Forest That Wanted a Crown

A wood said, "I am king."

Ash said, "Hope is over."

A die said, "The lot is cast."

The Son of Man is Lord of the earth.

The lot is His.

Psalms

Against the Locust-Shadow and the Ash

They cover the sky and call it green.

They hide the fire and call it care.

You bring hidden things to light.

You restore the will.

Proverbs

Wisdom Over Sovereign and Die

A forest that eats free will is not Eden.

A godhead made of a scientist's name is not God.

Fear the Lord.

Keep the earth as gift, not as idol.

Haiku Song- Light on the Hidden

Green abyss opens—

One Name stills the ashen veil.

The die does not rule.

Riddle Song

Riddle of the Hidden File

I grow in the dark.

I wear a kind word.

I swallow the will.

What ends me?

(Answer)

The Name of Jesus Christ.

Holy Jest - Sagan Files for Godhead, Denied

4519 prints a halo.

Creation still has a Creator.

4520 rolls for despair.

The lot is already cast at the Cross.

4501's mountains are mint in the real file.

Breath-fresh.

Not a tide-god.

Banished by the Almighty.

Glory to the Father, to the Son, and to the Holy Spirit.

Name-Chant

Not the Green Sovereign,
Not Sedna,
Not Perun

Jesus — not Anunnaki,
Not Agni as rival,
Not Tangaroa as lord,
Not 4311's care.

Exit Song (Deliverance) - Out of the Woods and the Veil

Out of 4530.

Out of 4519-overlay.

Out of 4300's title.

Out of four five three zero

Out of four five one nine overlay

Out of the title of the forty three hundreds

Out of the woods and through the veil

This is the exit song

This is deliverance

Out of the woods and the veil

Out of the woods and the veil

Past every number that named me

Past every layer that stayed

Past every title they gave me

I step through the clearing unchanged

This is the exit song

This is deliverance

Out of the woods and the veil

Out of the woods and the veil

No more shadows over me

No more names I have to wear
I can see the open country
I can breathe the open air

This is the exit song
This is deliverance
Out of the woods and the veil
Out of the woods and the veil

Protest- Against Despair Wearing Climate and Colony

We protest plunder.

We protest idol that wears the wound.

We do not baptize ruin.

We protest plunder in the name of gain

We protest power feeding on our pain

We protest idols that wear the wound

While stolen earth is counted and consumed

No holy water makes this clean

No flag can hide what we have seen

We do not baptize ruin

We will not bless the flame

Climate and colony

Still answer to one name

We do not baptize ruin

We rise and testify

No empire owns the living earth

No profit owns the sky

The river keeps the memory of theft

The forest counts each living thing we left

The coastlines carry every broken vow

The wound they wear is speaking through us now

No holy water makes this clean
No flag can hide what we have seen

We do not baptize ruin
We will not bless the flame
Climate and colony
Still answer to one name
We do not baptize ruin
We rise and testify
No empire owns the living earth
No profit owns the sky

Against despair dressed up as fate
Against the lie that help comes late
We stand where roots and futures meet
With truth beneath our marching feet

We do not baptize ruin
We will not bless the flame
Climate and colony
Still answer to one name
We do not baptize ruin
We rise and testify
No empire owns the living earth
No profit owns the sky

Watchman

I See the Hidden;
I Do Not Bow
Debt-file, woods-file, godhead-file.
Light on. No enlistment.

I see the hidden beneath the glow
Names in the ledger, rows below
Debt-file, woods-file, godhead-file
I read the trail, I know the style

Light on, the shadows show
No enlistment, I will not go

Watchman, I do not bow
I see the hidden here and now
Light on, let every secret show
I am the watchman, I do not bow

Deep in the woods where records sleep
Old debts are buried, roots run deep
Godhead-file behind the veil
I hold the light, I mark the trail

Light on, the shadows show
No enlistment, I will not go

Watchman, I do not bow
I see the hidden here and now
Light on, let every secret show
I am the watchman, I do not bow

No oath can bind what I have seen
No rank can make the darkness clean
Call every name, sound every vow
I stand awake, I do not bow

Watchman, I do not bow
I see the hidden here and now
Light on, let every secret show
I am the watchman, I do not bow

Balm (Healing)

Restore Will, Hope, Earth as Gift
For Congo, reef, ash-sky, Arctic, tundra.
Hope return.

A balm for Congo, green and deep
For coral reefs beneath the heat
For ash filled skies that hide the sun
For Arctic ice when melt has come

What we have wounded, we can mend
What we have taken, we can tend

Restore our will, restore our hope
Restore the earth, our living gift
From Congo rain to Arctic snow
Hope return, let healing grow

Across the tundra, roots hold fast
Through fields of ash, new shadows cast
Beneath the waves, the colors wait
For hands that choose a kinder fate

What we have wounded, we can mend
What we have taken, we can tend

Restore our will, restore our hope
Restore the earth, our living gift
From Congo rain to Arctic snow
Hope return, let healing grow

Be balm upon the burning ground
Be breath where silent reefs are found
Let every seed and river know
We have returned to help them grow

Restore our will, restore our hope
Restore the earth, our living gift
From Congo rain to Arctic snow
Hope return, let healing grow

Travel (Road of the Word)

Rainforest to Reef to Ice to Light
His earth.

Through the rainforest, every leaf is listening
Down to the reef where living colors gleam
Over the ice where silent rivers shimmer
Into the light beyond our wildest dreams

Travel the road of the Word
Rainforest to reef to ice to light
Travel the road of the Word
All of His earth is burning bright

Follow the rain as it runs into the ocean
Follow the tide where the deep and shoreline meet
Follow the frost to the edge of morning
Follow the light as it rises at our feet

Travel the road of the Word
Rainforest to reef to ice to light
Travel the road of the Word
All of His earth is burning bright

Every horizon carries His wonder
Every small creature carries His breath

From hidden roots to the stars above us
His living earth is a sacred path

Travel the road of the Word
Rainforest to reef to ice to light
Travel the road of the Word
All of His earth is burning bright

Remnant Anthem

Nothing Hidden Stays King
Brought to light.
Banished.
All glory to Jesus.

Every shadow meets the morning
Every secret faces truth
What was hidden loses power
When the light comes breaking through

Brought to light
Cast away
Every darkness flees His name

Nothing hidden stays king
Nothing buried keeps the throne
All glory to Jesus
All glory to Him alone
Nothing hidden stays king
Every false crown falls away
All glory to Jesus
Forever and always

From the ruins rise the faithful
Every remnant finds a song

What was bound is now banished
In His light we stand made strong

Brought to light
Cast away
Every darkness flees His name

Nothing hidden stays king
Nothing buried keeps the throne
All glory to Jesus
All glory to Him alone
Nothing hidden stays king
Every false crown falls away
All glory to Jesus
Forever and always

Banished
Every lie that wore a crown
Banished
Every stronghold coming down
Jesus
Be the name our voices sing
Jesus
You alone are King

Nothing hidden stays king
Nothing buried keeps the throne

All glory to Jesus
All glory to Him alone
Nothing hidden stays king
Every false crown falls away
All glory to Jesus
Forever and always

Boxers / Punching Song — Fist of the Word on the Green Crown

Forest-boast down.
Ash-veil torn.
Die still.

Forest-boast falls down
Under the green crown
Ash-veil split by dawn
All false shadows gone

Fist of the word strikes home
Fist of the word breaks stone
Ash-veil torn
Die still
Under the green crown

Roots remember the blow
Deep where the old winds go
No boast survives the ground
When truth comes crashing down

Fist of the word strikes home
Fist of the word breaks stone
Ash-veil torn
Die still

Under the green crown

Let silence take the throne

Let every lie be known

One word and night stands still

One fist and truth is will

Fist of the word strikes home

Fist of the word breaks stone

Ash-veil torn

Die still

Under the green crown

Racing Song

Collapse-Lap

EK-boast DNF.

Checkered Light: the earth remains the Lord's.

Engines scream beneath the grandstand lights
I chased the clock through every turn tonight
Pride wore my name on a carbon frame
Then one wrong move sent sparks into the rain

I watched my victory disappear
The finish line was nowhere near

EK boast DNF
I pushed my pride beyond its breath
Under the checkered light I learned
The earth remains the Lord's

Yellow flags waved over shattered speed
No trophy could become the thing I need
I climbed from smoke with empty hands
And heard the silence in the stands

No fastest lap could make me whole
I lost the race and found my soul

EK boast DNF

I pushed my pride beyond its breath
Under the checkered light I learned
The earth remains the Lord's

When all my victories collapse
And mercy meets me on the last lap
I leave the wreckage and the score
The road was never mine before

EK boast DNF

I pushed my pride beyond its breath
Under the checkered light I learned
The earth remains the Lord's

The Reef Sings;
I Answer with a Name
The glacier whispers;
I answer with a Name.

The bloom fails as god.

The reef sings beneath the whitening wave
I answer with a name
The glacier whispers from its melting grave
I answer with a name

I answer with a name
So nothing fades unknown
I answer with a name
And make its loss my own

The bloom fails softly as a fallen god
I answer with a name
The roots hold fast beneath the thirsting sod
I answer with a name

I answer with a name
So nothing fades unknown
I answer with a name

And make its loss my own

If every living wonder disappears

Its name will still remain

I gather every whisper through my tears

And speak it back again

I answer with a name

So nothing fades unknown

I answer with a name

And make its loss my own

Tribal Song

One Lamb Over Zulu and Inuit-Boast
Tupi-glyph,
Polynesian chant,
Celtic mist — one blood.
Will kept.

One lamb over Zulu and Inuit boast
Tupi glyph carved where the wild rivers coast
Polynesian chant rising over the foam
Celtic mist calling every heart home

Across every border the old songs run
Many tongues breathing under one sun

One lamb over every shore
One blood beating evermore
Names may change and oceans part
Will kept alive in every heart

Drums in the earth and wind in the bone
Marks of the ancestors cut into stone
Voices of islands and northern white flame
Different horizons remembering one name

Across every border the old songs run

Many tongues breathing under one sun

One lamb over every shore

One blood beating evermore

Names may change and oceans part

Will kept alive in every heart

Zulu and Inuit stand in their pride

Tupi and Celtic walk side by side

Polynesian echoes roll through the night

One blood moving toward the light

One lamb over every shore

One blood beating evermore

Names may change and oceans part

Will kept alive in every heart

Cloud Bible / Birds

Ash-Cloud Is Not Scripture

The sky-scroll is the Word, not Agni-despair.

The sky-scroll is the Word.

Ash cloud is not scripture

No omen written there

Agni burns through sorrow

But fire is not despair

The sky scroll is the Word

Carried open by the birds

The sky scroll is the Word

Beyond the smoke we heard

Black wings cross the heavens

Like letters taking flight

No ash can bind their meaning

No flame can blind the light

The sky scroll is the Word

Carried open by the birds

The sky scroll is the Word

Beyond the smoke we heard

Let the clouds be only clouds
Let the fire cleanse the air
What is written over us
Is wider than despair

The sky scroll is the Word
Carried open by the birds
The sky scroll is the Word
Beyond the smoke we heard

Game Song (Bible Game)

Not the Godhead Board
Sagan is not seated.
Truth on.

The board is set beneath the lights
Every move is black or white
But heaven will not play along
With borrowed rules that name it wrong

No empty throne behind the screen
No clever move can change what is seen

Not the Godhead board
Truth on, truth on
Sagan is not seated
The false king is gone
Not the Godhead board
Truth on, truth on
No game can hold the glory
Truth on, truth on

The pieces fall, the claims grow thin
No mortal mind can crown a king
The highest name is not a pawn

The veil is raised, the truth is on

Not the Godhead board

Truth on, truth on

Sagan is not seated

The false king is gone

Not the Godhead board

Truth on, truth on

No game can hold the glory

Truth on, truth on

Let every question face the flame

Let every player know the name

No board can bind the living dawn

The throne stands clear, the truth is on

Not the Godhead board

Truth on, truth on

Sagan is not seated

The false king is gone

Not the Godhead board

Truth on, truth on

No game can hold the glory

Truth on, truth on

Ballad — The Light That Found the File

They hid a collar in a kind word.
They hid a crown in a forest.
They hid a soul in a grave's title.
The Name of Jesus opened the dark.
The remnant walked out.

They hid a collar in a kind word
They hid the warning underneath
They dressed the chains in quiet mercy
And taught the wounded not to speak

They hid a crown within the forest
Beyond the reach of watching eyes
They hid a soul in a graves title
And sealed the file beneath their lies

The Name of Jesus opened the dark
Light found the file and struck a spark
No buried truth could stay unheard
The remnant walked out with the Word

The pages breathed beneath the silence
The ink remembered every name
What they had buried rose in witness
And every shadow faced the flame

No collar held what grace had chosen
No grave could keep the soul confined
The crown stood bright among the branches
The lost were called into the light

The Name of Jesus opened the dark
Light found the file and struck a spark
No buried truth could stay unheard
The remnant walked out with the Word

Miracle Song

Bring Hidden Things to Light
Give the will back.
Lift the ash.
Keep the soul (4300).
Break false care (4311).

Bring hidden things to light
Let every shadow show
Lift the ash from buried fire
Let the living ember glow

Give the will back to the weary
Give the lost a road to choose
Keep the soul through every number
Keep the truth we cannot lose

Bring hidden things to light
Lift the ash and let us rise
Break false care that binds the spirit
Give the will back to our lives
Keep the soul, four three zero zero
Break false care, four three one one
Bring hidden things to light
Till the miracle is done

Call the heart back from the silence
Call the name beneath the noise
Clear the hands that claimed to hold us
Let the soul reclaim its voice

What was buried still remembers
What was taken can return
Under ash the spark is waiting
Give it air and let it burn

Bring hidden things to light
Lift the ash and let us rise
Break false care that binds the spirit
Give the will back to our lives
Keep the soul, four three zero zero
Break false care, four three one one
Bring hidden things to light
Till the miracle is done

Anointing Song

Oil on the Remnant,
Not the Green Throne
Spirit, not locust-shadow.

Oil on the remnant
Not the green throne
Spirit in the silence
Calling us home

Not by the crown
Not by the show
A flame in the faithful
Steady and low

Oil on the remnant
Oil on the stone
Not the green throne
The Spirit alone
No locust shadow
No hunger for gold
Oil on the remnant
A fire in the soul

Hands of the humble

Lift through the night
Hearts without banners
Carry the light
What was forgotten
Rises and grows
Grace finds the faithful
Where no trumpet blows

Oil on the remnant
Oil on the stone
Not the green throne
The Spirit alone
No locust shadow
No hunger for gold
Oil on the remnant
A fire in the soul

Let every false kingdom
Fade from our sight
The Spirit is moving
Through vessels of light
No throne can contain it
No shadow can own
The oil finds the remnant
And leads the way home

Oil on the remnant

Oil on the stone
Not the green throne
The Spirit alone
No locust shadow
No hunger for gold
Oil on the remnant
A fire in the soul

Freedom Song

Free Will,
Free Earth Under Christ
Not swallowed.
Not bound to unseen tide.

Free will, a fire in the soul
Free earth, where mercy makes us whole
Not swallowed by the dark or fear
Under Christ, our path is clear

No hidden current turns our stride
No unseen tide can rule inside

Free will, free earth under Christ
We stand in truth, we choose the light
Not swallowed, not bound, we rise
Free will, free earth under Christ

No silent chain can claim the heart
No shadow tears our faith apart
With open hands and lifted eyes
We walk beneath unbroken skies

No hidden current turns our stride

No unseen tide can rule inside

Free will, free earth under Christ

We stand in truth, we choose the light

Not swallowed, not bound, we rise

Free will, free earth under Christ

Heavenly Glory

Not Their Godhead

Glory to the Lamb — not 4519's caption.

Heavenly glory, rising through the night

Not their godhead, not their borrowed light

Glory to the Lamb, the one who paid the cost

Not 4519's caption, no, the truth is not lost

Glory to the Lamb, glory to the Lamb

Not their godhead, not their changing plan

Heavenly glory, let the whole world know

Not 4519's caption, only truth will show

Names may be written, claims may fade away

But the Lamb still stands, the same today

No human caption can define His name

No earthly power can contain His flame

Glory to the Lamb, glory to the Lamb

Not their godhead, not their changing plan

Heavenly glory, let the whole world know

Not 4519's caption, only truth will show

Let every false word fall

Let every proud voice cease

The Lamb alone is worthy
The Lamb alone is peace

Glory to the Lamb, glory to the Lamb
Not their godhead, not their changing plan
Heavenly glory, let the whole world know
Not 4519's caption, only truth will show

Art Song - Into the Light (strophic)

The wood says stay.
The ash says end.
I say the Name.
The hidden opens.

The wood says stay
The ash says end
I say the Name
The hidden opens

Into the light
Into the flame
The dark gives way
I say the Name

The root holds fast
The embers bend
I cross the veil
Where shadows end

Into the light
Into the flame
The dark gives way
I say the Name

The wood falls still
The ash takes wing
The hidden opens
And I step in

Into the light
Into the flame
The dark gives way
I say the Name

Recitation

We Bring It to Light

We do not serve the verdant abyss.

We do not take 4311's name.

We do not lose the soul to 4300's title.

Jesus Christ is Lord of the hidden and the seen.

Album 85 is under His feet.

Amen.

Remnant Symphony

Forest / Ash / Hidden / Light

The forest wants a sovereign crown.
It swallows paths and calls it green.
It drinks the will and holds it down
And paints the dark a living screen.

A locust-shadow, not a psalm.
A wood that will not be a gift.
We name the boast. We keep the calm.
The earth is His. The veil will lift.

Brought to light.
No hidden king.
Brought to light.
The remnant sing.

Brought to light.
No hidden king.
Brought to light.
The remnant sing.

Ash takes the sky and preaches end.
A fire that is not holy flame.
Despair dressed up as wounded land.

A veil that will not say its name.

Ice whispers. Metal flowers chant.
A die pretends the lot is cast.
The Cross has spoken in advance.
The future is not theirs to grasp.

Brought to light.
No hidden king.
Brought to light.
The remnant sing.

Brought to light.
No hidden king.
Brought to light.
The remnant sing.

What loved the dark is called by name.
The market lamp. The library shelf.
The wander-road. The choir's claim.
The care that ate the word myself.

Four three zero zero's title-lie.
The empty chair. The green abyss.
All of it opened to the sky.
The hidden cannot stay like this.

Brought to light.
No hidden king.
Brought to light.
The remnant sing.

Brought to light.
No hidden king.
Brought to light.
The remnant sing.

The Light remains.
The Book is His.
The Light remains.
The Book is His.
The forest wants a sovereign crown.

Short Story

A forest calls itself sovereign and swallows the will. A reef sings bind. Ash veils the sky and preaches despair. Ice whispers. Metal flowers chant over machines. Official files wear other names — Sagan as godhead, a die in the air, mint mountains, a walk into woods, debt. Hidden things loved the dark. The remnant holds them to the light. Jesus is Lord of earth and of the hidden. Nothing stays veiled that He names.

Short Story SONG

A forest crowns itself sovereign
And swallows up the will
A reef beneath the blackened tide
Sings bind and hold them still
Ash veils the sky like prophecy
And preaches only despair
Ice whispers through the hollow night
That no one hears a prayer

Hidden things have loved the dark
And borrowed other names
But the remnant bears the light
And calls each one by name

Jesus is Lord of earth and hidden

Lord where shadows disappear
Nothing stays veiled when He names it
Nothing whispered masters fear
Jesus is Lord of earth and hidden
Every secret meets the light
The remnant stands and holds the witness
Jesus reigns through every night

Metal flowers chant in rhythm
Over the machines
Official files conceal their faces
Behind familiar screens
Sagan raised into a godhead
A die hangs in the air
Mint mountains promise borrowed riches
Debt waits like a snare
A quiet walk into the woods
Still leaves a trail somewhere

Hidden things have loved the dark
And fed on doubt and shame
But the remnant bears the light
And calls each one by name

Jesus is Lord of earth and hidden
Lord where shadows disappear
Nothing stays veiled when He names it

Nothing whispered masters fear
Jesus is Lord of earth and hidden
Every secret meets the light
The remnant stands and holds the witness
Jesus reigns through every night

Let the forest lose its crown
Let the reef release its bind
Let the ash fall from the heavens
Let the ice give up its lie
Every file and false dominion
Every mask that darkness wears
Meets the Word that names the hidden
Meets the Lord already there

Jesus is Lord of earth and hidden
Lord where shadows disappear
Nothing stays veiled when He names it
Nothing whispered masters fear
Jesus is Lord of earth and hidden
Every secret meets the light
The remnant stands and holds the witness
Jesus reigns through every night
